

Registration Information

How to Register

All registration must be done by mail, postmarked no later than May 6th. Children may register for one or two classes. Class rosters will be filled beginning April 29th, as the registrations are received. Given the limited class sizes and the popularity of the program, the first choices of applicants cannot always be satisfied. Acceptable alternate choices should be indicated. Notification of course assignments will be made by the beginning of June.

General Information

Parents are responsible for transporting students to and from school. Attire is casual and comfortable. The general rules of student conduct that apply to the Nutley School System apply here.

ABC Membership

Join us! The Academic Booster Club works to foster a love of learning in Nutley's school-age children, sponsoring programs like Let's Learn, science and history fairs, and scholarships for Nutley High graduates. Annual membership is \$10. Send a check to ABC, PO Box 592, Nutley, NJ 07110.

Grades 4 – 7

Science Exploration

Are you shocked by electricity? Do you want to bone up on fossils? Do you wish upon a star and dream of being a rocket scientist? Well then, this is the class for you. Come find out through computer programs why gravity gets people down. Learn how to recycle your own paper and how to build and launch your own rocket.
Instructor: Mr. Paul Zeller

Videography Club

Lights, Camera, Action: From cue to camera to cut. Television production from all angles. You will learn to write the scripts, roll the cameras, say the lines and star in your own video, in this very hands-on video course. You will need a blank video tape for this class.
Instructor: Mrs. GERALYN RYAN

Math Magic

Love puzzles? Can't resist a mystery? Then join the fun and use dice, calculators, toothpicks, coins, tangrams, even snack foods to help solve some wild and wonderful math problems. Along the way, you'll become an expert in estimation, create Venn diagrams, and have incalculable fun putting together math-based projects.
Instructor: Ms. Erica Lanza

Map Quest

Become a map master! Learn how to read and draw maps in a variety of fun and creative ways. Explore the world on paper, and create custom-made maps of your favorite destinations. Learn about map terms and unlock the secret of map keys – then try out your knowledge on your next family trip.
Instructor: Ms. Jamie Giglio

Computer Art

Paint, draw, design, and create multimedia presentations with the world's most magical art studio—the computer. You'll use HyperStudio, KidPix and AppleWorks—not to mention your own imagination—to create amazing works of computer art.
Instructor: Ms. Farrah Rella

Drama Workshop 2

To be. Or not to be. That is not the question. The question is, can't you hear the audience calling you back? It's time to put back on the face paint and pull on your costume. You're going to feel the spotlight on your face. Encore! Encore! Join the others and refine your stage skills. You will participate in a performance.
Instructor: Ms. Liz D'Angio

The Art of Drawing

Do you love to draw? Would you like to learn to draw your favorite cartoon characters or draw a realistic picture? Improve your artistic ability by learning perspective and other techniques to enhance your talent. Come to this class where we will explore all these things with pencil, charcoal, markers and other media. Drawing is a wonderful way to express yourself, have fun and relax.
Instructor: Mrs. Celia Nakashian

Intermediate Quilting

For students who've already taken our introductory quilting class and can't wait to do more, this class will take you beyond the basics. Become a master quilter and create a beautiful heirloom pillow using a favorite family photo. (A list of supplies will be sent to each student before class begins.)
Instructor: Ms. Sue Hagert

Grades 1 – 7

Wonderful Italy

Everyone is welcome to journey through Italy. On our "travels" we will be visiting Rome, Venice, and many other exciting Italian locations. We will also be exploring the food and culture of the Boot. Please join us for this Italian extravaganza. Arrivederci!!
Instructor: Ms. Amy Fierro

Let's Learn 2005

Summer Program
June 27th — July 22nd
9:15 – 10:30 am
10:45 – 12:00 noon

Presented by the

Academic Booster Club

About Let's Learn

The program is offered to children entering grades one through seven as of September 2005. The emphasis is on activities that are fun and educationally challenging. No tests or grades are given. All of our instructors are certified teachers. Class size is generally limited to sixteen students. Courses this year will be held at Nutley High School. Two periods are held daily, the first from **9:15 to 10:30** and the second from **10:45 to 12:00**. Classes will run from **June 27th through July 22nd**. There will be no classes on July 4th.

Course Selection — Grades 1 – 3

Videography I

From cues to camera to cut. Television production from all angles. You will learn to write the scripts, roll the cameras, say the lines and star in your own video. This class is specifically designed for students GOING INTO 2nd and 3rd grades. Bring a blank videotape to class.

Instructor: Mrs. GERALYN RYAN

Crafty Kids

Explore! Invent! Create! If you enjoy hands-on projects, you'd better bring your imagination to this exciting, creative class just for you. Clay sculpture, make-believe animals, paper-mache piggy banks and feet painting.

Instructor: Ms. BONNIE DEPALMA

Writer's Express 1

All aboard and bring your creativity. This train is headed on a trip through your imagination. We will be making stops in Picture Book Place, Short Story Junction, Poetry Valley, Mystery Gulch and Cartoon Canyon. Tickets, please, tickets. This class is specifically designed for students GOING INTO 2nd and 3rd grades.

Instructor: Ms. JACKIE FRANTANTONI

Kids in the Kitchen

Ever wonder why bread rises? Why french fries taste great? Why eggs turn white in the pan? Is it cooking or is it science? Come learn both in this cooking science class. Or is it a science cooking class? You decide.

Instructor: Ms. EILEEN LATORRE

Science Discovery

Can it rain inside your house? Ever been fascinated by gears & motors, bats, eggs-periments, ooblek? Life's a mystery. Let's go exploring with many hands-on activities.

Instructor: Mr. MARK DOTY

Jr. Math Games

Math is fun when you make a game of it and you can count on that. It all adds up to fun times infinity. We will measure up, tell time, and do some critical thinking in this math-magical course.

Instructor: Ms. GINA MASINO

Artist Discovery Club

Did the all the women in Picasso's neighborhood have two noses? How long did Van Gogh have the blues? Is it true Michelangelo painted on his back because his chiropractor told him to? Bring your smock, and let the great artists inspire you to create your own timeless works of art.

Instructor: Mrs. MARIA STRUMOLO

Drama Workshop 1

Ever dream of being on stage, standing in the spotlight and taking a curtain call to thunderous applause? Well, this is your chance to learn first steps to getting out there. Learn voice projection, movement, mime, improvisation and character development. You're going out there a kid in a Let's Learn summer course. But you're coming back a star.

Instructor: Ms. LIZ D'ANGIO

How Does Your Garden Grow?

Ready to get your hands dirty? Come learn how to grow a bountiful garden. We're going to explore herbs, vegetables and flowers. We're even going to design our own planters.

Instructor: Ms. MARY SILVESTRI

Nutty for Nature

Are you crazy about the great outdoors? Do you like to learn about animals and nature? Do you like doing experiments? Then you are going to love this hands-on course. By the time we're done, you'll have an even greater appreciation for the natural world all around us.

Instructor: Ms. AMY LOSOS

Puppet Pals

From the Muppets to Broadway's Avenue Q, puppets rule! And so will you, in this hands-on puppet-making class. Use a variety of exciting materials to create unique and imaginative puppets. Then bring your creations to life in puppet shows that you write and produce yourself. Have a blast while honing your artistic, writing, and communication skills.

Instructor: Ms. CHRISTA LUZZI

Around the World in Twenty Days

Travel the world! Discover fascinating cultures! See how people in other countries live, eat, celebrate, and go about their daily lives. Students will use maps to "journey" around the globe and learn more about the world we live in, including customs, languages, and cultural beliefs.

Instructor: Mr. MARCELLINO MARRA

Grades 3 – 6

A Summer With Harry Potter

Welcome to Hogwarts. And as a first year, you will meet some of Harry's more colorful friends and enemies from his first two years here. You'll also be expected to whip up magic potions, design wizard games, create spells, plays, adventures, poems and prose. But do keep your wands at the ready. He-who-must-not-be-named is around every corner.

Instructor: Mrs. MARY ELLEN BURNS

Grades 4 – 6

Writer's Express 2

All aboard and bring your creativity. This train is headed on a trip through your imagination. We will be making stops in Short Story Junction, Poetry Valley, Mystery Gulch and Cartoon Canyon. Tickets, please, tickets. This class is for those going into 4th, 5th and 6th grades.

Instructor: Ms. JACKIE FRANTANTONI
