The centenary of Scouting is an auspicious occasion. 2007 marks one hundred years since our founder, Baden-Powell, held the first camp of Scouts at Brown Sea Island.

To celebrate this momentous occasion, Scouts Australia has organised a tour for our adult members and supporters, past and present.

Follow in the Footsteps of Baden Powell

The tour takes in the cities and sights of;
Hong Kong
India
South Africa and Kruger National Park
Kenya
United Kingdom (World Jamboree)
New York
Las Vegas
Los Angeles

In each country, participants will spend a day with a local guide on a sightseeing tour, spend time with local Scouts, be hosted at a dinner with local Scouts and have a day to explore the city at their leisure.

Tailor Made Tours

While the grand tour is 32 days long, participants have the option to move in and out of the tour at any time. Scouts Australia will book your ticket according to your preference. All tours are individually tailored to your needs and interests. While you have the opportunity to shorten your tour, the grand tour will see you travel the world and experience Scouting and its history in so many forms that it is not to be missed. Once you have paid your deposit, the tour leader will telephone to make specific arrangements with you.

Tourist, Historian and Scout

This tour has been designed to be a memorable event, one to remember for the rest of your life. Unlike most commercial tours you will have the opportunity to meet with and spend time with local Scouts in each country. Coupled with a city tour at each location, this is a one off opportunity to be a tourist, scout and learn more about our founder's amazing life.

Tour Options

Individuals are welcome to pick up the tour at any point along the way to maximise time in other countries. You may wish to breakaway from the group after Hong Kong and then meet us again in the UK, leaving more time to explore Europe. Similarly, individuals may wish to stay on in Europe or the USA and come home at their leisure. Whatever your preference, we can tailer specific parts of the grand tour to your needs. In each country and city, you will have the opportunity to book additional tour options specific to your interests. These can be tailored to your specific itinerary.
