Dear Supporters:

The **Janice Mitchell Isbell Academy (JMIA)** has served students struggling in a traditional classroom since August 2001. Don't miss out on an opportunity to show your support of the **JMIA** by placing an ad in this year's yearbook. You can do so by submitting a personal or business advertisement. A business ad provides a great opportunity to make your business known to the community and shows your support of the JMIA family. With a personal ad, you may want to send a personal word of greetings or appreciation to your own family members, JMIA staff members, members of your organization who have done a great job, etc. Attached is an order form for your convenience. All ad forms should be accompanied with payment (checks and money orders made payable to JMIA) and artwork. You may pay online by going to the following website: <http://www.janiceisbell.com/servlet/the-template/faq/Page>. All graphics should be camera ready. Deadline for entries is **February 28th** and no ads will be accepted without payment.

Thanks to all of you who have supported the Isbell Academy. It is exciting to enter another year of operation. This year could not have been a reality without the help of the community. The school is for students who are struggling in the traditional classroom. These students are at risk of dropping out, flunking out, or getting put out. Our goal is to provide remediation and to return them to their regular schools. The students will return to their regular schools with a higher self-esteem, better attitude, and lesser chance of becoming a behavioral problem within the classroom.

The **Isbell Academy** was formed with two purposes: (1) Provide education services for at-risk students; and (2) Accelerate the knowledge, skills, and abilities of the students to at and/or above grade-level expectations. The Janice Mitchell Isbell Academy (Isbell Academy) is a non-profit, tax-exempt, private, institution of learning. Isbell Academy believes in training the whole student - intellectual, social, spiritual, and physical. Isbell Academy admits students of any race, color, nationality, religion, and ethnic origin. Isbell Academy does not discriminate on the basis of race, religion, color, sex, national or ethnic origin, age, or physical disability in the administration of its educational policies, admission policies, scholarship and loan programs, athletic and other school sponsored programs.

Please see our website for a fact sheet which gives more information about the academy and the direction of our efforts. If you have any questions, please do not hesitate to call me at 256-694-9451 (cell phone), or email isbell_academy@yahoo.com or info@janiceisbell.com.

Sincerely,

Janice Mitchell Isbell
