Bill,

Thank you for your inquiry as to the outcome of the Floyd Graham parole hearing. While I have heard nothing "officially" yet, unofficially we believe that the only decision the parole board will be making is with regard to how long Graham will be "flopped". He has been getting a 5 year flops, however we made significant, and I believe very persuasive arguments for a 10 year "flop" of this animal. Hopefully for Fred's family's sake the parole board will give them the piece of mind of no possibility of parole until 2018.

In any case, I will make the inquiries and post and send to you the official decision of the parole board with regard to this case, as soon as I have it.

Thank you,

*Steve*
