I is impotent, and knows not love

We produce and is produced by a social reality

I emblazoned upon culture: branded, desired, sold, sustaining the capitalist ideology of 'choice'

We undertake objectives of gender, race and sexuality, and is divorced from identity

I causes the failure of us, in that the capitalist language of the ego instilled at birth polarises and mocks critique in the service of resistance

We renounce authority and destroy the ego

I in isolation will forever lack and perpetually desire

We jeer ifle assessing

transit bastardised mot

I carries with it the burden that is the transcendent phallus of a patriarchal God

Lash on spirtpor bne amake on aimed ow

I, in denial of its social existence, will not collaborate and destroys us

We negotiate an autic bnoted al ow

ailab to ytiralitim sabdome bne

race, of gender, shackles

I invokes in categories state; and identity as masquerading

sexuality

We relate to antinomic analogue ow
