Halfway Run Stroll Report

Run No: 1394
Date: 19 July 2006
Venue: 7 Thistle Street , Lutwyche
Hare: Turncock

The trip over to “Speedhumps” was the normal when you travel with “The Horror”. Thoughtful witty intelligent conversation, interspersed with provocative blasting 70s rock music from “The Stranglers” (heard this CD on 54 consecutive weeks now). The “Wang” of course was with us, sandwiched between the two of us steering the ute with her right hand and changing gears for “The Horror” with her right cheek. We arrived early at the On On which was not a good idea for the spicy aromas of “Speedhump’s” curries were permeating everywhere and had me salivating two hours ahead of nosh time.

The relatively small pack set of on time with the promise from “Speedhump”, trust me there are no hills on on and shortly after I found myself in a world of my own and took very little notice of what was happening to the pack around me. Reason being we had run onto the “Lutwyche” soccer field where some 24 years earlier I had scored my first hat trick (that’s 3 goals to the uninitiated) on on on and I found myself at the “Grange Thistle” soccer ground where 20 years earlier I scored my first double hat trick and believe it or not I was playing in goals!!! Aaarrhhh the memories. It was about here I snapped back to reality and found myself walking with “Wet One” not running tonight “Wet One” I said. No she retorted too stressed out from all the homework I’ve been given and anyway I have just played a netball game for school She then wooozed off into the dark and left me in her wake.

On on we wandered past the “Crusher” leagues club, down into some storm drains on on down a cycle path an past the “Wilston Grange” aussie rules club to the drinks stop where we served a fruity cherry concoction. Not too much to report from here on however when I arrived back to the On On the pack had tripled. Could the reason be we are now turning into a gourmet food club, rather than a running club? Are people only turning up for the nosh rather than the run slack bastards!! Or was curiosity high as to how the new committee would perform. I have my own thoughts on how they performed and I refer you to my assessment below.

DOWN DOWNS

Hare: Speed Hump
Wanger: For being Wonder Woman and doing a great job of the changeover.
D Cup: Lowered the bar and is now a sensitive guy no can’t be.
Sonar: For getting lost with “Take Me” of was it “Wet One” ... perhaps them both!!
Skitso: For being accused of being a s*xual predator.
Radar: For wanting to achieve a sexual predator status.
Skidmark: No not the one we know but a lookalike from Singapore.
Impotent: Attack of memory loss and called “Skitso” “Catatonic”.
*Pr*ck of the Week:* “D Cup” for being a general ars*hole Said “Loose Lips”.
Raffle Winner “Princess L*bia”. The prize a magnum of red wine.

2006-2007 FIRST NIGHT NEW COMMITTEE

PERFORMANCE RATING

GRANDMASTER

“Loose Lips”

Arrived early with his minders and book ends “Take Me” and “Wet One”.

Rating 10/10

GRANDMISTRESS

“Tinny”

Arrived late as usual Now she is Grandmistress she can lobby for any Hash start time that suits. Maybe “Hardcock” is responsible for her punctuality problem!!

Rating 6/10

ON SEX

“Sickf*cker”

Arrived early and came complete with an enthusiasm not seen before. Even hassled me to get this report to him by Sunday lunch. I’m away in the Roy for the weekend for damn’s sake.

Rating 10/10

HASH CASH

“Tickler”

Did not turn up at all. Thought she would have made some sort of effort to get down from Goondiwindi. Aply substituted by “Wanger”

Rating 10/10

HASH FLASH

“Sheath”

Arrived late and then sauntered around like Lord Snowden taking photos.

Rating 8/10

BREWMASTERS

“The Horror”

Rating 10/10

“Bushtucka”

TRAILMASTERS

“S Bend”

“S Bend” took to her duties like a novice nun on her first day at the convent.

“Radar”

Rating 10/10

“Radar” spat the dummy and tossed the job in. He was offered the night before the position of “Grandmaster” with Bayside Hash which he considers to be more befitting to his talents. At least he gets to wear the white dog collar!!!

Rating 4/10

On On Turncock

Also in charge – It's gonna be a really long year!

LET'S TAKE A POLE: Dougie Freeman, owner of the West End Salon & Spa in Provincetown, Mass., had a great idea for a summer promotion: he installed a dancing pole, and any customer who danced at the pole would get \$1 off for each minute danced, up to five. No go, said town officials. "Dancing is construed as entertainment," said the licensing bureau, ordering Freeman to take down the pole and end his "Dancing for Discounts" program. "This is actually a wholesome activity," Freeman complained, noting there was no stripping involved. "I feel kind of like an artist who's been nailed to a cross."

I SEE SOMEONE'S UNDERW*AR! Police in Suffolk, England, have published a magazine for young women warning about binge drinking. The articles are written in a "gossipy, tongue-in-cheek style" in hopes the gals will pay attention. On one page, a photo of a girl in a mini skirt is captioned, "If you've got it, don't flaunt it." On another page, an article illustrated with a photo of a woman collapsed on the floor notes, "If you fall over or pass out, remember your skirt or dress may ride up. You could show off more than you intended -- for all our sakes, please make sure you're wearing nice [p*nties] and that you've recently had a wax." (London Telegraph) ...Silly cops! They think girls still wear p*nties!

A quick word from your On Sec/Web W*nker/ Hash Trash (& anything else you b*****s are getting me to do!).....

There's a few enhancements gonna happen to make my job easier & make it easier for you to know what's going on. I'll ramble on about this next week, but basically, here's a few things...

We now have a **yahoo group** that enables us to communicate without 500 emails going back & forth & to let folk know of important changes / news etc (such as Radar's change of venue for Wed for example) This button on the left you will now see on the web site (or you can click it online if that's how you're reading this) and it allows you to join the group. If you're not already a member, please sign up. Other hash groups use this method & it works great, so please sign up! All my communication to the Hash via email will be done thro' the group.

Contact list - I've heard discussions about this data been on the website & all of it valid. Not everyone wants this. So, here's what we did in Sydney & it proved popular there. The contact list will be removed from the website. It will instead be sent or handed out at the hash. To receive one, your name must be on there too (sounds fair dunnit?). Let me know what you think. Oh - and look out for the reminder to update your details coming soon.

Websh*te & Photos - I'm gonna enhance the website & spruce it up a bit. If there's anything you think should go on there, then lemme know. You will notice on the website now, the photos are back!! We hope to make this a regular thing - Subject to Sheath, Tinnie & whoever else got the flash's job!
