

## 1<sup>st</sup> Timothy-3

### Lesson #96      Series # 467      1Tim 6:6

- I. Freedom through Military Victory:
  - A. Leonard B. Keller, Sgt US Army, A Company, 3<sup>rd</sup> Battalion, 60<sup>th</sup> Infantry, 9<sup>th</sup> Infantry Division, 2 May 1967, Vietnam.
  - B. Joseph R. Carey, Lt. US Navy Seal Team Leader, 14 March 1969, Vietnam, Bay of Nantam.
- II. True Prosperity & Capacity for Life
  - A. The false concept of prosperity is that any believer who has any level of prosperity is automatically in Maturity Adjustment to the Justice of God Super Grace.
    1. The fact that a believer is prosperous does not in fact infer godliness or Super Grace Status Quo.
    2. Super Grace includes capacity for life, happiness and blessing as well as these factors of prosperity.
  - B. Synonyms for Spiritual Maturity:
    1. Language Synonym == Super Knowledge, Resident Knowledge, or Resident Doctrine
      - i. (heb) Chakmah == Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul
      - ii. (gr) Epignosis == Metabolized Bible Doctrine in the Stream of Consciousness of the Soul of the mature believer.
    2. Theological Synonym == From the Original Greek **James 4:6**
      - i. (gr) Meizonacharin == Greater or Super Grace, This is the technical theological designation for the believer in Maturity Adjustment to the Justice of God.
    3. Priestly Synonym == Having erected an altar of the soul **Heb 13:10**
      - i. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is the altar of the Royal Family of God Priesthood and when it is completed there is maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul
      - ii. This completed altar allows the offering of the sacrifices on this altar to God:
        - a. Praise – **Heb 13:15**
        - b. Divine Good -- **Heb 13:16**
        - c. Obedience to the authority of the Pastor Teacher in bible class -- **Heb 13:17**
        - d. Prayer – **Heb 13:18-19**
        - e. Grace Apparatus for Perception – **Heb 13:10**
        - f. Principle of Separation **Heb 13:13**
        - g. Rebound Procedure – **Rom 12:1-2**
    4. Construction of the backbone of the Soul the Edification Complex of the Soul **Eph 4:12+16**
    5. Time Synonym
      - i. Redeeming the Time – Function of the believer with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul who purchases Time with this Bible Doctrine in the soul.
      - ii. This purchase has 2 directions:
        - a. Toward God – **Eph 5:16-18**
        - b. Toward the unbeliever – **Col 4:5**
    6. Central Control System – The dictator of the Soul
      - i. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul controlling your life – **Eph 6:10**
      - ii. This results in the believer NOT asking people for advice for anything in life.
    7. Military Synonyms
      - i. Putting on the full armor from God Eph 6:11-13
      - ii. Following the colors to the High Ground – **Heb 12:1-2**

- iii. Establishing the Command post of the soul – **Col 2:5+8**
- 8. Crucifixion Principle Synonym
  - i. Not used in connection with salvation and NOT referring to the cross of Jesus of Nazareth, the Christ which did not occur when the lord said this
  - ii. This is a command to engage in daily consistent function under the Grace Apparatus for Perception in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. **Matt 10:38, Mk 8:34, Luke 9:23, 14:27**
- 9. Sodium Chloride NaCl == Salt Synonym:
  - i. The believer is the SALT of the Land == the believer in Maturity Adjustment to the Justice of God and as a part of the remnant this remnant becomes the preservative of the nation.
- 10. Sanctification Synonym == Godliness: **1Tim 6**
- C. Godliness as a synonym for Maturity Adjustment to the Justice of God is the believer getting to Spiritual Maturity establishing his own command post of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and RECEIVING directly from God Super Grace blessings for time.
  - 1. Everyone of us as believers were given in **Eternity Past** a promise of Super Grace blessings for time.
  - 2. This is the sum total of our prosperity and blessing as a believer in time and is the **ACHIEVEMENT** of our tactical victory in time.
  - 3. This is provided at the point at which we **HAVE** contentment and capacity to enjoy these blessings in every category.
  - 4. It is given in God's perfect timing.
  - 5. It includes **GREAT** Spiritual Blessings which give us the capacity for great temporal blessings and it is all a **GRACE** Gift which we cannot and do not earn nor deserve.
  - 6. We receive this because we have reached a stage of our Spiritual Life where we can appreciate it.
  - 7. Spiritual Blessings include:
    - i. Occupation with the Person of Jesus of Nazareth, the Christ == we have finally come to appreciate God and have maximum Cat I Love and have our eyes on the source the giver above the gifts.
    - ii. Having great things to enjoy in life is simply a **GREAT** blessing in life.
    - iii. Once you have eyes on the giver you then begin to appreciate the gifts.
  - 8. Having capacity for these things we then have a fantastic spiritual picture and this gives us the means of enjoying the better things in life.
    - i. God does not withhold these things but he does want us to enjoy them and he is not in the business of giving us things which will bore us or make us miserable.
    - ii. Then we receive all the temporal blessings which can go along with these spiritual blessings and capacity.
  - 9. Without capacity having wealth and success in life the people will be bored to death with life and constantly looking for some other stimulation for their life.
    - i. Many people who have many many things of this life have these things without capacity for them.
    - ii. The secret to having things is having capacity for them and to have enthusiasm one must be able to recognize the giver over the gift.
- D. Godliness **WITH** Contentment is **CAPACITY for LIFE**, a description of the believer in Maturity Adjustment to the Justice of God Super Grace having all the blessings possible in life vs the unbeliever or reversionistic believer having them.

**Phil 4:11**

**v11: Not because I am speaking with reference to poverty, lack, adversity or need for I have come to know, learned through instruction from Bible Doctrine, in whatever circumstances I am, to keep on being self sufficient with contentment.**

#### **Phil 4:12**

**v12: In fact, I have come to know, during my reversion recovery, both how to live in helpless humiliation, shame, degradation, debasement or adversity from reversionism and Charlie Logistical Grace of Divine Discipline of the past; also, I have come to know or experienced how to live and function in success or in prosperity of the 5 categories of Super-Grace blessings in the present, in every place and in all circumstances; I have been initiated by understanding the doctrines and policies of God, instructed in the past with the result that this instruction stays with me, having learned the secret both of how to be well fed, filled or face plenty being saturated with Metabolized Bible Doctrine, and how to hunger desiring more and more Bible Doctrine leading to Ultra Super-Grace, and how to prosper and be in abundance in Super-Grace and how to be in lacking the Ultra Super-Grace Status Quo.**

1. As a believer in Jesus of Nazareth, the Christ you can have everything or NOTHING and be totally happy.
2. You having Metabolized Bible Doctrine in the Stream of Consciousness of the Soul will have it with or without things of life and with Bible Doctrine you will have a GREAT time with whatever you have.
3. Losing everything tomorrow you will not lose happiness still having Bible Doctrine in the Stream of Consciousness of the Soul.
4. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you are aware of the source, love the source, appreciate that which has come from the source, and enjoy it to the maximum.
5. Without Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you can have the WORLD on a gold platter and be miserable.
6. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul circumstances of life make no difference and having capacity for life circumstances are inconsequential.
7. The SECRET to Life is in CAPACITY for life from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

#### **2Cor 9:8**

**v8: And the God has the purpose and ability (omnipotencore) to cause all Grace to super abound to you (Super Grace Blessings in time), in order that always having a capacity for life, all sufficiency (temporal security) in everything you may super abound or have a super abundance with reference to the production of divine good function.**

#### **Heb 13:5-6**

**Let your lifestyle be free from the love of money, keep on being content with what you have, for he himself has said in the past with the result that it stands spoken forever, (Deut 31:8, Is 41:10) I will not ever abandon you neither will I ever forsake you.**

8. It is OK to have LOTS and LOTS of money but don't ever fall in love with it.
  - i. The evil of loving money is that YOU DON'T have to HAVE MONEY to love it and you can be rich or poor and LOVE money.
  - ii. On the other hand you can be RICH or POOR and ENJOY money without loving it.
  - iii. When a person LOVES MONEY, then MONEY is their master and is a cruel master.
  - iv. When you enjoy money YOU are master money is slave and it can be enjoyed when you have it as it will provide you with a LOT of things to enjoy in life.
  - v. With capacity for life you can enjoy money and it is slave to you as master.
9. Rich people are not nearly as bad as POOR people when it comes to loving money.
  - i. Often poor people who suddenly acquire money find that it is NOT nearly as enjoyable as they thought it would be.
  - ii. You don't have to have money to love or become focused on money and in fact the less of it you have the more prone you are to love it.
  - iii. With capacity for life you order money around and tell your slave to get you this thing and that thing.

- iv. When you let money order you around you become a slobbering slithering mealy mouthed evil person accepting money for anything and allowing people to set your price in life.
  - a. This is the problem with Judges, politicians and any person who loves money they all have a PRICE.
  - b. People who have capacity for life NEVER have a price in life and maintain their integrity and capacity for life.
- 10. The sooner you get capacity for life the sooner you will become well rounded and happy with life.
  - i. We cannot get to Maturity Adjustment to the Justice of God Super Grace fast enough.
  - ii. EVERYTHING in life requires money in our time.
  - iii. You can have it and spend it and enjoy it without ever loving money.
  - iv. If you have Cat I Love, Occupation with the Person of Jesus of Nazareth, the Christ you cannot love money.
  - v. If you do love money it is your master and you will do anything for money.
  - vi. Every person is either master or slave to money.
  - vii. If you do not love money you have capacity for life or are developing it or (not with reverence to this passage) you are ascetic.
- 11. As you are consistent in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine moving toward and into Super Grace you will have capacity for life develop with your advance and with this you will maintain contentment with life.
  - i. Many believers who consider themselves POOR in our nation possess things which millions in other nations do not possess.
  - ii. When we evaluate our own life we must come to the point of being content with what we have RIGHT NOW and if we are then we have capacity for life and if we are not then capacity for life has not caught up with us YET.
- 12. We MUST come to understand that we can lose everything in life yet the LORD will never abandon us nor forsake us.
  - i. We can come to a situation where we LOSE everything we have in life but we MUST remember that the one who gave it to us in the first place can restore for us.
  - ii. If we lose everything and maintain our focus on Bible Doctrine and remain in the Plan of God WE CANNOT EVER LOSE THE SOURCE.
- E. This has been the Doctrine of Capacity for Life and Contentment
  - 1. Capacity for life is related to the circumstances of life **Phil 4:11-12**
  - 2. Capacity for life is related to Status Quo or lifestyle **Heb 13:5-6**
  - 3. Capacity for life is related to Maturity Adjustment to the Justice of God Super Grace **2Cor 9:8**
  - 4. Capacity for life is related to prosperity and blessing **1Tim 6:6**
- F. The Status Quo of Super Grace is having capacity for life and contentment.
  - 1. This is godliness and with it comes capacity for life, love, happiness and blessing all from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - 2. This is the means of true prosperity and therefore TRUE PROSPERITY becomes an attitude of soul rather than having the status symbols of LIFE.
  - 3. This is receiving Super Grace blessings which means you are in fact ready for it.

**1Tim 6:6**

**v6: But in contrast to false prosperity, Godliness, Maturity Adjustment to the Justice of God with balance of residence of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, associated with contentment, Mental Attitude capacity for life KEEPS ON BEING a great means of prosperity.**

- I. ALL Freedom for any nation comes through Military victory:
  - A. US News and World Report 30 June 1976, "They fought in Vietnam with one hand tied behind their backs".
    1. The restricted rules of engagement for the men in Vietnam were brought to light by Senator Barry Goldwater:
      - i. No other armed force in modern history was ever called upon to fight under such severe restrictions which actually aided the enemy.
      - ii. US superiority in firepower and the air and artillery were DELIBERATELY NOT EXPLOITED in either North nor South Vietnam.
      - iii. The Air war against North Vietnam was hampered by orders that targets, munitions and strike tactics would be selected to minimize the risk of collateral damage to civilian populations.
    2. The actual restrictions imposed on our men in Vietnam:
      - i. Assaults on hamlets villages and urban areas in south Vietnam known to shelter enemy forces had to be preceded by loudspeaker warnings and leaflet drops.
        - a. This encouraged communist forces to occupy these areas knowing they would get advanced warning of any assaults.
        - b. A known prohibition against air assaults on north Vietnam villages therefore the North Vietnamese Military often parked their convoys in the heart of villages knowing they would be safe from attack and anti-aircraft batteries were similarly placed.
      - ii. Infantry Units could not open fire until the enemy was identified in close combat and sniper and mortar fire were not counted as contact unless such fire interfered with the scheme of maneuvers or inflicts casualties or damage to equipment.
        - a. This means it was impossible to launch any surprise attack or ambush under any circumstances.
        - b. This placed the initiative in the hands of the enemy and often forced American troops to accept casualties before they could engage.
      - iii. Infantry Units were required to respond to fire in civilian populated areas ONLY with flat trajectory weapons.
        - a. Rifles, Machine Guns, Grenades, Recoilless rifles all which required the soldier to expose self in order to aim the weapon.
        - b. Then only if there was a target you could see.
        - c. No Mortar, No Artillery.
      - iv. Pilots subjected to anti aircraft fire over south Vietnam were allowed to engage and shoot back ONLY if they could identify the target visually.
        - a. Pilot could not use suppressive fire where they thought the enemy was hidden.
      - v. Air and artillery strikes against certain areas had to be withheld until approved by the PROVINCE chief, the district chief, the sector commander, the battalion commander or higher.
        - a. Many times men were attacked because of this.
        - b. This is what caused bases to be overrun by the enemy who knew there could be no air strikes nor artillery strikes unless approval was granted.
      - vi. Ariel assaults on North Vietnamese air fields was forbidden if a PLANE with a third nations markings was present.
        - a. They simply painted markings on a plane and parked it in the field.
      - vii. Air attacks on Dams, Dikes and Locks, and targets within 11.5 miles of Hanoi was forbidden.
        - a. Haiphong and the buffer zone also on the Chinese border were all banned without DIRECT approval from the joint chiefs of staff.

- b. Air force and Navy needed a large number of large bombs to cut dams and dikes to flood hundreds of square miles but they were prohibited.
          - c. MOST anti-aircraft artillery were placed on the dikes surrounding Hanoi and therefore could not be bombed.
        - viii. The enemy always knew the restrictions and were forewarned of coming planned assaults because our military orders were known to the enemy before they were passed down to the lower echelons of our forces.
      - 3. Supplement to the rules issued to an American division:
        - i. The fact is that we took about ½ of the total American casualties in Vietnam because the restrictions stated that the officers in charge had to consider minimizing collateral casualties as much as possible and use only the force needed to accomplish whatever mission they were on.
      - 4. This means the about 25000 men died needlessly and uselessly in Vietnam.
- II. Bible Doctrine makes all the difference in capacity for life and happiness for the believer in Jesus of Nazareth, the Christ.
  - A. Your capacity for life depends totally on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - 1. Therefore Spiritual blessings come first when you reach Maturity Adjustment to the Justice of God Super Grace and receive your Super Grace blessings for time.
    - 2. This brings capacity for life and blessing and the capacity to enjoy the source also having GREAT Security.
    - 3. Then temporal blessings are added to this and include great wealth more than ever dreamed of in life, things, promotion, prosperity in every category of life, leadership dynamics
    - 4. Then we end this life with Divine Good blessings.
    - 5. Then if we grab onto and HOLD Status Quo of Maturity Adjustment to the Justice of God Super Grace and the blessings which result from it we WILL HAVE Surpassing Grace Blessings and Rewards in Eternity.
  - B. Godliness is Maturity Adjustment to the Justice of God Super Grace and along with it comes capacity for every category of thing in life and all these are the result of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - 1. Super Grace Status Quo + Capacity for Life == True Prosperity directly FROM GOD
      - i. This is enjoyed to the maximum because of true capacity for it in the soul from Maturity Adjustment to the Justice of God.
    - 2. Therefore true prosperity is related to the Super Grace life.
- III. Promise of Grace prosperity:
  - A. Regrouping:
    - 1. A conclusion is no stronger than its premise.
      - i. This is how people get hooked into evolution but a close look shows that the PREMISE is no good.
    - 2. The premise stated in this verse is OBVIOUS.
      - i. It is obvious that we bring nothing into this world and that we will TAKE Very little out of this world.
    - 3. We are born with nothing and we die with nothing with regard to materialistic things.
      - i. Ingress into the world == Birth
      - ii. Egress from the world == Death
      - iii. You are born with nothing and die with nothing and in between you have something and whether you enjoy that something and make the most of it depends on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
      - iv. Bible Doctrine is what makes things wonderful, stimulating and gives you enthusiasm and enjoyment of them.
      - v. Without Bible Doctrine something is nothing because NOTHING is something.

- vi. Some people in life gain something and therefore have something with something while others have something with nothing and the difference is capacity for life.
  - vii. When you die you leave this world with NOTHING + Salvation Adjustment to the Justice of God, + Super Grace blessings + Dying Grace + Surpassing Grace.
  - viii. In Maturity Adjustment to the Justice of God Super Grace NOTHING materialistic which is what you leave life with becomes something GREATER for eternity as you take all your Metabolized Bible Doctrine and spiritual advance with you into eternity and then receive phenomenal blessings and great rewards.
  - ix. The only thing you can take with you into eternity at the point of death is the Metabolized Bible Doctrine you have in your Stream of Consciousness of the Soul.
4. Whatever we have in time we have only for a short time.
    - i. We will take certain things with us after our TIME is over
    - ii. Anything we can pack in our soul we can take with us but we can also use now.
    - iii. Materialistic Things can come and go and we have all had them.
    - iv. We have had things which we were enthusiastic about and they may have been lost in some way but we can move on and function beautifully.
    - v. When some of the things we enjoy go we find other things to enjoy because we STILL HAVE CAPACITY FOR LIFE and will enjoy life even if we don't get things again.
  5. Happiness IS NOT what we possess but the state of our soul.
  6. The believer takes his soul with him into eternity.
    - i. The only thing which we can use in heaven is Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  7. The premise says that capacity for life is more important than what we possess.
  8. We can only enjoy what we possess when it is accompanied by capacity for life.
  9. The soul and its capacity is the real issue in the happiness of life.
    - i. You carry happiness or misery with you wherever you go and all the THINGS you possess are mere accoutrements in life and you can be miserable with everything or HAPPY with everything.
  10. The soul of the believer MUST be saturated with Metabolized Bible Doctrine for there to be Capacity for life.
  11. Always remember FUN in life minus CAPACITY FOR LIFE == Trouble, misery, and destruction of your potential for life, Ecclesiastes.
    - i. The more you have to live a lie the less capacity for life you have.
    - ii. Young people need desperately consistent Bible Doctrine intake.
    - iii. The sooner a person gets with Bible Doctrine the sooner they will develop capacity for life which grows with their Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
    - iv. This will allow them to have a wonderful time in life, but it cannot be done without Bible Doctrine.

B. Principles:

1. We enter the world without things and without capacity for things.
2. Capacity is the inner soul attitude while things are the possessions of life generally associated with happiness ie the details of life.
3. This verse 7 will go on to show that we can take NOTHING out of this world except the capacity for life based on the inner residency of Bible Doctrine.
  - i. Once you have Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and capacity for life you will carry it wherever you go.
4. The material things of life with which we have been blessed do not accompany us into eternity and heaven.
5. However, our soul goes to heaven and we do take our capacity with us.

- i. Absent from the body face to face with the lord means the human soul and spirit go to heaven at our death.
  6. We did not have capacity when we entered this world but it is possible that we can leave with capacity.
    - i. This does not apply to believers in reversionism.
  7. This capacity for life is developed totally under the grace provisions of God beginning at Salvation Adjustment to the Justice of God and continuing as a result of our persistence in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine to Maturity Adjustment to the Justice of God and our death.
  8. The capacity for life which results from Status Quo Super Grace goes with us to heaven because it is Metabolized Bible Doctrine in our Stream of Consciousness of the Soul.
  9. When the believer gets his priorities correct his perspective is correct.
  10. When you have your eyes on the lord with Occupation with the Person of Jesus of Nazareth, the Christ you have eyes on the source of blessing.
    - i. This is proper perspective and priority.
  11. The blessing therefore becomes meaningful because it is related to the source.
    - i. Many people are unhappy with either lots of materialistic things or a lack of them.
    - ii. People unhappy with things cannot ever relate them to the source and therefore cannot properly relate them to themselves and thus cannot enjoy them.
  12. God's gifts of prosperity are merely a reminder of his presence and that he is the source.
    - i. Whatever forms of prosperity and materialistic blessings come to us we must remember HE IS THE SOURCE.
    - ii. We can gain or lose something tangible but we cannot ever lose or misplace the lord.
  13. The only way to enjoy the blessing is to enjoy the blessing.
    - i. We will leave the blessings in time behind in death but we go on to see the blessing face to face.
    - ii. The Blessor who provides blessings in time provides greater blessings in heaven.
    - iii. If you enjoy the things of your life you will be overwhelmed with the enjoyment in heaven.
    - iv. Many people go through life without enjoying anything and hard work is not a reason to NOT enjoy life.
    - v. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you will have a large bag packed for your excursion into eternity.
  14. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul causes us to see the unseen and also causes us to NOT be able to forget the blessing while enjoying his blessings.
    - i. Capacity for life is our enjoying what we have but always relate it to who and what Jesus of Nazareth, the Christ is.
- C. In our transfer from time to eternity is the Metabolized Bible Doctrine in our Stream of Consciousness of the Soul.
  1. The only bag we can pack to take to heaven is our soul and we should be packing this bag every day.
- D. Principles:
  1. The more Bible Doctrine you have in the Stream of Consciousness of the Soul the more capacity you will have and you can have an enjoyable time even with a mean unfair boss over you.
- E. Regrouping for V8:
  1. This verse deals with the principle which precedes prosperity and provides the MINIMUM standard for contentment.
    - i. There is a minimum standard beyond which you cannot complain or gripe about things.

2. The minimum standard of necessities of life linked with capacity for life from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul produce maximum happiness
  - i. It only includes 2 things food and clothing and these 2 should make every believer VERY HAPPY when they have maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - ii. With Bible Doctrine this should be extreme happiness.
3. You do not have to have very much to be very happy.
  - i. There is no limit to what you can have when you reach Maturity Adjustment to the Justice of God Super Grace.
4. Therefore the secret to happiness is NOT what you have but the Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
5. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul what you possess or do not possess is never the issue minus the minimum.
6. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you can be happy with the barest necessities of life.
  - i. This is not necessarily going to be your Status Quo but it can be and you can be happy with it.
7. Therefore there is a principle which precedes prosperity which has been ignored by the reversionists who assume being prosperous is being Godly.

**1Tim 6:7**

**v7: for, you see, nothing have we, believers, brought or carried into this life or world, not one thing, and it is also certain and obvious, that neither are we able to carry anything outside or off of this world;**

**Lesson #98      Series # 467      1Tim 6:8**

- I. Florida Agricultural Magazine, June 1975, US Representative, Skip Bafalous, "Got it Spend it".
  - A. A resume on what the feds spend our money on.
- II. The principle which precedes prosperity:
  - A. Regrouping for V8:
    1. This verse deals with the principle which precedes prosperity and provides the MINIMUM standard for contentment.
      - i. There is a minimum standard beyond which you cannot complain or gripe about things.
    2. The minimum standard of necessities of life linked with capacity for life from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul produce maximum happiness
      - i. It only includes 2 things food and clothing and these 2 should make every believer VERY HAPPY when they have maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
      - ii. With Bible Doctrine this should be extreme happiness.
    3. You do not have to have very much to be very happy.
      - i. There is no limit to what you can have when you reach Maturity Adjustment to the Justice of God Super Grace.
    4. Therefore the secret to happiness is NOT what you have but the Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    5. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul what you possess or do not possess is never the issue minus the minimum.
    6. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul you can be happy with the barest necessities of life.
      - i. This is not necessarily going to be your Status Quo but it can be and you can be happy with it.

7. Therefore there is a principle which precedes prosperity which has been ignored by the reversionists who assume being prosperous is being Godly.

### III. Principles of prosperity for the believer in Maturity Adjustment to the Justice of God:

- A. With maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the believer will have capacity for life, love, happiness and blessing.
  1. Even if all you have is food and clothing you will still have maximum happiness in life with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  2. Anything you possess above food and clothing as necessities does not add to your maximum happiness if you have maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  3. This is a rare situation such as in Paul and a very few others.
  4. When in Super Grace this believer potentially gains maximum prosperity and wealth in all areas he will still have the same maximum happiness he had before the prosperity.
  5. His happiness has not changed and his capacity for all of life has not changed and his capacity simply has more things to enjoy and more placed to use these enjoyable things.
  6. THEREFORE as stated in v7, IT IS WHAT IS IN YOUR SOUL WHICH MATTERS NOT WHAT YOU POSSESS.
  7. In life and in especially in death you only really take with you what is in your soul.
  8. These believers have their eyes on the lord Jesus of Nazareth, the Christ.
  9. Wherever you go on this earth or into eternity you will take your capacity for life and happiness with you ONCE YOU SET UP IN YOUR SOUL THE MINIMUM REQUIREMENTS FOR THESE THINGS.
- B. If you don't have food and clothing you have a legitimate complaint and if you are starving and running around naked you have a real complaint.
  1. If however you have these minimums of food and clothing then you have no right to complain because Metabolized Bible Doctrine in the Stream of Consciousness of the Soul with minimums or maximums gives you the same happiness.
  2. With maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the believer reaches into Maturity Adjustment to the Justice of God Super Grace and receives from God Sharing the Happiness of God.
  3. With this now if he has maximum happiness and minimal standards of food and clothing
  4. The unbeliever under Satan's reward system with great wealth, success, prosperity of all kinds, and he is miserable with all of this lacking capacity to enjoy it.
  5. Capacity to enjoy life comes from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and without it the believer or unbeliever in the Cosmic Dynasphere will never have true LASTING happiness.
  6. With any and every kind of prosperity the individual can be miserable since capacity and happiness comes from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  7. Even the unbeliever has a limited capacity for life based on function under the Laws of Divine Establishment, and the unbeliever who enjoys his life the most are those who have Laws of Divine Establishment principles in their Stream of Consciousness of the Soul.
  8. Capacity for everything in life is resident in the SOUL and what is in the soul is the only thing going with you after Death and you can take your happiness, capacity and Bible Doctrine with you into eternity. (Not your notes however).??!!
  9. The Super Grace believer who takes his capacity with him to heaven will have phenomenal opportunities to use this in heaven to enjoy things there to the maximum.
- C. The Minimal necessity in the area of food is EDIBLE and NOURISHING food not special tasty exotic food, just food.
  1. Shelter is left out and only food and clothing is essential for maintaining life.
  2. The mention of these 2 implies the 3<sup>rd</sup> of shelter but only food and clothing is necessary as a minimal standard for life.

3. As long as you have nourishing food and 2 sets of clothing you are within the minimal standards for life and happiness.
4. If you are not happy with just these things it is because of lack of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

D. We are therefore commanded to be content and have capacity for life from this contentment.

1. This command is to the believer who already has Metabolized Bible Doctrine in his Stream of Consciousness of the Soul and it is anticipated that he will fulfill this command.
2. We don't need things in life for happiness but we DO NEED Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
3. This command can only be fulfilled by the believer in Maturity Adjustment to the Justice of God who therefore with maximum Metabolized Bible Doctrine in his Stream of Consciousness of the Soul has maximum capacity for life and happiness.

E. Summary Principles:

1. Believers under the category of labor can have minimal things in life and maximum happiness.
  - i. The possession of THINGS in life does not determine the level of happiness of the believer.
  - ii. Happiness for the believer does not depend on what you have or do not have with reference to things or people or any other thing associated with happiness.
  - iii. Happiness for the believer does not depend on the details of life but ONLY on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - iv. Capacity for life does not depend on possessing things and many people possess many things which they do not enjoy and which they ignore after the first stimulation from them departs.
  - v. Very few people today get very little out of life these days and the people who should get the most out of life are those who have been persistent in the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
  - vi. We should be able to look back on our life and say that we have really enjoyed every bit of it.
  - vii. Metabolized Bible Doctrine gives the believer an incredible interest and curiosity in a great number of things and an incredible enjoyment of what you have without wanting what someone else has.
  - viii. You are extremely content with and enjoying what you have and not coveting what someone else has.
  - ix. This is a 2 way street on the principle of contentment and capacity for life.
2. Happiness and contentment originated from Maturity Adjustment to the Justice of God Super Grace capacity for life which is part of the Super Grace blessings for the mature believer.
3. Therefore you do not possess happiness nor status symbols in order to have happiness.
4. Happiness and capacity for life is from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

IV. Doctrine of Happiness:

A. Definition:

1. Happiness is a state of well being and synonymous with welfare and prosperity (prior to the existence of the 'welfare state' functions)
2. It is the enjoyment of and pleasure in one's status in life with enthusiasm about one's circumstances, possessions and relationships in life.
3. Felicity == happiness == intense happiness which comes from capacity for life and relating it to your periphery
4. Blessedness == happiness == referring to happiness related to God and the grace Plan of God.

5. Happiness becomes a state or quality of being happiness and in its full extent it is the utmost pleasure we are capable of enjoying.
6. Happiness connotes welfare, security, enjoyment, comfort, stimulation and interest
7. It is the awareness that one's status is highly satisfactory and being in a state of favorable circumstances and this all relates to the soul.
8. The soul is where you are either miserable or happy and the material things of life are not and cannot bring happiness to anyone and the only way you can have happiness is based on the Status Quo of your soul.
9. The ability to have happiness resident in the soul is based on the content of Metabolized Bible Doctrine in your Stream of Consciousness of the Soul.

B. The relationship of happiness:

1. Prosperity == **Ps 128:1-4**
  - i. This passage indicated that there is a system of self discipline related to life and getting the most out of life.
  - ii. In addition for these believers the children will be a blessing to you.
2. Adversity == **1Pet 3:14, 4:14**
  - i. As long as the believer is NOT under Divine Discipline you can and will be happy in adversity.
  - ii. If however God is spanking you with Divine Discipline don't think you will be able to use your capacity for life and happiness and enthusiasm to offset this.
3. True Direct Blessings in time for the believer
  - i. This is reserved for the believer in Maturity Adjustment to the Justice of God Super Grace.
  - ii. These blessings are divided into 5 categories:
    - a. Spiritual
    - b. Temporal
    - c. Association
    - d. Historical Impact
    - e. Dying Grace
  - iii. As you grow spiritually your capacity for life also grows and increases.
    - a. Individuals who are 25 years old or under really have no capacity for life and have not even begun to live yet.
    - b. When a person grows in the Spiritual Life and gains capacity for life there will be too many things which are desired to be enjoyed in life to have enough time to enjoy them all.
4. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul == **Prov 3:13**
  - i. Review the principles behind HEART and Right Lobe and the structure.
  - ii. The larger your vocabulary the greater your enthusiasms about many different things in life.
  - iii. Along with this there will be categorical storage which builds more enthusiasm.
  - iv. This is all found in the soul and is what makes up enthusiasms.
  - v. In addition when there is Metabolized Bible Doctrine in the Frame of Reference, vocabulary, categories, **norms and standards** & conscience and on the launch pad this is (heb) Chakmah == Metabolized Bible Doctrine in the Stream of Consciousness of the Soul which becomes capacity for all things in life.
5. Grace Function == **Prov 14:21**
  - i. We are NOT to stick our nose into anyone else's business else we will be miserable.
  - ii. A gracious person has Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
6. Super Grace Status Quo == **Ps 146:5, Prov 16:20, 28:14**

- i. Occupation with the Person of Jesus of Nazareth, the Christ is Super Grace and happiness accompanies it.
  - 7. Clear Conscience == **Rom 14:22**
    - i. Your capacity for life is based on the fact that YOU KNOW from Bible Doctrine that what you do is RIGHT and you do it VIGOROUSLY and have a GREAT TIME OF FUN doing it.
  - 8. Laws of Divine Establishment == **Prov 29:18**
  - 9. Total military victory == **Ps 137:8-9**
    - i. All Freedom comes from total military victory.
    - ii. Children were Inviolable in the ancient world and the only way children could ever be attacked was to totally overcome the military establishment of another nation in TOTAL victory.
  - 10. National prosperity == **Ps 144:15**
  - 11. There was not, nor should ever be any international organization in any of these categories of where happiness is found for the believer.
    - i. You cannot ever have happiness and be involved in any form of internationalism whether it is:
      - a. Political == communism, united nations, islam
        - i ) The United Nations have set back AFRICA 1000 years by their interference.
        - ii ) The only hope for this great continent is from nations like Rhodesia or South Africa but we allowed their destruction and infiltration by communism.
        - iii ) The indigenous population in Africa is by and large totally miserable.
      - b. Religious ==
        - i ) This results in misery for your entire life.
- C. It is related to the Essence of God:
- 1. There are 3 persons in the trinity and all have the same essence in these 3 persons:
    - i. Sovereignty
    - ii. Justice
    - iii. Righteousness
    - iv. Love
    - v. Eternal Life
    - vi. Omnipotence
    - vii. Omniscience
    - viii. Omnipresence
    - ix. Immutability
    - x. Veracity
    - xi. SENSE of HUMOR with PATIENCE
  - 2. God in his essence has also absolute happiness and nothing has ever made God unhappy.
    - i. Nothing, no one, no circumstance of history, can ever make God unhappy.
    - ii. God being perfect has perfect happiness in his perfect character
    - iii. He is eternal therefore his happiness is eternal.
    - iv. He is immutable therefore his happiness is unchangeable.
    - v. He is Absolute Righteousness therefore his happiness is based on being RIGHT.
    - vi. He is just and fair and therefore his happiness is related to his consistent fairness.
    - vii. He is love and his capacity for happiness is related to his capacity for love.
    - viii. He is omnipotent and has the eternal ability to always be happy and to share his happiness when we reach Maturity Adjustment to the Justice of God Super Grace.
    - ix. He is omniscient and his genius makes him happy and in his genius he has found a way to communicate his plan to us and include us in it.

- x. He is sovereign and has decided to share his happiness with believers who reach Maturity Adjustment to the Justice of God despite our being failed human beings who are sinful and born under the condemnation of Adam's Original Sin. **Ps 43:4**
  - a. David's dancing is related to the happiness of God shared with David.
- 3. It is totally impossible for God to be unhappy and nothing change the Essence of God and he is totally and eternally perfect and therefore he will be eternally happy.
  - i. Jesus of Nazareth, the Christ is God and he is also said to be happy **1Tim 6:15**
- 4. Happiness must be related to the Plan of God.
  - i. God is perfect and perfect happiness and has a perfect plan therefore there **MUST BE** happiness in that plan for all those who are participants.
  - ii. The Plan of God includes provisions so that the beneficiaries of the plan will have happiness.
  - iii. The **CROSS** was designed so that we might have salvation and become children of God ie Royal Family of God.
  - iv. Bible Doctrine was designed to be inserted into our soul in order that Sharing the Happiness of God might be a part of our being in this life in the Plan of God.
  - v. In as much as God possesses perfect happiness and has a perfect plan he desires to share that with us and he established a plan to do this in **Eternity Past**.
- 5. There is no compromise between the Integrity of God including the Righteousness of God and Justice of God and providing happiness for the believer. **Ps 97:12**
  - i. God found a way to give us happiness without compromise to his Absolute Righteousness and Absolute Justice that being through the cross.
  - ii. The cross is a prerequisite to having Sharing the Happiness of God.
  - iii. Jesus of Nazareth, the Christ on the cross had Absolute Righteousness and also satisfied the Righteousness of God the father in accepting the imputation of our sins and in being judged for them by God the Father satisfied the Justice of God the Father therefore Sharing the Happiness of God and the Love of God can come through the grace pipeline to man as a believer.
  - iv. Jesus of Nazareth, the Christ satisfied the Integrity of God on the cross and therefore God is free to give us happiness when there is a status of Metabolized Bible Doctrine in our Stream of Consciousness of the Soul without compromise to his character.
  - v. When you stop and realize what kind of people we really are in the sight of God and under his perfect standard it would be a strain to give us happiness were it not for his being propitiated by the cross. **Hab 3:18**
- 6. Entrance into the Plan of God is Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone and this is the grace function whereby God gives to us **HAPPINESS**.
  - i. Very few believers get this happiness as a result of neglecting or rejecting Bible Doctrine.
    - a. The key to happiness and capacity for life is whether you are under positive volition or Negative Volition toward Bible Doctrine.
    - b. This is prosperity or misery, blessing or discipline **Ps 9:4, 51:12**
  - ii. Therefore, being a believer does not bring automatic happiness
- 7. Happiness is accomplished through **GRACE Ps 31:7**
  - i. In grace God found a way to share his happiness with believers in time without compromise to his essence.
  - ii. Since happiness means benefit, welfare Grace happiness comes through the intake of Bible Doctrine. **Ps 32:10-11**
    - a. This is not the emotionalism of the holy rollers but is consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

- iii. Happiness is accomplished through grace and the means by which it is extended to us is through Perception, Cognition, Inculcation and Metabolization of Bible Doctrine consistently day after day.
- 8. Don't ever assume that God is stupid and it is blasphemous to even suggest it but when we run around asking God for things for which we have NO CAPACITY for that is exactly what we are doing.
  - i. The issue is timing:
  - ii. Most people want tomorrow that which they don't have capacity for today.
  - iii. Give us this day our daily bread
  - iv. This means: Give us today the capacity for Tomorrow.
  - v. Never mix up the principle and you must have capacity before he will give you things.
  - vi. God is going to be glorified by each of us having capacity and then having our fun in life.
  - vii. If we have our fun first and then develop capacity we will lose out.
  - viii. (gr) "Give us today Tomorrows Bread" Tomorrows bread is blessing and capacity today is blessing tomorrow.
  - ix. The Lord's Prayer, John 17, **John 17:13**
  - x. The only way to have the happiness of the lord is through Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

#### 1Tim 6:8

v8: **Now having and holding edible and nourishing varieties of foods and a respectable change of clothing, with these let us, or we shall, as believers in Maturity Adjustment to the Justice of God Super Grace, have our capacity for life and contentment with our foods and clothings.**

#### Lesson #99      Series # 467      1Tim 6:9

- I. v1-8 is the study of the doctrinal applications for working as labor.
  - A. This is the book of application of Bible Doctrine and we MUST learn how to apply Bible Doctrine.
  - B. This book was for Timothy who was a very weak person to learn how to stand up for himself and apply Bible Doctrine.
    - 1. Timothy was BULLIED even by women
    - 2. **Any man who will take nagging, bullying or pushing around from any female no matter how much he may love her he has lost his manhood.**
    - 3. **Manliness is a state of the SOUL and it means he must take his proper God designed ROLE in Life.**
- II. Management in the Business World:
  - A. Management is the key to industry, economy and with capitalism is the basis for any prosperity any nation may have and we have believers in management as well.
    - 1. The ones who have the right to make policy in business are the ones who invest the money in business.
    - 2. Every believer in the Royal Family of God must understand that when he enters the world of business are the capitalists the ones who invest the money.
    - 3. Neither the government at any level nor labor at any level has ANY RIGHT TO INTERFERE WITH THE POLICY OF ANY BUSINESS OR TRY TO COERCE IT.
    - 4. We have had the federal government constantly trying to interfere with industry and business and this is jealousy on the part of those in the government.
      - i. Those in government tend toward Mediocrity and this is always JEALOUS of genius and ability as seen in our business management.
      - ii. Those in business who have genius today are those in "management" who have the courage to invest large sums of money in business in our failing economy.

5. Labor Unions are a vicious evil and have no right to attempt to dictate policy in any area of business and they represent the principle of evil in business along with federal interference with business.
  6. Management is a principle which goes way back into history and the whole system of prosperity under the Laws of Divine Establishment always depends on the capitalists who invest money and the management who oversee their investments.
    - i. This is the basis for all blessing and happiness in the field of economic prosperity and FREE ENTERPRISE is the True System.
  7. In most courses taught in colleges concerning economics the federal government and labor are constantly glorified despite their evil destructive functions on the economy.
  8. In our system of government setting a myriad of regulations for industry and allowing labor unions to dictate many policies for industry we have been and ARE still destroying the economy the Goose which Lays our Golden Eggs.
  9. Religion also is the enemy of capitalism and is the devils Ace Trump and is the greatest evil every to hit this world.
    - i. Certain denominations have publications which attempt to point out the “evils” of capitalism but they are either extremely socialistic or influenced by Marx and Communism and simply represent varied shades of communism.
    - ii. Since 1928 there has been a theological seminary in New York State which has been and is a stronghold for communist propaganda which is anti christian.
  10. The Laws of Divine Establishment are a set of rules set up by God to allow the Human Race to perpetuate itself generation after generation and it also gives the guarantee of the potential for evangelism under FREEDOM.
  11. Many people, believers especially think that management and capitalism are the evil in our society and the federal government is the great man in the white had savior of our system from the enemy of Big Business.
    - i. Bible Doctrine says in contrast that there cannot be any society without big business.
    - ii. Jesus himself said that Labor Unions were Wrong and that the ones who invest the money are the only ones who have a right to invest the money. **Matt 20**
- B. Our first issue in discussing management is not related to the Laws of Divine Establishment.
1. This passage is not addressing management as under the Laws of Divine Establishment but is simply addressed to management assuming that there is an understanding by believers that Christian Management is one of the highest and most honorable positions anyone can occupy in life.
  2. To be the head of a business and control other people in an industrial complex is an honorable thing.
  3. The bible makes it clear where HONOR and INTEGRITY exist in life
    - i. The military is the most honorable profession and is the securer and maintainer of freedom.
    - ii. In addition the bible makes it very clear that it is very honorable to be a part of management and capitalism in business.
  4. In labor there are problems for the believer in having the wrong kind of boss or management but how you must still do your job as unto the lord and you work and serve since this is YOUR full time christian service.
  5. No matter the personality of your management or boss or how unfair the job or policy may be you do your job as unto the lord.
  6. Management also has problems in industry and believers in management have their own problems.
- C. The occupational hazards of management.

1. There is now a contrast between management and labor and every pastor must understand management principles and use them and he should teach correct business and management as they come up in any passage.
  2. Believers will be eventually deciding in their life time what they want to do as a lifetime profession or occupation.
  3. There are great opportunities for mature believers to go into business and make a profession of accumulating a fortune or MAKING MONEY as a capitalist.
  4. In this passage this person desires to become a capitalist, a big business leader, the head of an industrial complex and to found some industry.
- D. There is nothing wrong to be rich and it is a good, right, smart thing to get into some aspect of business and become rich.
1. It is a great thing to become part of management since management needs a great infusion of Christianity and needs believers in Maturity Adjustment to the Justice of God Super Grace which God can mold into greatness in management.
  2. There are believers in the past and today who can at age 15-17 DECIDE that their occupation in life will be to make millions of dollars in business.
  3. Even though the federal government will not permit you to accomplish this THE LORD WILL AND ALL you have to do is decide who you will be following the government or the Lord.
  4. This as well as any other occupation has hazards and we deal with these by means of Bible Doctrine.
  5. It is legitimate to enter management and want to be a capitalist.
- E. We must never succumb to the influence or believe the propaganda of those who say it is wrong or evil to have a great deal of money.
1. We as believers in Jesus of Nazareth, the Christ in Maturity Adjustment to the Justice of God Super Grace not only have a RIGHT to lots of money but also have a promise that we will have much more than we can imagine in our lifetime.
  2. Being rich has its hazards but we do have a right to being so rich it makes people green.
  3. Being rich does not mean that you should give money over and above all else to any group not even Berachah church.
  4. Any work which operates before the lord can do so in a very simple fashion by NEVER:
    - i. Asking, pleading, begging for money from anyone.
    - ii. When the money stops coming in then you know the lord is through with you and you can just shut it down.
  5. Don't ever let anyone ever get you worked up emotionally and give you the idea that you are NOT "suffering for Jesus" because you have money and if you have it there is something wrong with your Spiritual Life.
    - i. The reason many believers don't have money is because their Spiritual Life is screwed up.
    - ii. These don't have money because they are too stupid to take in Bible Doctrine to the point of opening the Super Grace blessing trunk and receiving the wealth God has for them.
    - iii. While the Super Grace believer is blinking God can simply dump a billion dollars in their lap for no apparent reason.
    - iv. Some are legitimately poor under grace but many should be rich but do not function consistently under the Grace Apparatus for Perception and never reach Maturity Adjustment to the Justice of God.
  6. When the Spiritual Life of the believer is a disgrace then God who wanted that believer to be rich and to be a capitalist is NOT.
    - i. The believer MUST Grow in Grace and reach Super Grace in order to be able to open up the Super Grace blessings in 5 categories.

7. HOWEVER, God disciplines some believers by dumping money in their lap and they are never happy until they get rid of it.
  - i. With others he takes it away for their Divine Discipline.
  - ii. God sometimes disciplines and sometimes blesses believers by giving them money.
8. It is god's purpose for some believers to become very rich and when they get Bible Doctrine that purpose for them is fulfilled and they desire to be rich but not from greed or lust.
  - i. This is a legitimate desire before the lord not cupidity or stupidity.

F. Principles:

1. Becoming rich is a legitimate desire and is a capitalist doing his job as unto the lord.
2. This does not refer to an illegitimate desire but it is legitimate for certain believers to desire wealth and it goes with their spiritual growth and means that God has earmarked them for management or some phase of capitalism.
3. However, There is an occupational hazard we can anticipate and it is that IF when you become rich you fall into reversionism and then the problems begin.
  - i. In Super Grace YOU are master Money is slave.
  - ii. In reversionism Money is the master and You the slave.
  - iii. Money is a GREAT SLAVE and is what makes the economy run.
4. Our prosperity today in the United States of America exists (to a great extent in 2018 is pseudo prosperity and a remnant of times past) but since the 70's is not legitimate since we are off the Gold Standard and the amount of paper money we have in circulation does not represent any stable economic standard such as Gold, Silver, Platinum etc.
  - i. Therefore when there is no physical standard for the paper money we have in circulation MONEY becomes the master and today and for a very long time MONEY MASTERS THE GOVERNMENT AS SEEN IN OUR DEFICIT SPENDING (22 TRILLION DOLLARS – MINIMUM)
  - ii. The government has for many many DECADES goes further and further into DEBT and once this occurs and continues with the stupid idiotic spending programs they have also had for decades this means the federal government is the SLAVE and MONEY is its master.
  - iii. This means TAXATION is unjust since the only source of money the federal government has is our tax money and this MUST occur when the federal government is the slave to money.
  - iv. When the federal government is master of money then they will not and do not spend what they do not have and don't get into deficit spending by canceling all the give away programs.
  - v. This is what would put us on a SOUND economic and industrial basis but this will never happen in our lifetimes.
5. With regard to the individual the same thing is true of the individual.
  - i. If money is your slave then it is the result of having maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - ii. Money as the slave works for you and you command and control it.
  - iii. Money is however a cruel, evil, vicious master and you are in reversionism, minus Bible Doctrine, capacity for life, Sharing the Happiness of God and all spiritual blessing so important for you to enjoy your life.
  - iv. You can have money as your master and be totally broke all the time.
  - v. You can be as poor as is imaginable and money can still be Your Slave or your MASTER and this has nothing to do with your financial or economic status quo.
  - vi. Money is your slave if you are growing in grace and taking Bible Doctrine and advancing spiritually.

- vii. Money is your cruel tyrannical master if you are in reversionism and neglecting or rejecting Bible Doctrine and under the influence of evil.
- 6. Under the influence of evil the reversionist seeks to become rich through cosmic systems of evil rather than the Grace of God.
- 7. This means that the reversionist who has made money his master has mixed up priorities and this is selling your soul for a mess of pottage here money and this demonstrates the wrong priorities.
- 8. This is the Hazard, the principle of cheating, stealing, lying, misrepresenting, using extortion, flattery, hypocrisy, to become rich.
  - i. This is the sign that money is the master.
- 9. The believer who puts money first has the wrong perspective and he is a slave to money.
  - i. You would be better off starving to death than to let money become your master since it cannot be simply master but will be your tyrant.
  - ii. Better to die and go to heaven face to face with the lord than to ever have any master than the lord himself
  - iii. The minute money becomes master you have the most cruel, vicious evil master in the world.
  - iv. The people MOST guilty of this are those who are POOR not the rich.
- 10. When money is first in one's Scale of Values the believer can now note his residence in reversionism, Monetary Reversionism.
- 11. There is NOTHING wrong with having a LOT OF MONEY, being rich.
  - i. There is only something wrong with giving money top priority to the exclusion of Bible Doctrine and grace functions.
- 12. Since wealth and money is in focus we will consider the issue that the Super Grace believer is the master of money and money is his good slave while the reversionist is the slave of money and money is a cruel taskmaster.
  - i. This is the worst slavery and the kind which bothers more people than any other today.
  - ii. Poor people are the worst with regard to this slavery.

### III. Doctrine of Money:

#### A. Definition:

1. Money is derived from Latin Moneta == Mint where money is manufactured and refers to a coin of gold, silver or other metal used as a medium for exchange.
2. Money is the medium in which prices are expressed, debts are discharged, goods and services are paid for and bank reserves are held.
3. The term is synonymous with a circulating medium and may be regarded as comprising demand deposits, common money or currency including coins, bank notes, money issued by the government etc.
4. The British Economist Potrey Stated that money is like a teaspoon or umbrella but Unlike an earthquake or buttercup, is definable primarily by the use of purpose which they serve.
5. Money must be defined in terms of its function and related to its value.
6. Money is a medium of exchange whereby goods or services are paid for and debts discharged and is a means of expressing prices for goods and services as well as expressing debts, salaries, wages, rents, and innumerable contracts.
7. Money serves as a reserve for ready purchasing power and is therefore the only completely liquid asset.
8. In the ancient world it was used as a store of value and this is the biblical view of money.
9. The rise of commercial banking and central banking resulted in an increase in the importance of money used as reserves for a banking system.
10. It is unique among economic goods and it is NOT regarded as wealth but as a device for exchanging and measuring WEALTH.

11. An increase in the quantity in a country does not necessarily increase the country's wealth.
    - i. This is the stupidity of our country NOW.
- B. The history of money:
1. Various objects have been used for exchange mediums in the past such as:
    - i. Slaves
    - ii. Gunpowder
    - iii. Jaw Bones of the Pig
    - iv. Ox == Pekros == pecuniary
    - v. Elephant
    - vi. Stone Money
    - vii. Wool
    - viii. Barley
    - ix. Wheat
    - x. Timber
    - xi. Gold
    - xii. Silver
  2. Before coins Money was measured in terms of RINGS or INGOTS, bars or shekels, Talents or other weight demarcations.
    - i. Coin money was first used by Creases King of Lydia who lived from 561-542 BC
    - ii. Darius King of Persia picked this concept up from Cyrus the Great who conquered Creses and he liked it so much he took much of the Persian gold and did this and as the gold circulated in Persia it became a very prosperous nation.
    - iii. Phoenician Traders liked the idea and they also began to mint coins and these circulated coins throughout the world
    - iv. Greek Coins, Ptolemaic Egyptian Coins, Syrian coins were all well circulated by the time of Rome and the New Testament Scripture and the sailors of Phoenicia went everywhere and circulated these coins as they went.
  3. There were 3 types of coins by the time of the New Testament Scripture:
    - i. Imperial Roman Coins
    - ii. Provincial Coins minted at Antioch and Tyre
    - iii. Jewish Coins from Cesarea
- C. The bible teaches the legitimate functions of Money
1. Monetary Transactions back to **Gen 29:3** through **Jer 32:44** For business
  2. To pay Taxes **Matt 22:17-22, Mk 12:13-17, Luke 20:20-26**
  3. Needed for the function of an economy therefore it is NOT WRONG for believers to possess money and to do so in LARGE Amounts.
  4. Money becomes therefore a very wonderful slave or a cruel master depending on your spiritual condition **Jude 11**.
    - i. Approbation and Monetary Lusts here.
  5. The word for Deceit in Greek connotes 3 areas of deceit regarding Money == (gr) Plane
    - i. Money is a means of happiness; This is a false principle
      - a. There is no happiness in money or in the details of life
      - b. Happiness comes from capacity for happiness, life and love and this is only from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - ii. Money is a means of security; This is a false principle
      - a. Security is from Living or Logistical Grace, and Super Grace not through monetary principles **Matt 6:24-33**
    - iii. Money Can Buy Anything; This is a false principle
      - a. Anything Money can buy is corruptible

- i ) Everyone has their price is not actually true of the believer in Maturity Adjustment to the Justice of God Super Grace with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - ii ) For the reversionist he does have his price.
  - b. Many of the things which you can buy with money such as love, affection, sugar daddy company, is that you have bought yourself NOTHING.
- 6. There are many things which Money CANNOT buy:
  - i. Salvation which is paid for by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
  - ii. True Love
  - iii. Security
  - iv. Peace of Mind
  - v. Happiness
  - vi. Stability
  - vii. Therefore the greatest assets of life cannot be bought with money.
  - viii. Money is a GREAT Slave but it will never buy any of these things.
- 7. While balam is an illustration of monetary reversionism the emphasis in Bible Doctrine is that money does not provide any of these things.
  - i. Money as a slave is a great thing but as a master it cannot bring security, happiness nor love.
- 8. The giving of money as an expression of the Royal Family of God priesthood is legitimate in the Church Age 2Cor 8-9
- 9. Consequently Money is legitimate and its accumulation, spending, and giving are all legitimate functions.
- 10. Therefore it is NOT carnal for the believer to possess money and the one with wealth is not required to give all his money to the church to prove his spirituality.
  - i. It is not sinful to accumulate, spend, use money in a legitimate way.
- D. Illegitimate uses of money
  - 1. Bribery
  - 2. Buy power
  - 3. Buy Love
  - 4. Corrupt Character
  - 5. All these are forbidden.
  - 6. This does not make MONEY EVIL.
- E. It is the LOVE OF MONEY which is the ROOT of all kinds of Evil.
  - 1. Love of money in 1Tim 6:9 is to allow money to become your master and to NOT make it your slave.
  - 2. Money itself is not an evil.
- F. Dangers of money to the unbeliever:
  - 1. The unbeliever cannot purchase with any amount of money Salvation which was purchased by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
    - i. You therefore cannot buy your way into heaven
  - 2. It causes the rich man to have wrong priorities **Mk 10:25**
    - i. This is the occupational hazard for those who may be rich.
  - 3. It hinders the unbeliever from seeking salvation **Luke 16:19-21**
  - 4. Money has credit with people but NOT with God. **Prov 11:4, 28**
    - i. Credit with God is only the lord Jesus of Nazareth, the Christ and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - ii. People who depend on money always fail but those who depend on the lord have plenty of money and NEVER fail.

5. Possessing or lacking it does not mean capacity for life **Prov 13:7**
  - G. Monetary Reversionism:
    1. Solomon **Eccl 5:10-6:2**
    2. Balam **Jude 11**
    3. Annanias Sapphirah **Acts 5:1-10**
    4. **1Tim 6, James 4:13-14, 5:1-6**
  - H. Monetary prosperity is part of the blessings of Maturity Adjustment to the Justice of God Super Grace. **Prov 13:8, 13**
    1. Abraham
    2. David
    3. Solomon
- IV. The problems or hazards with Money:
- A. For the believer in Maturity Adjustment to the Justice of God money is a SLAVE and a GREAT SLAVE.
  - B. For the believer in reversionism money is a terrible master pulling the believer into the trap of temptation to sin and the resultant Self Induced Misery and Divine Discipline.
  - C. Summary:
    1. The lust of the temptation of money include:
      - i. Approbation
      - ii. Power
      - iii. Sex
      - iv. Materialism
      - v. Many desires for money wealth, success, power and status symbols, ETC.
    2. These desires are related to reversionism and this means the believer will have false standards and confused priorities
    3. These desires are described as injurious and harmful because they exist apart from capacity for life and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
      - i. This is the cart before the horse and a believer MUST have capacity for life before there is great blessings in life.
        - a. Wealth is only enjoyed where there is capacity for it and it becomes the slave.
      - ii. It is imperative that you have capacity for prosperity and wealth before you have either of these and this requires Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
        - a. If you get the wealth, success or prosperity before the capacity then you do not have the happiness which is supposed to go with it.
        - b. The difference between happiness and misery is CAPACITY which is ONLY from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
        - c. Very few people have capacity for life and for Category I love Occupation with the Person of Jesus of Nazareth, the Christ and treat Christ and God as a Genie to get wealth from.
    4. When Metabolized Bible Doctrine in first Priority these things come in the perfect timing of God and we enjoy them to the maximum.
    5. When Bible Doctrine is rejected or neglected these things become stupid Lusts and injurious desires and you walk right into the trap of making self miserable.
    6. The objective of the Royal Family of God in life is to glorify God and this is to be done in prosperity or adversity but without Metabolized Bible Doctrine in the Stream of Consciousness of the Soul it cannot be accomplished.
    7. The only way to fulfill the objective of being part of the Royal Family of God is to reach Maturity Adjustment to the Justice of God Super Grace and receive the resultant

- blessings from God and then the blessings from God are based on his grace gift to you and you have capacity of soul to have maximum happiness from them.
8. When wealth, success, prosperity and promotion are attained in reversionism through the Cosmic Dynasphere systems then God is not glorified and the believer is never satisfied and he becomes a miserable person with wealth, success and status symbols.
    - i. This is how adults become addicts.
  9. If your priorities are right then Bible Doctrine is first and this principle perpetuated on a daily basis results in reaching Maturity Adjustment to the Justice of God Super Grace.
  10. Right priorities lead to right priorities:
    - i. Bible Doctrine is the right priority which leads to Occupation with the Person of Jesus of Nazareth, the Christ, Sharing the Happiness of God, Capacity for Life and Blessing including Money and in this way God is glorified in your life.

**Lesson #100      Series # 467      1Tim 6:9**

- I. The Principle of Laws of Divine Establishment as related to Law
  - A. 1850 Fredrick Bastie Frenchmen from the Chamber of Deputies, their congress; Small Book "The Law"; Translated by Dean Russell.
    1. Each person has a natural right from God to defend his 3 basic requirements for life which include his person, liberty and property.
    2. The preservation of any one of them is dependent on the preservation of the other 2.
    3. Our soul is the extension of our individuality, Our property is the extension of our soul.
    4. If any person has a right to defend his person, liberty and property and it is true they do, Then it is also true that a group of men have a right to organize and support these common rights constantly, (we call this the Military Establishment.)
    5. The military establishment is the basis for support and development and preservation of freedom of any nation.
    6. This common force cannot have any purpose or any other mission than that for which it acts as a substitute
  - B. In other words when the law does not WORK outside a nation then the military must become the law which forces aggressive nation to get back into line.
    1. YOU MUST HAVE FORCE FROM MILITARY BECAUSE LAW MAY WORK WITHING YOUR OWN NATION BUT LAW DOES NOT ALWAYS WORK OUTSIDE YOUR NATION.
    2. Lawless people, whose countries came into being through revolution, don't live by law and do not understand law but only understand and live by force.
    3. Therefore they reject OUR laws in the very revolutions which they have started and how they came into power in the first place.
    4. The only way to stop these people is to meet their force with greater force.
    5. Today in the United States of America and since the 1960's we have been using our law to destroy our FORCE our military, this distorts and destroys our LAW.
    6. Once you use law as a distortion you destroy the very basis for life, freedom and property.
  - C. Force is given to us to defend our individual rights and who dares say force is given to destroy EQUAL rights.
    1. The law is the organization of the natural right of lawful defense and is the substitution of a common force for individual forces and this "common" force, the Military force is to do only what the individual forces have a natural and lawful right to do.
    2. They are to protect persons, liberties, properties and maintain the right of each and cause JUSTICE to reign over all.
  - D. This principle set up by this Frenchman in 1850 is more pertinent to the United States of America than it was to France after their recovery from the revolution of 1848.
- II. We now see the distortions of Bible Doctrine.

- A. We see here the principle of application of Bible Doctrine and how it also gets distorted.
- B. Reversionism is a distorter of Bible Doctrine just as outside aggressive nation distort law.
  - 1. When a government destroys its army and ruins its military establishment this also becomes a distorter of law.
  - 2. This is use of the law to destroy the military and use it to plunder the people and destroy their liberties
  - 3. This becomes a distortion of the law in the area of the Laws of Divine Establishment and becomes “reversionism” in the field of the Laws of Divine Establishment.
  - 4. This is in effect reversionism in the area of the unbeliever under the Laws of Divine Establishment.
- C. Right priorities in life which begin with setting Bible Doctrine as Priority #1 in life results in more right priorities which include:
  - 1. Occupation with the Person of Jesus of Nazareth, the Christ maximum Category I Love
  - 2. Sharing the Happiness of God
  - 3. Capacity for Life, Love, Happiness and Blessings.
- D. Lusts and desires of false priorities are disastrous and they distort:
  - 1. Bible Doctrine
  - 2. Life
  - 3. Laws of Divine Establishment

III. Drowning from seeking inordinate wealth apart from Maturity Adjustment to the Justice of God being in Reversionism, results in:

- A. Reaction and Distraction
- B. Frantic Search for Happiness
- C. Emotional Revolt of the Soul
- D. Negative Volition to Bible Doctrine
- E. Scar Tissue of the Soul
- F. Blackout of the Soul
- G. Reverse Process Reversionism
- H. leading, by means of this system, to increasing Divine Discipline instead of divine blessing.
  - 1. Life for the believer is quite simple, God WANTS to bless us but the alternative is Divine Discipline.
  - 2. We will either live a life in the sphere of blessing or in the sphere of Divine Discipline.
  - 3. If priorities are correct and Bible Doctrine is #1 you will move in the Spiritual Life to Maturity Adjustment to the Justice of God and Super Grace and receive the Super Grace blessing package God has for you.
  - 4. If you distort Bible Doctrine you will enter this system of reversionism.
- I. This system of reversionism results for the believer in progressively increasing Divine Discipline as:
  - 1. Warning
  - 2. Intensive
  - 3. Dying (Sin Unto Death)
  - 4. This may occur over the period of Many years and you will have a fantastic testimony about your constantly miserable life which is used by God to simply TEST the advancing of other believers and brings you to heaven as a peon.
- J. This drowning is the same as physical drowning in water.
  - 1. Getting into water without being able to swim is REVERSIONISM and its stages.
  - 2. Once in reversionism the only thing they can do is get saturated in reversionism with it and EVIL.
  - 3. Once saturated with evil there is no question as to how you will die that being the Sin Unto Death without losing your salvation and you will have some day a Resurrection Body.

4. Meanwhile your life will be thoroughly painful and miserable and YOU WILL NOT HAVE DYING GRACE.

K. God's will is that you have the Super Grace blessings he designed for you in **Eternity Past** in 5 categories ending your life with Dying Grace.

1. It is a waste of God's provision when You don't get your Super Grace blessings since NO ONE ELSE can have it.

2. God want everyone to be able to go from time to eternity through Divine Good and it is to be the greatest blessing of our entire life.

3. It is therefore a waste to DIE under Divine Discipline and the Sin Unto Death.

L. These people who reject Bible Doctrine and set wrong priorities in life and reject the provision and plan of God DROWN in their own lusts and desires in the Cosmic Dynasphere and it is a lack of capacity for life.

IV. Occupational Hazard of Management continued:

A. This is an explanation of the occupational hazard of reversionism which result or discipline from was explained in v9

B. The LOVE or total occupation with the acquisition of MONEY or WEALTH of any KIND is the big problem.

1. This is monetary reversionism and it is a ROOT of the tree of reversionism which has 8 stages leading to the top of the tree.

2. This is the occupational hazard of management and is avarice, and lust for wealth.

3. This matches the DESIRE TO BE RICH of v9.

C. The tree of reversionism has many roots and the Love of Money is only ONE root.

1. It is the status of the reversionist and in this case MONEY is the master and the REVERSIONIST is the slave.

2. If money is your master and you the slave you are IN reversionism.

i. Acts 5:1-10 this root makes it almost totally impossible to recover from reversionism.

ii. In may types of reversionism the believer can turn himself around and get back under positive volition to Bible Doctrine and the Grace Apparatus for Perception and recover.

iii. In this monetary reversionism it is almost impossible to recover from this.

3. Money is a terrible master, a tyrant and dictator but makes a fantastic SLAVE.

i. There are some people who cannot handle authority and are much happier without it and since they cannot handle authority it is a CRIME to put them into authority positions.

ii. This is the way it is with money, and it is a CRIME to put money in a position of authority and for IT to be YOUR master and YOU to be IT'S Slave.

iii. Money is a GREAT Slave but a lousy Master and it will be your master, ruler and dictator whether you have MONEY or NOT.

iv. This is a LOVE of money and people who don't have money love it the most.

v. It is often master of those who have none at all and they LOVE it but don't have it.

vi. It is wonderful to always have control of money and be its master and make it your dedicated slave.

4. You can avoid allowing money to become your slave by maintaining positive volition toward Bible Doctrine and being consistent in daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

i. Consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine cause priorities to become straightened out.

V. Doctrine of the Categories of Evil:

A. These outlined categories are 6 of the categories of evil and they demonstrate the principle that the "LOVE of money is a root of all those different categories of EVIL".

B. Religion:

1. It is the worst thing which has ever happened to this world and is the greatest expression of the genius of Satan
  - i. It is the policy of Satan using this policy as a pseudo grace system
  - ii. Religion is used by Satan and is Of Satan.
  - iii. It is the worst thing the Human Race has ever had to contend with.
2. In religion there is always the satanic principle of WORKS and LEGALISM.
  - i. In religion Man seeks to gain the Approbation of God by his own Works or Efforts.
  - ii. Christianity is NOT a religion because in Christianity God seeks Man through the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
  - iii. Therefore there is a vast difference between GRACE and Legalism and GRACE and Works.
3. In religion we have the quintessence of EVIL.
  - i. In the name of religion everything from MURDER to Persecutions including the THEFT of money from people by conning them into thinking that giving their money will get them into heaven, make them spiritual, get them blessing from God, or the admonition of the Preacher that God will bless you for your giving.
  - ii. The problem is that ONLY God can bless you and he has NEVER relegated that function to any preacher or Santa clause on the corner at Christmas time.
  - iii. NOR will God ever bless you through any system of merit or legalism.
4. Therefore the LOVE OF MONEY has always been a part of Religion.
  - i. Bible Christianity NEVER asks you for your money, begs for your money, cons you out of your money, never makes an issue of "tithing" which is in fact a taxation system in ancient Israel to support the Leviticus priesthood and other national functions.
  - ii. This shows the FAIR system of taxation and whether poor or rich 10% of your income for that year went for taxes.
  - iii. No one has any right to say you must tithe or ask or beg or shame you to get you to give money.
  - iv. This is a specific category of evil, Religious Evil.
5. Christians often engage in these things and perpetrate all the gimmicks possible to get the people to GIVE money to them and their church efforts but this is simply because they are UNDER THE INFLUENCE OF EVIL.
6. Religion has many facets of involvement with EVIL including Doing something for Salvation:
  - i. Many people think they must make a public demonstration of their faith by walking forward in a local church function when in fact that the only way to acquire salvation from God is through Faith alone in Jesus of Nazareth, the Christ Alone.
  - ii. Faith in Christ can occur in any situation of life and you don't have to physically do anything.
  - iii. And you cannot "invite Jesus of Nazareth, the Christ into your heart" and you cannot "Open the door" for Christ to come in and the passage of scripture which expresses this is for the reversionist to recover and get back into the Plan of God for his life.
7. People are also being baptized for salvation and giving money for it, and joining churches for salvation and this is all RELIGION and EVIL.
  - i. The only thing which counts in salvation is the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross and we can do nothing for salvation.

8. In addition you cannot DO anything for spiritual advance and many people think that by giving they will gain prosperity from God and this is tantamount to trying to BRIBE God for blessing.
  - i. Giving to the church is based on your Spiritual Maturity and Occupation with the Person of Jesus of Nazareth, the Christ and that you LOVE Bible Doctrine.

C. Legalism:

1. It is a byproduct of religion which overflows into every facet of life including:
  - i. Taboos
  - ii. Social Life
  - iii. Manner of Dress
  - iv. Deportment
  - v. Grooming
  - vi. Modus Vivendi
  - vii. ETC.
2. Therefore the “Love of Money” works into legalism as well when a wealthy person is conned into giving for salvation of spiritual growth or to show God you are serious.
  - i. Someone has conned you into thinking you cannot serve God and have money and if you are not “suffering for Jesus” you are not spiritual or saved.

D. Politics:

1. Not all politics is evil but only that which pertains to:
  - i. Socialism
  - ii. Social Action
  - iii. Abuse of the process of law to solve the problems of Life in society.
2. Politics related to the Laws of Divine Establishment and proper use of law is Good.
3. Politics which seeks to establish a welfare state, interfere with industry, cater to minorities, establish a double standard for different races like White and Black, disarm law abiding citizens, encourage loafing in the citizens, and destruction of the military is EVIL.
4. LAW is legitimate BUT
  - i. There are those in society who are Lazy and Good for Nothing people who want to live off of society’s prosperity.
  - ii. These PEOPLE ARE EVIL TO THE CORE.
  - iii. They will not do menial tasks for work but prefer to be lazy EVIL people on WELFARE and the LAW has taken money from the working citizen to GIVE to these EVIL LAZY SCUM of society.
  - iv. The LAW has set up a system of unjust tyrannical taxation and many of the taxes we pay today are totally EVIL.
  - v. The money taken by these tax systems is PLUNDERED and STOLEN from us in the name of LAW and then GIVEN to the people who will not work to support themselves.
5. THIS IS THE LOVE OF MONEY BEING A ROOT OF A CATEGORY OF EVIL.
6. Politicians USE the LAW which has as its legitimate purpose to Protect OUR property, money, freedom, privacy and LIFE but they take the law and distort it into stealing from the taxpayer.
  - i. When this occurs as it has for many decades by our immoral EVIL government taking more and more money from the working citizen by stealing your money and giving it to the scum many who don’t even know what this country is about.
7. The Law which steals MONEY today from the tax payer and gives it to the scum of society TOMORROW will take some other liberty from you.
  - i. Weapons
  - ii. Freedom of Speech
  - iii. Freedom to Assemble

- iv. All freedoms
  - v. UNLESS there is a radical change in the thinking of the federal government and unless we GET BACK TO OUR CONSTITUTION.
8. Law abiding working tax paying Americans are being plundered to that SCUM, RIF RAF can live those who would be DESTROYED under any proper economy and in Russia actually have been EXECUTED or sent to the mines to work until they died.
    - i. Russians follow establishment by getting rid of rif raf and there is a LAW of economy which bring on cyclic depressions which cause the Scum the RIF RAF to die out and the vigor of the nation can continue on.
    - ii. We cater to our RIF RAF at the expense of the good people and when you finally destroy the Good People there is nothing left but the RIF RAF SCUM.
    - iii. This creates Animals in Society and we have them now and when given a place to live which is decent and comfortable they turn it into a TRASH HEAP.
  9. The government MUST have money but OUR government is Guilty of the “LOVE OF MONEY” and they plunder us in 2 ways:
    - i. Taxation
    - ii. Manufacturing Money not based on some physical standard or physical backing such as Gold or Silver, etc.
    - iii. Thus the money of the people is stolen in these 2 ways and without some physical standard backing currency it's worth is nothing.
    - iv. Thus the government STEALS your money by printing more currency than we have reserves to back up.
    - v. The government Steals also by EXCESSIVE TYRANNICAL Taxation.
    - vi. The government needs money and taxation is valid but the LOVE OF MONEY has caused the government to extend into theft of money from the citizens through tyrannical taxation.
  10. This is the LOVE of MONEY as a Root of EVIL in Politics.
  11. In addition to this system of EVIL we today have become a bilingual country.
    - i. Since the pilgrims came to Plymouth Rock this country has been UNI-LINGUAL.
    - ii. It is a disgrace to teach in public schools in any language except English unless the course is a foreign language.
    - iii. When an American student goes to a foreign country to go to school they must learn in the language of the country.
    - iv. When a person comes into this country if they don't like or want to learn our language they cannot learn our traditions and if they don't like or want to learn our traditions then THEY DON'T BELONG IN OUR COUNTRY.
    - v. This was the attitude of Teddy Roosevelt when he was in office and of Americans at that time as well.
  12. Our attitude should be LOVE America or LEAVE it but it is to plunder GREAT Americans but keep scum animals alive.
- E. Psychology:
1. It is not all evil but those who have had any extensive psychology studies know that it is EVIL in that it represents the Human Viewpoint of Life and 2 of Satan's policies.
    - i. You are sinful and evil and a nasty person in every way there must be an explanation for you in your past environment or upbringing which will EXPLAIN you.
    - ii. Once you are explained you can go right on being you but are not explained and can justify self to others.
  2. Then psychology says the panacea that is able to correct you is to change your environment and improve your environment.
    - i. This is EVIL and it is not an answer to life.
    - ii. Psychology and Christianity are antithetical in this area.

3. Psychology has related fields which express these ideas:
  - i. Sociology
  - ii. Counseling
  - iii. Psychiatry
4. These all offer Human Viewpoint conclusions which eventually become evil such as:
  - i. The problems of life are solved by improvements in environment
  - ii. Abnormal behavior must be explained on the basis of past environment
  - iii. There is truth in some of these things up to a point but they are NOT panaceas for anything.
5. Psychiatry as an extension of psychology has some beneficial things:
  - i. It takes some of the weirdos in society and can do something with them because they have SICK Minds.
  - ii. Sick minds demand treatment
6. Counseling is no good and is a weak area going right back to Human Viewpoint but if they TREAT people medically who have diseases of the mind they can often go back into society and become normal people.
  - i. When psychiatry starts to counsel it is EVIL because it always turns back to Human Viewpoint for correcting personal problems.
  - ii. The charging of inordinate amounts of money for counseling functions is saying that they are giving you nothing but they have a LOVE OF MONEY and give nothing for it.
  - iii. Sociologists always want money from the government for some study or function.

F. Revolution:

1. It is EVIL as a system which seeks to overthrow authority in nationalism.
2. Nationalism is the order of God until the 2<sup>nd</sup> advent and is the protection of the Human Race from self destruction.
  - i. Nationalism has many facets under the Laws of Divine Establishment.
3. Revolution in the name of problem solving transfers power from Establishment to NON Establishment types.
  - i. It is a power grab based on power lust and with it a thief or money during revolution.
  - ii. In the french revolution the money stolen was unbelievable and in the Russian revolution that was exceeded.

G. Internationalism:

1. This is Satan's system for administration of this world in opposition to the principle established by God of Nationalism.
  - i. Both the political and religious systems of internationalism are in opposition to the word of God.
  - ii. In both cases it takes a great deal of money to operate such as system.
2. This is the United States of America picking up the cost of the United Nations and it would not be able to function at all without United States of America money.
3. Communism is also a system which always wants money and since the 1970's they have been hoarding Gold as much as possible so they can have a gold standard for their currency.
  - i. They are trying to be capitalists but don't want us to know it.

VI. The meaning of "The Love of money is a root of all those different categories of EVIL".

- A. All categories of evil have MANY roots but in this context the specific root in view is Avariciousness, Veracity for Wealth.
- B. While religion is avaricious people are constantly being victimized by gimmicks to raise money for the organization.
- C. Legalism falsely contends that giving money (Tithing) to the church is a means to divine blessing.

- D. Politics always has money as a big issue with influence peddling, bribing the citizen to take care of a political group.
- E. Avariciousness manifests itself in fields of psychology, revolution and internationalism.
- F. In all these categories of evil, religion, legalism, partially politics, psychology, revolution, internationalism avariciousness IS ONLY ONE ROOT and there are many roots which go into each of these and which make up reversionism.
- G. There are many roots of the tree of reversionism.

**1Tim 6:9**

**v9: But, contrasting labor and management, those believers who desire and decide on a lifetime occupation, based on what is in the soul, to be accumulating wealth or making money or becoming rich apart from Maturity Adjustment to the Justice of God Super Grace, in reversionism fall into unpleasant temptation enticements to sins, into a trap of self induced misery and Divine Discipline without capacity for life, also into numerous stupid and injurious lusts or desires that drown or plunge those men, especially believers, deeply into the ruin of reversionism and the useless wasteful destruction of the Sin Unto Death.**

**Lesson #101      Series # 467      1Tim 6:10**

- I. Review v9 and the principles:
- II. The LOVE OF MONEY – Monetary reversionism
  - A. People get their priorities mixed up and have no capacity for life by neglecting or rejecting Bible Doctrine.
    - 1. Having the accoutrements of happiness is meaningless unless you have capacity for them in your soul.
    - 2. When we leave this world the only thing we can take with us is what is in our Stream of Consciousness of the Soul.
    - 3. You must have capacity before you have the accoutrements of happiness, the details of life.
    - 4. You would be miserable with these details without capacity for them from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - 5. God always puts capacity before details and doctrine before capacity.
  - B. If you are in and remain in reversionism there is a reality of Divine Discipline which accompanies it.
    - 1. You will live your whole life under Divine Discipline.
    - 2. You don't hurt every moment but are always having some problem or difficulty and it is only related to your being in reversionism and under constant Divine Discipline.
    - 3. Nothing in this life will ever make you happy nor will anything ever go right for you.
    - 4. Your death will be even more miserable than your life.
    - 5. Your life continues in order that you may act as a target to train the growing believers in your periphery.
    - 6. These terrible miserable disciplined believers are kept here by God for training for those advancing in the Spiritual Life.
    - 7. These believers are legalistic, religious, gloomy, and horrible monstrous believers to be around.
    - 8. Then at the end God takes them out with a horrible miserable death and then they are face to face with the lord.
    - 9. Their only claim to fame in heaven will be to recognize the Super Grace believers whom they have helped to train in life.
    - 10. There will not be equality in heaven and these reversionistic believers will be the peons.
  - C. God has given us this life and the functions and provisions of this life and they are specifically designed to decorate us in eternity in heaven.
    - 1. This life is designed to reward us and the more decorations one has in heaven the more he will honor God forever.

2. Some believers are only training ground for believers on their way UP in the Spiritual Life while they themselves are on their way DOWN and OUT of this life.
3. These believer do it all to themselves with their own bad decisions regarding Bible Doctrine and the Plan of God.
4. These believers have by remaining in reversionism have skewered or impaled themselves, or gutted themselves with various types of both mental and physical pains.

D. Principles:

1. This verse 10 not only amplifies the occupational hazard of certain believers but mechanically relates it to reversionism.
2. In the mechanics of reversionism the apostasy is broken into 2 classifications which coincide with the first and last 4 stages of reversionism.
  - i. This verse tells us when the intensive stage of Divine Discipline begins which is somewhere at the end or middle of stage of reversionism.
  - ii. Stages 5-8 is intensive Divine Discipline
  - iii. 8 brings on dying Divine Discipline the Sin Unto Death.

E. 8 Stages of Reversionism:

1. The stages of reversionism overlap but must be separated for definition and clarity.
2. Reaction & Distraction:
  - i. Reactor factors in the life include:
    - a. Discouragement or disillusion
      - i) Having Eyes on people and living a very superficial life and lacking capacity for life people constantly disillusion you after you place them on a pedestal and they show their feet of clay.
    - b. Approbation lust
    - c. Boredom
    - d. Idleness
    - e. Overcome with self pity
      - i) People who live life in self pity never can move ahead in life at all.
    - f. Inability to handle loneliness
    - g. Frustration
    - h. Mental Attitude Sins
    - i. Expectations of people being just like you.
3. Frantic Search for happiness:
  - i. This is a function of the Old Sin Nature and the
    - a. The area of weakness produces SINS
    - b. The area of strength produces Human Good and bleeding heart and liberalism both political and spiritual
  - ii. Trend toward Asceticism
    - a. This often leads to GREAT self abnegation, giving up things, getting on the bandwagon for taboo systems, wearing spiritual clothing which makes you miserable.
  - iii. Trend toward Lasciviousness
    - a. This is drunkenness, debauchery, chasing, raising hell, living it up, etc.
  - iv. There is often something in between where the believer simply avoids Bible class because of some form of entertainment which is more important to him than Bible Doctrine.
4. Operation Boomerang, the Intensification of Reaction & Distraction
  - i. This where you find that the Frantic Search for happiness does not work even though you try various kinds of systems in your search for happiness BUT none of them work.

- ii. The Frantic Search for happiness does not remove the boredom, unhappiness, frustration, etc but that these are all intensified in reaction and led to emotional instability.
  - 5. Emotional Revolt of the Soul:
    - i. Emotional Revolt of the Soul freezes and shuts down the valves of the thinking of the Right Lobe and is where people lose their common sense, doctrine, ability to apply Bible Doctrine and this leads to Negative Volition toward Bible Doctrine.
  - 6. Negative Volition toward Bible Doctrine:
    - i. This is a locked in Negative Volition toward Bible Doctrine which opens a vacuum in the soul.
  - 7. Vacuum in the Left Lobe of the Soul results in Blackout of the Soul:
    - i. This results from Negative Volition toward Bible Doctrine which is rejection of truth thus allowing ONLY LIES and the doctrines of demons and influence of evil to enter the soul and to do so willingly and easily and leads to Blackout of the Soul.
    - ii. Blackout of the Soul where Bible Doctrine is erased from the soul leading to **Scar Tissue of the Soul** from locked in Negative Volition to doctrine.
  - 8. **Scar Tissue of the Soul** / Hardness of the Heart
    - i. This means that all functions of Bible Doctrine are cut off.
  - 9. Reverse Process Reversionism
- F. In the first 4 stages of reversionism, Reaction & Distraction, Frantic Search for happiness, Operation Boomerang, Emotional Revolt of the Soul the believer is under warning Divine Discipline.
- G. In the last 4 stages of reversionism, Negative Volition toward Bible Doctrine, Blackout of the Soul with its vacuum in the soul, **Scar Tissue of the Soul** and finally Reverse process Reversionism is where you are under intensive Divine Discipline.
- H. Finally if you remain in Reverse Process Reversionism for an extended period of time (however long God wants to keep you alive in that Status Quo) then at the end of stage 8 you will be taken out of this life under the Sin Unto Death dying Divine Discipline.
  - 1. This will be a death of GREAT MISERY
  - 2. Your testimony will and should be how miserable your life has been and will continue to be until you leave this life and get to heaven.

### III. The solution to love of money:

- A. We must have the recognition of the fact that God will never change ever and even though in **Eternity Past** he knew all our failures and they were all on “tape” in **Eternity Past** and our life was so bad that the tape spontaneously combusted he still will never change with regard to our Status Quo as believers in the Royal Family of God.
- B. This v11 is to teach us to apply what little doctrine which is left in our soul in reversionism.
  - 1. The one doctrine which we should CLING to in reversionism is Eternal Security.
  - 2. Many people actually hold this to the end of reversionism thinking they can do what they want in life and will never lose their salvation, which is true.
  - 3. It is only when intensive Divine Discipline is so bad and painful that they may think they possibly have LOST their salvation.
  - 4. It is arrogance to say that you can commit any sin or get into any system of evil that will cancel the Plan of God.
  - 5. NO ONE CAN SIN SUCH A BAD SIN OR BECOME SO EVIL THAT THEY CAN CANCEL HIS PLAN.
- C. Believers are commanded to GET OUT of the trap of reversionism and keep on avoiding it.
  - 1.

v10: For you see, the LOVE of money, avariciousness, keeps on being a root of all those different categories of evil, through or by which love or money or monetary reversionism certain reversionistic believers in management or any others, by intensely desiring, striving, longing or lusting for money, have swerved, deviated from, gone astray or away from, being perverted from the doctrine and they will spend their life having skewered, impaled or gutted themselves with many types of pain or torments of soul and body from the Intensive Divine Discipline of the 8 stages of reversionism.

1Tim 6:11

v11: But as for you man of God (sarcasm), any and all believers who are still saved no matter the failure, keep fleeing, shunning, guarding against, escaping and avoiding all but especially monetary reversionism instead keep on pursuing consistently vigorously Bible Doctrine and the righteousness of the honor and integrity of Maturity Adjustment to the Justice of God the Super Grace life, Godliness as balance of residence of Filling of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, Relaxed Mental Attitude Impersonal Love, self disciplined consistency or perseverance in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, and the Mental Attitude of humility and Grace Orientation.

**Lesson #102      Series # 467      1Tim 6:12**

I. Introduction:

- A. No one ever succeeds in any field of life unless he has Self Discipline and recognizes the authority of someone else.
  - 1. Self discipline means that somewhere in life you recognized that there was different types of authority and you recognize and submit to it.
  - 2. Then when your term comes to exercise authority in some field you do it without abusing your authority.
  - 3. You have to learn authority and respect it in another whether you like them or not BEFORE you can ever be a leader or exercise leadership in any way.
  - 4. Men fail in every area of life because they gain authority and do not understand it and therefore abuse it.
- B. You cannot grow up in the Spiritual Life unless you understand authority
  - 1. You cannot and never will grow up in the Spiritual Life unless you find a Pastor Teacher and respect his authority and gift and sit under his ministry consistently.
  - 2. It is NOT correct to compare Pastor Teachers for any reason.
  - 3. There is no such thing as comparative pastors and the fact is that EACH believer has a single RIGHT Pastor Teacher regardless of his personality or any other factor.
  - 4. It is ONLY under his teaching authority will you grow in the Spiritual Life.
  - 5. As a believer we NEVER have any right to compare any 2 or more pastors.
- C. For us as individual believers as some time we will become leaders in life and how we do in Bible Doctrine studies and our manners and concentration will indicate how we will do in life.
  - 1. If we spend life rejecting authority then when we get it we don't know what to do with it.
  - 2. This is a problem for anyone who commands or teaches people in any realm of life.
  - 3. The secret to capacity for life is your respect for authority.
- D. In bible studies when you show up for class you must assume that everyone there is present for the purpose of learning Bible Doctrine
  - 1. A great problem is subjectivity, hypersensitivity, overreaction to personality differences all things which can distract one from learning Bible Doctrine.
  - 2. We have nothing to contribute in a bible study class except concentration and manners during the class.
  - 3. In bible study class it is the JOB of the Pastor Teacher to keep studying and teaching constantly.

II. Labor and Management for the believer continued:

- A. When you have an unfair or obnoxious boss over you this is a great blessing since it will be the means by which you learn to control yourself and exercise self discipline and stick to the job and learn about authority and respect it.

1. In 1976 too many men were leaving the military because they cannot stand the gap having not understood that in peace time military authority is turned over to civil authority so that all military dictatorships are avoided.
  2. Sometimes the civil authorities set up policies which are ridiculous and many men cannot take that and don't stick with it.
  3. The principle is that if you cannot stick it out in the uncomfortable situations of life then you won't be able to stick it out in any place in life and you will float from place to place looking for a soft berth.
  4. Under these concepts we forget that God keeps us alive and takes care of us in the world of Satan.
  5. We often complain about our job because we have no respect for authority, no understanding of life, no capacity for life and are not under Occupation with the Person of Jesus of Nazareth, the Christ.
  6. We have an idiotic idea that someone has it easier than we do but this is not ever true and everyone has problems in every field and every field has IDIOTS at the top.
  7. When think how we feel about a boss is more important than any thing in life and if we don't like him then he should be removed and a nicer boss put in his place; THIS IS ARROGANCE.
  8. Our opinion about anyone who has authority over us is inconsequential.
  9. You cannot be a good leader until you have gone through a period of life where you respect authority of another.
  10. Women want to be 'lib' women because they have no respect for their husbands.
- B. The world is and has been under a terrible evil from 1917 even through today.
1. The communist movement MINUS TERROR is ludicrous, funny, comical, ridiculous.
  2. The only thing which makes the communist movement able to continue is TERROR.
  3. All the Mongolians who were psychopathic killers, terrorists and idiotic men of violence were the beginnings of the communist party and the ideology meant nothing to them they were just a group of hoodlums and scum.
  4. The only way they could control people was with violence and terror.
  5. Any system of government which must use terror to control people is NO valid system of government.
  6. Take violence away from these hoodlums and psychopathic killers and you will see what remains is the most ridiculous system in the world.
  7. Our system of government is to NEVER use terror or gangster methods to control people.
- C. Many people are ready to do what the communists did and will call it some other named ideology because they have lost track of what freedom, life and capacity for life is about.
1. This becomes obvious when they complain about things which they have not business complaining about.
  2. They are inefficient, the boss chews them out and they complain that he is unfair.
  3. A woman marries some guy and now has no respect for him and then complains when the real solution is for her to SHUT UP instead of spreading filth about him all around.
  4. Permissiveness has ruined children and they totally lack discipline and lack respect for authority.
  5. For decades this nation is about to blow up totally and the world now with it.
  6. There must be turn around and someday there will be another revolution and in fact news media from conservative sources are estimating that it will be within the next 5 years from today 2018.
  7. This may be a second civil war and when we constantly permit hoodlums, psychopathic criminals to throw their weight around this is the beginning of a revolt.
  8. Baron Derrupt said In 1917 that as he traveled out of Russia the local commissar would come into a village and slaughter rape and kill everyone and he had an excuse to do so under the guise of communism.

9. Communism in its beginnings did not take care of its own people but used it money to build up its armies.
10. We in the United States of America have let in the past and even up to this time in 2016 with a very few exceptions allowed these scum to brow beat us and intimidate us on the international scene.
11. The Finns proved to the world that the communists did not have any discipline and when in 1939 they sent large armies into Finland the Finns clobbered them totally.
12. The Finns had discipline.
13. The communists never have had discipline but a large number of men to waste and always have had psychopaths as leaders who are scum and the only thing they understand is COUNTER VIOLENCE.
  - i. They hated Mr. Reagan and the Hate Mr. Trump, but they loved the ass kissing Obama

D. WE have been facing a great trouble for many decades because the very thing which led to the rise of communism and made it easy for them is that the system allowed people to be terrorized by government.

1. A person who does not respect authority is an arrogant person and this person is a coward under pressure.
2. This is why communism was able to come into being.
3. WE in the United States of America have been for decades with is being painfully obvious today are cowards as a nation because NO ONE respects authority.
  - i. Police, Judges, Traffic Laws, Military Uniforms, Parents, ETC.
  - ii. There is total loss for respect for all authority in life.
4. People don't know how to cope with this situation so they turn to drugs and other forms of sublimation via chemicals.
  - i. When a person becomes an addict he rejects authority and this requires a great deal of arrogance to get into this position.
5. When the pressure is OFF there is arrogance but when the pressure is ON there is cowardice.
6. The communists were a small group of people and could never have taken over the country being gangsters, hoodlums and psychopaths and they only got away with it because they frightened people.
7. People were frightened because they had no respect for authority and NO self discipline and this makes it easy to be frightened and terrorized and pushed around.
8. The first sign of lack of respect for any form of discipline is ARROGANCE.
9. The 'Women's Lib' movement is actually a communist conspiracy but is the type of thing the communists know can be done because women reject authority.
  - i. Pastors
  - ii. Husbands
  - iii. Anyone in any situation
  - iv. The poorest manners ever to be seen are seen in women.
10. We cannot do without women in society but we can do without women who do not respect any authority as they are arrogant.
11. Put this arrogant type female under pressure by various methods like trying to draft her son and send him to Vietnam to fight and then she becomes a coward and fear for her son's life.

III. Timothy was the most overrated person in the ancient world church.

- A. He was a wimp, mamma's boy, lacked discipline and had not concept of being mean vs tough.
1. He was taught toughness was meanness and this is in error.
  2. To be mean is to be under the control of the Old Sin Nature
  3. To be tough is to be able to engage in proper exercise of authority protecting those under one's command.

4. Timothy failed as a Pastor Teacher because he did not have the self discipline to maintain his studying and did not have the proper use of his authority.
  5. In order to be sweet and impress the ladies in the congregation and keep them around the local church he has vacillated so much that they are in fact bullying him.
  6. The solution is to study study and study and teach with authority.
- B. Timothy is here commanded to exercise his authority and teach properly so this people can reach Maturity Adjustment to the Justice of God.
1. This emphasizes self discipline in the function of the Grace Apparatus for Perception
  2. He must learn to be a leader by respect the authority of other leaders.
  3. It is easy to respect the authority of leaders if you like them but they don't often come that way and therefore it becomes a situation of training with self discipline.
    - i. Whether the person over you is obnoxious or unfair this is a great way to learn self discipline.
    - ii. Learning to respect authority in one who is a total jackass is much more important in developing capacity for all aspects of life than anything else.
  4. People who float from church to church, job to job, spouse to spouse are arrogant but in the beginning this is not challenged but eventually something irritates them and out comes the other Mental Attitude Sins.
  5. Timothy is NOT doing his job not studying nor teaching and is functioning under the policies of evil trying to LOVE everyone.
- C. The athletic metaphor:
1. To qualify for any of the various games of the ancient world the athlete had to train in the gym area for 10 months prior to the contest.
    - i. Bread and Cheese, Wheat and a little lean meat was his only food.
  2. The registration of the athlete is comparable to Salvation Adjustment to the Justice of God and analogous through citizenship which had to be demonstrated of one's Status Quo as family of God.
  3. The athlete then entered the gym for 10 months under a system of strict discipline and rules enforced by game marshals:
    - i. NO wine
    - ii. No Women
    - iii. No rich foods
  4. The training was very physical but you did not only train in your own event and only at the end of a 7-8 hour day were you allowed to work on your area of competition.
  5. The athlete was surrounded by principles of discipline in:
    - i. The Diet was the same for 10 months
    - ii. Daily Exercise REQUIRES great self discipline
    - iii. Mental discipline since the judges and marshals of the games had terrible personalities.
  6. Therefore it became a matter of recognizing the authority in the competitions.
  7. This means that there is a certain amount of arrogance when you DON'T watch what you eat.
    - i. If you become over weight it is a sign of lack of discipline in the life.
    - ii. Exercise done daily was physical authority
    - iii. Mental authority was recognized by being persistent in the training and observance of diet restrictions despite obnoxious judges and marshals.
- D. We must sooner or later come to realize that you cannot have capacity for life without Bible Doctrine and you cannot have Bible Doctrine without discipline, self and enforced.
1. This is where everyone goes astray in life in every function in life.
  2. When you used to enter the military you shaved your head totally bald and this was a "DEDICATION" that you were now going to be a disciplined person.

3. This was an indication that you were GOING TO respond to authority, become a professional, learn everything well, and whether you complied or not didn't matter since you had already signed a contract to do so.
  4. All the way through the system of the ancient world all the men who were ABLE to compete in the GAMES, because of their self discipline, became great as:
    - i. Lovers
    - ii. Soldiers
    - iii. Businessmen
    - iv. Statesmen
    - v. In anything and everything they did because they had all gone through the system of enforced discipline and had learned the principle for life and happiness is based on self discipline.
    - vi. Those who have this capacity can enjoy anything and everything in life having or not having.
    - vii. Without this capacity there is always something attractive to stimulate the person such as drugs, alcohol, etc.
  5. **God has set up the greatest system of all for the Church Age so that no one can reach Maturity Adjustment to the Justice of God Super Grace without a system of discipline.**
    - i. **They will have to be under a Pastor Teacher to learn Bible Doctrine.**
    - ii. **Thus God the Holy Spirit programmed the Church Age so that all people of all personalities got the gift of Pastor Teacher and they would be scattered and all believers who wanted to grow in the Spiritual Life have to respect the authority of these men.**
    - iii. **People may react to and gripe about and be grumpy about it and form organizations and set up all kinds of programs but outside of the discipline system of God no one can reach Maturity Adjustment to the Justice of God Super Grace.**
    - iv. **The discipline is obvious and it is the consistency of taking in Bible Doctrine daily without ever missing a day is where it is required.**
    - v. **Everything in life requires discipline NOT BECAUSE WE FEEL LIKE DOING THINGS GOOD FOR US BUT BECAUSE WE KNOW WE NEED IT AND DO IT JUST FOR THAT REASON.**
      - a. **Regular Exercise**
      - b. **Eating Right**
      - c. **Avoiding things detrimental to our health**
      - d. **Being consistent in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.**
    - vi. **Most people don't enjoy nor like to exercise and when a person allows themselves to avoid exercise and get soft physically they will become soft mentally.**
    - vii. **When you become soft in both areas then it is easy to get soft spiritually.**
    - viii. **Getting to Maturity Adjustment to the Justice of God Super Grace and doing bible study every night is not always pleasant it is a pain in the NECK but it must be done.**
    - ix. **HOWEVER it always pays off and the self discipline is what brings capacity and enjoyment of all you have in life.**
- E. When a believer gets to Super Grace he does not always receive ALL his blessings all at one time and may or may not receive all the blessings.
1. Once a person won at the games in the ancient world then things began to happen and blessings and honors came to you eventually.

2. This is like the believer receiving at Maturity Adjustment to the Justice of God his Super Grace blessings and he might receive many spiritual blessings and some temporal blessings.
  3. Since there are 5 categories of blessing for the Super Grace believer he may receive any or some of these blessings at any given time but he will receive them.
- F. Believers are commanded to take hold of or Seize the BLESSINGS associated with Eternal Life.
1. These are the blessing of Maturity Adjustment to the Justice of God Super Grace and if you take hold of these and hold them to the point of dying grace then you will be able to SEIZE the surpassing grace blessings of eternity.
  2. You cannot get surpassing grace blessings for anything you may do in eternity.
  3. As long as you are alive on this earth you can move toward receiving the surpassing grace blessings of eternity and they will be worth every effort we may need to seize and hold Maturity Adjustment to the Justice of God.
  4. The things which the believer, who reaches and maintains Maturity Adjustment to the Justice of God in time, will receive in eternity as surpassing grace blessings and rewards are beyond human comprehension.
  5. Therefore receiving Super Grace blessings in time is the key to receiving surpassing grace blessings in eternity and the link is dying grace.
  6. These blessings in time of Super Grace will be given with capacity for enjoying them.
  7. For every believer who reaches Maturity Adjustment to the Justice of God and hold it to the point of dying grace transfer to heaven there will be millions who have rejected Bible Doctrine and never grew in the Spiritual Life.
  8. The desired result of the Spiritual Life as designed by God is that if you seize and hold onto Maturity Adjustment to the Justice of God Super Grace the “high Ground” then you will receive both Dying Grace for transfer to eternity and surpassing grace blessings for eternity with special rewards and decorations.
  9. We must understand that from **Eternity Past** God the Father, **God the Son**, and God the Holy Spirit knew all about each of us and knowing our successes and failures they planned for us a Super Grace blessing package and surpassing grace package and the grace transition between the 2.
  10. Believers in the tribulation will receive their Super Grace blessings at Maturity Adjustment to the Justice of God and then receive their fantastic temporal blessings in the millennium and at the end of the millennium they will transfer to eternity without death at all.
  11. The only difference between the believers in the Church Age and those in the millennium is that believers in the Church Age once they reach Maturity Adjustment to the Justice of God Super Grace will then have 20-60 years to enjoy the Super Grace Status Quo, while the millennial believers who reach Maturity Adjustment to the Justice of God Super Grace will have 1000 years to enjoy the blessings in time.

**Phil 3:12 (seizing the high ground)**

**v12: Not that I have before now, already received, obtained or attained permanent Ultra Super-Grace status nor have I before now, already reached the objective of Ultra Super-Grace BUT now then I keep on pressing and driving on in hot pursuit, closing in, if also I might gain, overtake, seize, grasp, take possession, accomplish and attain and hold the high ground of Ultra Super-Grace on account of which high ground objective of Ultra Super-Grace I am also seized and held, overtaken by Christ, Jesus**

**Phil 3:13**

**v13: Members of the Royal Family of God, I even I consider, estimate or evaluate myself even myself objectively as not yet to have attained, overtaken, seized, reached and held the deliberate objective according to the specified Norms and Standards of the Grace Apparatus for Perception, the ultimate of Pleroma, Ultra Super-Grace however, now one thing on which I concentrate, constantly forgetting or deliberately assigning to oblivion those things which have already happened and lie behind, the things of the great sins related to reversionism as a handicap, and constantly and eagerly vigorously pursuing advancing or straining or pressing toward, the front or what lies ahead, through the function of Grace Apparatus for Perception as the Ultra Super-Grace objective.**

**Phil 3:14**

**v14: I keep on advancing pressing and closing in toward the next objective of Ultra Super-Grace across no man's land, for the purpose of reward, wealth and success in paragraph Super-Grace 2 & 3 blessings and decoration belonging to that upward or highest station in life of potential blessing at the Judgment Seat of Jesus of Nazareth, The Christ from that self same God, God the Father by means of Christ Jesus.**

**Phil 3:15**

**v15: Therefore as many as (are) already fully developed, believers in Maturity Adjustment to the Justice of God in Super-Grace A or B, let us, Super-Grace believers, continue objective thinking of Divine Viewpoint from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul. In fact if you are thinking somewhat differently and have a different Mental Attitude or hold different opinions toward anything, The God, as the ultimate source of revelation will reveal through Bible Doctrine and your right Pastor Teacher, even that to you for your benefit and in your interest.**

**Phil 3:16**

**v16: However the objective to which we have attained or reached in Super-Grace status, by that same function of the Grace Apparatus for Perception, let us under strict discipline, keep advancing in ranks by means of enforced & genuine humility and academic discipline to the next objective of Ultra Super-Grace, by the same rule or standard or sphere of action or function of the Grace Apparatus for Perception with regard to the sum total of Bible Doctrine in the Canon of Scripture, in persistent Momentum in the Spiritual Life.**

**G. Principle:**

1. No direct blessing in time from God means NO blessing for eternity.
2. You will know whether you are getting these blessings for eternity by the way you die.
  - i. If you die the Sin Unto Death the low crawl through ground glass then you know you missed out.
3. We all as believers in Jesus of Nazareth, the Christ have Eternal Life and will receive a Resurrection Body minus the Old Sin Nature, Human Good and Evil and we will never be a liberal in eternity.
4. However it is NOW in time when capacity for life is the issue and so very many MISS the boat by neglect or rejection of Bible Doctrine.
5. In the Spiritual Life which God has designed for us POVERTY is not greatness in the Spiritual Life.
6. When you grow in the Spiritual Life to Maturity Adjustment to the Justice of God Super Grace Historically it will not matter what the 'weather' is whether adverse or prosperous you WILL HAVE Super Grace blessings in time in 4 categories with dying grace reserved for your exit from life.
7. THIS DOES NOT INCLUDE POVERTY which is simply an excuse for a sloppy Spiritual Life.
8. Not all believers will receive the same type of Super Grace blessings in time, but the idea that you must be poor or emaciated before you are some great believer is the devil's own lie.
9. When you have taken in Bible Doctrine and gained great capacity for life then GOD will give you the blessings to go with it:
  - i. Wealth
  - ii. Success
  - iii. Prosperity
  - iv. Greatness in a profession
  - v. ETC.
10. To gain the capacity we must have self discipline but we must also SEIZE Maturity Adjustment to the Justice of God Super Grace and HOLD it in order to receive surpassing grace for eternity.

**H. In Eternity Past God the Father, God the Son, and God the Holy Spirit knew all about every decision you would make and how and when you would express faith alone in Jesus of Nazareth, the Christ alone therefore they "called" you.**

1. Therefore they programmed each of us believers into the Divine Decree knowing that we would use our volition to enter the Plan of God and receive salvation.

2. Because of this decision on our part they personally designed both a Super Grace and surpassing grace package for each of us who believed in Jesus of Nazareth, the Christ and THIS IS OUR OBJECTIVE IN THE SPIRITUAL LIFE.
  3. The objective of God in creation is to be glorified and when he blesses us in time in the world ruled by Satan he is glorified and he demonstrates that his JUSTICE, RIGHTEOUSNESS, and LOVE all always consistently work together therefore refuting the claim of Satan at the appeal of his condemnation to the Lake of Fire.
  4. All the blessings for all believers for both time and eternity are already provided for us and all we must do is reach Salvation Adjustment to the Justice of God and then advance to Maturity Adjustment to the Justice of God Super Grace.
  5. We therefore KNOW from the time of our Salvation Adjustment to the Justice of God onward IF, God did all this for us in **Eternity Past**, AND HE DID, then he WILL KEEP US ALIVE LONG ENOUGH FOR US TO GET IT AND HE WILL PROVIDE FOR US ALL THAT IS NEEDED TO REACH THE STATUS UNDER WHICH WE **CAN** RECEIVE IT.
  6. When we know understand and apply the major doctrines of the Plan of God then we know which came first US or our blessings and the answer is obviously OUR BLESSINGS.
  7. We as believers growing in the Spiritual Life don't even realize that God sitting on his throne wants to provide us with all the enjoyable things in life but we must first advance to the point of having capacity for these materialistic things in life.
  8. This tells us that the Plan of God for us as believers started in **Eternity Past** and goes all the way into eternity future.
  9. We also know we have Eternal Security in order that God in his matchless grace and perfect plan can match up our miserable life with the most amazing blessings anyone or any angel ever dreamed possible.
    - i. It is a SHOCK to the angels and the devil and his world when we receive the blessing of Super Grace Status Quo.
  10. The incredible thing about all this is that it comes through that which MOST fundamental Christians and the vast majority of Christians LACK that being self discipline.
  11. The incredible thing is that MAN most often uses all his genius to avoid discipline and authority.
  12. Arrogance is what causes one to try to avoid what makes life most wonderful that being self discipline.
  13. Enforced discipline is there to remind us that we have great things coming in life if we will simply function under a system of discipline and respect authority.
  14. In life and in the Spiritual Life by submitting self to discipline blessings will come to each of us.
  15. We are free to submit or reject discipline and in the Spiritual Life as a believer when we reject we become subject to Warning, Intensive and eventually dying Divine Discipline.
  16. It is the most difficult thing in the world for people to LEARN discipline in life.
- I. The principle is:
1. That God thought about each of us in **Eternity Past** before we could even being to think about HIM when we were nothing.
  2. Now that we are in time and are born into this world we are still to God NOTHING but he is still thinking about each of us.
  3. Once we depart from this world as a NOTHING believer he still will think about us and there never has been a time, past, present or future when he does not think about you and I both.
  4. He has a grace system which requires self discipline, Bible Doctrine on a system of grace perspicacity so that you can grow to Maturity Adjustment to the Justice of God.

- J. In the Spiritual Life Bible Doctrine is the spiritual noble competition described in v12 and our exercise and training.
1. Under the Plan of God from **Eternity Past** God provided all things for each of us believers including, saving grace, living or logistical grace, super grace, dying grace, surpassing grace and all support needed for time.

**Lesson #103**

**Series # 467**

**1Tim 6:12**

- I. Management and Labor continued:
- A. One of the greatest learning principles in man is the ability to respect the authority of someone who you do not like, cannot in fact stand to be around and with whom you have a personality conflict.
1. No one can ever exercise authority in leadership until he has been in that situation.
  2. Until you submit yourself to authority you cannot appreciate authority and when you finally appreciate authority then you can exercise authority.
  3. All great leaders have gone through some system of discipline where they have had to submit to idiotic authority and have persisted.
  4. Too many people quit thinking it is easier on the outside of the military but in all great corporations and in all professions **AUTHORITY** is the **KEY**.
- B. Authority orientation and respect for authority is also the secret to being a **GREAT LOVER** and the one who is always criticizing the one running an organization and the policies he has set up is also a poor lover being selfish, imbecilic idiot.
1. This type is absolutely without any concept of life and somewhere you have to catch on or have to explain to your mother, wife, girl friend (not at the same time) or friends as to why you are a flop.
  2. This is also a **LOSS** of the key to life and capacity for life and this is why Bible Doctrine **MUST** be assimilated under strict academic discipline.
  3. Many Women and also Men get mixed up as to what **LOVE** actually is but life demands self discipline
    - i. Love
    - ii. Social Life
    - iii. Business
    - iv. ETC.
  4. Many people don't like drinking having no self discipline they start and cannot stop and 2 types **HATE** drinking
    - i. Alcoholics
    - ii. Abstainers
  5. People without self discipline cannot enjoy life at all and why it is so difficult to find good leaders with self discipline and respect for authority.
- C. Today one of the biggest problems in industry is that **LABOR** has no self discipline
1. Labor has very little skill left among themselves any longer.
  2. Everywhere you go there is no longer any service and no concept of discipline with lack of enthusiasm about whatever job they are doing or anything in life.
  3. If you are not enthusiastic about what you are doing then social life is also going to suffer for when social life is used to counter boredom on the job or disillusionment or discouragement then you will find you have missed the boat on social life as well.
- D. With Metabolized Bible Doctrine in the Stream of Consciousness of the Soul we can be enthusiastic about the worst and best situations in life.
- E. Arrogance has jealousy discord, maligning, evil speculations and a person out from under pressure who is arrogant has other problems and cannot be trusted with subordinate commands or other situations which demand self discipline and leadership ability or business deals being a coward or jealous or bitter or vindictive or maligning, judging etc.

1. This person does not make a good partner on patrol, or subordinate in business and there is NO PLACE in life where this person is helpful especially when you are picking out a lifetime partner.
2. When you look for a spouse the man must be cautious of the Arrogant Woman
3. Women are much more prone to arrogance than men because they are under the illusion from birth from mothers or grandmothers that women are smarter than men...one of the biggest illusions of the century.
4. Some women are smarter than the men they marry but this means they either made a bad mistake or they wanted to marry one whom they could dominate and control.
5. Women are generally not smarter than men and never will be but are prouder than men and more prone to pride.
6. They don't have a "macho" demonstration of it they are more subtle than that.
7. Don't be fooled the original pride in the Human Race was in the woman and she wanted to be smarter than Adam and God combined and this is why she ate from the Tree of the Knowledge of Good and Evil but in fact only discovered her stupidity not how smart she had become.

F. When a person gets to Maturity Adjustment to the Justice of God Super Grace and establish the command post in the soul the first blessing to be received is SPIRITUAL.

1. Occupation with the Person of Jesus of Nazareth, the Christ, balance of residence in the soul, Sharing the Happiness of God, and especially capacity for life, love, happiness, blessing, work, prosperity, discipline, leadership.
2. These capacities lead to the temporal blessings which God has designed for you in promotion, success, wealth, prosperity, etc

G. Money is ONE OF THE ROOTS of all evils but money itself is NOT evil.

1. The only objection to be had with regard to money is that as a medium of exchange there is no requirement for a person to have to physically exert himself in order to sustain himself in life and become strong and tough and thus energy must be expended constantly with exercise to do so.
2. Without money we would have to carry produce to exchange it for produce we need.
3. When you have capacity for money instead of capacity for life you then come to LOVE money which becomes #1 Priority in life.
4. This makes money the master instead of the slave in your life and money is a CRUEL master but a GREAT Slave.

II. The competition of Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

A. While you do have privacy under freedom you have contact with many people in life and this includes all people we are ever in contact with.

1. These all observe you in your life and function.

B. It would be NICE to tally our personal score for IMPACT in the lives of others vs our score for DISTRACTION in their lives.

1. We all fail in relationship with people when we hurt people and make them enemies.
2. We must realize God throws us into the periphery of other people all our lives and sometimes we come out with regrets and sometimes with NO regrets.
3. Timothy was a nice person but a real wimp being brought up by his mother and grandmother he had no strength of character.
4. His mother and grandmother did succeed in the realm of teaching him scripture.
5. To learn Bible Doctrine early in life is great IF YOU USE THEM.
6. The greatest believer who ever lived did not have a christian background nor an early life of learning Bible Doctrine.
7. Timothy is an illustration of one having been brought up in a nice home who is a failure and wimp and especially he is a failure in the ministry.
8. He has failed in the most critical point since Ephesus is the center of Christianity in the ancient world and there is no better place for teaching of Bible Doctrine than Ephesus but

Timothy being a GREATLY knowledgeable teacher does not do a good job being a wimp and coward.

9. Timothy is a coward, runs from the men and allows the women to bully him.
10. Timothy had been intimidated in his ministry in Ephesus and the bullying and baiting of Timothy resulted in his NEGLECT of Bible Doctrine and is looking for a gimmick to appease the bullies and has reacted and withdrawn having a very sensitive soul developed in his home with mother and grandmother influencing him.
11. He is trying to be sweet and nice to all the women in his congregation but they are NOT LADIES but horsey women, bullies, pushy, ambitious, feisty and petty and try to push him around constantly.
12. Timothy has fallen into reversionism and needs to get back into Bible Doctrine and recover.

C. We must remember as Timothy had to remember that God in **Eternity Past** planned all the functions of our life and knowing every instance or decision decreed all our free decisions to be assured and wove in all together into one great plan.

1. The blessings for eternity for every believer were set down and planned from **Eternity Past**.
2. Every believer in the Plan of God should reach Maturity Adjustment to the Justice of God Super Grace and receive their Super Grace blessings for time.
3. God designed our life as believers for blessing and happiness and God is glorified in the life of the Royal Family of God member when he can take a believer and provide unimaginable blessings for time for him.
4. When God can do this in the world ruled by Satan he is glorified proving that the Love of God and Righteousness of God and Justice of God all constantly work together and therefore refuting by demonstration the implications of Satan at the trial of the Angelic Conflict.
5. We have been brainwashed in to thinking that to have things and wealth in life as a believer is WRONG but this is a false principle.
6. As the believer advances in the Spiritual Life BLESSING is the guarantee from God.
7. Poverty is not always a disgrace but it is a disgrace for the believer who is not prospered showing he has NOT reached his Status Quo of Maturity Adjustment to the Justice of God Super Grace.
8. IT is a satanic deception that believers should have nothing or give all of what they have away.
9. Not all believers will be millionaires or drive fancy expensive cars or live in fancy expensive estates.
10. We WILL upon reaching Maturity Adjustment to the Justice of God have spiritual blessing, temporal blessings, association blessings, historical impact blessings and dying grace blessings and the capacity to ENJOY everything we have in life.
11. We will enjoy our profession or job and receive maximum blessing from all of them but it is Metabolized Bible Doctrine in the Stream of Consciousness of the Soul which is the only requirement.
12. Bible Doctrine in the Stream of Consciousness of the Soul is the KEY to everything since every believer in Jesus of Nazareth, the Christ in the Church Age is a member of the Royal Family of God and royalty cannot ever be happy without Bible Doctrine.
13. God designed this spiritual royalty to operate on Bible Doctrine and if we are not operating on Bible Doctrine we will be miserable.
14. We have been propagandized by the bleeding heart liberal for so very long that we have lost track of the whole picture and we should be allowing greater innovation in every field and not holding back the consumption of fuels or other resources at all.

15. God has a purpose for each of us and no one will ever leave this world until he is ready and the “speed limits” of the 1970’s and 80’s was the most ridiculous evil proposition enforced by the government which had to black mail the states to get them to comply.
  16. Evil in our whole society is destroying the whole real purpose of our government under our constitution which is to give and maintain for each of us Privacy, Protection of our Property, and Protection of our Freedom.
  17. We must never try to second guess the principles of FREEDOM under the Laws of Divine Establishment.
    - i. If a person wants to drive a motorcycle without a helmet and is therefore killed in an accident that may be a good thing even though it may greatly upset his mother, who has no idea that if he lives he would become a mass murderer and kill 100 people and get the liberal idiots in the society and government upset so that they try to take our guns away from us.
  18. Don’t try ever to FIX life EVER; and as we clearly see today in 2018 the worst attack of freedom, privacy, property under the Laws of Divine Establishment (which we do not follow at all any longer) comes from the BLEEDING HEART LIBERAL IN SOCIETY AND GOVERNMENT.
  19. If a person does not have the drive which is needed to make it in business and maybe he is so bad he is starving because he has no drive whatsoever, WHY should taxpayers feed him and keep him alive?
    - i. He is simply a revolutionist.
    - ii. If a person does not want to scrub floors or clean toilets for 5 cents an hour the he should starve to death.
  20. Our government and the liberal media has so propagandized us since before the 1970’s that we are spending all of our time trying to think of ways to keep idiots and scum alive.
    - i. This is interfering with the Work of God who is the only one who can decide when a person will die and also the divine laws are being violated.
    - ii. When the divine laws such as the Laws of Divine Establishment and Free enterprise are violated then the people will starve, have depressions and die and everything which is ruinous will occur for them.
    - iii. The only way God can Alert people in a society to these coming disasters is to take a few people out of this world by starvation or violent accidents.
  21. The government never keeps the correct type of people alive with their liberal agendas but ONLY the scum of the earth.
    - i. Then when you call for a repair for something in the home it will be a poor job since NO ONE will be motivated to do a good job but they all want high salaries and limited work times with more leisure.
    - ii. They have not idea what to do with leisure and we see this today EXEMPLIFIED by the idiots in Hollywood who have great amounts of leisure and use it to foment revolution and liberal ideas and with their wealth try to push these **on others**.
  22. **This is a result of the people in our nation for may decades not understanding the Laws of Divine Establishment nor any Bible Doctrine and they have placed the wrong concepts on life since it is not physical life which God cares about preserving but it is the ETERNAL LIFE factor which he wants to preserve.**
    - i. **Once you understand Eternal Life and that any life is in the hands of God you get a new perspective and Bible Doctrine turns you around completely.**
- D. Timothy as a Pastor Teacher cannot help either labor or management in their occupational hazards unless he can be FAITHFUL and accurate in teaching Bible Doctrine.
1. Timothy has been bullied into backing off of teaching Bible Doctrine and has withdrawn from consistent study and teaching and is in a state of shock being bullied by his congregation in Ephesus.

2. Since he has neglected Bible Doctrine he cannot teach Bible Doctrine and if he is to help those in the business world he must return to the principle of studying and teaching.
3. He had done this in the past but now he has stopped studying and properly teaching and is focused on LOVE for everyone in the congregation.

E. Loving each other today for us in the United States of America is simply a communist conspiracy to undermine our system of government and freedoms and the communists actually despise each other.

1. The whole history of communism in 1917 shows us a Group of Psychopathic killers and hoodlums and Gangsters took over Russia and began in the name of communism to kill wantonly people all over and rape and torture and totally lacked any sense of responsibility for their own people.
2. Communism never actually worked in Russia and never could and millions of Russians have died (Stalin killed over 12,000,000 people in Russia alone), and communism is run by a GROUP of irresponsible psychopathic killers.
3. Violence removed from communism leaves NOTHING and the whole system is ridiculous, all you have to do is insert violence and they totally rule by violence and they are the worst hoodlums who ever lived.
4. Never should anyone toast hoodlums with vodka nor meet them in space except to slaughter them in space.
5. Our policy of going soft on communism in Russia and china both is idiotic and they have laughed at us constantly over the 100 years of their existence.
6. The money and technology from the United States of America is what keeps communism alive in the world so that they can spend their money on military and war machines.
7. The United States of America has over the past simply increased the hoodlums of Russia and china to the point of being the Largest criminal syndicate in the world in all of **Human History**.

F. The check on any leadership is how much which can be done without violence and by sheer ability and inspiring loyalty and confidence.

1. When you have to use violence it is a demonstration of FAILURE of leadership in any situation.

III. The importance of bible teaching in problem solving

A. Paul now has to throw his rank at Timothy and as an apostle he is equal to a field marshal in the christian churches.

1. After Salvation Adjustment to the Justice of God we must realize that every day we are alive is because of the Grace of God and our place in the grace Plan of God.
2. We are alive for one reason and one reason only, because of who and what Jesus of Nazareth, the Christ is.
3. The devil would remove us from this life and this world instantly at Salvation Adjustment to the Justice of God were it not for the fact that GREATER is he that is in us than he that is in the world.
4. We are here by courtesy of the lord and kept alive for only one reason, he wants to BLESS us in time before we go to heaven.
5. He wants to demonstrate to all the fallen and elect angels that he can in the devils kingdom as a refutation of the devils impugning his character that the Love of God always works with the Justice of God and Righteousness of God in blessing and Divine Discipline of all creatures.
  - i. He can bless, promote and give happiness and everything which is truly great in life totally apart from any involvement in the satanic system.
  - ii. Some believer have pseudo prosperity (which does not last) by catering to or becoming saturated through reversionism in the satanic system of Evil.
6. The believer under positive volition to Bible Doctrine does not need to ever have any level of prosperity or happiness by catering to any satanic system.

7. As long as you live after Salvation Adjustment to the Justice of God it is by courtesy of the lord and any time he wants you home he can take you home and there is nothing we can do to stop it.
  8. However the lord has a wonderful knack of preserving believers in this world in all kinds of adversity, disaster and difficult situations for the singular purpose of blessing you to demonstrate to ALL the phenomenon of GRACE.
  9. God keeps us here and wants to bless us but the blessing we receive depends on the Metabolized Bible Doctrine in our Stream of Consciousness of the Soul.
  10. All Bible Doctrine must be transferred from the pages of scripture to your soul in order for you to QUALIFY for blessing from God.
- B. Timothy must begin to realize that he is alive just as we are alive today ONLY because of the Grace of God.
1. This is LIVING or LOGISTICAL GRACE by which God provides everything needed to keep all believers alive in this world both physical and spiritual needs.
  2. The greatest preservation in the history of man is the preservation of the canon of scripture for our study.
- C. The concepts of environmentalism and ecology is a direct insult and blaspheme toward God.
1. There are places undoubtedly where there is an occasional danger from pollution from industry that is fine, we simply MOVE away from this and the logic of it is that the industry which is there will clean things up or go out of business WITHOUT GOVERNMENT MANDATED REGULATIONS.
  2. People who want to GO BACK to or function by using or eating various foods from past history or other parts of the world never realize or understand things of reality in life that those people who used these foods in the past DIED in poverty and misery.
  3. Even in great nations liker England the food is LOUSY and no one in the world knows how to grow, process, and package food like the United States of America.
  4. The only country who handled food as well as we do was the Romans.
  5. The genius of being able to do these things comes from American freedom and those people who think that we should change to other food sources and types should have to live in a foreign country for a while.
  6. We live in a country of PLENTY and it is a direct result of Free Enterprise and Free competition and every industry since the 50's has been going down because of government regulation and labor requirements.
  7. The only way for any industry to survive in any nation is through FREE ENTERPRISE.
  8. The United States of America has been the greatest nation in the world for scientific achievement, plumbing, athletics, industry, economy ETC but we are losing it as we fall more and more into socialism and neglect and reject Bible Doctrine.
  9. When the government regulates industry of any kind is will always FAIL.
  10. There should never be any government interference with any industry involving energy and were it not for the interference of the government with pipelines into and through Canada and to Alaska we would have more natural gas, gasoline and oil than any place in the world.
  11. What we have in the United States of America is control over the nation by cheap petty politicians and liberal bureaucrats.
  12. We are the greatest county in the world and this is what freedom and Bible Doctrine does for a nation and we are blessed by historical GRACE but we are and have been being destroyed by theological evil and reversionism.
  13. It is tragic that Americans think they have to be ashamed but we in fact have everything to be proud of since our whole American concept is related to Bible Doctrine.
  14. Football, Baseball, Basketball, Track, Skeet are all American sports and we have allowed foreign sports to infiltrate and saturate our culture like Soccer as a sport and game.

15. Everything which is evil as the influence of socialism of eastern and western Europe and communism.
  16. Communism has nothing to offer but tyranny and loss of freedom and the only thing we should offer them is fighting them to the death.
- D. We must ignore the vicious propaganda of communism which has been pushed by intellectuals into every level of our education system.
1. We are under their guidelines supposed to love and admire a system of tyranny, which is horrible and destructive and has destroyed more people in history than any other system of tyranny ever.
  2. The people of the United States of America for many decades worship at the door of communism and western European decadence and yet the only thing western European civilization has given us is Good military concepts and preservation of Bible Doctrine over a long period of time.
  3. The United States of America has been the last stand of anything meaningful in life and yet we don't even have an appreciation of the simplest things in life.
    - i. The automobiles before government interference
    - ii. Public transportation is a laugh and means inefficiency and is simply a WORK program for SCUM.
  4. It is ONLY free enterprise which Bible Doctrine advocates and we cannot enjoy it so God says we have no appreciation for free enterprise and freedom since you lack Bible Doctrine therefore we will take it away so you can see what that is like.
- E. The mutual boss of both Paul and Timothy is Jesus of Nazareth, the Christ.

**1Tim 6:12**

**v12: Engage in competition, struggle, labor, strive, function athletically as a member of a team, be competing in that noble contest of the same doctrine; NOW! take interest in, seize, take hold of, grasp, the blessings of Super Grace associated with the eternal life into which you have been called or elected and all salvation grace, living or logistical grace, Super Grace, dying grace and surpassing grace blessings were provided for you in Eternity Past, and you declared the honorable profession in the presence of many observers.**

**Lesson #104      Series # 467      1Tim 6:13**

- I. Command to Timothy:
- A. Witnessing in this passage:
    1. Meaning to testify in a courtroom and is referring to the complete testimony of Jesus of Nazareth, the Christ before Pilate which caused him to be declared innocent.
    2. Jesus of Nazareth, the Christ in the presence of pilot produced a testimony which caused him to be declared innocent.
  - B. The Trials of Jesus of Nazareth, the Christ:
    1. In some he was not permitted testimony at all or it was immediately distorted.
    2. Of the many trials he had some were illegal under the laws which were used to call them.
    3. The first trial after his arrest was in **John 18:12-14** and this was NOT legitimate being before Annis who was not the High Priest at that time (he had been at one time) but was in fact a Gangster Dictator in Jerusalem.
      - i. At this time Caiaphas, his son in law, was High Priest.
      - ii. Jesus of Nazareth, the Christ was taken directly first to Annis because he was in fact the political boss in Jerusalem at this time and had been a High Priest for 6 years.
      - iii. During this time in office he had enriched himself to be a millionaire many times over and was leader of a gangster syndicate.
      - iv. After his term in office he passed this office among his sons who were then high priests but Annis was in fact their boss.
      - v. He has now run out of sons so he has used his Son-in-Law Caiaphas who is now high priest and later on his Grandson would be High Priest.

- vi. He had enjoyed power lust principle of being leader of the Jews behind the scenes.
  - vii. Therefore any major decision made in Jerusalem at this time had to be cleared with Annis.
  - viii. Since the Arrest of Jesus of Nazareth, the Christ would cause many problems the Jews had to check this out with Annis.
  - ix. Annis being a Sadducee He was not troubled by any religious considerations of the time and since he owned all the concessions in the temple and made a huge profit from them each year such as the Money changers.
  - x. His contention with Jesus of Nazareth, the Christ was that it Broke into his concessions when he drove the money changers out of the temple physically and bodily and demonstrated that they had no right to be there.
  - xi. Since Jesus of Nazareth, the Christ was very strong against anyone in the name of God ever collecting money from anyone.
  - xii. As a political boss behind the scenes who had, had his money interest disturbed by the lord he was therefore antagonistic toward the lord, but not for the usual biblical reasons.
  - xiii. He obviously gave his consent to have the Jews try to remove Jesus of Nazareth, the Christ permanently.
4. From Annis Jesus of Nazareth, the Christ was taken to Caiaphas who was the legitimate high priest at that time for his Second Trial, **Matt 26:57-68, John 18:19-24.**
- i. First the court was assembled at night which was contrary to Jewish law.
  - ii. The court demonstrated its prejudice by attempting to find 2 witnesses who would perjure themselves.
  - iii. Under Jewish law there could not be an Indictment without 2 witnesses agreeing on what had happened else there would be no indictment.
  - iv. They found plenty of people who would come forward and try to say that Jesus of Nazareth, the Christ was a criminal and traitor and should die but NO 2 could agree.
  - v. The problem here was that this court was not convened to acquit or execute Jesus of Nazareth, the Christ but to merely to railroad him to death.
  - vi. There was NO defense attorney and this violated Jewish law again
  - vii. JEWISH LAW:
    - a. It was excellent and fulfilled every principle of proper jurisprudence under the **Mosaic Law** and Laws of Divine Establishment.
    - b. A man was innocent until proven guilty.
    - c. He cannot be proved guilty except through the laws of evidence and Hearsay was not evidence.
    - d. Hearsay == Maligning and Slander.
    - e. There was no defense attorney
    - f. There was no quarum and 23 members of the San hedron were needed and 23 were not present.
    - g. In capital cases the Defense had first opportunity to speak and this did not occur.
    - h. If the accused was Acquitted he could be pronounced NOT GUILTY the same day.
    - i. If the accused was pronounced Guilty he could not be sentenced until the next day.
    - j. ALL OF THIS WAS SET ASIDE.
5. The 2 greatest systems of law MET in this trial both Jewish and Roman.
- i. The procedure against Jesus of Nazareth, the Christ was illegal in every way.

- ii. In casting a guilty vote they were to start with the youngest members first who were to cast their vote publicly in order that they would not be influenced by the older members and their vote.
  - iii. This was not the case.
  - iv. There was never to be violence in the courtroom especially against the accused which was admission of prejudice but his trial was conducted with GREAT violence which had not place in the courts.
6. There are about 15 different illegalities in this first trial before the San Hedron and therefore a 3<sup>rd</sup> trial was held after Dawn in order to correct this procedure.
- i. Even the judges recognized recognized the illegality of the procedures and could not warrant killing Jesus of Nazareth, the Christ after such a process.
  - ii. They decided to do it again in the morning and be a little more legal about convicting Jesus.
7. Therefore they decided to use the LEGALITIES against Jesus of Nazareth, the Christ now.
- i. In daylight they had a trial before the fully assembled San Hedron giving more of a quorum **Luke 22:66-71**
  - ii. The details were a mockery of the law and in the daylight trial they had already made up their minds and no evidence was forthcoming and there fore there was no basis for an indictment and under the principle of “innocent until proven guilty” Jesus of Nazareth, the Christ should never have even been brought to trial.
  - iii. They had decided that they wanted to get rid of him and were trying to use the law for that purpose.
  - iv. Again they searched for 2 witnesses who would agree and therefore give them the reason to indict Jesus of Nazareth, the Christ and this took a lot of time.
  - v. There was a great deal of violence in the courtroom and they slapped, punched, spit on him, mocked him, doing everything contrary to any system of valid law in history especially Jewish Law.
  - vi. Questioning was designed to formulate a charge and they actually tried to get him to convict himself by his own testimony which is totally forbidden under Jewish law.
  - vii. Then they discovered that they were in the Passover season and had 8 days in which they could not even carry on a trial.
  - viii. There was the Passover and then 7 days of the Feast of unleavened bread and NO COURTROOM PROCEDURE IS VALID AT THIS TIME.
  - ix. Then after convicting him illegally they discovered that they could not KILL HIM for at least 8 more days and this was not acceptable to them.
  - x. Their desire to kill him was in fact motivated by Satanic Concepts.
8. Once you bring in Roman Law which dominated the middle east in this region and they also had Law.
- i. Next to Jewish Law Roman law was the best and these 2 were the very best in the world.
    - a. The most ridiculous laws were those of Hammurabi
  - ii. There then emerged from the German Tribes who crossed the North Sea and settled in what is now England and developed the greatest system of Law which included:
    - a. Trial by Jury of peers
    - b. Innocent until proven guilty.
  - iii. Our government has violated these principles on which our law system is based in our Income Tax System and Systems of Hiring and Firing people and others.
    - a. This is contrary to Anglo Saxon law and our constitution in the United States of America.

- b. It is only the infiltration of liberalism and communism and socialism and the dilution of our thinking by the cultures of immigrants who come to this country without appreciation of our culture.
- c. These are Vicious Practices and we in the United States of America as a citizen are never to be held accountable for ANYTHING until proven guilty.
- d. The burden of proof is and always should lie with the government as it is in our LOCAL LAW systems.
- e. This violation is a vicious evil and NO ONE has ever bothered to correct it along with many other evils of today.
- iv. We have also over reacted to the execution of a very few innocent people so that criminals have been said to have “rights” under the law and because of this they get away with murder regularly.
- v. Therefore OUR United States of America law is a very very WEAK third in the ranking of great law systems.
- vi. Even in the times when roman law was corrupt Paul was tried by the Head of the system Nero, and Nero himself had actually acquitted Paul in his first trial.
- 9. Both the Roman and Jewish law showed their greatness because they were functional for at least 1000 years and both Rome and the Jews were the only 2 groups to actually function that long.
- 10. These 2 greatest systems of law in all of **Human History** failed miserably and put Jesus of Nazareth, the Christ on the cross for execution in total innocence.
  - i. This however was the Plan of God for Jesus of Nazareth, the Christ to bear our guilt and take our place in substitution for ALL sin.
  - ii. This is the first of 2 trials recognized by God the Holy Spirit in 1Tim 6 these only the 2 Roman trials.
  - iii. There were 3 trials before Jews and 1 Arab trial but God the Holy Spirit only recognized in Timothy the 2 Roman trials.
  - iv. The Arab trial was a ludicrous puppet show but more is expected from the 2 greatest systems of human law Jewish and Roman.
  - v. It is a demonstration of the power of Satan that 2 of the greatest systems of law could be distorted to put Jesus of Nazareth, the Christ on the cross.
- 11. It was the custom of Rome wherever it went to follow its laws assiduously meaning than any roman governor when he becomes a judge he MUST adhere to ROMAN Law.
  - i. Gaius Julius Caesar was the first to make sure these laws were Just.
- 12. Under roman law were:
  - i. Senators and Aristocrats were procedures were the same as everyone else but the punishment was slightly different.
  - ii. Citizens
  - iii. Non Citizens living under the Roman Empire.
  - iv. The Procedures for determining Guilt or Innocence were the same in all 3 categories:
    - a. Guilt only proven by laws of evidence
    - b. Right to legal advice
    - c. Innocent until proven guilty
    - d. Hearsay was rejected
  - v. For Senators and Aristocrats when tried were sent home and told to wait for the courts decision.
    - a. When they were found guilty of a capital crime a messenger was sent to them with the news of their guilt in which case he entered a hot tub of water and slit his wrists and bled to death.

**John 18:28-38**

- vi. For citizens when they were found guilty of a capital crime were permitted a lichter to execute them by beheading.
  - a. This was quick and simple and without undue suffering.
  - b. This was the execution of Paul
- vii. For Non Citizens when found guilty of a capital crime had several possibilities but the one most often used for about 1000 years was crucifixion which existed for some 600 years before Jesus of Nazareth, the Christ and continued for about 400 years after Jesus of Nazareth, the Christ.
  - a. Peter was crucified upside down and demonstrates how ludicrous the roman church is glorifying Peter as first pope and head of their church when he was not a roman citizen and was executed with great style of non roman citizen execution and was never in Rome as if often claimed.
  - b. Peter was not even a great man, and the greatest thing about Peter was his growth to the point of recognizing Paul as the superior authority with regard to Bible Doctrine. **2Pet 3**

C. The Roman Trial of Jesus of Nazareth, the Christ:

- 1. Before Pontius Pilot as Judge who fulfilled his responsibility perfectly.
  - i. For the first time there was a legitimate trial and for the first time Jesus of Nazareth, the Christ was legitimately interrogated.
  - ii. Obvious and political and religious groups of Jews came together to bring accusations against Jesus of Nazareth, the Christ
  - iii. Pilot could hardly make any sense of these accusations after having heard all of them.
  - iv. Pilot finally figured out that the one thing which they kept mentioning was that Jesus of Nazareth, the Christ was King of the Jews and this was a point he considered carefully because Israel was a 3<sup>rd</sup> class roman province and it was not permitted a King and only had a governor.
  - v. Then he began to interrogate the concept of Jesus of Nazareth, the Christ being King of the Jews.
  - vi. When he asked him Jesus of Nazareth, the Christ affirmed his status as King of the Jews.
  - vii. Before he was finished with his interrogation of Jesus of Nazareth, the Christ Pontius Pilot was CONVINCED that Jesus of Nazareth, the Christ was KING Of the Jews having listened to his geology and the basis for the allegation and Pilot NEVER CHANGED HIS MIND ABOUT THIS>
  - viii. Pilot however did distort Roman Law for Political Expediency and this was his weakness and shortcoming.
    - a. The law was not weak but Pilot was weak.
  - ix. Pilot made a public declaration that Jesus of Nazareth, the Christ was King of the Jews and even had it put on a plaque above his head when he was crucified.
  - x. Jesus of Nazareth, the Christ also was determined to be son of God and there were roman soldiers in the court presence who were the ones who took him to be crucified and the centurion who was in command was in the court when the lord testified and it was demonstrated true.
  - xi. This centurion who saw and heard the whole court process when Jesus of Nazareth, the Christ was on the cross he stated clearly that Jesus of Nazareth, the Christ was truly the son of God.
  - xii. Therefore this roman centurion saw it completely in that in his humanity Jesus of Nazareth, the Christ was King of the Jews and as the Son of God was deity and even this roman centurion by this time had made a positive volition decision for Salvation Adjustment to the Justice of God.

- xiii. Pilot established the Royalty of Jesus of Nazareth, the Christ as king of the Jews in court and what this centurion said as a believer was, “Truly this was the son of God”.
2. Therefore God the Holy Spirit mentioned this trial and brings our attention to all the trials he is showing us that this was a case of Judicial Murder.
    - i. Pilot ultimately decided that Jesus of Nazareth, the Christ was Innocent.
    - ii. Because of the GREAT political pressure put on him he passed the buck and sent Jesus of Nazareth, the Christ before Herod for an Arab Trial **Luke 23:8-12**.
    - iii. When it was stated that Jesus of Nazareth, the Christ was a Galilean he was sent before Herod as the ruler of that region.
    - iv. This was a ridiculous, ludicrous function and the Arabs had no particular law and if there was it never came out.
    - v. Herod had heard about Jesus and that he was King of the Jews and Herod wanted to be King of the Jews and wanted to take over Judea as part of his kingdom.
    - vi. Herod was curious about the Miracles which Jesus of Nazareth, the Christ had performed and when Jesus of Nazareth, the Christ was before him he did not demonstrate a miracle for him and he never forgave Jesus for that.
    - vii. In the first place the miracles were designed to prove his Messiahship and his **Hypostatic Union** and never were they designed for entertainment or alleviation of suffering.
    - viii. To show a miracle to an Arab was totally ridiculous in its concept.
  3. Not performing miracles for Herod resulted in Jesus being abused and as part of this abuse he was dressed with a kingly robe, and sent back for the final trial the Roman Trial. **John 18:39-19:16**
- D. Pilot having determined and being convinced of the innocence of Jesus, now attempts to release him 3 times.
1. He is a judge but is hamstrung by political pressure but still tries to do the right thing.
  2. It is obvious to him that the Jews want him executed and are using a roman court to do this.
    - i. In the first attempt Pilot tried to release Jesus and knowing Jewish customs as a good governor he knew that on the Passover it was custom to release to the Jews some notorious prisoner who had already been condemned to death.
      - a. This backfired when the crowd demanded the release of Bar Abbas one of the worst gangsters in Jerusalem.
    - ii. The 2<sup>nd</sup> attempt, Matt 27:24-25, having just declared the innocence of Jesus of Nazareth, the Christ under roman law now by a symbolic act he stood up and called his servant to bring in a bowl of water and having declared Jesus innocent and if he is executed it is JUDICIAL MURDER.
      - a. The roman governor historically established the fact for this type of Judicial Murder.
      - b. This must have been a shock to the Jews to watch him stand and wash his hands as a roman custom declaring the Innocence of Jesus of Nazareth, the Christ.
      - c. Everyone understood that when Pilot Washed his hands it meant INNOCENCE of the ACCUSED Jesus of Nazareth, the Christ UNDER JEWISH LAW **Deut 21:6-9** casting his vote so that they could SEE him declare the Innocence.
        - i ) This was shocking to these people as a roman governor had used the Jewish concept of innocence from their own scripture
        - ii ) Some 30 years later on that very spot the Romans crucified 36,000 Jews Josephus describes the horrors of what happened on the very

spot where Pilot washed his hands declaring the innocence of Jesus of Nazareth, the Christ.

- iii ) The Romans first scourged the skin right off of these people
  - iv ) Then they crucified their mangled bodies right there on that pavement and this because one of the bloodiest spots in the middle east.
- iii. The third attempt by pilot to declare Jesus Innocent was when he stepped out on the balcony of his Praetorian residence and having discussed the whole thing with Jesus of Nazareth, the Christ again knowing his innocence seems to hope that the Jews would accept it now if they could see the horrors of scourging.
    - a. He sent Jesus of Nazareth, the Christ down into the basement of the praetorian residence and this gave the roman soldiers a chance for amusement and they stripped and scourged him and punched him.
    - b. When he came back up to pilot he was very badly disfigured and his back was RAW and Bleeding.
    - c. On the balcony of the Governor he presented Jesus to the Jews and declared he in his disgusting state was their king hoping this would bring the Jews to their senses.
    - d. This failed and all he heard was Crucify Him.
    - e. This was the time when there was a chance for the roman governor to show his True greatness as a roman or go down in history as a coward.
    - f. Pilot chose Expedience and Cowardice and goes down in history just as that.
  - iv. The Romans knew that the voice or desire of the people was meaningless “vocs populi Vocs Deii” is FALSE.
  - v. The release of Jesus of Nazareth, the Christ was not in the Plan of God and God the Father knew in **Eternity Past** that Pilot had a weakness even as a good governor and it had to do with the fact that he could succumb to popular pressure.
  - vi. The principle is that **NO PERSON EVER IS GREAT AS A LEADER OR RULER WHEN THEY SUCCUMB TO PUBLIC OPINION.**
  - vii. Public opinion means nothing and the majority in any mob cannot think and no mob has ever been correct in its thinking.
  - viii. The Thoughts of the Individual are all that are really important.
  - ix. In the United States of America when public opinion in a city is bad they have a change of venue for a trial and the trial is moved to another area where public opinion is indifferent.
    - a. This was also true of both the Jews and the Romans and public opinion was recognized as meaningless.
    - b. God never gives ONE credit to public opinion.
  - x. In the United States of America many policies in our military are based on public opinion.
    - a. Public opinion is IDIOCY and an absolute nothing.
    - b. Being in charge of anything a person should always do what is totally opposite to public opinion.
  - xi. The weakness of pilot was political pressure and the Jews had circumvented his position many times to Caesar to complain about him and by doing this he thought he could win the Jews back to his side but this also failed.
3. Pertinent Passages:
- i. 1Cor 1:23 – The Jews required a sign and the Greeks or Gentiles seek after wisdom.
    - a. The sign was when Peter declared Jesus son of the living God.

- b. Gentiles observed The trials and the centurion said in Matt 27:54 that Jesus of Nazareth, the Christ was the Son of God recognizing Jesus of Nazareth, the Christ as God and Man.
- ii. Paul testifies through God the Holy Spirit in **1Tim 6:13**

**1Tim 6:13**

**v13: I Order You, in the sight of or before THE God, who preserves alive THE all things, and before Christ Jesus who has testified an honorable deposition before or in contact with Pontius Pilate,**

**Lesson #105      Series # 467      1Tim 6:14**

- I. Labor and Management continued:
  - A. Timothy
    - 1. He is so far out of line that Paul is desperate to get him straightened out and ORDERS him to keep the commandment of v13.
    - 2. Timothy is about to destroy the headquarters of Christianity in the ancient world, Ephesus, and when an apostle has to order a Pastor Teacher around in this manner things are obviously in very bad condition.
    - 3. Timothy is so weak and wimpy that he is a coward, and hiding and is bullied by both the men and horsey women in his congregation and is in no way doing his job and is not actually teaching Bible Doctrine any longer.
    - 4. Timothy is doing something to grieve and quench God the Holy Spirit and between these 2 factors he is in serious trouble.
- II. Doctrine of Sins against God the Holy Spirit:
  - A. This does not include or involve the women who fornicate and become pregnant and then abort the fetus.
    - 1. Very often People think these things are the worst of sins.
    - 2. However the worst sins are Mental Attitude Sins and verbal sins.
    - 3. People assume that once a woman gets into trouble like this that her life is ruined, she has lost salvation and committed the UNPARDONABLE sin.
  - B. Definition:
    - 1. God the Holy Spirit has specific relationship with members of the Human Race there are obviously ways in which God the Holy Spirit can be offended by humans.
      - i. God the Holy Spirit is GOD and it is easy for anyone with an Old Sin Nature to specifically offend God the Holy Spirit.
      - ii. Since the Human Race is divided into 2 categories (John 3:36), the sins against God the Holy Spirit are also divided into 2 categories based on attitude toward Jesus of Nazareth, the Christ.
        - a. Believers
        - b. Unbelievers
        - c. The cross is the divider of all human beings.
      - iii. Therefore we have sins against God the Holy Spirit which can be committed by only unbelievers and sins against God the Holy Spirit which can only be committed by believers.
  - C. Format of Sins against God the Holy Spirit.
    - 1. There are 2 basic sins which only the unbeliever can commit against God the Holy Spirit.
      - i. Blaspheme against God the Holy Spirit **Matt 12:14-32**
      - ii. Resistance of God the Holy Spirit **Acts 7:51**
        - a. These are sins ONLY the unbeliever can commit against God the Holy Spirit.
    - 2. There are 3 basic sins which ONLY believers can commit against God the Holy Spirit:
      - i. Lying to God the Holy Spirit Acts 5:3
      - ii. Quenching God the Holy Spirit 1Thes 5:19
      - iii. grieving God the Holy Spirit Eph 4:30

- D. Blaspheme against God the Holy Spirit the Unpardonable sin.
1. This is to ascribe to Jesus of Nazareth, the Christ the works of Satan during the time when Jesus of Nazareth, the Christ was on the earth during the 3 years of his ministry presenting self as messiah to Israel.
  2. It was possible for any unbeliever who came into contact with Jesus of Nazareth, the Christ and saw his miracles and heard his messages and who said he was doing this in the power of Beelzebub, the prince of dung a derisive title for Satan.
    - i. This is a system of rejection where by God the Holy Spirit is involved.
  3. This could only be committed during the earthly ministry of Jesus of Nazareth, the Christ not before and not after.
  4. It could not be committed after the resurrection and not before he turned water into wine at the wedding feast which was the beginning of his ministry.
  5. This is a sin of rejection of Jesus of Nazareth, the Christ as savior and was committed only by Jewish unbelievers who were reversionistic and rejected the signs of messiahship in Jesus of Nazareth, the Christ because of their unbelieving souls.
  6. This is the unpardonable sin ascribing to Jesus of Nazareth, the Christ power from Satan to perform miracles and give great messages.
  7. This is no longer an issue except Matt 12 demonstrates that when anyone refuses to believe in Jesus of Nazareth, the Christ in principle that person has committed a sin against God the Holy Spirit.
- E. Resistance to God the Holy Spirit
1. This is any person during **Human History** from the fall of Adam to the end of the millennium rejecting Jesus of Nazareth, the Christ as savior. **Acts 7:51**

**Acts 7:51**

**v51: "You stiff necked {negative volition at God consciousness} and the uncircumcised in the Right Lobe of your Stream of Consciousness of the Soul and ears { Negative Volition gospel hearing}, YOU ALWAYS RESIST God the Holy Spirit; doing just as your fathers did; SO DO YOU!"**

2. This is also rejection of Jesus of Nazareth, the Christ as savior **1Cor 2:14**

**1Cor 2:14**

**v14: But the natural or Soul-ish man or unbeliever (dichotomous) does not grasp or acquire or receive knowledge of the spiritual phenomenon or things or doctrine of or from the Spirit of God, to him they are foolishness or absurd to him, furthermore he is not able to learn or acquire or obtain knowledge of the spiritual phenomenon or the gospel, because they are discerned, understood or perceived spiritually or from the source of God the Holy Spirit.**

3. This is the function of God the Holy Spirit in common grace for the unbeliever to be able to understand the spiritual phenomenon of the gospel since we being born with an Old Sin Nature are incapable of understanding spiritual phenomenon.
  - i. Spiritual phenomenon cannot be understood by those who are spiritually dead.
4. So in gospel hearing God the Holy Spirit acts as a human spirit to allow understanding or comprehension of the gospel to occur making it a reality to the soul of the spiritually dead person.
5. God the Holy Spirit takes what is true doctrine from whoever is witnessing the gospel to the unbeliever and makes ONLY this reality in the soul of the unbeliever.
6. Most evangelists overemphasize sin and their pet sins and the repercussions of these sins when in fact SIN IS NOT THE ISSUE IN Salvation Adjustment to the Justice of God.
7. The one thing which the unbeliever understands which the evangelists emphasize is SIN and usually only a few shocking sins to him like murder, fornication etc.
8. The interesting thing is that the unbeliever understands SIN because there is no spiritual phenomenon in SIN and the spiritual phenomenon is in the fact that Jesus of Nazareth, the Christ on the cross died a Substitutionary Spiritual Death for our sins and the spiritual phenomenon is wrapped up in Redemption, Reconciliation, Propitiation, Justification and Imputation and the doctrines of Christology and Soteriology.

9. Spiritual Phenomenon is not part of SIN.
10. Unbelievers are often led astray from Salvation Adjustment to the Justice of God because of the tirade on these shocking sins so that he thinks he can be saved if he can give these things up.
11. Therefore one of the more important functions of God the Holy Spirit in **Human History** is to act as the Human Spirit during gospel hearing for the unbeliever.
12. Generally people are stupid about witnessing to the unbeliever and most of it is today Human Viewpoint or salesmanship principles.
13. Witnessing is simply stating the truth of the gospel of Jesus of Nazareth, the Christ and then let God the Holy Spirit do the work and you are finished.
14. Resistance of God the Holy Spirit is the unbeliever who understands the gospel and then SAYS NO!

**Gen 6:3 (antediluvian ministry of God the Holy Spirit)**

v3: **And Jehovah said, "My Spirit, God the Holy Spirit, shall not convince or convict inside of man forever, in going astray or reversionism of them, he (Man) is also flesh nevertheless his days shall be 120 years before the flood.**

15. Therefore as long as a person is alive God the Holy Spirit will keep on bringing into your focus the gospel he has heard for as long as this unbeliever lives.
  - i. After hearing the gospel as long as he is alive God the Holy Spirit will keep the gospel in his mind and he can attain Salvation Adjustment to the Justice of God.
16. The average believer does not understand this ministry of God the Holy Spirit.
  - i. We should witness for Jesus of Nazareth, the Christ always but we simply need to LOW key the whole presentation and simply give information and let God the Holy Spirit apply his ministry to the perspicacity of the information.
17. We are not SOUL winners we are merely WITNESSES and witnesses merely provide the information.
  - i. In effect we GIVE A DEPOSITION and we must have the truth and it must be accurate.
  - ii. Witnessing is a technical word meaning a deposition and therefore you give a statement to be used in court and it first must be the TRUTH and it must be ACCURATE, and it cannot be HEARSAY that you know yourself.
  - iii. Therefore in witnessing you give the true accurate information THAT YOU KNOW about the gospel of Jesus of Nazareth, the Christ.

**John 16:7-11**

18. The only sin which God the Holy Spirit deals with is rejection of Jesus of Nazareth, the Christ this is the only issue in the gospel.
  - i. None of the multitude of personal sins which are a non issue since Jesus of Nazareth, the Christ died in substitution for them for us.
19. Once Jesus of Nazareth, the Christ is ascended he is accepted at the right hand of God the Father and receives a perfect righteousness.
  - i. When each of us as believers express faith alone in Jesus of Nazareth, the Christ alone we also receive that same Absolute Righteousness and we can get into heaven in spite of all our failures before, during and after our Salvation Adjustment to the Justice of God.
  - ii. Being a GOOD person does not get us into heaven only by the Righteousness of God from Jesus of Nazareth, the Christ.
  - iii. This is the imputation of the Righteousness of God to us at Salvation Adjustment to the Justice of God and our subsequent justification as declared by God.
20. Satan has been judged already and because of these things God the Holy Spirit had the wonderful ministry of making the gospel information REAL to us in our soul.

21. Resisting God the Holy Spirit is found in where rejection of the gospel is resisting God the Holy Spirit. **1Cor 1:18, 2Cor 4:3-4**
  - i. It is not resisting the witness for the gospel but resisting of God the Holy Spirit.
  - ii. If you do the correct job or presenting our deposition of the gospel of Jesus of Nazareth, the Christ then the result is between the individual unbeliever and God the Holy Spirit.
  - iii. This sin of resisting God the Holy Spirit can only be committed by the unbeliever and is rejection of Jesus of Nazareth, the Christ as savior.
22. It is important to remember that whether it is called blaspheme against God the Holy Spirit or resisting God the Holy Spirit this is simply rejection of Jesus of Nazareth, the Christ as savior.

F. Lying to God the Holy Spirit:

1. A Sin against God the Holy Spirit committed only by believers who are in reversionism.
  - i. Ananias & Saphirah believers who were jealous of Barnabas who sold his property in cypress and gave all the money to the church.
  - ii. Pride or arrogance is a NO PRESSURE sin but when you put pressure on pride or arrogance it results in Jealousy.
  - iii. This was the talk of the church and was done by Barnabas a mature believer who knew what he was doing when he did it and he did not solicit the complements or approbation for the act.
2. Ananias & Saphirah had been the greatest givers in the church up to this time and were filled with Pride and Arrogance about it but there never had been any pressure on them because they were the biggest givers in the church.
  - i. When Barnabas gave his incredible amount of money to the church they now had pressure on them and this made them very jealous of Barnabas who had given MORE than they.
  - ii. Jealousy is the other side of the coin of Pride, without pressure PRIDE shows and when pressure is placed on the pride the Jealousy shows.
  - iii. They then made a big real estate deal and put a bit more money into the church offerings than Barnabas had but SAID they were giving ALL the money but in fact they had not.
3. This was a lie they were telling but it was complicated and Lies are verbal sins but this sin had a cluster of Mental Attitude Sins associated with it.
  - i. They had pride and jealousy mixed into the lie which was LYING to God the Holy Spirit.
  - ii. Peter knowing the whole story approached them as they were coming into the church and asked them in **Acts 5:3** why Satan has filled their Right Lobe.
  - iii. This filling of the Right Lobe by Satan is Demon Influence and is the last 3 stages of reversionism.
  - iv. They lied about the amount given and kept part of the money back for themselves but in the lie they took credit for giving all and this was lying to God the Holy Spirit.

G. Grieving God the Holy Spirit:

1. These are sins of the reversionistic believer.
2. This is NOT when an advancing or believer with positive volition gets out of fellowship he is still under positive volition but is at that point carnal.
  - i. Being a carnal believer with positive volition he rebounds and regains his Status Quo of fellowship with God very quickly and never neglects Bible Doctrine.
3. When a believer under Negative Volition toward Bible Doctrine gets out of fellowship from sin being under Negative Volition toward Bible Doctrine he stays out of fellowship and this is part of reversionism rejecting rebound procedures.

4. This is Grieving of God the Holy Spirit and must be distinguished from sin in the positive volition believer.
5. Both are believers out of fellowship however:
  - i. In the positive volition believer who has sinned he recovers with rebound
  - ii. In the Negative Volition believer who has sinned, he is in reversionism with Negative Volition toward Bible Doctrine and rejection of rebound therefore no recovery.
6. Grieving God the Holy Spirit are sins of the reversionistic believer who does not recover fellowship and Filling of God the Holy Spirit.
7. Grieving God the Holy Spirit is the persistent sinfulness of the reversionistic believer  
**Eph 4:30-31**  
Therefore Grieving of God the Holy Spirit emphasizes the sinfulness of the reversionist

#### H. Quenching of God the Holy Spirit **1Thes 5:19**

1. This is emphasis on evil or bleeding heard do good efforts.
2. This is a sin against God the Holy Spirit emphasizing the reversionistic believer under the influence of evil and producing Human Good.
3. This is the only case where Human Good is related and correlated to sin
4. Evil in reversionism produces sinfulness as well as Human Good
5. Quenching God the Holy Spirit emphasizes the production of Human Good from the influence of evil on the reversionist.
6. The Old Sin Nature
  - i. The area of weakness is where we get our stimulus for sins in 3 parts:
    - a. Mental
    - b. Verbal
    - c. Overt
  - ii. The area of strength is where Human Good is produces
  - iii. The TREND toward lasciviousness
  - iv. The Trend toward asceticism
  - v. The Lust Pattern which includes:
    - a. Power
    - b. Approbation
    - c. Materialism
    - d. Monetary
    - e. Sexual
    - f. ETC.
7. When the believer is in reversionism his sinfulness or pattern of sin is said to GRIEVE God the Holy Spirit.
8. When the believer is in reversionism and is under the influence of evil and producing Human Good he is said to be QUENCHING God the Holy Spirit.
9. Therefore Grieving and Quenching God the Holy Spirit deals ONLY with the reversionistic believer.

#### III. The Doctrine of the rapture of the church

- A. Rapture is a technical word and must be removed from the concept of LOVE.
- B. Definition:
  1. Rapture is defined as the ACT or FACT of being transported, a state of emotional ecstasy, a state of being RAPT or carried out of one self.
  2. In the technical theological sense it is referring to the resurrection of the Royal Family of God.
  3. There is a first resurrection where Jesus of Nazareth, the Christ as Alpha Company has already been raised from the dead.
- C. 50 days after the resurrection of Jesus of Nazareth, the Christ the Church Age began the age of calling out of the Royal Family of God.

1. The resurrection, ascension and Session of Jesus of Nazareth, the Christ made him a 3<sup>rd</sup> category or royalty, having executed a Substitutionary Spiritual Death for all sin on the cross, dying physically, being resurrected, ascended and seated in session at the right hand of God the Father, this royalty was his battlefield royalty from the Angelic Conflict and his new title is King of Kings and Lord of Lords but needed a Royal Family.
  2. The Church Age is the calling out of this Royal Family of God and when the Royal Family of God is completed then there will be resurrection of Bravo Company which is composed of believers of this dispensation of the Church Age ONLY.
    - i. THIS is the Rapture of the Church or Royal Family of God.
  3. Then there is the Tribulation divided into 2 parts for the end of the Jewish age and at the end of the tribulation there will be the 2<sup>nd</sup> advent of Jesus of Nazareth, the Christ.
  4. At this time there will be the resurrection of believers from the Old Testament Scripture times they form Charlie Company.
  5. Then there begins the reign of Jesus of Nazareth, the Christ on the earth for the millennium and at the end of the millennium there is resurrection of those believers who died in the tribulation.
    - i. These are called tribulational martyrs but study shows that they will be believers in reversionism under Divine Discipline and dying the Sin Unto Death.
    - ii. There is no excuse for their dying if they follow the scripture as in **Matt 23, Zech 12, ETC.**
    - iii. They will then be resurrected at the end of the Millennium and will be Delta Company.
- D. Bravo Company is therefore the believers of the Church Age who are resurrected in what is called the Rapture.
1. Those dead and alive are both taken up to be with the lord and given their Resurrection Body so that we can be able to be seen with and return with Jesus of Nazareth, the Christ at the 2<sup>nd</sup> advent.
- E. Immanency of the Rapture:
1. While the 2<sup>nd</sup> advent until certain prophecy is fulfilled in the tribulation and all it contains the Rapture of the church age believers is **IMMINENT** and can at occur any time. **1Cor 1:7, Tit 2:13**
  2. This tells us that the rapture could have occurred during the life time of Paul.
  3. No scripture has to be fulfilled before it occurs. **James 5:8**
  4. No one knows the day or time of its occurrence.
- F. The promise of the Rapture John 14:1-3
1. The rapture makes it possible for Jesus of Nazareth, the Christ to keep his promise to the church saying he would prepare a place for the Royal Family of God and would then come again.
- G. The Rapture or Resurrection:
1. The rapture gives every member of the Royal Family of God a Resurrection Body exactly like that of Jesus of Nazareth, the Christ minus the scars of the hands and feet **Phil 3:20-21, 1Cor 15:54-56, 1John 3:1-2**
- H. Confidence in the Rapture:
1. The daily function under the Grace Apparatus for Perception and intake of Bible Doctrine produces this confidence **Tit 2:13**
  2. This is a source of comfort for the believer who is under positive volition toward Bible Doctrine in bereavement **Phil 1:6, 1Thes 4:18**
    - i. A great blessing for us who have loved ones in heaven is that we will all meet again in the air for this glorious occasion.
  3. This is our **CONFIDENCE**
    - i. Living Hope 1Pet 1:3,
    - ii. Blessed or Happiness Hope Tit 2:13

- iii. Purifying Hope 1John 3:3
      - iv. And you could substitute and use the correct English word for hope here as ABSOLUTE CONFIDENCE.
    - 4. For those who have gained doctrine and are moving toward Maturity Adjustment to the Justice of God Super Grace it is living confidence, happiness confidence and purifying confidence.
  - I. Characteristics of the Rapture:
    - 1. It takes the sting out of death **1Cor 15:54-56**
    - 2. Application of the doctrine of the rapture provides stability for the Royal Family of God in time **1Cor 15:58**
    - 3. It removes hysteria and hopeless in time of bereavement **1Thes 4:13-18**
    - 4. It is the rendezvous for the living and dead members of the Royal Family of God **1Thes 4:15-17**
      - i. Every believer we have ever known will be there.
  - J. The rapture is part of ultimate sanctification **Eph 5:27**
    - 1. The resurrection of the rapture is the means of providing for the Royal Family of God a Resurrection Body minus the Old Sin Nature and Human Good.
    - 2. After the rapture comes the Judgment Seat of Jesus Christ where all our Human Good is burned there being no place in heaven in the Plan of God for Human Good once we have our Resurrection Body.
- IV. The commandment given by Paul to Timothy and ALL Pastor Teacher of the Church Age is in v12-:
- A. They are to study and teach consistently.
    - 1. The rapture for the Pastor Teacher in the Church Age is very important and is one which encourages the Pastor Teacher to continue to study and teach consistently.
  - B. This is an order from God transmitted through Paul to Timothy and all Pastor Teachers of the Church Age.
    - 1. It is recorded for obedience in the word of God and is a pastors passage to all Pastor Teachers.
    - 2. There is no place in the pulpit for a wimpy pastor one who spends his time trying to raise money, visiting sick, calling on people, marrying people, uttering epigrams, smiling at the children.
      - i. This is for politicians not the Pastor Teacher
      - ii. Calling on the sick is t he job of the deacons not the Pastor Teacher.
    - 3. The Pastor Teacher must be consistent in his teaching of Bible Doctrine so that when you are sick and dying and no one ever calls on you, you will be perfectly happy and content with the inner resources of Bible Doctrine.
    - 4. Whether living or dying you have inner resources of Bible Doctrine for every exigency of life and capacity for every blessing in life.
  - C. The job of the Pastor Teacher is to deal with positive volition believers by studying and teaching doctrine consistently and not give attention to those who neglect Bible Doctrine and then want special treatment and explanations.
    - 1. This however reminds us all that our capacity for life depends only on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - 2. If the rapture does not take place within 100 or more years EVERY believer will DIE sooner or later.
      - i. We will die of cancer
      - ii. We will die of Heart disease
      - iii. We will die from a motorcycle accident
      - iv. We will be shot and killed
      - v. We will be murdered in bed
      - vi. We will be bitten by our dog who has rabies and die

- vii. A flea will vomit in our pores and we will get the Black Death the Bubonic Plague or Cholera.
- viii. WE WILL DIE IN A MULTITUDE OF DIFFERENT WAYS.
- 3. **WE SHOULD BE LOOKING FORWARD TO IT KNOWING NO MATTER HOW THE LORD TAKES US OUT WHETHER SLOW AND PAINFUL OR QUICKLY HE IS GOING TO PROVIDE AND IT WILL BE THE BEST EXPERIENCE IN LIFE.**
- 4. If the rapture does not occur soon and we don't meet in the air in the near future then we ALL WILL DIE.
  - i. Every day the Pastor Teacher studies and teaches us and EVERY DAY we take in Bible Doctrine we prepare for that day of death as well as building capacity for life.
  - ii. Then we will have capacity for life and prepare for death because of Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
- 5. THEREFORE: No believer under positive volition toward Bible Doctrine should ever fear death in any way
  - i. **(ff) Ps 23:4 My inserting of this from my memory of the significance of it**

Ps 23:4

v4: **Also, when in this life, I, as a believer in Maturity Adjustment to the Justice of God, walk through or in a valley overshadowed by physical death, I cannot, will not, and do not fear anything about the manner of my death, about harm, malignancy, sting of death, violence of death from another person's or any category of evil, because or since you, Jesus of Nazareth, The Christ as God, are with me (reciprocity), Your rod of Blessing from Divine discipline from the Justice of God and your staff of Blessing and protection from Divine Deliverance and Bible Doctrine from the Justice of God, They both console and comfort me.**

- ii. **Without Bible Doctrine in the Stream of Consciousness of the Soul the believer OUGHT to be frightened as they will be dying the Sin Unto Death and it will be totally miserable, every bit of it and these will have more misery in dying than ever was in living and some of these believers have so much misery in living in reversionism they should catch on that dying will be far worse since it is the LAST TIME God will spank you.**
- 6. **We all can learn from this passage and do not have to be a Pastor Teacher to learn or know this, There is no excuse for NOT getting Bible Doctrine and not one of us can live not one minute without Bible Doctrine and all of us are reminded that Bible Doctrine is the only thing in life we cannot do without.**

1Tim 6:14

v14: **I order you, Timothy (who is in reversionism), to guard, keep, preserve this commandment (v13) spotless, unstained, without grieving God the Holy Spirit in carnality, and free from reproach so as not to be quenching God the Holy Spirit, until the appearing of our Lord Jesus Christ at the rapture of the church;**

**Lesson #106**

**Series # 467**

**1Tim 6:15**

- I. Doctrine of Occupation with the Person of Jesus of Nazareth, the Christ v15-16
  - A. The Rapture is the basis for pausing and focusing on Jesus of Nazareth, the Christ and Timothy is reminded that he was once more advanced in the Spiritual Life than he is now and MUST get back to that Status Quo.
  - B. Our major objective in the Spiritual Life is Occupation with the Person of Jesus of Nazareth, the Christ.
  - C. Definition:
    - 1. It is the highest spiritual function of the believer in time and is not acquired or achieved by practice but something which you receive by persistence in the function under the Grace Apparatus for Perception accumulating maximum Metabolized Bible Doctrine in your Stream of Consciousness of the Soul.
    - 2. It is the normal function of the believer in Maturity Adjustment to the Justice of God

3. It is the inhale / Exhale of the mature believer's Spiritual Life and is Category I Love in the believer in Maturity Adjustment to the Justice of God Super Grace.
4. Since Jesus of Nazareth, the Christ is the manifest person of the trinity it is maximum love toward God specifically toward Jesus of Nazareth, the Christ.
5. Therefore Occupation with the Person of Jesus of Nazareth, the Christ is maximum expression of worship in time.

**Deut 6:5, Heb 12:1-2.**

6. Our objective as Royal Family of God is always the same Occupation with the Person of Jesus of Nazareth, the Christ.
  7. Jesus of Nazareth, the Christ occupies a unique position now compatible with his unique person, Neither angel nor man nor any other creature has ever come close to being seated at the right hand of God the Father.
  8. This is why we live and exist on a day by day basis, and this is why it is inevitable that as we reach Maturity Adjustment to the Justice of God the understanding of Bible Doctrine leads to the appreciation of Jesus of Nazareth, the Christ and capacity to love him and focus and concentrate on him leading obviously to Occupation with the Person of Jesus of Nazareth, the Christ.
- D. Occupation with the Person of Jesus of Nazareth, the Christ begins at Maturity Adjustment to the Justice of God Super Grace
1. Until this time we go in spurts of focusing attention on Jesus of Nazareth, the Christ as we grow and come to and over come disasters and advances in our life which cause us for a brief time to focus attention on Jesus of Nazareth, the Christ.
  2. There comes a time when a person has no or thinks he has no friends and is isolated mostly because of his own idiocy and becomes lonely and trends toward self pity and at this point they think about the lord.
  3. Any disaster or warning Divine Discipline or any problem causes many to think they should go to church and think about the Lord.
  4. If you live long enough and have enough trouble as you will sooner or later your mind, your thinking will turn toward the Lord Jesus of Nazareth, the Christ.
  5. If you are in reversionism as you always are under these types of conditions you will not have the capacity to appreciate him or to love him in any way.
  6. You come to the lord as a child to a parent asking for him to make it stop hurting.
  7. What you really want is a change of circumstances from adversity to prosperity and have decided that your last chance is the lord and you give him a thought or two.
  8. This is neither worship nor Occupation with the Person of Jesus of Nazareth, the Christ which only belongs to those believers with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  9. Once you have it you never want to lose it and you take everything in stride both bitter and sweet, prosperity and adversity and it makes no particular difference.
  10. You handle prosperity better than anyone else and adversity also better than anyone else.
  11. Once you get to the point of Occupation with the Person of Jesus of Nazareth, the Christ it is a combination of meeting of the written word with the living word and once this occurs you will never have a bad day.
  12. You may have adversity but you will enjoy it and when you have prosperity NO ONE will ever enjoy it more than you because of your great capacity for life.
  13. As believers in the Royal Family of God WE CANNOT NEGLECT Bible Doctrine EVEN FOR ONE SECOND AND IT IS MORE IMPORTANT AND MORE NORMAL THAN BREATHING IS IN THE PHYSICAL LIFE.
  14. You don't strive for this but simply move constantly toward into and through Maturity Adjustment to the Justice of God Super Grace and it is NOT something you are going to DO or SAY your are going to do it is something which comes to you with Maturity Adjustment to the Justice of God.

15. To reach Occupation with the Person of Jesus of Nazareth, the Christ takes a great deal of time and persistence in study of Bible Doctrine to get there.
16. ONCE you reach Occupation with the Person of Jesus of Nazareth, the Christ your whole life course turns around and attitudes turn around.
17. Adversity does not bother you, Loneliness does not bother you, Prosperity does not have an effect on you except to enjoy it all.
18. Most people in reversionism are alone in a crowd and hate themselves when they are alone and try to constantly run from themselves.
19. You must be careful that any enthusiasms you have do not take your attention away from the lord since enthusiasms will come and go but the lord will be there later and is still seated at the right hand of God the Father.
20. Occupation with the Person of Jesus of Nazareth, the Christ is the greatest thing which will ever happen to you in life and YOU CANNOT DEVELOP IT.

**Col 2:16-17,**

- E. Don't always assume you have arrived at Super Grace Status Quo.
  1. It is subjective for you to assume you have reached Super Grace and ridiculous to express this to your friends.
  2. OUR ONLY CONCERN IS TO STAY WITH Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
  3. Eventually you will come to recognize and be aware of the fact that you have Occupation with the Person of Jesus of Nazareth, the Christ.
  4. When you drive toward Super Grace Status Quo you don't suddenly put it down to a moment in time when you arrive.
  5. You don't have to be aware of having or reaching Occupation with the Person of Jesus of Nazareth, the Christ just stick with Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
- F. Occupation with the Person of Jesus of Nazareth, the Christ obviously glorifies God, God the Father it being in his plan, **God the Son** he being the object, God the Holy Spirit having logged maximum time under Filling of God the Holy Spirit producing the self discipline needed for consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine

**Eph 3:19-21,**

1. "fullness from God" is receiving Super Grace blessings in time at Maturity Adjustment to the Justice of God.
- G. The means of Occupation with the Person of Jesus of Nazareth, the Christ is the function of the believer under the Grace Apparatus for Perception

**Jer 9:23-24**

1. People who have their Super Grace blessings in time DO NOT BRAG about it having no arrogance in the matter.
2. Instead they boast about Occupation with the Person of Jesus of Nazareth, the Christ.
3. Grace for the believer in Maturity Adjustment to the Justice of God means Logistical Grace, Super Grace, Dying Grace and Surpassing grace.
4. Judgment for the believer in reversionism means Divine Discipline
5. Justice means protection of freedom for both believer and unbeliever under the Laws of Divine Establishment.
6. The Lord takes pleasure in the Super Grace believer.
7. Functioning under the Grace Apparatus for Perception in order to reach Super Grace Eph 4:20, 3:18-19, etc.
- H. Occupation with the Person of Jesus of Nazareth, the Christ eliminates the superficialities of human celebrityship.

**Phil 3:7-8**

1. This shows and epitomizes the great genius of Paul and his Occupation with the Person of Jesus of Nazareth, the Christ and how Paul walked away from more than any person in history ever has in the area of approbation, power and success.
  2. Paul was a human genius like Moses long before he became a believer in Maturity Adjustment to the Justice of God Super Grace and regarded this human genius as so much DUNG.
  3. When Paul reached Occupation with the Person of Jesus of Nazareth, the Christ his priorities changed and became compatible with GRACE.
  4. Human achievement and celebrityship are disadvantage to Paul for the sake of the greatness of knowledge of Jesus of Nazareth, the Christ Occupation with the Person of Jesus of Nazareth, the Christ.
  5. Paul considered every success and great moment he ever had before Occupation with the Person of Jesus of Nazareth, the Christ to be a pile of DUNG.
  6. These great things are what people most often cling to but to Paul they were truly inconsequential.
- I. Occupation with the Person of Jesus of Nazareth, the Christ motivates the Pastor Teacher to communicate Bible Doctrine so that the royal priesthood reaches its objective in this life.
1. We are Royal Family of God and kingdom of Priests and the objective of the Pastor Teacher and member of the Royal Family of God is the same that we might reach Maturity Adjustment to the Justice of God, have Super Grace blessings, enjoy dying grace and receive incredible reward and blessing as surpassing grace in eternity.

#### Heb 6:10

2. God never disregards a faithful Pastor Teacher and the Pastor Teacher can show his love toward the lord by his faithful study and teaching of Bible Doctrine.
- J. The mechanics of the Grace Apparatus for Perception produce the dynamics of Occupation with the Person of Jesus of Nazareth, the Christ

#### James 1:19+21

1. All Mental Attitude Sins and Other sins must be removed while you subordinate to the authority of the Pastor Teacher in order to assimilate Bible Doctrine into our soul.
2. The concept of "Faith without Works is DEAD" is referring to roadblocks of the soul.
3. Works is here APPLICATION and it is more than the Faith Rest Drill (4 categories).
4. Without the Metabolized Bible Doctrine in your Stream of Consciousness of the Soul you cannot function under the Faith Rest Drill (4 categories).
5. Faith Rest Drill (4 categories) is applying Bible Doctrine in the Stream of Consciousness of the Soul to situations in life.
6. The Faith Rest Drill (4 categories) is not only claiming promises from God.
7. The promises are GREAT for immature infant believers but as you advance in the Spiritual Life the PROMISES are simply there to stabilize your thinking so you can bring out of your soul doctrinal rationales to APPLY to the situation and reach doctrinal conclusions and SOLVE the problem.

#### James 2:20-21, 23

8. Doctrine apart from production is unemployed (This was Gideon).
  9. Faith without works is DEAD.
  10. Abraham is a great example having roadblocks in his soul and approaching Maturity Adjustment to the Justice of God Super Grace and then falling away from it several times but when he had himself circumcises that is when the roadblocks were broken for him and it as easy sailing from then on.
- K. Illustration of Occupation with the Person of Jesus of Nazareth, the Christ is found in Right Man / Right Woman. **Eph 5: 25:33**
1. When the man loves the woman he is occupied with her and when the woman loves the man she is occupied with him and through all of this there is intense concentration one on the other.

2. The tragedy is that this is almost never perpetuated after the initial period of marriage.
3. This may be likened to reversionism in the believer who rejects Jesus of Nazareth, the Christ.
4. In Right Man / Right Woman when they become at odds with each other have not necessarily broken up but find themselves in what is CATEGORY II Love REVERSIONISM.

L. Occupation with the Person of Jesus of Nazareth, the Christ is related to the strategic victory of the Angelic Conflict.

**Col 3:1-2, Heb 12:10**

M. Characteristics of Occupation with the Person of Jesus of Nazareth, the Christ:

1. The basis for the Super Grace believer contributing to national blessing having blessing by association and historical impact and in fact is the “Salt” principle and why we still exist today in the United States of America

**Deut 30:15-16, 20**

- i. There is a definite relationship between the number of believers in Maturity Adjustment to the Justice of God Super Grace in a nation and the national prosperity and blessing.
2. It produces combat courage and victory in battle.

**Heb 11:33-34, Josh 23:10-11**

- i. One Super Grace believer puts to flight 1000 enemy soldiers as Jesus of Nazareth, the Christ is he who fights for us.
- ii. There is more need in the military than in any other profession for Super Grace believers.
3. It is the basis for preservation in time of adversity
  - i. How you handle adversity is NOT dependent on how close you are to your Pastor Teacher.
  - ii. The Pastor Teacher is not the VISITOR of the SICK or INJURED.
  - iii. It is the Metabolized Bible Doctrine taught by the Pastor Teacher which causes the believer to reach Maturity Adjustment to the Justice of God and gain Occupation with the Person of Jesus of Nazareth, the Christ which is the secret to handling every crisis in life.

**Ps 31:23-24,**

- iv. The lord preserves the faithful and administers GREAT Divine Discipline to the arrogant believer.

**Ps 16:8-9**

4. It is the basis for stability and happiness

**Ps 37:4**

5. It results in the inevitable Super Grace blessings;

6. It is the basis for strength under pressure so that you not only can handle the pressure but YOU OVER COME IT.

**Heb 11:27**

7. It avoids soul fatigue

**Heb 12:3**

II. The Royal Family of God must now face the principle of Occupation with the Person of Jesus of Nazareth, the Christ:

- A. This verse is telling us that Jesus of Nazareth, the Christ controls time and **Human History**
- B. He therefore controls the dispensations all and will bring to pass the rapture and his appearance separating the Church Age from the Tribulation of the **Age of Israel**.
- C. Jesus of Nazareth, the Christ is always happy and our failures cannot ever make the Lord Jesus of Nazareth, the Christ unhappy.

1. We do not have the power to make the Lord Jesus of Nazareth, the Christ unhappy thought we can make many others unhappy around us.
  2. He however can make us very unhappy
- D. There are many types of Peerage forming many categories of Royalty.
1. The Lord Jesus of Nazareth, the Christ has 3 categories of royalty.
  2. Divine Royalty being God
  3. Jewish Royalty being Descended from David.
  4. Victory Royalty from the strategic victory of the Angelic Conflict.
- E. Angelic Conflict Battlefield Royalty of Jesus of Nazareth, the Christ is literally
1. King of Kings == King of those who have been and are going to reign as Kings
  2. Lord of all those who have and are going to exercise authority of Lordship.
- F. Jesus of Nazareth, the Christ is God undiminished Deity and True Humanity.
1. Each of these has a corresponding Royalty
    - i. Divine Royalty As God
    - ii. Human Royalty as Descendant of David
  2. When on the cross Jesus of Nazareth, the Christ died a Substitutionary Spiritual Death for all human sins then Died physically was resurrected and ascended to be seated at the right hand of God the Father in session this is the strategic victory of the Angelic Conflict and has associated with it a Royalty.
    - i. King of Kings == King of those who have been and are going to reign as Kings
    - ii. Lord of all those who have and are going to exercise authority of Lordship.
  3. His being seated ALONE at the right hand of God the Father is the reason that the **Age of Israel** is interrupted by the Church Age to bring our a Royal Family of God for his battlefield royalty.
  4. His battlefield royalty title is the basis for our Church Age aristocracy as believer in the Church Age our being in the Royal Family of God.
    - i. We are not royalty because Jesus of Nazareth, the Christ is descended from David,
    - ii. To get into that royal family we would have to be from the Tribe of Judah family of Jesse and descended from David.
    - iii. We are NOT God thus not related to him in his divine royalty.
    - iv. Therefore neither of these 2 qualify us for membership as Royal Family of God.
    - v. If Jesus of Nazareth, the Christ had not completed the Substitutionary Spiritual Death of for human sins there would NOT have been a Church Age.
  5. This strategic victory began at the Substitutionary Spiritual Death on the cross, his physical death, resurrection, ascension and Session is the basis of HIS royalty and the title King of Kings and Lord of Lords
    - i. There is authorization for royalty in every category of royalty held by Jesus of Nazareth, the Christ:
      - a. He was authorized Divine Royalty because of his Deity
      - b. He was authorized Human Royalty being descended from David.
      - c. He was authorized Royalty from the strategic victory of the Angelic Conflict and is the meaning of King of Kings and Lord of Lords.
    - ii. The Royal Family of God aristocracy of the Church Age is authorized as Royal Family for Jesus of Nazareth, the Christ in the Church Age and WE as believers in Jesus of Nazareth, the Christ in the Church Age are Royal Family of God.
    - iii. We are Royal Family of God and will always be Royal Family of God forever and cannot ever lose our royalty.
- G. The Great Definition of GRACE is:
1. God takes each of us as believers in Jesus of Nazareth, the Christ in the Church Age who are LEAST Like Aristocracy and MAKES us ETERNAL ARISTOCRACY.
  2. We may not look or act like aristocracy but we will be forever and nothing can nor will ever change it.

## 1Tim 6:15

v15: which rapture of the church and / or appearance of Jesus of Nazareth, the Christ, He will bring to pass or execute in his very OWN proper or convenient times dividing the Church Age from the Age of Israel, he controlling time and history, by the one with Absolute Happiness and the only one of a kind unique Sovereign, Divine Royalty; the King of all those who have been and are going to be reign as Kings and Lord of all who exercise authority of Lordship, the Angelic Conflict battlefield victory Royalty/

### Lesson #107

### Series # 467

### 1Tim 6:16

- I. Doctrine of the Royal Family of God:
  - A. A Concentration of Praise such as in v15 is a reminder of the Uniqueness of the Church Age and every believer who is a member of the Royal Family of God:
  - B. Definition:
    1. The royal family is the family of the king.
    2. The family of God includes everyone in **Human History** who has expressed faith alone in Jesus of Nazareth, the Christ alone for Salvation Adjustment to the Justice of God.
    3. From Adam to this present time, God the Holy Spirit as the agent of regeneration causes us to be BORN AGAIN that is he regenerates our Human Spirit and we are therefore BORN INTO THE FAMILY OF GOD.
    4. From the beginning of **Human History** therefore all believers in Jesus of Nazareth, the Christ, Christians are members of the family of God.
    5. HOWEVER, Not all family members have the same Status Quo.
    6. It is therefore imperative to recognize in the definition of Royal Family of God between the Old Testament Scripture time believers and the Church Age believers.
    7. While all believers are saved the same way through faith alone in Jesus of Nazareth, the Christ alone and all are regenerated in the same way with a new Human Spirit given at Salvation Adjustment to the Justice of God and therefore all are entered into the family of God forever.
    8. However DUE to a UNIQUE system of Royalty which came to Jesus of Nazareth, the Christ as a result of his Substitutionary Spiritual Death, Physical Death, Resurrection, Ascension and Session the AGE OF ISRAEL which was in progress at the time of the ascension was halted and the Church Age inserted to CALL Out during the time from the Day of Pentecost to the rapture of the church, a Royal Family for this new royalty of Jesus of Nazareth, the Christ.
    9. Once this Royal Family of God is completed at the rapture of the church there will be a continuation and conclusion of the **Age of Israel** in the tribulation.
    10. Jesus of Nazareth, the Christ is Royalty in 3 ways;
      - i. Divine == along with God the Father and God the Holy Spirit
      - ii. Human Jewish == Along with all the descendants of David.
      - iii. Battlefield victory == His strategic victory in the Angelic Conflict by means of his Substitutionary Spiritual Death on the cross, resurrection and ascension and session require a royal family these being the believers in the Church Age.
    11. Therefore the Royal Family of God of the Church Age is authorized for this battlefield victory.
    12. Jesus of Nazareth, the Christ has a royal family in his Divine and Human Royalty therefore he needs a new royal family.
    13. Only in the Church Age is the Royal Family of God formed and this aristocracy is an appointment forever.
  - C. The Setting for the Royal Family of God:
    1. The 1<sup>st</sup> advent of Jesus of Nazareth, the Christ occurred in the **Age of Israel** and includes his Deaths, Resurrection, Ascension and Session at the right hand of God the Father.
    2. 10 days after Jesus of Nazareth, the Christ was seated at the right hand of God the Father a new dispensation was started to provide a royal family for his new title.

3. The spiritual battlefield royalty of Jesus of Nazareth, the Christ occurred as a result of his strategic victory in the Angelic Conflict.
  4. As King of Kings and Lord of Lords he must have a royal family to share his reign therefore the insertion of the Church Age and explanation of the Status Quo of all believers in this Church Age.
- D. The documentation of the Royal Family of God is found in Ephesians and Hebrews.
1. It was stated by other scripture authors but they never quite got to it.
  2. The Pauline epistles give a detailed explanation of every facet of this royalty as well.
- E. The formation of the Royal Family of God:
1. The mechanics in the formation of the Royal Family of God are totally different than what occurs for any other believers in any other dispensation.
  2. They are contained in the Baptism of God the Holy Spirit which never occurred prior to the day of Pentecost which began the Church Age nor will it continue after the rapture of the church which ends the Church Age.
  3. At the point of Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone in the Church Age God the Holy Spirit enters us into union with Jesus of Nazareth, the Christ forming the Royal Family of God.
  4. At regeneration we receive a new Human Spirit putting us into the family of God but the Baptism of God the Holy Spirit puts us into union with Jesus of Nazareth, the Christ making us Royal Family of God.
  5. In Hebrews it is explained that the place where no other dispensation believer could go on pain of death, the Holy of Hollies, is now open to us.
  6. We in fact live in the Holy of Hollies and the palace of God and always will.
  7. There is HOWEVER all kinds of Aristocracy:
    - i. Carnal
    - ii. Spiritual
    - iii. Super Grace
    - iv. Reversionistic
    - v. Evil
    - vi. Positive volition growing progressing
    - vii. BUT all aristocracy are Royal Family of God in the Church Age and always will be.
  8. The 3 doctrines which are pertinent to a good understanding of this include:
    - i. Baptism of God the Holy Spirit
    - ii. Positional Truth
    - iii. Experiential Sanctification
- F. The Royal Family of God relationship:
1. The spiritual battlefield royalty of Jesus of Nazareth, the Christ is unique:
  2. As God he is sovereign
  3. As man he is Jewish royalty
  4. As the God / Man at the right hand of God the Father he is a new royalty described as King of Kings and Lord of Lords.
  5. At the point of his session he was without Royal Family but he will have a completed Royal Family of God at the rapture of the church.
  6. Therefore the Church Age will last as long as it takes to complete the Royal Family of God.
  7. There are many technical terms to describe our Status Quo as Royal Family of God:
    - i. Body of Jesus of Nazareth, the Christ for Royal Family of God on earth
    - ii. Bride of Jesus of Nazareth, the Christ for Royal Family of God after the rapture of the church
    - iii. Both are the CHURCH or Royal Family of God.
- G. The Coat of Arms the escutcheon of the Royal Family of God;

1. The Indwelling God the Holy Spirit in the Body of the believers in the Church Age. **(1Cor 6:19-20)**
  2. The Indwelling of God the Holy Spirit is a guarantee of our residence in the palace of God the Holy of Hollies forever and also a SIGN of this security.
- H. Security of the Royal Family of God:
1. Never before in **Human History** and never after the Church Age has or will the believer in Jesus of Nazareth, the Christ receive 39 irrevocable assets for the Spiritual Life on earth and this is unique in the Church Age.
  2. Believers in the Old Testament Scripture times and tribulational believers have and will receive 6 assets for their dispensations.
  3. These 39 assets for the believers in the Church Age are part of the perfect security for the believer in the Church Age as Royal Family of God reflecting the perfection of God and the Plan of God..
  4. The perfection of the Plan of God is seen clearly in the FACT that there is nothing which man can do to gain salvation and nothing man can do to LOSE it.
  5. No sin can ever nullify our Salvation Adjustment to the Justice of God and it is BLIND arrogance to assume we can cancel our salvation.
  6. Sin, Reversionism, Apostasy, Human Good, and EVIL cannot even all together cancel the Salvation Adjustment to the Justice of God of any believer.
  7. Positional Sanctification and the Sealing ministry of God the Holy Spirit are a testimony to this Status Quo for the Royal Family of God.
  8. Our security thus resides in the 39 assets we receive at Salvation Adjustment to the Justice of God from God most emphatically the SEALING of God the Holy Spirit.
- I. The Royal Family of God in TIME Phase II of the Plan of God.
1. The objective of the Royal Family of God in time is to move from Salvation Adjustment to the Justice of God and spiritual infancy to Maturity Adjustment to the Justice of God Super Grace.
  2. It is the objective of God to provide something UNUSUAL in history for the Royal Family of God on earth.
  3. The Plan of God is divided into III phases or stages:
    - i. Phase I == Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone
    - ii. Phase II == Believer in time after Salvation Adjustment to the Justice of God.
    - iii. Phase III == Believer in Eternity
  4. It takes one simple single MOMENT of time and one thought to enter into Phase I and pass immediately into Phase II.
  5. In Phase II the objectives of God include being able to provide UNIQUE blessings for every believer in time in the world ruled by Satan.
  6. In **Eternity Past** God the Father designed for each member of the Royal Family of God Super Grace blessings for the Royal Family of God in time.
  7. This is the PRIMARY OBJECTIVE of keeping the Royal Family of God alive on the earth in time in the world ruled by Satan.
  8. Being alive in the world ruled by Satan demonstrates that GOD can do more than just provide potential salvation and HE can provide much more than any blessing of the world of Satan.
  9. Each of us has a Super Grace blessing paragraph provided by God the Father in **Eternity Past** and we receive it beginning at the point of reaching Maturity Adjustment to the Justice of God Super Grace.
  10. There are 5 categories of Super Grace blessing for all believers who reach Maturity Adjustment to the Justice of God in the Church Age:
    - i. Spiritual
    - ii. Temporal

- iii. Association
  - iv. Historical Impact
  - v. Dying Grace (Unless you are to be taken out at the Rapture)
11. 2 Categories of believers who do not receive dying grace include:
- i. All Church Age believers alive at the Rapture of the church who are transferred to heaven without experiencing Death.
    - a. This is stated in “this corruption shall take on incorruption”
  - ii. Tribulational believers who reach Maturity Adjustment to the Justice of God receive their Super Grace blessings as they transfer into the millennium and if they do not die in the millennium they will transfer into eternity without experiencing dying grace.
    - a. This is stated in the quote “This mortal shall take on Immortality”
12. To reach the objective the Royal Family of God must engage in persistent consistent daily function under the Grace Apparatus for Perception and Filling of God the Holy Spirit in order to accumulate maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and reach Maturity Adjustment to the Justice of God Super Grace.
13. Divine blessing in time for the believer falls into 3 categories but is all based on capacity.
- i. When we reach the High Ground of Maturity Adjustment to the Justice of God blessing from God comes because maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul has given us capacity for Live, Love, Happiness, and all things of life.
  - ii. Extensive spiritual blessings including Occupation with the Person of Jesus of Nazareth, the Christ
  - iii. Unimaginable Temporal blessings TOTALLY apart from the satanic system for this world and totally apart from EVIL.
14. The Royal Family of God has another objective in the Church Age that is to represent Jesus of Nazareth, the Christ in time.
- i. We are therefore said to be ambassadors for Jesus of Nazareth, the Christ on the earth.
  - ii. This does not infer that we spend every moment of our life after Salvation Adjustment to the Justice of God witnessing or praying etc.
  - iii. This Does mean that you do a GOOD job in your job and are under Occupation with the Person of Jesus of Nazareth, the Christ in whatever you do in a profession, job or business, social life ETC.
- J. Royal Family of God in Eternity Phase III
- 1. after the rapture of the church every member of the Royal Family of God will possess a Resurrection Body just like that of Jesus of Nazareth, the Christ and it will be MINUS the Old Sin Nature, Minus Human Good and Minus the Lake of Fire or any eternal condemnation and MINUS EVIL.
  - 2. The Royal Family of God will return to the earth with Christ to the earth to share in his coronation and his millennial reign and his eternal rule.
  - 3. Those of the Royal Family of God who reach Maturity Adjustment to the Justice of God Super Grace through consistent function under the Grace Apparatus for Perception will receive great rewards and blessings for all eternity.
  - 4. These “surpassing Grace” rewards and blessings will glorify God for ALL eternity just as the Super Grace believer glorifies God in time.
- K. The title of the unique aristocracy of Jesus of Nazareth, the Christ is also used in connection with is 2<sup>nd</sup> advent: **Rev 17:14, 19:16**
- 1. This title is used as an indication of his strategic victory in the Angelic Conflict.
- II. Occupation with the Person of Jesus of Nazareth, the Christ as a principle moves into v16
- A. Jesus of Nazareth, the Christ is unique in **Hypostatic Union** as the God man

1. He is deity but also humanity from both because of his Status Quo in the other.
2. He differs further from all humanity being PERFECT and trichotomous CALLED THE LAST ADAM.
3. He is unique by means of his royalty.
  - i. Divine, Human Jewish and Battlefield (bases on the total victory in the Angelic Conflict]
4. Jesus of Nazareth, the Christ after resurrection cannot ever be subject to death in his Status Quo as **Hypostatic Union**.
  - i. There is no way therefore that his unique aristocracy can be removed or wiped out of existence
  - ii. There is no circumstance which can remove it No disaster, no Revolution, No POWER in the universe THEREFORE each of us has a permanent aristocracy.
  - iii. We cannot fail nor slip up as Royal Family of God and lose our aristocracy NOR can anyone else change or remove it.
5. Our Aristocracy is based on the immortality of Jesus of Nazareth, the Christ in **Hypostatic Union**.
  - i. Since he is deity his immortality is without question **John 1:1-3, 8:58, 1John 5:11-12**
    - a. Jesus of Nazareth, the Christ as God always existed and is Eternal Life without beginning or end from **Eternity Past** to eternity future.
    - b. The humanity of Jesus of Nazareth, the Christ died 2x on the cross
    - c. His Substitutionary Spiritual Death receiving imputation and judgment for all human sins.
    - d. His physical death also occurred for him voluntarily and NOW in his Resurrection Body he has total immortality, **Ps 16:10, Acts 2:27, 13:35-37, 1Cor 15:53**
  - ii. In **Hypostatic Union** the humanity and deity of Jesus of Nazareth, the Christ merged together and is not resurrected and seated at God the Father.
    - a. This combines his unique and 3<sup>rd</sup> aristocracy coupled with its permanence.
    - b. In his Resurrection Body in **Hypostatic Union** Jesus of Nazareth, the Christ will be forever in **Hypostatic Union** and have his aristocracy.
    - c. From **Eternity Past** and in past **Human History** Jesus of Nazareth, the Christ when he appeared to man particularly was appearing as DEITY Only in theophanies as man or an angel and in natural phenomenon such as the burning bush, the pillar of fire, the Shekinah Glory etc.
    - d. NOW he is different than God the Father and God the Holy Spirit being deity but also immortal humanity.
    - e. He cannot ever lose the life of his humanity there fore as the God man in **Hypostatic Union** he will remain UNIQUE forever and there will be ONE person in heaven who is totally unique in the universe.
    - f. He is the unique founder of a new dynasty, new royalty and WE as Church Age believers are also with him an a permanent aristocracy.
    - g. This permanent aristocracy will demonstrate that EACH OF US HAVE DONE 1 THING RIGHT IN ALL THE HISTORY OF THE HUMAN RACE that being Salvation Adjustment to the Justice of God.
6. We share the victory of Jesus of Nazareth, the Christ through our resurrection and rapture of the church.

### III. The Doctrine of Light

- A. Sometimes the bible uses LIGHT in a literal sense to demonstrate to us that man's life on earth depends on LIGHT. **Gen 1:3, Eccl 11:7, Jer 31:35**
  1. Light also is used to illustrate the Essence of God **1John 1:5, 1Tim 6:16**

2. Jesus of Nazareth, the Christ as manifest person of the godhead is called Light **John 8:12, 1Tim 6:16**
3. The Gospel is called light because it deals with light **2Cor 4:3-4, 2Tim 1:10**
4. Being saved brings the believer out of darkness into LIGHT **Luke 1:79, 1Pet 2:9**
5. Light is used to portray Bible Doctrine in the Stream of Consciousness of the Soul from the function under the Grace Apparatus for Perception **Ps 119:105, 130**
6. The Edification Complex of the Soul is said to be constructed of Bible Doctrine or LIGHT **Ps 43:3, Rom 13:12, Eph 5:8, 1John 2:8**
7. Light depicts the believers entrance into the Status Quo of Super Grace. **2Cor 4:6, Eph 5:14**
8. It is therefore used in a very special and wonderful way to portray Jesus of Nazareth, the Christ and to give a concept of our future where we will have light protection forever and bathed in light.
9. Dwelling in unapproachable light brings to "light" the uniqueness of Jesus of Nazareth, the Christ and this light makes the lord Jesus of Nazareth, the Christ invisible to the human eye.

B. The Deity of Jesus of Nazareth, the Christ is invisible and we will be able to see him but only his Resurrection Body.

#### IV. The Invisibility of God **John 1:18, 6:46, 1John 4:12**

A. Jesus of Nazareth, the Christ in his human form in **Hypostatic Union** explains that no one can see God the Father but ONLY him his being in human form in **Hypostatic Union**.

1. God has an advantage over us and its mention shows us again Uniqueness, Royalty, and that which belongs to God the Father and God the Holy Spirit also belongs to **God the Son** Jesus of Nazareth, the Christ.
2. Jesus of Nazareth, the Christ in **Hypostatic Union** will have the greatest honor and reverence forever associated with is aristocracy.

B. AMEN:

1. From the Hebrew == to believe but is a particle which shows the congregational response to who and what Jesus of Nazareth, the Christ is.
2. It is also a particle which always begin a solemn declaration and is used for Jesus of Nazareth, the Christ as the object of our faith in Salvation Adjustment to the Justice of God and for our love and respect when we reach Maturity Adjustment to the Justice of God Super Grace.
3. There are 2 times when Jesus of Nazareth, the Christ is reality to us:
  - i. At Salvation Adjustment to the Justice of God when he is LIMITED reality recognizing him as savior
  - ii. Then an elapse of time with many ups and downs and recognitions of the reality of Jesus of Nazareth, the Christ.
  - iii. At Maturity Adjustment to the Justice of God then the reality of Jesus of Nazareth, the Christ is recognized as the unique one in the universe with his battlefield aristocracy over and above his Human and Divine aristocracy it being higher than both as far as eternity is concerned.
4. Paul is the one who SAYS this AMEN not Timothy but this is a reminder to Timothy that if he will get on the ball with is study and teaching ministry he will be able to SHARE in this amen.
5. This AMEN actually belongs ONLY to the Super Grace believer.
6. Timothy in reversionism cannot even come up with the reality of the amen from the soul not being a Super Grace believer at this point.
7. Amen is the response of the Super Grace believer with capacity for Category I love Occupation with the Person of Jesus of Nazareth, the Christ from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

#### V. Doctrine of Category I Love

- A. Definition:
1. Love comes in 3 categories for the Royal Family of God aristocracy:
    - i. Category I toward God
    - ii. Category II toward right man or Right Woman.
    - iii. Category III toward others in friendship.
  2. As an advancing or mature believer you have capacity for all 3 categories.
  3. In addition there is an obligatory Relaxed Mental Attitude toward all members of the Royal Family of God called Loving the Brethren this is Impersonal Love for Mankind.
  4. Category I love is the capacity of the believer to love and respond to God based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  5. When the believer reaches Maturity Adjustment to the Justice of God Super Grace he then has maximum Category I Love Occupation with the Person of Jesus of Nazareth, the Christ. **Deut 6:5**
- B. The means of category I love: **1Pet 1:8, Eph 3:18-19,**
1. Since God is invisible and also the object of category I love we must SEE and LOVE God through Metabolized Bible Doctrine in our Stream of Consciousness of the Soul.
  2. You cannot see Jesus of Nazareth, the Christ for 2 reasons:
    - i. He is at the right hand of God the Father in his humanity.
    - ii. He is as God invisible.
  3. Therefore to love one you cannot see is quite a task.
  4. Capacity to love God cannot come through our ability to see him.
  5. The reversionistic believer is totally incapable of loving God because he lacks the means to see him with no Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul.
  6. The immature believer cannot love God because he lacks sufficient Metabolized Bible Doctrine in his Stream of Consciousness of the Soul.
  7. We as believers cannot love God unless we know a maximum of Bible Doctrine.
  8. We must have enough Bible Doctrine in our Stream of Consciousness of the Soul to see God as Paul saw him.
  9. The means of loving God is the Metabolized Bible Doctrine in our Stream of Consciousness of the Soul and this is the entire subject of the function of the Grace Apparatus for Perception.
- C. The Pastor Teacher must love Jesus of Nazareth, the Christ and become under Occupation with the Person of Jesus of Nazareth, the Christ **Heb 6:10** in order to be able to continue to study and teach in the local church.
1. The properly functioning Pastor Teacher can take a good look at his congregation and not get nauseated because of Occupation with the Person of Jesus of Nazareth, the Christ and studying far ahead in Bible Doctrine. **2Tim 1:13-14**
  2. We are to guard the deposit of Bible Doctrine entrusted to us from the teaching of the Pastor Teacher.
- D. Category I love sets up and standard for GRACE: **Ps 119:132, 31:23,**
- E. Category I love is the basis for Super Grace blessings in time **1Cor 2:9, Is 64:4**
1. There is no way we can realize what God has for us in Super Grace blessings in time and the only way we can discover it at all is to have capacity from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and maximum Category I Love
  2. **Ps 37:4-5,** The “desires of your Right Lobe” are the blessings of Super Grace for the believer in Maturity Adjustment to the Justice of God, the daily function under the Grace Apparatus for Perception is “committing your way to the lord”, “Trust also in him and he will do the work” that is HE will provide all the blessings of Super Grace for the believer in Maturity Adjustment to the Justice of God.
- F. Category I Love is the basis for personal and National blessing **Deut 30:15-16+20**

1. All believers who have reached a maximum of Category I Love are the basis for all blessings and for blessings overflowing into the national entity.
- G. Category I Love motivates combat courage and Military Victory **Josh 23:10-11**,
  1. One Super Grace believer in the military puts to flight 1000 of the enemy.
- H. Category I Love provides strength in adversity and pressure **Heb 11:27, 12:3**
- I. There is a special curse on believer who fail to reach Maturity Adjustment to the Justice of God and acquire category I Love **1Cor 16:22**
  1. This infers the various stages of Divine Discipline for those who reject Bible Doctrine and enter into reversionism.
- J. Witnessing must be motivated by Category I Love **2Cor 5:14**
  1. Witnessing is generally carried on today by reversionists, immature believers, those not growing and without Bible Doctrine in the Stream of Consciousness of the Soul who use sales gimmicks and who are bullied into witnessing daily lest they think they are not doing what God has for them to do.
  2. This is a total ignorance of Bible Doctrine and why so many turn away from God when they hear these people witnessing.
  3. Divine power in witnessing comes from 2 sources that must be combined:
    - i. Indwelling of God the Holy Spirit
    - ii. Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul
    - iii. Therefore a balance of residence in the believer thus a maximum category I Love.
- K. Description of Category I Love **1John 4:15-19**
  1. At Salvation Adjustment to the Justice of God God abides in this person and he becomes a believer.
  2. Jesus of Nazareth, the Christ is aristocracy and we are also aristocracy.
  3. ONLY The believer in Maturity Adjustment to the Justice of God loves God because God first loved us.
- L. The amen response can only come to Royal Family of God who will share the rule of Jesus of Nazareth, the Christ.
  1. We as Royal Family of God will return with Jesus of Nazareth, the Christ to share his rule in the millennium and after the end of **Human History** in all of eternity.
  2. We are therefore qualified for this amen because of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and enjoyment of the benefits of Super Grace blessings for time.

**1Tim 6:16**

**v16: who, the only unique one, constantly always having immortality, not subject to death, living or dwelling in unapproachable light, whom not one of all mankind has seen nor is able to see, To whom belongs the highest possible permanent reverence or honor and eternal, everlasting aristocracy ruling power. Amen, (response of the Super Grace believer Paul to these declarations)**

**Lesson #108      Series # 467      1Tim 6:17**

- I. Timothy the Wimp being commanded to do his job.
  - A. To be a Pastor Teacher you must command and lead and to lead you must be under strict discipline to appreciate discipline.
    1. You can have leadership talents and the makings of a great leader but you will never be able to command until you learn the importance of authority so you can exercise it when you have it.
    2. Timothy's problem is he is exercising NO Authority in the Ephesus church and it is falling apart.
  - B. All leadership must have the poise to use authority properly
    1. No Pastor Teacher can TEACH with authority without diligent study and preparation is the secret to fulfilling this command.

2. The Pastor Teacher has a constant need to STUDY constantly and consistently.
  3. No one can make it as a Pastor Teacher unless he becomes a student and is willing to devote his life to Bible Doctrine.
  4. This requires the ability to concentrate in order to make the other abilities and talents one has meaningful.
  5. The secret to being a Pastor Teacher is Plodding or Plugging constantly in the study of Bible Doctrine.
- C. Timothy has been pushed around by everyone in his congregation and is NOW told to deal with and manage the wealthy in his congregation.
1. Wealthy have as much right and just as good a chance for Salvation Adjustment to the Justice of God.
  2. Poor people often resent rich people mostly due to pettiness in the poor.
  3. It is acceptable to be POOR but it is very bad manners to be poor and PETTY.
  4. Adding jealousy causes the poor person to become enmeshed in arrogance.
    - i. Arrogance is a status quo without pressure and when pressure is added to arrogance cowardice and jealousy emerge.
  5. Poor people all have Old Sin Natures.
  6. In the 50 years prior to the french revolution the Encyclopedists taught the false principle that if one was rich or in the aristocracy he had no virtue or character.
    - i. The poor and down trodden masses have always been jealous and envious of those who have an easy life and great wealth.
    - ii. There is an easy tendency to resent the rich.
    - iii. It always bothers people when they think they have missed something others have.
  7. Poor people are therefore the worst about being petty and jealous of those with wealth and they have a stronger tendency to pride and arrogance.
    - i. The Poor and New rich tend to be arrogant about their Status Quo.
  8. Never fall into the communist satanic evil trap of resenting people who are truly wealthy or apparently wealthy.
  9. There is no place for poor people to say poverty is spirituality.
    - i. It is OK to be poor but never add heresy to bring in Divine Discipline.
  10. If you are poor you should whenever you go into public:
    - i. Dress as neatly as possible.
    - ii. Take a bath or shower regularly
    - iii. Remain Anonymous when in bible class.
- D. Problems of being wealthy:
1. Rich people problems just different ones than poor people and the Faith Rest Drill (4 categories) is for both rich and poor believers.
    - i. Rebound and all other processes are for both rich and poor believers.
- E. In the Church Age God has designed the system of blessing for the Royal Family of God in such a way that more wealth and material prosperity will be distributed to the Royal Family of God than in any other dispensation.
1. Past dispensations never had so many believers in the past whose Super Grace blessings included WEALTH.
  2. It is the purpose and plan of God the Father to give more wealth to believers in the Church Age who reach Maturity Adjustment to the Justice of God MORE wealth than was given in any other dispensation.
  3. There will be NO wealthy believers in the tribulation.
  4. Many Believers in the tribulation will reach Maturity Adjustment to the Justice of God in the first 3.5 years of the tribulation.
  5. These will FLEE to the mountains and live long enough to get at least 1 segment of their Super Grace blessings the spiritual blessings.

6. Some will remain and fight and hold out in Jerusalem and they will only get their Super Grace spiritual blessings as well.
7. For both of these groups of believers who reach Maturity Adjustment to the Justice of God in the tribulation will receive their temporal blessings in the millennium.
  - i. Wealth in the millennium will be distributed so that it does not appear as individual wealth.
  - ii. These believers will NOT DIE after the millennium is completed and get their Resurrection Body then without death.
  - iii. Any believer who dies in the tribulation dies in reversionism from the Sin Unto Death Divine Discipline and none of these therefore get their Super Grace blessings.
8. Only in this dispensation of the Church Age has God provided spiritual, temporal, association, and historical blessings in a tight package for the Super Grace believer so that they are received almost at the same time.
  - i. For many believers temporal blessings include great wealth.
9. This is the greatest dispensation in which one can reach Super Grace.

F. Dangers of Wealth for believers:

1. When poor people focus on Bible Doctrine and reach Maturity Adjustment to the Justice of God Super Grace and God dumps in their lap WEALTH, there is a danger because of not having wealth ever before and you begin to think you are superior because you have money.
2. Money is very convenient and the more you have the more convenience you have.
3. Having great wealth can indicate great:
  - i. Ability
  - ii. Character
  - iii. Integrity
  - iv. Genius in many fields
4. The rapid acquisition of and possession of money can also bring the danger of ARROGANCE.
5. Wealth however NEVER indicates in any fashion SUPERIORITY.

II. Doctrine of Pride (here in the Rich)

A. Arrogance is not a single sin but is a complex of sins and always has a counter part.

1. Arrogance or pride often leads to cowardice when pressure is ON and shows up as arrogance when pressure is off.
  - i. In the barracks these types are arrogant, but when they are on the battlefield their cowardice shows itself.
  - ii. Arrogance is a no pressure manifestation of another type of sin complex
  - iii. Without pressure PRIDE shows up and when pressure is ON then the counter parts show which might include:
    - a. Jealousy
    - b. Pettiness
    - c. Vindictiveness
    - d. Implacability
    - e. Maligning
    - f. Gossip
    - g. Nit Picking
    - h. Criticism
    - i. Judging
    - j. ETC.
  - iv. Arrogance is always connected with another sin.
2. Most people don't think they are arrogant but really are and if pressure is put on them their counterpart sins will come to the surface.

- i. If one is inclined to be jealous they ARE arrogant.
  - ii. If they were not arrogant they would never become jealous.
  - iii. Arrogance makes one jealous and it is considering self more important than some rival in life.
  - iv. These people being subjective make an issue of self in their souls (Not overtly since that would demonstrate their pride).
  - v. Objective people are never arrogant.
- 3. Arrogance is not saying what you believe standing with poise and demeanor but it is the person who generally calls others arrogant are the ones who are arrogant.
- 4. Pride is never a single sin but a combined sin with Arrogance being the Part and the other complex of sins are counterpart.
- 5. When we come to the realization of the reality of this then we will have something always to confess when we function under rebound.
- B. Definition:
  - 1. Pride is the basic and worst Mental Attitude Sins always having a counter part.
  - 2. Long before Satan's pride showed his approbation lust showed he being more beautiful than any other angel.
- C. Pride was the original sin of Satan and motivation for his fall **Is 14:12-14, Ez 28:14-17**
- D. Pride is also a HUMAN sin as well.
  - 1. Pride is the basic Mental Attitude Sins never standing alone and becomes always part of a counter part being joined with other sins.
  - 2. Pride in sin manifests itself when there is NO pressure.
  - 3. Under pressure there always shows us counter part.
  - 4. When you can examine your life and see the counter part sin then when pressure is applied to you Up Pops the counter part such as jealousy.
  - 5. Pride often shows up as sweetness, loving everyone, pseudo humble presentation of self, THESE are great arrogance.
  - 6. This idea of loving everyone is permeating fundamentalism in Christianity and it espouses that we should love the communists and moslems and criminals and this is a very very dangerous form of arrogance which sets aside the Laws of Divine Establishment in the name of LOVE.
  - 7. All arrogant people are totally different when under pressure showing their:
    - i. Jealousy
    - ii. Cowardice
    - iii. Lack of Honor
    - iv. Lack of integrity
  - 8. The biggest problem with many people is their opinion of themselves and why some are very hypersensitive when in bible study and assume things are personally directed toward them ONLY.
    - i. Bible Doctrine is obviously personal and hits every one of us as believers at one point or another.

**1Tim 3:6, 1Tim 6:3-4**

- E. The Pastor Teacher must not ever be involved in arrogance and must not be a neophyte.
  - 1. Never as a pastor make any issue of the number of people in the congregation, how many came forward, how many were there for Baptism ETC.
  - 2. The congregation must never say one person is better than another and NEVER compare one pastor to another and say one is better than the other, this is a POINT OF GREAT ARROGANCE.
  - 3. We have a right Pastor Teacher and no other is our right Pastor Teacher and when we come to another you have no right to compare.
  - 4. This is like marriage and we must not compare one wife with another wife, often we must simply LIVE with it having not chosen well in the first place.

- I. The Rich ones:
  - A. There is nothing wrong with being wealthy but they should remain wealthy and they are NOT to give up all their wealth to the church.
    - 1. A church is not to be made up of impoverished people who have been conned out of their money.
  - B. There are occupational hazards on being wealthy
    - 1. Pride but most often the proudest people are the impoverished poor not the wealthy.
    - 2. In the Church Age God intends to give to believers who reach Maturity Adjustment to the Justice of God an incredible amount of wealth.
- II. Doctrine of Pride Continued:
  - A. Arrogance is a cluster or multiplicity of sins.
    - 1. Life is too short to get into push pull situations but this is what occurs when a person has arrogance in the soul with one of its innumerable counter parts.
    - 2. When there is NO pressure in the life ARROGANCE is apparent
    - 3. When there is Pressure in the Soul the counter sin is then apparent
      - i. Jealousy
      - ii. Vindictiveness
      - iii. Implacability
      - iv. Vengeance
      - v. ETC.
    - 4. The counter part sins come in 2 categories: **2Tim 3:2**
      - i. Mental
        - a. Almost any of the Mental Attitude Sins are counter part to Pride when pressure is on
      - ii. Verbal
        - a. Ungratefulness, gossip, Maligning, slander, judging, and all possible verbal sins.
      - iii. Overt (In the extreme situation)
        - a. Disobedience to Parents, Violence, bullying,

### 1John 2:15-16

- 5. We are not to love the evil influence of the world else we have not capacity for life.
- B. Pride is related to personal reversionism:
  - 1. Pride is a sin but also a spiritual condition **Ps 10:2-4, Prov 16:18**
    - i. Arrogance is bullying
    - ii. Believers rejecting Bible Doctrine are in a state of arrogance and it is arrogance for the believer to think he can get along without the daily spiritual food which God has provided.
  - 2. The unbeliever reversionist producing slander **Rom 1:30, James 4:4-7, Prov 3:34, 1Pet 5:5-6**
    - i. In many professions highly qualified persons are put down or run down by the arrogant they have to deal with.
      - a. Engineering
      - b. Medicine
      - c. Law
      - d. Education
      - e. Military
      - f. Pastorate
      - g. Law Enforcement
      - h. ETC, almost any profession.
    - ii. This occurs almost any time you have contact with people.

3. God opposes the ARROGANT or PROUD persons
4. Pride always has a counter part and when you tell the proud person the truth or offend them or put them down unintentionally the counter part comes to the forefront.
  - i. In various professions there can be lifelong friendships and also lifelong enmities because of these problems with pride and its counter part.
5. Immature believers are to be under the authority and command of their own right Pastor Teacher.
  - i. Comparing Pastor Teachers is a sign of arrogance and immaturity in the believer.
  - ii. NO ONE EVER HAS A RIGHT TO COMPARE Pastor Teachers EVER.
  - iii. We have a right Pastor Teacher and when we find him we simply stay under his teaching and don't become involved with any other Pastor Teacher.
  - iv. We are to become Grace Oriented under the authority of our right Pastor Teacher whoever he is and the only way to accomplish this is to focus on the teaching of Bible Doctrine he presents.
  - v. If we do this properly THEN and ONLY THEN can God promote us and provide for us in our time Super Grace blessings which is the WHOLE PURPOSE of our being here.

C. Pride is related to national reversionism:

1. There are 5 cycles of Divine Discipline in national reversionism.
2. The 2<sup>nd</sup> cycle is Divine Discipline against the economy of the nation.
  - i. At this stage Divine Discipline of pride is the biggest characteristic.
  - ii. In this 2<sup>nd</sup> cycle when there is depression or recession when the economy is falling apart the chief characteristic sin related to it is PRIDE **Lev 26;19**
  - iii. Most often the reason for RECESSION or DEPRESSION is due to government officials interfering with the economy in some way.
    - a. They juggle it
    - b. Interfering with business
    - c. Interfering with supply and demand with pseudo supply
  - iv. The Laws of Divine Establishment says that in the economy FREE ENTERPRISE MUST PREVAIL.
    - a. When there is a recession or depression under free enterprise it is to eliminate the unfit and improve the quality of service rendered by craftsmen and labor.
    - b. A recession or depression should NEVER be interfered with EVER it is for the good of the nation but in the United States of America for many many decades we have had children in Washington trying to juggle our economy.
    - c. They interfere and blame everything on big business they do not realize that when there is government interference with free enterprise then the nation is preparing for a far worse cycle of Divine Discipline.
    - d. THIS IS PRIDE and the cause of this type of Divine Discipline judgment.
  - v. The nation will have a depression whether they like it or NOT and if they try to solve a depression by inflation all this does is make it worse and make it last longer when it opens. **2Chron 32:26, Is 9:9**
  - vi. The answer to these things is HUMILITY in the government.
3. In this type of case in government there is pride when there is no pressure on the nation but when pressure is put on the nation then government begins to violate the Laws of Divine Establishment in trying to regulate economy with legislation.
  - i. Legislation is not designed to solve social problems NOR To REGULATE ECONOMY.

- ii. Legislation is designed to protect freedom so that people can FAIL or SUCCEED having the right to do so and also the right to privacy and property and to carry on legitimate business.
4. This is national pride related to the destruction of a nation
- i. See **MOAB Is 16:6**
    - a. In this case Pride is there and without pressure there is no problem in the nation
    - b. When pressure is put on the nation then pride releases both a mental and verbal sin complex.
    - c. Anger is the mental sin but with it there is IDLE BOASTING.
  - ii. Whenever there is pride among a people in a national pride situation there will always be there counterparts present.
    - a. Boasting
    - b. Anger
5. National pride is related to the administration of the 5<sup>th</sup> cycle of Divine Discipline **Is 28:1-3, Ez 7:10, Hos 7:10-14**
- i. The wreath is related to the honor of being a guest of honor at a party and then drinking too much wine.
    - a. Assyria is then sent from the lord to subdue them.
  - ii. There is one kind of a person who cannot ever handle alcoholic beverage and it has to do with the soul not his metabolism
    - a. This person cannot drink because of PRIDE in the soul and he cannot drink in moderation.
    - b. He cannot handle any alcohol because of Arrogance of the soul.
    - c. Pressure on this persons pride turns him to alcohol a counter part to pride making him an alcoholic apart from metabolism.
    - d. Being an arrogant person and you have a good metabolism for alcohol you will wind up as an alcoholic because of soul dysfunction.
  - iii. Proud people Never enjoy drinking and alcoholics never enjoy drinking they are bound to it.
  - iv. When you have arrogance you cannot ever drink because you will have a drinking problem being without capacity for life and without sense or self discipline and it is inevitable that they will become alcoholics.
6. When you deal with alcohol you must have capacity for life and self discipline and self control in order to drink in moderation.
- i. Drinking in moderation is acceptable.
  - ii. When you get past drinking in moderation you get into drunkenness which is a sin.
  - iii. People who has a counter part for pride of drunkenness which is a sin this person has no control and will not function in moderation and has no control of what he is drinking.
  - iv. This is the counter to pride for the alcoholic.
  - v. This is what occurred in Ephraim as they were a very proud tribe.
7. As long as there is no pressure a person or nation is under pride but as soon as pressure is put on the person or nation then PRIDE is submerged and some other sin sprouts from it.
- i. This is the counter part going into action whatever it is.
8. Many times pride under pressure of Divine Discipline does not cause the reversionistic person or nation to turn around back to God.
- i. Pride is a sin where you are begging for trouble and you will make all the trouble you can handle without anyone adding to it.
  - ii. All proud people are SILLY people, without sense and you never know what will 'sprout' from their pride being pressured.

- iii. This is the foreign policy of Israel calling on Egypt and our foreign policy in the United States of America for many many decades.
      - iv. This is reversionism and pride is a sin of reversionism.
    - 9. Lying and maligning of God is a great sin called blaspheme and occurs very often from proud persons.
  - D. Pride in relationship to God, **1Sam 2:3**
    - 1. This passage is saying that arrogance comes out of the mouth of the proud there fore they should not boast or multiply conversations.
      - i. Arrogance or pride under pressure results in verbal sins “conversations” along with self pity.
      - ii. With pressure on pride the PRIDE or arrogance is then HIDDEN and then all sorts of mental, verbal and overt sins rise up to cover it.
    - 2. Pride also rejects the principle that Jesus of Nazareth, the Christ controls history.
      - i. Dan 4:37 Nebuchadnezzar rejected Jesus of Nazareth, the Christ control of history and was disciplined and his recovery allowed him to recognize the truth of history.
      - ii. Matt 19:27-20:4 Pride and Blind Arrogance.
  - E. Positive volition toward Bible Doctrine insulates the soul from pride.
    - 1. This is the only answer to breaking up the pride counter part sins complex **Job 33:16-17, Prov 8:13, 11:2**
    - 2. Under the function of the Grace Apparatus for Perception God seals the instruction of believers with Metabolized Bible Doctrine in the Stream of Consciousness of the Soul in order to turn aside the Divine Discipline of the proud.
      - i. This protects man from the pride complex.
    - 3. Therefore the principle is that Wisdom removes pride and wisdom comes from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
  - F. Pride is very often a problem for those who become rich in their lifetime.
    - 1. However pride is or can be a problem for any believer in many different situations.
- III. The Rich ones continued:
- A. To avoid having confidence in money or wealth the believer must have maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul therefore have the capacity to enjoy his wealth.
    - 1. In addition he will keep his eyes on the source of all blessing Jesus of Nazareth, the Christ and his priorities on daily Perception, Cognition, Inculcation and Metabolization of Bible Doctrine which is what gives capacity for life.
    - 2. The wealthy believer should be the ones who are fulfilling this principle.
    - 3. During the Church Age it is god’s intention to make many believers in the Church Age wealthy.
    - 4. Being a believer who receives this wealth from the lord we MUST keep our confidence on the Lord himself NOT the wealth.
  - B. Most people have an erroneous idea about money.
    - 1. Believers who have money are regarded with suspicion and considered some sort of 2<sup>nd</sup> class believer.
    - 2. Money possessed by certain believers is glorifying to God and part of Super Grace blessings.

**Lesson #110      Series # 467      1Tim 6:18**

- I. Free enterprise is the only system by which a nation can have prosperity.
  - A. The interference with government in the economy in any way is a distortion of government function and eventually destroys the nation.
    - 1. See Britain and the United States of America today.

- B. The objective of government is to encourage free enterprise and protect property and protect the function of business no matter how it expands or how great it becomes by LAW and Law Enforcement.
  - 1. The government is to be in the business of protecting the freedom of the individual not intruding on it and destroying it.
  - 2. This includes the individual citizen and also a business enterprise or corporation functions.
- C. Here we see Timothy being commanded to COMMAND the wealthy members of the congregation.
  - 1. There are things which the wealthy members of the congregation must avoid to maintain their Spiritual Life and enjoy blessing from God of their great wealth.
  - 2. Timothy must take responsibility for teaching these things BUT when you teach management you must teach with authority.
  - 3. Management is smart enough to recognize that if what you teach is not from Bible Doctrine and taught with authority they will reject it.
  - 4. Good management in business is never impressed with some horsey woman trying to run around and control everything.
  - 5. Management recognizes the place of woman and business success often is based on the call girl which is a system of bribery in business.
  - 6. When it comes to taking the word of a woman and letting her set policy and run the show this is where Timothy has failed and as a result the great businessmen in his congregation, their being many, have lost interest in Timothy.
  - 7. These great businessmen of Ephesus are too smart to listen to a man who is bullied by women.
- D. No Pastor Teacher can teach Bible Doctrine with authority apart from diligent study and assuming total authority over the local church.
  - 1. God intends that in this dispensation more believers have been assigned wealth than in any other period of history.
  - 2. In past dispensations Super Grace believers have been given great wealth but it is more so in the Church Age
  - 3. Jesus of Nazareth, the Christ in session at the right hand of God the Father has been and is in need of a Royal Family.
    - i. Review royalty of Jesus of Nazareth, the Christ in 3 categories and the Royal Families of Jesus of Nazareth, the Christ.
    - ii. Jesus of Nazareth, the Christ will return at the end of the Church Age to take rulership of the world away from Satan and he must bring with him a Royal Family.

II. Wealthy believers have occupational hazards just like poor believers:

- A. They are to be sure to AVOID ARROGANCE.
  - 1. Arrogance is part of reversionism and in the application of Divine Discipline God will take away their wealth.
- B. They are not to set their confidence on their wealth since temporal wealth is always uncertain.
  - 1. As long as the wealth comes from God it is there to stay while the believer remains in Maturity Adjustment to the Justice of God Super Grace.
  - 2. Wealth always has a degree of uncertainty since the possession of a large amount of money also produces uncertainties in life.
- C. Doctrine of Money:
  - 1. Money is not something the devil has invented and this is a lie.
    - i. Money is not to be regarded with suspicion as if possession of it means lack of any Spiritual Life.
    - ii. However in many cases lack of money is lack of Spiritual Life.

- iii. If God has designed your Super Grace blessing package and wealth of some kind is part of that and YOU DON'T HAVE IT it is a sign of spiritual reversionism and apostasy

2. Definition:

- i. The English word "money" is derived from (lat) Moneta == the Mint where it was manufactured.
  - a. It referred to a stamped coin of gold or silver or other metals used as a medium of exchange.
- ii. It is the medium in which prices are expressed, debts are discharged, goods and services are paid for and bank reserves are held.
- iii. It is not just what you have in your pocket and is the medium of exchange.
- iv. It is a synonym for circulating exchange medium and may be regarded as comprising demand deposits in common money or currency, coins, bank notes and paper money issued by governments.
- v. Ralph Pautry "Money is one of those things which like a Tea Spoon or Umbrella but Unlike an earthquake or buttercup, definable primarily by the use of purpose which they serve."
- vi. Money must be defined in terms of its function and related to its value.
- vii. It is the means of expressing debts, obligations, salaries, prices, insurance obligations and innumerable other contracts.
- viii. It serves as a reserve of purchasing power and therefore is the only completely liquid asset.
- ix. With the rise of commercial banking there was a corresponding increase in the importance of money and using it as reserves in the banking systems.
- x. It is unique among economic goods in that it is not regarded as WEALTH but as a device for measuring and exchanging wealth.
  - a. True wealth is NOT money but money is the means of measuring wealth.
- xi. Increase in the quantity of money in a country does not necessarily constitute an increase in the wealth of the country.
  - a. This concept has totally been missed by the government of the United States of America
  - b. The government of the United States of America is composed of thieves because they had taken us OFF of a monetary standard to back up our currency.
  - c. When this occurs the printing of PAPER money becomes THEFT and inflation is a form of THEFT by the government and is a sign of government interference and a system of immorality as well.

3. History of Money:

- i. Different OBJECTS have in the past used as a medium of exchange in the past such as:
  - a. Slaves
  - b. Gun Powder
  - c. Jaw Bones of Pigs
  - d. Oxen
  - e. Elephants
  - f. Stone
  - g. Wool
  - h. Barley
  - i. Wheat
  - j. Timber
  - k. Gold
  - l. Silver

- i ) Rings, Ingots, Bars, Shekels, Talents
  - ii. Coin money
    - a. BC 561 Creasus King of Lydia had a mold made from his picture and then took gold from his great wealth and had coins made from these molds and this became the currency of his realm.
      - i ) This came out of his arrogance and pride in how he looked.
    - b. Darius king of Persia after conquering Lydia was so impressed with these coins he had his own face put on the gold coins
      - i ) One of the most basic coins of the ancient world was a darik from Darius and was 130 grams of gold.
    - c. Phoenician traders took these coins all over the world and then began to mint their own at biblus, sidon and Tyre.
    - d. By the time we get to the 4<sup>th</sup> century COINS are the major medium of exchange and came from:
      - i ) Greece
      - ii ) Egypt
      - iii ) Phoenician
      - iv ) Anatolia
      - v ) Persian
      - vi ) Roman Coins
      - vii ) Provincial Coins from Antioch or Tyre Based on Greek standards
      - viii ) Jewish Money from Cesarea.
        - a) This money was without anyone's picture on it and they would often refuse to do business with anyone who used coins with Caesars picture on the coins since this presumed Caesar as Lord or equal with God.
    - e. Modern Day Coinage continued up to the French revolution an extremely evil thing also brought in the first use of Paper Money.
      - i ) From this time to the present governments have found ways to STEAL GOLD or some other thing of intrinsic value by simply publishing printing paper money.
- 4. Legitimate functions of money is a biblical subject and therefore MONEY is in itself NOT EVIL.
  - i. It never has been nor will be.
  - ii. Monetary transactions are legitimate functions of life in **Human History** from Gen 29:3-Jer 32:44
  - iii. It is used for Taxation Matt 22:17-22, Mk 12:13-17, Luke 20:20-26
    - a. Jesus of Nazareth, the Christ made it very clear that even if taxes are wrong, unfair, illegitimate, and evil it is still the responsibility of the believer under the Laws of Divine Establishment to pay taxes.
    - b. In the United States of America we have had and continue to have a totally immoral system of taxation but we have responsibility to pay taxes.
    - c. Whether you like the system of taxation or NOT whether it is moral or immoral it is still the responsibility of the believe to pay his taxes.
    - d. It is a VERY Relaxing thing to pay taxes right across the board without cheating in any way.
  - iv. Our system of taxation in the United States of America is EVIL and according to the bible the only legitimate system of taxation is to charge everyone exactly the same PERCENT and this is what Tithing in the Old Testament Scripture is.
    - a. It was a 10% tax across the board for everyone
    - b. This is fair and just and encourages free enterprise.

- c. Our system of taxing men who are the backbone of our nations business and who have courage and intelligence in business more is totally immoral and EVIL.
- d. This is part of the typical, stupid apostate thinking of the Christians in our society today.
- v. Regardless of all of these evil immoral illegitimate functions of government, PAY YOUR TAXES.
  - a. Not paying taxes to put pressure on the people in government to change from socialism and communism back to a free system is illegitimate PRESSURE.
  - b. If there is not a change in the individuals soul this pressure is NOT RIGHT.
  - c. Not paying taxes is out of line and whatever discipline comes from the government for not paying taxes you have had coming to you EVEN THOUGH THEY ARE WRONG.
  - d. 2 WRONGS NEVER MAKE A RIGHT.
- vi. Money is needed for the function of an economy since everyone cannot carry large quantities of grain or other exchangeable items.
  - a. This demonstrates the stupidity of believers who try to say MONEY IS EVIL.
  - b. It is wrong priorities illustrated by LUST for money which is wrong.
  - c. If the lord is first in your life never worry about money and when you get your first million you can laugh at the believer who says that you are spiritually wrong having so much money.
  - d. Having a great deal of money as a believer from the lord as part of Super Grace blessings is glorifying to the lord BUT never forget YOU don't have a million dollars because you are great it is because the lord is great.
- vii. In the local church there never should ever be an issue made of money.
  - a. Giving is a voluntary thing and never should be done under coercion.
  - b. Every child should learn before they learn how to speak that IT IS DEGRADING TO ASK FOR MONEY OR TURN INTO A MEDICATE BEGGAR.
  - c. It is a privilege to give as unto the lord and when it is not a privilege then don't give.
  - d. It is evil and apostate to make comparisons between believers and how much they have given.
  - e. ONE OF THE GREATEST EVILS IN THE WORLD IS THE "CHRISTIAN BOOKSTORE".
    - i) They charge for spiritual truth (the good news or bad news however you choose to look at it) but they rarely have spiritual truth there but when they do they charge for it and THAT is EVIL.
    - ii) SPIRITUAL TRUTH IS FREE AND THE POOR HAVE AS MUCH RIGHT TO DOCTRINE AS THE RICH AND VICE VERSA.
    - iii) It is only a matter of positive volition in the soul not WEALTH.
- viii. Money is essential for the function of a modern economy and believers who have a great deal of money are not sinful or wrong or evil.
  - a. It is not sinful to possess money and the preachers today make believers think they must give all their money away.
- ix. Money is a useful and helpful servant but a CRUEL and HARSH master. Jude 11
  - a. Do not ever let money become your master.
  - b. It is a fabulous slave and will bring you things you desire in life.

- c. They day money becomes more important than Bible Doctrine then it begins to tell the believer YOU do this and that to get more of it.
  - d. This is how you become a slave or money.
  - e. Money is FUN to have as a slave but it cannot buy everything.
  - f. Balam was a slave to money and he was deceitful with regard to money
  - g. Money cannot buy happiness, and there is no happiness in any of the details of life APART from capacity for life from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - h. Money is not a means of security which is only through the living or Logistical Grace Plan of God and Super Grace blessing at Maturity Adjustment to the Justice of God. Matt 6:24-33
  - i. Money cannot buy many things including:
    - i ) Salvation
    - ii ) True Love
    - iii ) Security
    - iv ) Peace of Mind
    - v ) Happiness
    - vi ) Stability
  - j. You must understand the LIMITATIONS of money as a slave and when you fail in this money will become your master and there will be a soul revolution called reversionism and this is great trouble.
  - k. Giving of money is a function of the royal priesthood and is a commemoration of grace 2Cor 8+9
  - l. Money is legitimate and its accumulation is permissible and legitimate and it is not carnal for the believer to possess money and the believer with wealth is NOT required to give his wealth to the church to prove his spirituality.
  - m. It is not sinful to possess, spend or use money in a legitimate way.
  - x. The illegitimate uses of money:
    - a. Bribery
    - b. Buy Power
    - c. Buy Fornication
    - d. Corrupt character
    - e. and these are forbidden to the believer.
    - f. It is the Old Sin Nature and lack of Bible Doctrine which produces evil NOT money.
5. The dangers of money to the unbeliever.
- i. Salvation cannot be purchased with money **Mark 8:36-37**
    - a. Salvation is paid for by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross **1Pet 1:18-19**, Propitiation, redemption, and reconciliation.
  - ii. Money often causes the wealthy to put their faith in the wrong object **Mk 10:25**
    - a. It is difficult for wealthy people to forget about their wealth and concentrate on Jesus of Nazareth, the Christ for salvation.
    - b. Money hinders the wealthy from seeking salvation **Luke 16:19-31**
    - c. Money has no credit with God **Prov 11:4, 28**
    - d. Money does not mean capacity for life which only comes from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul **Prov 13:7**
      - i ) Capacity for life is what is residing in the Stream of Consciousness of the Soul and to have wealth without capacity in the soul is to be miserable with money.

6. Monetary Reversionism: **Eccl 5:10-6:end, Jude 11, Acts 5:1-10**
7. The principle of monetary reversionism **1Tim 6:3-17, James 4:13-14, 5:1-6**
  - i. You don't have to have a lot of money to have monetary reversionism.
8. Monetary Prosperity is part of Maturity Adjustment to the Justice of God Super Grace Blessing for the advancing believer.
  - i. Abraham, David, Solomon, etc **Prov 13;8, 13, 18, 11:18**
  - ii. Let your lifestyle be FREE from the LOVE Of Money 1Tim 6, Heb 13.

### III. Maturity Adjustment to the Justice of God

- A. When a believer reaches Maturity Adjustment to the Justice of God Super Grace he has a maximum of Metabolized Bible Doctrine in his Stream of Consciousness of the Soul.
  1. This allows him to apply Bible Doctrine to his Super Grace blessings.
  2. Not only the spiritual blessings but more so the temporal blessings and therefore he has capacity for life.
- B. Summary of capacity for life:
  1. Without capacity for life from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul NOTHING in life is worth having.
    - i. Cat II and III Love
    - ii. Wealth
    - iii. Leadership Dynamics
    - iv. Authority
    - v. Professional Success or prosperity
    - vi. ETC.
  2. Enjoyment of the status symbols of life comes from capacity for life.
  3. This means self discipline and concentration developed under the daily function under the Grace Apparatus for Perception.
    - i. Also roadblocks are then removed so that you can enjoy your blessings.
  4. Capacity for life and love and blessing and happiness means that the roadblocks of the soul have been removed by reaching Maturity Adjustment to the Justice of God and through adversity.
    - i. One of the basic reasons for suffering is that you have almost reached the point of Maturity Adjustment to the Justice of God but as you approach maturity you have persistent roadblocks in the soul.
    - ii. These roadblocks in the soul result in the inability to enjoy the blessings of Maturity Adjustment to the Justice of God especially the temporal blessings.
    - iii. This means that sometimes just before you reach Maturity Adjustment to the Justice of God Super Grace you will have the greatest sufferings of your life.
    - iv. Persisting through them breaks the roadblocks and results in your having great capacity for life.
    - v. Just before reaching Maturity Adjustment to the Justice of God is where you will have some of the greatest adversity in life and by passing through these you will have great capacity for life from the Metabolized Bible Doctrine in your Stream of Consciousness of the Soul.
  5. When the believer in Maturity Adjustment to the Justice of God has capacity for life he keeps his priorities straight.
  6. When the believer in Maturity Adjustment to the Justice of God has capacity for life he is occupied with the source of all blessing, Jesus of Nazareth, the Christ, therefore he enjoys the blessings because prior to receiving them he was occupied with the source and continues to be so.
    - i. The person who has capacity for life ALWAYS appreciates the source.
    - ii. When something is your own there are 2 principles involved, the source and the enjoyment

- iii. When you are the owner of something you and enjoy things you do things you did not do before that is take responsibility for them.
  - iv. Once you have capacity for life you know how to care for your property and how to care for and be thoughtful of your friends.
  - v. With capacity for life under category I love you love the lord knowing him and therefore you WANT more and more doctrine.
  - vi. You always want capacity first then acquire the accourdaments in life but until you have capacity just remain in the consistency of Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
7. The believer who becomes wealthy from Maturity Adjustment to the Justice of God Super Grace blessing must maintain his perspective to enjoy those blessings of wealth.
    - i. The perspective and his capacity for life is in the soul.
    - ii. Capacity can be expressed in what you possess and enjoy whatever it is.
    - iii. You cannot afford to lose this capacity because if you lose the capacity then you lose the enjoyment of that which God has provided for your blessing.
  8. Maintenance of perspective and keeping one's priorities straight is as simple as persistence and perpetuation of the daily function under the Grace Apparatus for Perception.
  9. Super Grace and its capacity is perpetuated by persistence in the function under the Grace Apparatus for Perception.
  10. When the wealthy Super Grace believer begins to neglect Bible Doctrine he becomes occupied with his wealth and riches, the blessings from God and instead of being under Occupation with the Person of Jesus of Nazareth, the Christ he becomes occupied with self and has the arrogance which he is warned of in **1Tim 6:17**
  11. Love of the blesser causes the blessee to continually enjoy his blessings.
    - i. Love of Jesus of Nazareth, the Christ is from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - ii. Enjoyment of the blessings by the Blessee is due to his capacity from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  12. Therefore our confidence must be in the source of blessing in order to actually enjoy the content of blessings.
  13. The pattern of Divine Discipline becomes obvious so that when the believer in Maturity Adjustment to the Justice of God Super Grace blessed with wealth and riches and neglects Bible Doctrine he may retain his wealth as a means of Divine Discipline, having lost capacity and entered reversionism.
    - i. God can take the blessings given and allow them to be used for Divine Discipline.
    - ii. The blessings of Maturity Adjustment to the Justice of God Super Grace become a source of Divine Discipline and adversity and misery when we neglect Bible Doctrine.
    - iii. This can include misery from association with your Right Man or Right Woman when Bible Doctrine is neglected.
  14. For such a believer to begin to depend on riches rather than God the greater his priorities become distorted the greater becomes the use of blessing as cursing.
  15. The more he depends on riches or wealth the more miserable he becomes.
    - i. The possession of wealth or riches does not mean happiness and happiness is based on the capacity of the soul
    - ii. To lose the capacity from neglect of Bible Doctrine and entering reversionism and yet maintain the wealth means the wealth becomes a source of Divine Discipline.
- IV. Blessing for the believer in Maturity Adjustment to the Justice of God Super Grace.
- A. Everything we receive as part of Super Grace blessings from God is for our pleasure and enjoyment.

1. God intends for every believer to have maximum pleasure but he intends for the believer to have capacity for the pleasure before having the pleasure.
  2. To enjoy what God has given us we must have capacity in the soul first and must recognize the source of all we have first and have capacity for that as well.
  3. When God provides Super Grace blessings God is glorified in the presentation but also the objective is pleasure and enjoyment of the blessing by the believer.
  4. As Royal Family of God when we reach Maturity Adjustment to the Justice of God Super Grace we also have great pleasure and enjoyment of the blessings.
  5. This is only possible for the believer who has capacity for life from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
- B. Conclusion:
1. It must be emphasized that capacity for life must precede blessing in life.
  2. Capacity originates from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul but also the removal of the roadblocks in the soul which hinder application of Bible Doctrine.
    - i. This often takes a good adversity just before reaching Maturity Adjustment to the Justice of God Super Grace to knock out the roadblocks in the soul so Bible Doctrine can be applied to the ENJOYMENT of the blessings of Super Grace.
  3. Capacity for life is Metabolized Bible Doctrine in the Stream of Consciousness of the Soul but also application of that Bible Doctrine.
  4. Capacity for life is one of the blessings of Super Grace for believers in Maturity Adjustment to the Justice of God.

**1Tim 6:17**

**v17: Be commanding, exhorting and with authority instructing in application for their benefit, those Rich Ones, in the congregation in this present dispensation of the Church Age, that they be not arrogant, nor set their confidence upon the uncertainty of wealth or riches, but set their confidence on God who richly provides, furnishes us as believers in Maturity Adjustment to the Justice of God Super Grace for our advantage all things abundantly for our pleasure and enjoyment.**

**Lesson #111      Series # 467      1Tim 6:18**

- I. The character of the local church
  - A. In any local church if it is a good local church there may be well dressed people, affluent people, personable people but there never should be OVERLY friendly people.
    1. If there are even 10 Super Grace believers out of 1000 in any local church then in the congregation you can absorb all the weirdos.
    2. There is incredible blessing in being around people who have reached Maturity Adjustment to the Justice of God Super Grace and this is in addition to being around the doctrine.
      - i. This is a part of the Super Grace blessings in blessing by association with a mature believer.
    3. If you reach Maturity Adjustment to the Justice of God Super Grace people in your periphery WILL be blessed.
  - B. You never have to part with any material thing to acquire Eternal Life.
    1. Eternal Life is paid for by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross and is available to anyone who expresses faith alone with Jesus of Nazareth, the Christ alone.
  - C. The believer who reaches Maturity Adjustment to the Justice of God Super Grace is a PRODUCER of Divine Good.
    1. This is not the production normally associated with outside organizations in Christianity.
      - i. These organizations are terribly mixed up and never can they ever provide any degree of spiritual growth.

2. Super Grace is a Status Quo where people who come into contact with you are blessed and relaxed and find blessings for themselves in your periphery.
3. Divine Good production is not doing things but living a life in the Status Quo of Super Grace.
  - i. It is inevitable that you are not going to live or die to yourself and that people will move into association with your life and if you are in Status Quo Super Grace the blessing of your life will reach out to them.
4. Whether believers or unbelievers those in your periphery will prosper under the production of Divine Good ie living your life in Super Grace.
  - i. Your life in Super Grace is incredibly blessed by God and this overflows to others.
5. ***The principle is that you cannot expect the fruits of God the Holy Spirit without the roots of Metabolized Bible Doctrine.***

D. Doctrine of Divine Good:

1. Wealth is measured in terms of spiritual blessing for the believer.
  - i. Wealth is measured in many ways:
    - a. Money
    - b. Children
    - c. Happy even life
    - d. Social Life
    - e. NO 2 people have exactly the same concept of wealth.
2. Definition:
  - i. Divine Good is the production of the believer who is Grace Oriented.
    - a. There are 2 kinds of believers in Grace Orientation
      - i) Those who are under positive volition to Bible Doctrine and growing
      - ii) Those who have reached Maturity Adjustment to the Justice of God.
  - ii. Filling of God the Holy Spirit by itself does not produce but produces through Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - a. New believers under the Filling of God the Holy Spirit are NOT producers.
    - b. The Filling of God the Holy Spirit is designed to facilitate the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine
    - c. Production is a result of Filling of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul this is an application of the principle of balance of residence.
3. Source of Divine Good
  - i. It originates from balance of residence of Filling of God the Holy Spirit plus maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
    - a. Prayer
    - b. Witnessing
    - c. Giving
    - d. Administration in the local church
    - e. Business
    - f. Social Life
    - g. Many areas of life.
  - ii. You must have Metabolized Bible Doctrine in the Stream of Consciousness of the Soul
  - iii. Therefore capacity for all aspects of LIFE are all part of the source of Divine Good.

- iv. You cannot have Divine Good production without capacity for life.
- 4. The believer in time is the recipient of grace thus he is designed for the function of Divine Good:
  - i. Saving Grace
    - a. Royal Family of God members
  - ii. Living or Logistical Grace
    - a. Along with the function under the Grace Apparatus for Perception means spiritual advance is occurring
  - iii. Super Grace
    - a. Divine Good production
  - iv. Dying Grace
    - a. resulting from maintaining Super Grace Status Quo. **Eph 2:10**
  - v. Surpassing Grace
    - a. unimaginable blessing and reward in eternity.
  - vi. This is the life of the progressing believer in time.
  - vii. All the Divine Good of every believer in **Human History** was fabricated in **Eternity Past**.
    - a. Therefore the production of Divine Good is related to the whole prefabricated plan thus related to reaching Maturity Adjustment to the Justice of God Super Grace with maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - viii. Therefore God has prefabricated it so that in the sphere of Divine Good we may pattern our life.
    - a. The very life of the believer in Maturity Adjustment to the Justice of God is the production of Divine Good.
  - ix. Divine Good is NOT produced by some STRAIN nor EMBARRASSING situation nor where someone keeps hounding or bullying you to do.
  - x. We are commanded to do many things but the commands are obeyed based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and following these commands is not the means to ANYTHING.
- 5. The grace principle of Divine Good **2Cor 9:8**
- 6. In the grace perspective the Grace Apparatus for Perception and the resultant Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is the means of production of Divine Good.
  - i. You CANNOT be a producer until you have reached a level of Maturity Adjustment to the Justice of God to be ABLE to produce.
  - ii. This means believers cannot join some organization and immediately be a producer of Divine Good.
    - a. They cannot give testimony, speak to people, teach Sunday school, etc.
    - b. This is NOT Divine Good production.
    - c. This can be embarrassing to the new believer but worse yet is the fact that it is totally ineffective, Human Good, and does not get the job done.
  - iii. Everything that counts for God must be related to grace, Bible Doctrine, divine dynamics NOT EVER human gimmicks.
  - iv. In Super Grace Status Quo your life is a constant production of Divine Good. **Col 1:9-10, 2Tim 3:16-17, Tit 2:7**
- 7. Divine Good produced by grace is both mental and verbal **2Thes 2:16-17**
- 8. Divine Good resolves the Angelic Conflict **Rom 12:21**
- 9. Divine Good will be rewarded under the principle of surpassing grace **2Cor 5:10**
  - i. When a person gets on a Human Good kick they are the worst people to get around being a YEAH for GOD individual without power of Filling of God the

Holy Spirit and without Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

ii. This is what the service organization gets people to do that is work each other up emotionally for their production of this mass of Human Good.

10. Divine Good is only produced through Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

E. All Super Grace believers are RICH in Divine Good production.

1. No matter what course it might take in their life being in Super Grace means there IS production of Divine Good.

2. Blessings for believers in Maturity Adjustment to the Justice of God include:

i. Spiritual Blessings with capacity for everything in life, Sharing the Happiness of God, Etc.

ii. Every religion on the earth practice witnessing but the Morrows in Mindanao practice it in the most emphatic way.

a. They enter their temple and go through a ceremony where they become demon possessed

b. They then bind up the testicles of the man who is now going heaven and he screams in pain the they hand him his blade and then he runs out and the first christian ie white person, he sees he slaughters them with the blade and that puts him into heaven with a harem of at least 50 beautiful women.

iii. This is what happens in the service organizations in Christianity and when you get away from the local church and your right Pastor Teacher you are on your way DOWN in the Christian Way of Life.

iv. You must have your right Pastor Teacher and your local church to gain Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and that is the secret to production of Divine Good.

F. The works of any believer are not honorable until the believer has enough Metabolized Bible Doctrine in the Stream of Consciousness of the Soul to make them honorable.

1. If they are not related to grace they are nothing but Human Good to be burned at the Judgment Seat of Jesus Christ.

2. As Royal Family of God the only thing which will count is the HONORABLE Deeds the result of Filling of God the Holy Spirit and Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.

i. This is grace and this takes the credit away from you and any production which gives credit to you is Human Good.

ii. Any production which glorifies God and fulfills the Plan of God of Grace is Divine Good production.

iii. The key to the Royal Family of God is HONOR.

G. When a believer reaches Super Grace Status Quo he should be generous with is money and anything else which God blesses him with.

1. God is going to bless with money some believers as part of their Super Grace blessing and therefore they have a right to be generous and liberal in giving and it must be from the proper motivation of Metabolized Bible Doctrine.

i. They should be generous with money to others.

ii. There should not be any roadblocks for them of Hoarding, Stinginess, parsimonious, avarice, tightness with money are broken in the Status Quo of Super Grace.

II. The eternal future of the believer in Maturity Adjustment to the Justice of God Super Grace:

A. Being generous and liberal in giving for the Super Grace believer is like treasuring a LARGE account for eternity.

1. You never lose the money God gives you it comes back to you in many ways and what GOD gives he keeps on giving and pouring into you.
  2. God gives to you in time certain things with which to be generous and then rewards you for being generous, this is GRACE.
  3. God gives you a mess of money and you then ENJOY giving it away and being generous with it and enjoy money having capacity for it.
  4. God gives you money as part of Super Grace blessings and having capacity for it you understand it does not run out, and by being generous with it you cannot lose out under GRACE.
- B. This verse is NOT teaching to give money except for one category of believer those in Maturity Adjustment to the Justice of God Super Grace.
1. A Super Grace believer can give liberally and generously.
  2. As you grow in the Spiritual Life your motivation for giving is Metabolized Bible Doctrine in the Stream of Consciousness of the Soul not someone begging for the money.
    - i. The concept of calling on people to find out what your income is and then tell you that you should be giving to the local church a percentage of that.
  3. If Metabolized Bible Doctrine does not motivate you then nothing else good is going to.
  4. The believer in Super Grace in generosity of money, love, doctrine is accumulating an honorable foundation for eternity.
- C. The result of holding Status Quo in Super Grace is being able to Seize the blessings for eternity in surpassing grace.
1. These are divine blessings for eternity.
  2. If a believer holds in Status Quo Super Grace then in Eternal Life he will have blessings and rewards above and beyond the average or reversionistic believer.
  3. There will be extremely happy peon believers in heaven and believers LOADED down with decorations which glorify God for all eternity.
  4. The believer in heaven as peon does not glorify God he is in heaven BY MEANS OF GRACE.
  5. The believe who seizes and holds the Status Quo of Super Grace has special provision in eternity in his surpassing grace blessings and rewards.
  6. As a believer you will be double, a double loser or double winner
    - i. As a double winner you will have the blessings of Super Grace in Time and the blessings of Surpassing Grace in eternity.
    - ii. As a double loser you will be a reversionistic BELIEVER in time and then go to be face to face with the lord minus the Old Sin Nature and minus Human Good in a Resurrection Body WITHOUT rewards or blessing for eternity.
    - iii. The difference between these 2 is ATTITUDE toward Bible Doctrine.
- D. Really Life is:
1. Blessings in time from God for the believer in Maturity Adjustment to the Justice of God.
  2. Blessings in eternity for the believer who reached and held the Status Quo Super Grace in time.
  3. ALL Believers have Eternal Life and NO believer can lose his salvation for any reason.
  4. However there will not be equality in heaven but there will be peons and those who reached Ultra Super Grace and glorify God forever.
  5. There will be NO regrets but no extra reward or blessings for the rank and file believer who never advanced in the Spiritual Life but was in reversionism and died the Sin Unto Death.
  6. If a believer rejects or neglects Bible Doctrine then they will wind up without blessing for eternity but still in heaven.
  7. YOU MUST HAVE Bible Doctrine daily as it is more important than the food you eat, the things you wear, the place you live, the things you think and NOTHING is nor can be more important than Bible Doctrine.

8. Bible Doctrine MUST be your life and if it is not you will never know in this live in time what divine blessing is nor will you ever learn what it is in heaven.

E. Summary:

1. The reality of life is bound to the soul's capacity for life.
2. There is no capacity for life apart from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
  - i. You will be peon now and one in heaven.
3. With maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul as the basis for capacity for life or what is really life the believer in Maturity Adjustment to the Justice of God can enjoy the benefits of grace in both time and eternity.
4. There is no status symbol nor blessing associated with happiness which can produce happiness apart from capacity for life resident in the Stream of Consciousness of the Soul from maximum Metabolized Bible Doctrine in the soul.
5. You will never enjoy what you have without capacity for life from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
6. You will always be looking around for something more or better unless you have capacities from Super Grace.
7. These capacities are part of Cat I in Super Grace blessings.
8. Capacity MUST come before the blessings.
9. The capacity for love must come before Category II or III love.
10. The capacity for wealth and success must come before money, prominence, promotion and wealth.
11. The capacity for Happiness must come before the accourdaments of happiness.
12. The capacity for life must come before divine blessings in life.

**1Tim 6:18**

**v18: but, beginning in Maturity Adjustment to the Justice of God Super Grace and continuing through maturity, keep on being a producer of intrinsic or Divine Good, in order that you might be rich in Divine Good production, in honorable deeds, to be generous with love, manners, money, all things related to capacity for life, and liberal in giving of money.**

**1Tim 6:19**

**v19: therefore continually accumulating and storing up treasures of surpassing grace for eternity from Status Quo Super Grace, for themselves an honorable foundation for the future, in order that they may seize, take hold of the blessings of Surpassing Grace of what is really life.**

**Lesson #112      Series # 467      1Tim 6:20**

- I. The Charge to the Ministry of Pastor Teacher.
  - A. This is designed to support and reinforce all Pastor Teachers especially the wimpy ones and bring vital information to the whole Royal Family of God.
  - B. The Warning to Super Grace Pastor Teachers here Timothy at the lowest point of his life in reversionism.
    1. Timothy is encouraged to constantly for the rest of his life be alert and guard or defend the doctrine he has been entrusted with.
    2. This guarding occurs through the consistent function under the Grace Apparatus for Perception for all of the Royal Family of God and communication of this doctrine to the congregation by the Pastor Teacher.
- C. Doctrine of Deposits:
  1. Definition:
    - i. (gr) Paratheke == prep - Para == beside or by the side of + verb - Tithemi == to put or place == to place something by the side of something
    - ii. In the ancient world the banking system was such that a person had an urn or box or chest which was placed beside his other chests in the particular bank vault and this was the "deposit".
    - iii. This is similar to our system of deposit aside from our system of paperwork.

- iv. The person who did business all over the roman empire would have a bank in every city of every province of the empire for depositing his money and he could send monetary credit to these places to do business with.
- 2. In our passage and others Paratheke is used for “spiritual truths”.
  - i. Believer makes a deposit with the lord at Salvation Adjustment to the Justice of God **2Tim 1:12**
    - a. When a person makes Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone this is in effect making a deposit based on a minuscule amount of faith in Jesus of Nazareth, the Christ.
    - b. This deposits YOUR LIFE in the hands of God in the Plan of God of GRACE forever.
    - c. This deposit is totally secure thus we have the principle of Eternal Security.
    - d. This deposits results in a total dependence on the character of God with regard to salvation and on the Plan of God that this salvation is preserved.
  - ii. It is the quintessence of arrogance to assume that you can commit a sin or have any failure which is greater than the Plan of God.
    - a. No one can fail in any way which has not been anticipated and resolved by the Plan of God.
    - b. The Plan of God is far greater than any sin or failure on our part.
    - c. It is therefore IMPOSSIBLE to lose this salvation.
- 3. Approaches to Eternal Security:
  - i. Positional Truth – At the point of Salvation Adjustment to the Justice of God God the Holy Spirit does 5 parts of the 39 irrevocable assets for our Spiritual Life.
    - a. One of these is the Baptism of God the Holy Spirit where by he enters us into permanent union with Jesus of Nazareth, the Christ in session with God the Father.
    - b. This is Eternal Security and basis for formation of the Royal Family of God. **Rom 8:38-39**
    - c. We live in the palace of God forever and we are in union with Jesus of Nazareth, the Christ and this is a distinction between us and others who were believers in other dispensations.
  - ii. Logical Truth – **Rom 5:8:32** gives us the Afortiori principle that if God did the MOST for us in providing the potential for Salvation Adjustment to the Justice of God then he can easily do anything else for us after Salvation Adjustment to the Justice of God.
    - a. **Rom 5:8:32** MUCH MORE occurs 5 times
    - b. When Jesus of Nazareth, the Christ was on the cross accepting the imputation and judgment of our sins in substitution for us this was his doing the most for us.
    - c. Now he can only do much more than the most **Rom 5, 8:32**
    - d. Having already done the MOST for us through is Substitutionary Spiritual Death he can only give us much more ie: ‘All things’.
    - e. Since he can only give more it is impossible for anyone to LOSE his salvation.
    - f. Divine Discipline may HURT but this is NOT loss of salvation but in fact is a sign of LOVE since “whom the lord loves he Chastens”.
  - iii. Metaphorical Approach – The anthropomorphism of the Hands of God.
    - a. God does not have hands as we think of them but in **Ps 37:24, John 10:28** we see that even though we stumble and fail God upholds us with his hands.

- b. In other words God has his hand on us and NEVER LETS GO.
    - c. We can let go of him all we want to but this changes nothing.
  - iv. Reversionistic Approach – **2Tim 2:12-13**, even if we renounce Jesus of Nazareth, the Christ you cannot reverse or change it still having eternal salvation and Eternal Security.
  - v. Family Approach – **John 1:12, Gal 3:26**, We are the sons or children of God by faith in Jesus of Nazareth, the Christ.
    - a. We are born into the family of God through faith alone in Jesus of Nazareth, the Christ alone and cannot ever get out of it just like we are born into our human family and cannot ever get out of that either.
    - b. Happiness does not depend on children and you can either have happiness OR children NOT both.
    - c. Our volition was not involved at birth and it is not ever involved thereafter and you are always in the same family.
    - d. You can change your name or come up with a pseudonym but this does not change your family.
  - vi. Inheritance Approach – We as believers in Jesus of Nazareth, the Christ have an inheritance which is incorruptible and undefiled which does not ever fade away.
    - a. It is preserved forever in heaven for us as believers in Jesus of Nazareth, the Christ.
    - b. Our inheritance is BACKED by God himself and having this inheritance we CANNOT lose it no matter what we do.
  - vii. Sovereignty Approach – **2Pet 3:9** God wills that all members of the Human Race be saved and once you choose to acquire Salvation Adjustment to the Justice of God YOU CANNOT GO BACK AND CHANGE THE Will of God.
  - viii. Body Approach – **1Cor 12:21, Col 1:18**, where we are members of the body with Jesus of Nazareth, the Christ as head.
    - a. No way can members of the body be separated from the head.
  - ix. Sealing of God the Holy Spirit – **2Cor 1:22, Eph 1:13, 4:30**, God the Holy Spirit seals us as a guarantee of Eternal Life and this seal cannot be broken.
    - a. This is a divine seal of God the Holy Spirit and nothing can break it.
  - x. Greek Tense Approach – **Eph 2:8-9**, perfect tense of verb Sozo = The dramatic perfect which is the intensive perfect dramatized where this is a completed action which goes on forever.
    - a. “For by grace have you been saved in the past with the result that you keep on being saved forever”.
- 4. Warning to all unbelievers:
  - i. If you choose to believe in Jesus of Nazareth, the Christ you better consider that IF you do believe in Jesus of Nazareth, the Christ you will have Eternal Life forever and will live with him forever in a Resurrection Body and stay out of the Lake of Fire and live with people without any scrap of Human Good and Legalism.
- 5. God makes a deposit of Bible Doctrine in the Believer:
  - i. We make the faith deposit with God at Salvation Adjustment to the Justice of God and God turns right around and makes a deposit with each of us as believers.
  - ii. This is Bible Doctrine resident in the soul.
  - iii. All other Bible Doctrine is preserved in the written word, the scripture of the Old Testament Scripture and New Testament Scripture to be transferred to your soul. **2Tim 1:14, 1Tim 6:20**
  - iv. This deposit is made through the doctrinal teaching of the Pastor Teacher **1Tim 6:20-21**

- v. The mechanics of the Grace Apparatus for Perception has every believer under positive volition to Bible Doctrine in the Royal Family of God has a right Pastor Teacher.
  - vi. This right Pastor Teacher for each believer is his ONLY Pastor Teacher and he is not to be compared with anyone else and he may be not pleasing to you nor comply with your standards but he is YOUR Pastor Teacher.
  - vii. NEVER EVER compare one pastor or bible teacher or professor with another.
  - viii. Your right Pastor Teacher is the means of making this deposit of Bible Doctrine into your Stream of Consciousness of the Soul.
  - ix. There is only ONE right Pastor Teacher for each believer and he is neither better or worse than any other Pastor Teacher he is simply your right Pastor Teacher.
  - x. Never compare never discuss the good bad or ugly about any pastor.
  - xi. You have no right to make comparisons in this area and when you do you receive a subtle warning then intensive and it is triple compound Divine Discipline.
  - xii. Timothy was ordered to guard the deposit of Bible Doctrine in his soul already he having studied and learned it in the past and NOW the Pastor Teacher after having studied and learned the Bible Doctrine must teach it communicating it to his congregation under strict academic discipline.
  - xiii. **Acts 17:2-3** The deposit is made through the mechanism of teaching.
6. The Super Grace believer makes a deposit in Phase II of the Plan of God in time. **1Pet 4:19**
- i. The production of Divine Good which is made by the believer in Maturity Adjustment to the Justice of God is a deposit with God.
  - ii. The use Bible Doctrine in adversity makes it possible for the Super Grace believer to produce Divine Good in adversity.
  - iii. Principles:
    - a. The devils world is UNFAIR and PREJUDICED, NO believer should ever be blessed by the devil.
    - b. Some believer are rewarded by Satan in reversionism.
    - c. Battleground in this stage of the Angelic Conflict is the soul.
    - d. Consequently some believer in Maturity Adjustment to the Justice of God Super Grace staying away from reversionism always endure maximum pressure in the world of Satan, this is SUFFERING in Super Grace.
    - e. God permits a certain amount of adversity in the life of the believer in Maturity Adjustment to the Justice of God since it is ONE way to produce Divine Good.
    - f. In maximum use of the Faith Rest Drill (4 categories) which is maximum application of Bible Doctrine in the Stream of Consciousness of the Soul road blocks are therefore removed by suffering, certain believers under pressure suffering according to the Will of God must deposit their souls with Jesus of Nazareth, the Christ who has the faithful creator has provided, dying grace and surpassing grace as the reward.
    - g. This is therefore a Martyrs Verse as well, and certain believers reach Maturity Adjustment to the Justice of God Super Grace and have some blessings and then get the whole realm of adversity and go out of this life in dying grace as a martyr.
    - h. By depositing their soul with the lord in time of maximum pressure, persecution and suffering, the believer in Maturity Adjustment to the Justice of God glorifies God to the maximum and produces in a short time enough Divine Good to receive fantastic decorations for all eternity.
    - i. This is the application of Bible Doctrine under pressure that the maximum use of the Faith Rest Drill (4 categories) whereby roadblocks are removed

provides both dying grace and fantastic extra blessings forever. **Ps 55:22, 1Pet 5:7**

- j. God has a plan of great adversity for some in Super Grace Status Quo whereby they produce maximum Divine Good under pressure with results which are phenomenal.
7. The Pastor Teacher or the seminary professor makes a deposit with his ministerial students who have the gift of Pastor Teacher.
  - i. They receive their first training in the local church and may or may not receive formal training in a seminary **2Tim 2:1-2, 1Tim 1:18**
    - a. Paul was the theological professor of Timothy and he learned the Bible Doctrine from Paul with many other students.
    - b. He is to deposit this teaching information with other faithful men as the seminary function is continued in the local church who will then be able to teach others also.
    - c. There are to be no gimmicks of witnessing to 10 who each go witness to 10 more etc.
    - d. This is the Pastor Teacher who teaches in such a way to initially prepare the gifted men for the ministry of Pastor Teacher themselves.
  - ii. Jesus of Nazareth, the Christ taught the disciples under the principle of paratithemi **Matt 13:24, 31**
    - a. What Jesus of Nazareth, the Christ taught in a parable they were to go out and teach to others, in Israel.
- D. The Pastor Teacher is to avoid or turn away from false teaching and polluted doctrines.
  1. This is the Pastor Teachers failure to teach in an expository manner.
  2. There is no substitute for verse by verse teaching whereby the content of scripture and its doctrines, principles, promises and blessings and applications are taught to the Royal Family of God.
  3. Timothy had been neglecting such teaching and was following philosophical speculations and was totally unprepared to properly teach doctrine.
  4. This is similar to transcendentalism today.
- E. Failure of the pastors as an expression of failure in any generation thus Pastors in reversionism.
  1. The reversionistic pastors have defected into gnosticism and hearacys which vary in each day and generation.
  2. Gnosticism is a syncretism a collective set of hearsy we have today.
  3. Gnosticism continues under different names in many forms and every cult is tainted with some type of Gnosticism and in fact that would be a good dissertation in the 20<sup>th</sup> and 21<sup>st</sup> century and trace it into every cult.
  4. At least 50 of the worlds religions have it also.
  5. This occurs because certain pastors get off of the proper path of Bible Doctrine, getting some concept which is contrary to true Bible Doctrine.
  6. This occurs when the Pastor Teacher stops regular studying and then gets into reversionism and the vacuum of his soul then picks up Gnosticism wherever it is found.
  7. Therefore BEWARE of the Pastor Teacher who does not teach verse by verse, word by word and many do not because this is WORK and requires DAILY Study for the rest of a pastors life.
- F. As the Pastor Teacher moves through stages of reversionism by neglecting his studying and moving through apostasy into reversionism
  1. for the Pastor Teacher and the believer in the Royal Family of God the bottom line is if you find you are still alive then you need to pay attention to this and get back with Bible Doctrine.

**v20: Oh Timothy, constantly be on the alert, guard and defend your deposit of Metabolized Bible Doctrine in your Stream of Consciousness of the Soul. Turn away from or Avoid polluted false doctrinal teaching and empty messages or discourses which are not following scripture and is not expository and does not expositively teach Bible Doctrine from the scripture, and also keep avoiding oppositions from philosophical knowledge such as speculative Gnosticism, from falsely categorized knowledge.**

**1Tim 6:21**

**v21: which falsely categorized knowledge, certain ones, reversionistic pastors, through professing, preaching or proclaiming have deviated, departed from, missed the mark, gone astray concerning THE DOCTRINE, or swerved around THE DOCTRINE, The Grace with you.**

**END of First Timothy**
