## Halfway Run Stroll Report

**Run No:** 1396

**Date:** 02 Aug 2006

**Venue:** Cavay playground, Cnr Goman & Morden  
Sts Sunnybank Hills

**Hare:** Call Girl/D-Cup

**Run Site:** all over Sunnybank Hills it seemed.  
There was the original Cavay Playground Corner  
of Gorman and Morden Streets, then there was  
the third street light down the same street,  
then there was the park on the right about a

block. Almost as adventurous as the run.

There were some who did not make it to the third ON ON site namely GOANNA and IMPOT\*NT ( though apparently IMPOTENT did manage to skulk in very late in time for a charge of being IMPOTENT and coming late. Many in the crowd mentioned that he was lucky to come at all being IMPOT\*NT. There were those that put two and two together and noticed GOANNA and IMPOT\*ENT were 'lost' together!.

The charges were boisterous and many:

MUFFY was 'back from the dead'

CALL GIRL and D-CUP were the hares responsible for a well set run, and badly set ON ON site. Last time CALL GIRL killed off a relative to get out of the job.

DON THE NEIGHBOUR was given a down down for being game enough to join us, he also laughed at all the nonsense going on and got GOANNA's phone number since she wasn't there, and may join us in the future. He was overheard to say many flattering comments about everyone's humour except SPADG\*R'S. Not unusual that.

TAKE ME received a charge for not remembering her own name, apparently showing early signs of hereditary alcohol abuse memory loss.

MID STRENGTH and XXXX received charges for not calling on the run and XXXX was the recipient of the inaugural 'suck a lemon for not calling' award.

SICKF\*UCKER was deservedly charged for phoning PRINCESS LAB\*A at 4am to be his taxi on THE HORROR's Bucks Night.

PRINCESS LAB\*A was charged for complying, and many considered icing her to be just punishment for such loving behaviour now that they are married.

RADAR was charged for finishing last and 2<sup>nd</sup> last at the Kart Racing on the weekend, bit of an effort considering LOST AND FOUND was also racing in a cart that he could not fit (see photos for confirmation). THE HORROR was charged and iced for the heinous crime of sneaking off early from his own Bucks Night, the other boys had to have the stripper and festivities all to themselves. While sitting on the ice he was heard to winge about the coldness of the ice and that the G'M's had "lost the crowd". CALL GIRL also said he deserved the ice for not supplying CHARDONNAY on the night (take note HORROR).

BUSHTUCKER charged SHEATH for not turning up on the Bucks Night with the free tickets to a strip club, and this seemed to get the most sympathy from the crowd.

**Bootlace - Winner of D Cup's Undie 300**

ONE-STICK made her debut as the Hash Religious Adviser. She made her 1<sup>st</sup> mistake by asking the previous Religious Advisers LOST AND FOUND and XXXX for advice, then made her 2<sup>nd</sup> by thinking. She kept it short and sweet by asking of the crowd why 'the person previously known as BILL' has a spouse called DISAPPOINTED. To everyone's astonishment ONE-STICK advised that it must be because he is a quick f\*ck. So 'QUICK F\*CK' he is. A good name as agreed by all, and many were quick to shorten him to QUICKIE. Some females in the crowd were heard to say that they preferred this length of intimacy with their

spouses, so he may become a very popular lad at Hash.

Being the scribe on the night I was also to witness a few indiscretions which I will share:

CALL GIRL not only left her bag in the back of WANG\*R's ute, but also her keys in the car at the drink stop. Has no-one told this poor girl anything?. THE HORROR was hasty in almost taking off with the said keys from the ignition, but was thwarted by D-CUP trying to impress CALL GIRL with his kindness.

SPADG\*R's 'builders b\*m' or 'plumbers crack' was much talked about on the run, as he had been witnessed showing his off. There were many complimentary comments from a few of the girls, including GROUNDSHEET who stated that it was very firm and round. As the Hasher who shone my new bayside torch on SPADG\*R just at the opportune time, I would have to concur. SPADG\*R was heard later to say "lucky I wiped".

**Horror tries water recycling**

SICKF\*CKER made friends with a local who is using his personality to sell his house. When SICKY shone his torch to check out the home for sale, the man called him a wank\*r and told him to turn the fucki\*g torch off his house. Of course, at that point, Hash loyalty being what it is, a few other hashers mentioned to the owner they were going to buy his house, but as they couldn't see it, they wouldn't now (actually what I said was "We liked the house but now I can see that the contents are sh\*tel!).

Last but not least, METEOR was warming his hands on the meagre Hash lamp so that they would be warm for 'later activities', and on hearing this ESCARGOT got very excited and confirmed that he was indeed 'on a promise' if he continued to warm his hands. As he was getting a lift home with them, it seems IMPOT\*NT was going to have an exciting end to the night after all.

A great run, hot food, a lively crowd, an even livelier circle, hyperactive G.M's, neighbours, icing, and SPADG\*R'S nether regions provided for a good night. Many more to come.

Some men in a pickup truck drove to a lumber yard. One of the men walked into the office and said, "We need some four-by-twos."

The clerk asked, "You mean two-by-fours, don't you?" The man said, "I'll go check," and went back to the truck.

He returned shortly and said, "Yeah, I meant two-by-four."

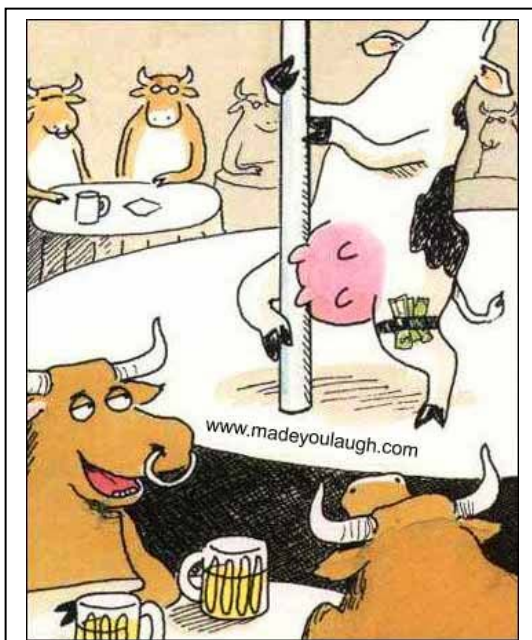

"All right. How long do you need them?"

The customer paused for a moment and said, "I'd better go check."

After a while, he returned to the office and said, - "A long time. We're gonna build a house..."
