Dear Cousin,

Cleveland Family Chronicles Research Society (CFCRS) is a not-for-profit organization with the following goals:

*to promote genealogical research on all Cleveland lines
*to connect researchers working on the same Cleveland lines
*to establish an informational clearinghouse of research on all Cleveland lines
*to provide genealogical material and research assistance to researchers of all Cleveland lines

Membership fees are $15/year for PDF newsletters sent by way of e-mail attachments. (You will need Adobe Acrobat Reader on your computer to read a PDF newsletter.)

This fee will entitle the subscriber to quarterly newsletters, free queries in the newsletter, and access to all Cleveland research materials in the society files and database. There is no charge for the research material. However, I do request that the society be reimbursed for postage and for photocopying (10 cents/page).

The newsletter is open to anyone wishing to contribute articles, biographies, anecdotes, letters, etc. It is also VITAL to the society that you submit group-sheet information so that it can be stored in the CFCRS database.

Announcements of family reunions are welcome. However, please send me the pertinent details in time for publication. Deadlines are the first day of the month preceding the newsletter months of March, June, September, and December.

A subscription form appears below for your convenience.

Love and blessings,
Vikki L. Jeanne Cleveland
