## CHAPLAIN'S MESSAGE

My Brother Knights,

I doubt there is anyone who does not long for "normal" to return! We want our parishes, pastoral and fraternal activities back just as they were before. However, I really don't see this happening for quite a while.

In the meantime, we know God's providence is at work today, calling us right now into the present circumstances and not beyond them. What might God be teaching us and where might He be leading us?

The first lesson - and I have had to learn this one too - is that we are not in control. Our plans are just our plans! Everything is up in the air. It is hard to know exactly what next week will hold, much less next month, or next year.

Secondly, our domestic lives have been reset with the upending of our incessant activity and planning. Family life has had an opportunity to reset to both greater simplicity and engagement. However, this has not been without the pain of struggle and difficulty.

Thirdly, it's time to just be in touch with people - parishioners and our brothers - by rediscovering the importance of a phone call which does not violate any quarantine measures.

The present time is not a time to figure out how we can return to familiar programming or fundraising. It is a time to be renewed in our fraternity. In what new ways can we do this?

Your brother in Christ,  
Fr. John N. Burchat

## GRAND KNIGHT'S MESSAGE

Dear Brothers in Christ,

"When all about you is..." typically I can't recall the rest of the poem, but it seems 'a propos' for these times. Faith, Hope and Love are the only remedy for what ails our thoughts, our world and our spirit. It feels as though the Good Lord has been trying to wash away all of our concerns of late. New beginnings flushed with prayer, kindnesses and caring are in order. The need for fellowship, material and financial supports persist. The Grove is advancing, the Church repairs and renovations are achieved, the Schools are opening and need for our help is ever present.

In the past we have held Cemetery gatherings, provided Coats for Kids, held Substance Abuse Poster contest, Essay Writing contests, Basketball Free Throw competitions, Sunday breakfasts and provided Bursaries for High School Graduates as well as financial supports in excess of \$1000 to the local Schools (lunch programs and activities funds).

The COVID Virus has curtailed our ability to meet all of these commitments as we raised our funds through the Bingos and the Bar receipts from Community events. Our Executive held an ideas session on Monday August 31st. to discover and share novel fund raising ideas. We will share the outcome of that session soon. Please do not hesitate to forward your idea to any member of the Executive for discussion.

In closing, it is such a joy to be able to participate in Mass again, bless you Fr. John.

Vivat Jesus  
Bob Lee, G.K.

## DISTRICT DEPUTY REPORT

Brothers:

This letter from David Gelinis from State Board informs us we can continue until the pandemic is abated to work with the current council members. I will send an article for the news letter so as to inform the general membership of our council.

Worthy Grand Knights and District Deputies,

For those councils that have gone into total lock down since the declaration of the pandemic in mid-March and have not held an election of officers in May or June for the 2020-2021 fraternal year, even by virtual online means, this memo is specifically for these councils.

Even though Sec. 128 states that offices are held for the term of one year starting on July 1st, the last part of the paragraph is key to understand, "...until their successors are elected and qualified". If your council has not held an election of officers because of the lock down and fears associated with the pandemic then please understand all the executive officers of the 2019-2020 carry over into 2020-2021 until an election of officers is eventually conducted, either in person (by the local health departments guidelines) or by virtual online methods. None of the officer's terms have expired on June 30th from the 2019-2020 fraternal year for the specific councils just mentioned.

Once an officer's election is conducted then the new elected executive officers for this fraternal year will commence on the day following the election. Then the GK or FS need to submit the Supreme 185 and State SO-185 forms immediately afterward to the email addresses shown on the forms.

Our District Deputies will then perform an Installation of Officers as soon as possible including the day of the elections if possible.

Also, soon afterward the new 2020-2021 GK should then decide who his directors are for the council and we need the Supreme 365 form submitted to the email addresses shown on the form. Please focus first on the five required directors identified on the 365 form if smaller councils do not have the ability to appoint a member into all directorships. The 185 and 365 forms are both needed asap to begin the process of the Safe Environment training.

Fraternally,

David Gelinias

*State Advocate*

*Accountability Officer-Safe Environment*

Yours in Christ

District Deputy, District 44

## **Notes from Recording Secretary**

I have assembled a great deal of written and electronic material in preparing the History of Council 2082 for our 100<sup>th</sup> Anniversary. The material has also proven useful in filling in some of the gaps in our Council records. However there are still gaps which our members and our widows may be able to help me to fill.

### **History of Council 2082**

I have completed the History of Council 2082 which is titled "100 Years of Faith, Service and Fraternity, Knights of Columbus Council 2082 Arnprior". The manuscript has been reviewed by two PGKs and is ready for printing. However I will hold off printing until after the pandemic, when we will have a date for our 100<sup>th</sup> Anniversary banquet and our finances are stabilized. This will allow me to consult further with some of our older Knights on our history.

### **Lists of the Members of our Executive from 1920 to today**

I have prepared lists of our Executive Members from 1920 to today. However I am missing four lists from the 1960s, four from the 1970s and one from the 1980s. These are:

- 1960s: 1964-65, 1965-66, 1966-67 and 1968-69,
- 1970s: 1970-71, 1977-78, 1978-79 and 1979-80,
- 1980s: 1980-81.

If any of you have paper copies of these lists or group photos of our Executive on these dates between 1960 and 1980, your help would be appreciated in completing this project. I will return them to you once I have copied them.

## Meeting Minutes

Our Minute Books cover the period 1920 to 2000. Unfortunately the books for the years 1963 to 1991 are missing. The Executive has agreed that the Minute Books will go into the Town Archives for their long term preservation.

I am trying to assemble electronic copies of our Meeting Minutes from 2000 to date. I am missing about 74 of the 240 Meeting Minutes of the period between 2001 and 2011. The missing Minutes are:

- 2001: Jan 2001,
- 2002: Oct and Dec 2002,
- 2003: April, June-Aug, Oct-Dec 2003,
- 2004: missing all but Dec 2004,
- 2005: Aug & Oct 2005,
- 2006: Jan-Sep & Dec 2006,
- 2007: missing all but Dec 2007,
- 2008: missing all 2008,
- 2009: missing all but Feb & Mar 2009,
- 2011: Jan to April 2011.

If any of you have paper or electronic copies of these missing Meeting Minutes between 2001 and 2011, your help would be appreciated in completing this project. I will return paper copies to you once I have copied them.

## Council Bulletins

I have assembled two sets of the Council Bulletins (the *Knightly News* and its predecessor) dating from 1964-1999 in binders, one for our Council library and one for the Town Archives. I have made electronic copies of the Bulletins from 2000 to today. I am only missing four Bulletins from 2000 to 2006. These are Dec 2000, July 2002, Dec 2003 and Oct 2006. If any of you have paper or electronic copies of these missing Bulletins, your help would be appreciated in completing this project. I will return paper copies to you once I have copied them.

If you can assist me in these projects, please call me at 613-622-1486.

Fraternally,  
Wayne Pickering Recorder

## K of C Insurance: By Brother Knights, For Brother Knights

**Worthy Brother Knights & Families:** I hope and pray that you are doing well, and that the summer months have treated you well. A new Fraternal Year has begun once again, and express my gratitude in advance, for the good work that this council will be doing in the months ahead.

I have a few pieces of information to share with you in this month's council bulletin. Firstly, as you may already know, it has been announced that Fr. Michael J. Mc Givney will be beatified during special Mass scheduled for October 31, 2020 at the Cathedral of St. Joseph in Hartford, Connecticut. While we

will not be able to make the trek to be there physically, we can still unite ourselves spiritually to this Mass and view it online. Stay tuned for more details.

Secondly, the Knights of Columbus recently held its virtual Supreme Convention. Our Supreme Knight Carl Anderson, shared some important information concerning the Order's fraternal benefits structure. We remain a Fortune 1000 company, have an A+ Superior rating from A.M. Best, and have an AA+ rating from Standard & Poor's – all of which is quite remarkable for an exclusive, authentically Catholic insurance organization during a global pandemic. In his report, the Supreme Knight remarked that "our approach to insurance can be summed up in a simple phrase: "insurance by brother Knights, for brother Knights." He also commented that "insurance is the original sign of our fraternal commitment to one another. It is the embodiment of brother Knights coming together in mutual support." There is a product for every Knights of Columbus member and his family to meet a financial need, want, and desire that they have. I thank the membership who has entrusted us with their financial protection, and I encourage the associate membership to contact me and explore the options that are available to you and your family.

Thirdly, I am happy to share a personal achievement of mine. Every so often, a training opportunity becomes available that can truly make a difference in the way that services are offered in our community. I recently signed up for a program offered by Age-Friendly Business, to earn the Certified Professional Consultant on Aging (CPCA) designation.

This course introduces some of health, social, legal, and financial issues facing a maturing population, and identifies how professionals can provide a more relevant service. From trends in aging, to care giving, housing, retirement, estate planning, and so much more. I am looking forward to learning more about what is important as we move through various life stages and transitions, and what our community wants from the professionals who serve them. I know that this information will help me provide an even better client experience for all those who clearly deserve nothing less. I look forward to regularly sharing this information with you.

Please contact me anytime - *Vivat Jesus!*

**Worthy Grand Knight,**

Several weeks ago, every jurisdiction in Canada was contacted as a call was made for success stories to be shared throughout our country. Everyone is well aware that carrying out programs is inherent to the growth of our Order and an eloquent testimony to our Councils' vitality.

The purpose of this call for success stories is to share them with Brother Knights across Canada, through video conferences (in English and in French), particularly during this pandemic era. As a matter of fact, a program that became a success story in a Council, a District or even in a State may not be known at all in other jurisdictions.

Whatever the category (Faith – Family – Community or Life) without forgetting the new ‘Leave no neighbor behind’ which is a multi-faceted program, we are interested to learn from your success stories and we would be grateful if you would share it with us so it can be shared with others in Canada. Who knows, such and such activity or ‘in-house’ program could become a trend!

Up to now, only one success story was received, from London, Ont. Please forward your success stories by email to B.K. Pierre Pelchat, Regional Training Director at: [pierre.pelchat@kofc.org](mailto:pierre.pelchat@kofc.org).

Thanking you in advance for all the consideration you will give to our request.

## **ANNUAL MASS FOR OUR FAITHFUL DEPARTED:**

Although the **Annual Cemetery Candlelight Vigil Mass** has been cancelled this year because of the pandemic, there will be a Mass Commemorating All the Faithful Departed on **Wednesday, September 16 in St. John Chrysostom Church at 7:00 p.m.** for the repose of the souls of all our faithful departed – wherever their mortal remains have been interred. At every Mass, we proclaim that Christ is the Light that overcomes all darkness, even the darkness of death, and we celebrate the life of every human person who is created in the image and likeness of God.

## **Mid year budget**

Brothers,

We completed our mid-year audit, as usual, in mid-July. I subsequently updated our 2020 budget with the mid-year actual values to see where we stand in relation to our budget projections. As expected, we had a significant revenue shortfall due to the current Covid-19 pandemic. Our expenses have gone down but we still have some ongoing expenses we must deal with. For now, we are using whatever cash we have on hand and later on, if forced to, we will have to dig into our long-term reserves.

At this point in time we cannot predict when any income generating activities will resume. If you have any suggestions, we would welcome them.

Marc

### **Aluminum Collection and Sales**

1. The aluminum is spreading out on to the roadway so I asked several yard hands to use one of their tractors and push the aluminum back. They said they would do it. The Forman was on lunch break so I did not get to speak to him.
2. I plan on waiting until aluminum hits 35 cents per pound before we sell. There is lots of room at Rona and at the barn
3. The barn is filling up so I removed all the trash to make more room . I still have to get rid of the windows in the barn. Does anyone want them?
4. I believe that we can hold out until next spring before selling but will sell everything sooner if the price goes up.
5. The price for aluminum dropped to 20 cents per pound and has now risen to 25. USA pays 46 cent American which is about 70 cents Canadian. The border is closed. I would try a test run otherwise.
6. We have about 8000 pounds of aluminum right now so an increase of ten cents makes quite difference. I am home this winter and will keep on top of the program.
