

Titus

Lesson #1

Series # 470

6/6/2019

Tit 1:1, 2Cor 7:

- I. Depression:
 - A. Paul was at one time depressed so we can all be depressed.
 1. The causes of depression range from physiological to spiritual and in the spiritual realm from pressure from the Angelic Conflict to Divine Discipline.
 2. Paul was relieved this depression by a discussion with Titus.
 - B. You can find comfort in fellowship with other believers in their presence by being with them.
 - C. The Corinthians rebounded and started to respond to Bible Doctrine and they were comforted by this function.
 1. When they were comforted then Titus was comforted and when Titus was comforted and returned to Paul then Paul was comforted.
 2. Titus was happy and it immediately rubbed off on Paul and Titus was happy because the Corinthian believers responded to Bible Doctrine.
 - D. How can you be happy and in the middle of the front lines of the 1st century Angelic Conflict.
 1. Titus had a completed Edification Complex of the Soul and he lived on Bible Doctrine and had a strong Right Lobe of the Stream of Consciousness of the Soul.
 - E. The difference between Titus and Timothy:
 1. Both went to Corinth but Timothy Failed.
 - i. Timothy took in Bible Doctrine and was enthusiastic about Bible Doctrine and had transferred much of it to the Right Lobe of the Stream of Consciousness of the Soul.
 - ii. Timothy however had a Mental Attitude Sin cluster which broke him.
 - iii. Fear is a Mental Attitude Sins and Timothy was a coward but we know he got over it.
 - iv. We know this because when Timothy walked into Corinth and had the Metabolized Bible Doctrine that Timothy had and still could not get the church in line this demonstrates something was wrong and his failure was cowardice.
 - v. He would not stand up and look people in the Eye and level with them about their situation spiritually.
 2. Titus just like Timothy learned Bible Doctrine and cycled it into the Right Lobe of the Stream of Consciousness of the Soul as Metabolized Bible Doctrine but Titus had GREAT Moral Courage.
 - i. Titus used the letter of 1st Corinthians and started right in to analyze it for them hitting them square between the Eyes with it.
 - ii. The problem with ministers today is that the overall LACK moral courage but think they must be nice to everyone and appease to and appeal to everyone and not follow the strict doctrinal line on issues.
 - iii. Titus did not win popularity contests but he did his job right and the breakthrough came when these believer finally woke up and responded to the doctrine.
 - iv. One of the keys is that these people began to REBOUND consistently and TITUS straightened them out.
 - v. As these believers responded to BIBLE teaching as he taught 1st Corinthians Titus began to have GREAT inner happiness.
 - vi. As a result of his moral courage and teaching of Bible Doctrine he had great inner happiness because of RESPONSE to Bible Doctrine.

- F. The believer does not respond to Bible Doctrine in the Human Spirit but this is where Bible Doctrine is received by the believer under the ministry of God the Holy Spirit and the Pastor Teacher.
 - 1. Titus learned the Bible Doctrine inhaling it into the Human Spirit and then the Right Lobe of the Stream of Consciousness of the Soul and was now exhaling it to the Corinthians.
 - 2. When you Exhale Bible Doctrine it is a source of refreshment.
- G. Paul had actually praised the Corinthians despite the terrible things they were saying about him.
 - 1. Paul is not ashamed to have bragged about the Corinthians and no Pastor Teacher should ever be ashamed about bragging about his congregation IF he has taught them properly.
 - 2. Paul boasted to Titus that the Corinthians would respond to Bible Doctrine and the response came and his boasting about them proved to be true and stands.
- H. Titus developed a great affection or emotional rapport with the Corinthians as they responded to Bible Doctrine
 - 1. He had a great Esprit De Corps with them as well.
 - 2. The Corinthians responded so well that their response would never be forgotten by Titus.
 - 3. You can be benefited by certain memories of great team service or friendships or close relationships.
 - 4. The Corinthians concentrated on the teaching of Titus and were agitated in their minds being very often upset with him about his teaching but they responded to his authority with obedience and this is why Titus developed a great loyalty to them and great affection for them.
- I. The result of this response by the Corinthians in both Paul and Titus was a great inner happiness.
 - 1. Paul started writing this chapter and was depressed but having heard from Titus of the response of the Corinthians he was not filled with an inner happiness.
- J. As a result of this response in Corinth, Titus had a great bible teaching ministry but also a great Right Lobe ministry to Paul.

2Cor 7:13

v13: For this reason, because of this, we have received and keep on being comforted by the coming of Titus. Also on the basis of your comfort besides our own comfort we rejoice and more abundantly have inner happiness on the basis of the inner happiness of Titus, because his human spirit has been again refreshed from above from the ultimate source of you all.

2Cor 7:14

v14: For if I have in the past, which I can now continue with, boasted or praised or given laudatory testimony to him on behalf of you, and I have, I am not ashamed; we communicate all things to you in truth even so our boasting before, Titus has found to be or proved true.

2Cor 7:15

v15: And his inner affection, emotional rapport and great loyalty keeps on being more abundant day by day toward you, your having responded to Bible Doctrine, as he benefits from remembering again and again the obedience and respect for his authority of you all, associated with the concentration and agitation of mind with which you received, accepted and embraced his ministry.

2Cor 7:16

v16: I rejoice and have inner happiness therefore, because I now have perfect confidence in you all that you will stick with solid Bible Doctrine teaching, though it was not possible in the past.

II. Introduction:

- A. Crete was very famous in the ancient world and is a source of great information regarding civilizations and philology of languages and of anthropology.
 - 1. 2 Great civilizations in Crete and one burned their dead and one buried their dead.
 - 2. This is a great clue in the study of anthropology and catastrophes.
 - 3. One of the greatest cataclysmic events of all history occurred 70 miles from Crete and was much greater than Krakatoa.

4. It is the stepping stone between Europe and Africa and How philistines came to be in the land of Canaan and how Egyptian Influence was found in areas outside Egypt.
 5. Crete has a lot to do with Who the Etruscans were which is still being asked.
- B. Since Pentecost there had been believers on Crete Acts 2;11 but they were not organized into local churches and had not leadership of Pastor Teacher or bishops.
1. Paul became aware of this situation and stopped on Crete as he went to Rome **Acts 27:7-13**.
 2. He was not there long enough except to get an idea of the situation there and on his first release from his first imprisonment in Rome he took a 4th missionary journey.
 3. Toward the end of this trip he went to Crete accompanied by Titus **Tit 1:5**
 4. Titus was a trouble shooter and Paul left Titus there and he went on to Macedonia.
 5. Titus remained there until this epistle was written and then departed for Dalmatia but that was about a YEAR later. **2Tim 4;10**
- C. Resume of Titus:
1. He was one of the theological students of Paul **Tit 1:4**
 2. He was sent by Paul as a trouble shooter to straighten out Corinth after Timothy's failure **2Cor 2:13**
 3. He straightened out Corinth and then joined Paul in Macedonia and turned Paul's depression into great inner happiness. **2Cor 7:5-7, 13-16**
 4. Between his first and 2nd Roman imprisonment Paul and Titus visited Crete **Tit 1:5**
 5. Titus is sent to Dalmatia 2Tim 4:10 a year later.
 6. Prior to all this Titus had been a test case in Jerusalem Gal 2:1-3, he was a gentile.
 7. (Speculation) there is some possibility that Titus is a brother of Luke and might explain why Titus was not mentioned in Acts by Luke.
 8. Historical tradition indicates that Titus later returned to Crete and lived there until he died of a ripe old age as their Bishop.
- D. Background of the Epistle to Titus
1. Written between 66-67 AD from Nacopolis before Paul was arrested the 2nd time
 2. The occasion of the epistle is more instruction to Titus regarding the organizing of the churches in Crete.
 3. To also advise Titus that he is sending him help in Zenus and Apollos.
 4. To also warn Titus that there are a lot of iterate false teachers going to Crete to make life miserable for him.
- E. Outline of Chapter I: Christian Leadership
1. v1-4 the Salutation
 2. v5-9 the Appointment of Pastor Teacher & Bishop church Leadership
 3. v10-16 the Necessity of that leadership
- F. Paulos is a Roman sir name and never used as a prinomen.
1. Paul's Prinomen was Saul
 2. Romans had a technical naming system
 3. Prinomen
 - i. The name given to the Roman child at birth
 - a. Gaius
 - b. Publius
 4. Nomen
 - i. The name of his Tribe
 - a. Julius the tribe of Julian a very aristocratic tribe

- b. Cornelius another aristocratic tribe
 - 5. Cognomen
 - i. The name of his family
 - a. Caesar
 - b. Scipio one of the most famous families of the republic of Rome.
 - 6. Many people think that Paulos or Paul was a name given to Saul after his salvation but it was actually his Family Name.
 - i. This name became his at the the point of his Roman citizenship.
 - ii. His father was a Roman citizen also and how far back in this family citizenship goes is not known.
 - iii. Paul was BORN a Roman citizen and a Jew by race and appeared to be a fighter from the beginning he was also given the name SAUL which was a fighting name among the Jews.
 - iv. His name was Saulus Paulos in Roman tradition and he has not middle name because he was not connected with one of the original Roman tribes
 - v. This is not unusual and in the bible we have Sergius Paulos but he was NOT a Jew
 - 7. Paulos actually means little and this man will be little and use of God in a marvelous way and Little indicates the IMPORTANCE of GRACE.
- G. Paul considered himself a SLAVE to God
1. Most people do not recognize that Paul in writing this about himself had a GREAT SENSE OF HUMOR.
 - i. Paulos Dulos means he can laugh at himself and is therefore very relaxed and under the Filling of God the Holy Spirit can effectively write doctrine.
 - ii. Calling self Paulos Dulos as a FREE Roman Citizen is a truly funny paranomasia.
 - iii. No Roman citizen would ever call himself a Dulie unless he had some great reason for it and here Paul is going to write about a serious critical matter in Christian leadership and has a sense of humor about it.
 2. Paul is calling himself Dulos because he is in the Church Age and because:
 - i. He is in union with Jesus of Nazareth, the Christ
 - ii. He is indwelt by Jesus of Nazareth, the Christ
 - iii. He is indwelt by God the Holy Spirit
 - iv. All as we are
 - v. The Dulos is made by positional sanctification and universal indwelling of God the Holy Spirit and Jesus of Nazareth, the Christ and God the Father.
 - vi. Paul did not come from any tribe which had claim to the priesthood of Israel he was not a LEVITE.
 - vii. Paul was from the fighting tribe of Benjamin which had great fighters.
 - viii. This fighting son from many fighters from the tribe of Benjamin is NOW a priest.
 - ix. He could look at the whole Levitical priesthood offering animal sacrifices and laugh and tell them look I am from Benjamin and a fighter but I am a Royal priest in this Church Age.
 - x. The interesting thing is that we also are priests and we must understand and us this.
 3. Paul also knew he was an ambassador for Jesus of Nazareth, the Christ on this earth personally representing Christ to the world ruled by Satan and SO ARE WE.
 4. Paul had the word of God in writing and WE have it completed in writing.
 5. Paul was in full time Christian service and SO ARE WE EACH BELIEVER.

6. We are therefore all Dulies in full time Christian service and therefore we are all Dulos but with different spiritual gifts.
 7. Whether we can function under the Filling of God the Holy Spirit we must grow to Maturity Adjustment to the Justice of God and build our own Edification Complex of the Soul before we can function properly.
- H. God made Paul the Dulos Slave
1. Paul was a tough dulie to catch and was caught on the Damascus Road just before he was going to slaughter all the Christians in Damascus.
 - i. It is an interesting speculation to think about all the Christians Paul killed in Jerusalem and that they were most likely all legalists and he was most likely wiping out the first batch of legalists.
 - ii. Paul had a real guilt complex about this and he had killed a lot of Christians and in fact made Nero look pitiful when it came to killing Christians.
 - iii. Paul did a nice clean job of it by slicing their throats but Nero was messy and in fact insane and delighted in torturing them to death.
 - iv. He was on his way to Damascus and was going to wipe out every Christian there and had letters of recommendation for this purpose from the san hedron.
 2. He met the Lord on the road and was knocked down by LIGHT and never recovered and as his life went on he began to reflect that light.
 - i. This shows again his fantastic sense of humor his being a Dulos from the source of GOD.
 - ii. Believers especially in Jerusalem never got over his former function having killed many of them.
 3. In addition in the Christian hierarchy he was also an APOSTLE which was as high as one could go and equivalent to a 5 star general.
 - i. This was another point of irritation for Jerusalem believers his being a top dog in the church.
 4. Apostelos is a attic Greek word meaning an admiral of the fleet, the senior flag officer, the one who had supreme command in the fleet, it is a spiritual gift meaning absolute authority, dictatorship, he was a field marshal of the early church.
 5. He was a Dulos but God gave him a special gift of maximum leadership and authority.
- I. Characteristics of an Apostle:
1. They were elected by God in his plan **Rom 1:1**
 2. They were appointed by God the Holy Spirit **1Cor 12:11**
 3. No apostle to the church was appointed until after the Ascension of Jesus of Nazareth, the Christ **1Cor 12:28, Eph 4:11**
 4. An apostle had to be an Eye Witness to the resurrected Jesus of Nazareth, the Christ and Paul qualified on the Damascus Road **1Cor 9:1, 15:8-9**
 5. Just so no one would get to strongly in opposition to an apostle he had special gifts:
 - i. Miracles **Acts 5:15, 16:16-18, 28:8-9**
 - ii. He could turn any believer over to Satan for the Sin Unto Death 1Cor 5 and therefore it just did not pay to get snotty with an apostle.
- J. Doctrine of Inspiration:
1. God the Holy Spirit so directed the writers of scripture that without waiving or setting aside their human intelligence, individuality, vocabulary, literary style, personal feelings or

any other factor; God's complete and coherent message and plan was recorded with perfect accuracy IN THE ORIGINAL LANGUAGES.

i. Hebrew, Chaldean, Koine and Classical Greek

K. Faith is the first function of the Grace Apparatus for Perception.

1. Bible Doctrine is communicated
2. It is understood by means of the Filling of God the Holy Spirit
3. It is accepted by Faith into the Human Spirit

Lesson #2 Series # 470 6/8/2019 Tit 1:1

I. God has a message in all of the scripture including Titus

A. God has a messenger and God the Holy Spirit provides in the perceptive part of the brain the Human Spirit the information of Bible Doctrine. (ff)

1. This is cycled under the Filling of God the Holy Spirit into the left Lobe of the Stream of Consciousness of the Soul as KNOWLEDGE or Gnosis.
2. This information then is cycled by faith into the Right Lobe of the Stream of Consciousness of the Soul where it becomes epignosis and is then cycled through the Right Lobe to take on the vocabulary and personality and characteristics of the individual.
3. From the Right Lobe of the Stream of Consciousness of the Soul it is exhaled out of the Right Lobe of the Stream of Consciousness of the Soul in writing to the recipients.

B. Paul is the writer and the recipient is Titus in Crete and the information which comes out in written form is exactly what GOD wanted recorded as part of the Canon of Scripture.

1. This information takes on the vocabulary, personality and characteristics of the writer.
2. God therefore uses the personality, vocabulary, thought patterns, individuality, literary style, personal feelings and any other factor so that his complete and coherent message is recorded OR communicated with perfect accuracy in the words of the original language.
3. These words bear authority of Divine Authorship.

C. God does not change personalities and we need to learn this from Inspiration.

1. Humans like to change their personality finding self compatible with some and incompatible with others.
2. If you have any preconceived notions as regards spirituality it is very often desirable to line up a series of personal characteristics regarding personality and call this spirituality.
 - i. Sweetness, Smiling, Never vulgar, quiet, etc.
3. We often construe personality as being a measure of spirituality and this is totally UNTRUE.
4. When you find Christians trying to change their personality or that of others this is a terrible mistake and when it concerns trying to change others it is evil.
5. It is amazing to see how God uses all sorts of personalities in his plan.
6. The differences between Paul and John in the area of personality is truly amazing and God used these 2 men and their totally different personalities in very different ways as authors of scripture and as men whose lives counted in very different ways but without altering their personality..
7. This is obvious in reading the Gospel of John vs the Epistle to Titus in Greek that there are amazing differences in these 2 personalities.
8. Personality change is not part of Christianity although there are changes which must come in the thought patterns of the believer as he matures under the Grace Apparatus for Perception.
9. Paul is a HARD NOSED type writing to another HARD NOSED type in Titus.

10. When Paul wrote to the Galatians and Corinthians he was very very tough and dogmatic.
11. Paul writing to the Colossians whom he had never seen he soften up a bit.
12. However, Paul writing to Titus is like this is the happiest thing I have ever done and I can give information to him and he will follow through and I can TRUST him more than anyone else.
13. What you can really enjoy in Titus is how ONE man writes to another MAN with whom he is totally compatible.
14. This is not the case with Timothy where Paul told him to take a bit of wine for his stomach since the women were making him very nervous.

II. The norms and standards of the written word of God in Bible Doctrine.

A. This is always the Mind or Thinking of Jesus of Nazareth, the Christ which is the norms and standards thus Bible Doctrine.

1. Stages of the Grace Apparatus for Perception: *{(ff) There are some serious discrepancies here with regard to what we now know as Operation Z so I attempted to correct them}*
 - i. Stage I == Operation ICE the communication of Bible Doctrine from the Pastor Teacher to the congregation, Isogogics, Categories, Exegesis.
 - a. This goes into the Human Spirit and then the Left Lobe of the Soul and is understood as GNOSIS doctrine.
 - ii. Stage II == Perception of Bible Doctrine – UNDERSTANDING THE COMMUNICATION OF BIBLE DOCTRINE.
 - a. When a Bible Doctrine is being taught and an exegesis is being provided or communicated you are not required to AGREE nor DISAGREE.
 - b. Objectivity in learning demands that you simply understand what is thought not agree or disagree.
 - c. As soon as some word of concept is elucidated some believer shut down their concentration and disagree with whatever it is.
 - d. This often occurs if expletives are used or 4 syllable words are used for which they lack understanding.
 - e. We are not required to agree or disagree as the recipient of Bible Doctrine but under the ministry of God the Holy Spirit simply to UNDERSTAND WHAT IS COMMUNICATED.
 - f. Once you understand then you can say YES or NO.
 - iii. Stage III == The transfer of Bible Doctrine from the Left Lobe of the Soul to the Right Lobe of the Stream of Consciousness of the Soul by faith and the ministry of God the Holy Spirit.
 - a. This is where the believer can say YES and accept this Bible Doctrine as EPIGNOSIS Doctrine
 - b. or NO and reject the doctrine (Watch out for this!)
 - c. Epignosis is first stored and then cycled through the norms and standards and all parts of the Right Lobe of the Stream of Consciousness of the Soul
 - d. This includes Exhale out of the Stream of Consciousness of the Soul as application and storage and building of the Edification Complex of the Soul.
2. Faith here in v1 is the standard by which we understand Bible Doctrine taught by the Pastor Teacher provided into our Human Spirit by God the Holy Spirit and moved to the Left

Lobe of the Soul for GNOSIS understanding as academic knowledge and into our academic knowledge storage or memory.

- i. If we have accepted this information as TRUTH then it cycles into the Right Lobe of the Stream of Consciousness of the Soul by Faith under the Filling of God the Holy Spirit and this is where we commit this information into our memory and categorized as Epignosis or USEFUL Bible Doctrine for application to experience.
 - ii. As we store information in the memory center of the Right Lobe of the Stream of Consciousness of the Soul and categorize it, it becomes available for use in all situations of life.
 - iii. This is where the norms and standards and Frame of Reference are set up and when we cycle the Metabolized Bible Doctrine through the Right Lobe of the Stream of Consciousness of the Soul we are then able to form attitudes and discernment and expressions of these doctrinal principles in your life.
3. Lack of Faith at the point of Gnosis or lack of accepting that doctrine cuts off the usability of the Bible Doctrine and comes from several sources.
- i. Principle of personality conflict with the communicator
 - ii. Principle of contrary background information learned earlier in life.
 - iii. Principle of Negative Volition from lack of Frame of Reference.
 - iv. This causes a short circuit which cuts off Gnosis from becoming epignosis and Mental Attitude Sins play a large part in this short circuit.
4. The Grace Apparatus for Perception is the only way to orient to the Plan of God.

III. The Plan of God from the standpoint of Election:

A. Elect == Chosen as the recipient of SPECIAL PRIVILEGE.

1. This is EVERY believer in the Church Age all who are in the Plan of God, who are Royal Family of God.

B. Doctrine of Election:

1. All members of the Human Race are potentially elected to the Plan of God as a result of the doctrine of Unlimited Atonement. 1Tim 2:10
 - i. This is POTENTIAL they are not all in the Plan of God.
 - ii. In reality only those who make Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone actually enter into the Plan of God as Royal Family of God.
2. While the Human Race is potentially elected in time Jesus of Nazareth, the Christ was elected in Eternity Past **Is 42:1, 1Pet 2:4+6** as a part of the Divine Decree
 - i. God the Father authors the plan
 - ii. God the Son executes the plan
 - iii. God the Holy Spirit reveals and empowers the plan.
 - iv. Thereby in Eternity Past during the Plan Conference Jesus of Nazareth, the Christ was Elected in Hypostatic Union long before the Hypostatic Union became historical.
3. The election took place as a part of the Eternal Life conference and is part of the divine decree **John 15:16, Eph 1:4, 2Thes 2:13, 1Pet 1:2**
4. Every believer in the Church Age shares the election of Jesus of Nazareth, the Christ through positional sanctification as a result of the Baptism of God the Holy Spirit **1Cor 1:2+30, Eph 1:4, Rom 8:28-32**

- i. Jesus of Nazareth, the Christ was elected in Eternity Past and we being entered into union with Jesus of Nazareth, the Christ at Salvation Adjustment to the Justice of God through the Baptism of God the Holy Spirit now share that election.
 - a. 1Cor 1:2 the Corinthians were said to be elected though they were constantly out of fellowship.
 - b. Eph 1:4 the principle is regarded
 - c. Rom 8:28-32 brings the principle and experience together.
- 5. Election is the present and future possession of every believer, **Col 3:12, John 15:16**
- 6. Election occurs at the moment of Salvation Adjustment to the Justice of God **2Tim 1:9, 1Thes 1:4, 2Thes 2:13**
- 7. Election is the foundation of the church **1Thes 1:4**
- 8. Orientation to election comes through Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul **Titus 1:1**.
- 9. The regenerate Jews of the Age of Israel also had an election as part of the Plan of God. **Rom 11:1-7 comp Deut 32:8**
 - i. The ratio of nations up to the 5th cycle of Divine Discipline depended on the NUMBER of regenerate Jews in Israel.
- 10. *We are to take this information and look up and study the passages in relationship to the points made in the category of doctrine.*

IV. Epignosis Bible Doctrine:

- A. This is Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul as a result of the Filling of God the Holy Spirit and function under the Grace Apparatus for Perception.
- B. Godliness better defined in the study of Timothy as Balance of residence of Metabolized Bible Doctrine and Filling of God the Holy Spirit in the Right Lobe of the Stream of Consciousness of the Soul.
- C. Tit 1:1 is a fantastic start in the function of the Grace Apparatus for Perception and contains all the ingredients for the proper function under the Grace Apparatus for Perception.
 - 1. Stage I == Communicator of Bible Doctrine in the Grace Apparatus for Perception here Paul an Apostle.
 - 2. Stage II == According to the norms and standards of Faith or Bible Doctrine is the transfer of Bible Doctrine from the Left Lobe of the Soul to the Right Lobe of the Stream of Consciousness of the Soul by faith under the Filling of God the Holy Spirit.
 - 3. The Provision of the Grace Apparatus for Perception for the Elect
 - 4. Principle of Spiritual IQ in Epignosis
 - 5. Source of Bible Doctrine located categorically in the scripture to be transferred categorically through faith to the Right Lobe of the Stream of Consciousness of the Soul
 - 6. The basis for the function of the Grace Apparatus for Perception is the Filling of God the Holy Spirit which along with the Grace Apparatus for Perception provides a balance of residence of Metabolized Bible Doctrine and Filling of God the Holy Spirit in the soul of the believer.

V. Stability of the Plan of God:

- A. Once you enter into the Plan of God the believer MUST understand that NO MATTER how badly he fails or how great is his success he is STILL in the Plan of God.
 - 1. It is possible for a believer to fail all his life after Salvation Adjustment to the Justice of God and be saturated with Human Good, Carnality and function totally under the influence of evil.
 - 2. He then departs from this life by means of the Sin Unto Death and STILL BE IN THE PLAN OF GOD.

3. This tells us that when we make this ONE SHOT decision to believe in Jesus of Nazareth, the Christ we had better be SURE we know what we are doing *(which none of us actually truly did).
 4. At the point of Salvation Adjustment to the Justice of God we become the responsibility of GOD and he takes this responsibility seriously and he thereupon enters us into his plan and NOTHING WILL EVER CHANGE THIS.
 5. This is the stability of the Plan of God and is therefore the basis for our Eternal Security.
- B. Hope (gr) Elpis == the utmost confidence or absolute confidence
1. As a believer in Jesus of Nazareth, the Christ we must have confidence in that from Salvation Adjustment to the Justice of God and forever thereafter we have Eternal Life and not even God himself can take this from us.
 2. This is Eternal Security.
 - i. This can be approached from positional sanctification, logic
 - ii. We can review passages as 2Tim 2:13 where we can deny Jesus of Nazareth, the Christ and not lose our salvation.
 - iii. We are born into the Royal Family of God and cannot be UNBORN from it.
 - iv. We have an eternal inheritance 1Pet 1:4-5
 - v. God is sovereign, 2Pet 3:9
 - vi. God the Holy Spirit seals us at Salvation Adjustment to the Justice of God for eternity,
 - vii. Greek languages tenses
 - viii. Church teaching,
 - ix. ETC.
 3. On the basis of our confidence in our Eternal Life is the WORD OF GOD.
- C. God is perfect and his plan is perfect and he is unchangeable and therefore his plan is unchangeable.
1. If his plan is perfect God must GUARANTEE for you from the point of your Salvation Adjustment to the Justice of God and this is Eternal Life
 2. An imperfect God or anyone imperfect would put you on PROBATION and there is no period of probation in the Plan of God and the moment of Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone we are IN the plan forever.
 3. YOU cannot be thrown out but within the framework of the Royal Family of God the believer can be disciplined but even when under Divine Discipline we are still in the Royal Family of God and still have Eternal Life with God.
 4. If we leave this life under the Sin Unto Death we are still removed as a part of the Royal Family of God and still enter heaven face to face with him (How embarrassing this would be).
 5. There is no way around this and there is no reason you should want to get around it.
 6. Many people and some religious denominations keep trying to punch holes in this principle when they should simply sit down and be happy about it.
 7. This proves that people who display these idiotic concepts do not have the capacity to enjoy life.
 8. For the logical believer when they understand that at Salvation Adjustment to the Justice of God they have Eternal Life then this should never be ever doubted.
 9. It is not understandable what goes through the minds of people who cannot accept this ABSOLUTE TRUTH AND ALL THE OTHER ABSOLUTE DOGMATIC TRUTHS OF THE BIBLE.
 10. These people are totally subjective and fear loss of eternal life and have guilt reactions with regard to their failures.

11. We should never consider loss of salvation or it being untruth or any other negative aspect of Bible Doctrine.
 12. NOT one of us have the right to make any pronouncements with regard to whether some other person has any right to have Eternal Life!
 - i. We have not ourselves ever been so good that we could make this type of declaration.
 - ii. This is one Old Sin Nature trying to exclude another Old Sin Nature from this club.
- D. God must give us some stability as part of his Royal Family of God and we all have this glorious thing of Eternal Life in common and we will always have it and NO ONE can ever take it from us.
1. This Eternal Security is the stability of the Plan of God.
 2. When we get some silly guilt reaction to some failure or **even success** we are just a child of God sinning with a guilt reaction but still in the Royal Family of God.
 3. All believers after FAITH ALONE in Jesus of Nazareth, the Christ ALONE have Eternal Life and Eternal Security.
 4. There is no probation and this is where the missionaries make their biggest mistake when witnessing and evangelizing in pristine areas and forcing changes in culture and tradition.
 5. ALL BELIEVERS HAVE ETERNAL LIFE AND ETERNAL SECURITY.
 6. The Plan of God must have stability and no matter the Status Quo of the believer, infant, mature or in between, Carnal or Spiritual every believer has Eternal Life and Eternal Security.
- E. When Eternal Security is a reality in the Right Lobe of the Stream of Consciousness of the Soul through the cycling of Metabolized Bible Doctrine then you have a genuine confidence in the Plan of God
1. You can always have confidence in anyone who tells you the truth and what they think at all times because they do not lie to you.
 2. The NON-Lying God tells us the TRUTH from Salvation Adjustment to the Justice of God on as the fact of our having Eternal Life and Eternal Security.
 3. This is the VERACITY of God whereby God can only tell us the truth and he CANNOT lie to us and when we take in Bible Doctrine if it hits us hard, get over it for it is the TRUTH!
- F. Paul has written this to Titus his troubleshooter who is a man who knows doctrine and understands his Eternal Life and Eternal Security because the people of Crete are always LIARS and DECEITFUL.
1. Titus is dealing with a race of people with incredible weaknesses and are habitual liars.
 2. There are 2 Attic Greek words taken directly from CRETE,
 - i. Cretamazo == to lie like a person from Crete.
 3. The problem with the people of Crete being habitual liars don't believe anyone else and therefore make it very difficult to teach them ABSOLUTE TRUTH.
 4. When lying is a way of life who can you believe since everyone thinks like you do.
 5. In addition the people from Crete were very money conscious and thought that the concepts of Bible Doctrine taught them were simply God trying to Fake them out of their money.
 6. Titus had to bring these people to some point of stability and Paul is telling him to USE the doctrine of Eternal Security to stabilize them therefore hit them with the truth.
- G. We may fool people about ourselves or our intentions from time to time but GOD knew all about each one of us billions of years before creation even occurred in Eternity Past.

1. This is when he designed your counterpart in life, provision for all you would need in life and you never have caught God by surprise and there is no way to shock God since he has a marvelous sense of humor.
 - i. He had to have a great sense of humor before the creation occurred considering what occurred throughout creation.
 2. God is OMNISCIENT therefore what was EVER hidden from God knowing all our thoughts, decisions and actions how can we take him by surprise.
 3. God's underwriting of each believer in Eternity Past is total stability.
 4. God has underwritten Tapes and Pubs and all functions of Berachah in Eternity Past therefore that ministry will continue until it becomes ineffective in the Plan of God.
 5. What person, ministry or church DESERVE to be underwritten by God from Eternity Past? NONE!!!
 6. For each of us as believers in Jesus of Nazareth, the Christ being underwritten and having incredible stability by the underwriting of God, are a product and beneficiary of GRACE from his GRACE PLAN.
 7. People become concerned about facts, figures, income, personal relationships or lack thereof thinking that they have earned or deserve certain things or do not deserve other thing or situations but in fact we never have and never will.
 8. There is incredible stability in being undeserving and being intact and this stability comes from the NON-lying omniscient God.
 9. We can foul up things and God can straighten things out BUT ONLY GOD can bless and when you try to earn or work for his blessing you cannot ever receive or be beneficiary of it.
 10. The Plan of God is GRACE the Policy of God is GRACE and it is ONLY by grace that we receive anything from God.
- H. For Titus this is a statement that in his time in his situation in Crete, GOD underwrote those churches as well.
1. Long before creation ever occurred and long long before man was created God underwrote these churches in Crete for his glory.

VI. Communication of the Plan of God in the Church Age:

- A. First of all Preaching or the gift of Pastor Teacher is committed ONLY to a few men with this spiritual gift.
 1. It is never given to a woman although many beautiful things are given to a woman.
 2. For a woman to be a Pastor Teacher is the most defeminizing thing imaginable.
- B. Titus must search and find those with the spiritual gift of Pastor Teacher and others for Christian leadership.
 1. It seems to actually be there but is hidden under a blanket of carnality and other things.
 2. The problem in Crete is there is NO DOCTRINE being taught.
- C. Divine revelation is based on the Dispensational truth such as for the Church Age in:
 1. Universal Priesthood of every believer
 2. Indwelling of God the Holy Spirit
 3. Indwelling of Jesus of Nazareth, the Christ
 4. ETC all things unique to the Church Age.
 5. Those in Crete have become tied into Judaism and have to be brought up to date.
- D. PREACHING here is public teaching with inculcation:
 1. It is implied that there must be a text book which is the standard for the communication.
 - i. For us the Canon of scripture.
 2. Communication in an authoritative manner referring to the spiritual gift of Pastor Teacher.
 3. It connotes the public reception of that which is taught and the recipients as the royal priesthood of believers.

- i. This is not inculcation person to person but ONE person in AUTHORITY speaking to a number of people publicly emphasizing the privacy of the priesthood under the Grace Apparatus for Perception.
 - ii. This is what Crete was lacking, a local assembly.
 - 4. The importance of public assembly with authority vested in the communicator.
 - 5. The principle of MONOLOGUE in communication or teaching doctrine.
 - i. There is not to be dialogue in the teaching of Bible Doctrine.
 - ii. With the rise of communal living in the 60s and 70s these people always want confrontations where they want to straighten out those they are communicating with through DIALOGUE.
 - iii. Dialogue has never been a source of consistent teaching and learning in all of Human History.
 - 6. This protects the individual believer from bullying and personality dynamics and he can take or reject that which is taught and live it as unto the Lord or NOT.
- E. The Pastor Teacher is entrusted with the Bible Doctrine and spiritual gift to teach that doctrine.
 - 1. The Pastor Teacher is under strict authority and strictly under responsibility to God who is that authority.
 - 2. This means that the Pastor Teacher is under divine authority and has responsibility as a shepherd and that NO ONE can communicate Bible Doctrine without this authority and this is all based on GRACE.
 - 3. Without the Grace of God no pastor can function nor can any person without the spiritual gift.
- F. Jesus of Nazareth, the Christ is the God our savior and is represented by the Pastor Teacher.

VII. The recipient of this Epistle is now mentioned:

- A. Titus was considered by Paul to be the MOST RELIABLE child of faith having a completed Edification Complex of the Soul.
 - 1. Titus has been the greatest beneficiary of the ministry of Paul having a strong Right Lobe of the Stream of Consciousness of the Soul with a phenomenal level of Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul.
 - 2. Titus has phenomenal moral courage, needed to go to Crete, and more than anyone under Paul functioned under the Grace Apparatus for Perception to the maximum
 - 3. HERE is a maximum responder to Paul and Bible Doctrine who becomes a maximal leader.
- B. NO ONE ever becomes a great leader in any field until he is first a good follower.
 - 1. Being a lousy follower will never make a good leader.
 - 2. This is true in any aspect of life and unfair discipline is essential to prepare one for leadership.
- C. The believers in Crete are described as:
 - 1. Insubordinate
 - 2. Loud Mouthed Empty Talkers
 - 3. Mind Deceivers
 - 4. Without qualification as followers to be leaders.
- D. Titus is MOST RELIABLE and has maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul
 - 1. You get this maximum Bible Doctrine and become qualified for leadership BY RESPONDING TO LEADERSHIP.
 - 2. Titus is a leader but was a follower before he was a leader and responded to the maximum level under the Grace Apparatus for Perception.
 - 3. Not Timothy, not Luke (Possibly the Brother of Titus) not any other of Paul's team are up to going to CRETE.
- E. We have a right to ask ourselves to be answered before the Lord as to where we personally fit into the "Reliability Index"?

1. This is answered most objectively by our response to Bible Doctrine where maximum response to Bible Doctrine leads to being MOST reliable and minimal response leads to being unruly and insubordinate.
2. Reliability does not come from being a leader but from being a responder and follower.
3. Douglas MacArthur, George Patton, Robert E Lee, Thomas J. Jackson were GREATEST of Leaders but they all started out as RESPONDERS.
 - i. They all had the experience of strict and unfair discipline and great leaders must start at the BOTTOM of the system.
4. For the believer this is KNOWING 1 single doctrine, YOU HAVE ETERNAL LIFE AND ETERNAL SECURITY and from this you build and only build through the Grace Apparatus for Perception which in itself brings reliability.
5. The DAILY function under the Grace Apparatus for Perception is what determines RELIABILITY BEFORE GOD.

Titus 1:1

v1: Paul a born again Slave from the source of God and an Apostle of Jesus of Nazareth, the Christ, according to the norms and standards of faith or Metabolized Bible Doctrine of God's Elected to Special Privilege ones and the epignosis knowledge of the Categorized Truth of Bible Doctrine, according to the norms and standards of spirituality, godliness of the balance of residence of the Filling of God the Holy Spirit and Metabolized Bible Doctrine in the soul which leads to Spiritual Maturity.

Titus 1:2

v2: On the Basis of Absolute Confident Expectation or anticipation of Eternal Life which The God the Father the non-lying God, promised to undertake or underwrite long before creation in Eternity Past.

Titus 1:3

v3: He made known through repetitive verbal authoritative teaching or communication, in his own due or proper dispensation or times (Church Age Beginning), his word, Bible Doctrine, by means of public teaching and inculcation, with which I was entrusted according to the strict authoritative mandate of God our savior, Jesus of Nazareth, the Christ. (Paul evangelized when the Jews Failed)

Lesson #3 Series # 470 6/12/2019 Tit 1:4

- I. Grace == (gr) Charis == the whole concept and principle of the Plan of God by which he deals with US.
 - A. Apart from grace there is no blessing, happiness nor any relationship with God.
 - B. Peace == reconciliation or what God had to do to provide grace.
 - C. Definition:
 1. Grace is all that God is free to do for man on the basis of the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
 2. Grace is the work of God on behalf of man.
 3. Grace is the subject and title of the Plan of God for mankind.
 4. Grace excludes all human ability and Human Good.
 - D. Concept of Grace:
 1. Grace depends on who and what God is never on who or what man is.
 2. Grace depends on the Essence of God or Character of God.
 3. Grace is a word backed by the Essence of God.
 - E. Issue of Grace:
 1. Grace is opposed by an antithetical principle called Legalism
 2. Legalism is the sum total of Human Viewpoint, Human Good, Human works, Human merit and human ability.
 3. Many times in a local church people have human ability but are not qualified to serve as an officer of the church.
 4. Human ability travels with Human Good and this results in a disorientation to grace.

5. Since every local church which exists is blessed on the basis of grace people with simply Human Ability or a spiritual gift if they are disoriented to the Grace of God.
 6. It is an example of this function when in the local church some want to write a profile of other church workers and keep their salary down and provide nothing extra for them and this is the business Human Viewpoint attitude and these are terrible people to work with being TOTALLY Non Gracious.
 7. Good business administration is very often Human Viewpoint and may work very well in business but WHEN God blesses a local church on the basis of his character, he does not tolerate nor does he condone this type of activity.
 8. Too often people confuse business ability with orientation to GRACE.
 9. There is always an issue of GRACE vs Legalism and when a little legalism gets into a local church it causes a landslide of believers joining the bandwagon.
 10. Legalism has fantastically subtle approaches and these can only be reiterated by a constant teaching and categorizing of GRACE and Grace subjects.
- F. Grace is related to Sanctification:
1. The greatest thing God can do for any believer is to make him like his son, Jesus of Nazareth, the Christ.
 2. This is accomplished in 3 stages of sanctification all related to the Angelic Conflict.
 - i. Phase I == Union with Christ from the Baptism of God the Holy Spirit at Salvation Adjustment to the Justice of God.
 - a. This means that Jesus of Nazareth, the Christ is seated at the right hand of God the Father and therefore superior to all angelic creatures.
 - b. Therefore ever believer by virtue of being in union with Christ is superior to all angels.
 - ii. Phase II == the building and completing the Edification Complex of the Soul and reaching Maturity Adjustment to the Justice of God Super Grace.
 - a. The soul of the believer with the Edification Complex of the Soul has that which is superior to the inner structure of the angel.
 - iii. Phase III == the believer receives his Resurrection Body for eternity.
 - a. This is superior to the angelic body since Jesus of Nazareth, the Christ passed through all the hostile angels on his way to the Right Hand Seat with God the Father.
- G. Entrance Factor for the Plan of God:
1. At the time you make Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone, you taste GRACE for the first time, **1Pet 2:3**
 2. Every believer has passed the point of propitiation **1John 2:2**
 3. Therefore Eternal Salvation is based on grace and though you might never in this life live by grace in any way you have still tasted Grace at Salvation Adjustment to the Justice of God.
 4. Every believer has tasted grace at least one time and will all see GRACE again in eternity.
- H. The occupational Hazard of Grace:
1. Disorientation to grace is the believers greatest occupational hazard in time,
 2. This occurs through Mental Attitude Sins Heb 12:15, and legalistic Modus Operandi Gal 5:4
- I. The divine attitude in GRACE:
1. God is constantly waiting to pour out grace to the believer Is 30:18-19
 2. Volition or ignorance can get in the way of the pouring of grace for the believer.
- J. Scripture dealing with Grace In Phase I: Ps 103:8-12, Eph 2:8-9, Rom 3:23-34, 4:4, 5:20

- K. Grace in Phase II:
 1. Prayer Heb 4:16
 2. Suffering 2Cor 12:9-10
 3. Growth 2Pet 3:18
 4. Stability 1Pet 5:12
 5. Modus Vivendi Heb 12:28, 2Cor 1:12
 6. Production of Divine Good 1Cor 15:10
- L. Grace is the only answer to the intensified stage of the Angelic Conflict 2Cor 12:7-10
- M. 7 Implications of Grace in progression:
 1. God is perfect, His plan is perfect
 2. A perfect plan can only originate from a perfect God.
 3. If a man can do anything meritorious in the Plan of God it is no longer perfect.
 - i. Human Good, Human Ability, Public Relations methods, ETC.
 4. Any plan is no stronger than its weakest link therefore Grace must exclude all weak links.
 - i. Grace therefore excludes Human merit, ability and Human Good.
 5. Human ability and Human Good and Legalism are enemies of Grace and Neutralize it.
 6. There is therefore no place in the Plan of God for Human Good and human ability.
 7. Inevitably Human Good leads to Mental Attitude Sins
 - i. Pride in what you have done.
- N. 4 Areas where pride rejects GRACE
 1. Pride of the believer who rejects Eternal Security
 - i. He thinks HIS sins are greater than the Plan of God.
 2. Pride of the believer who succumbs to Adversities
 - i. He thinks HIS sufferings are greater than the provision of God.
 3. Pride of Pseudo Spirituality
 - i. He thinks HIS works, morality, Self Righteousness, taboos, or changes in his personality are greater than the Plan of God.
 - ii. This always has a gimmick where you always have intrusion of some human function.
 4. Pride of the emotional believer:
 - i. He thinks HIS feelings are more important than Bible Doctrine.
 - ii. He finds reality in how he feels not in Bible Doctrine.
- O. The sufficiency of Grace is found in the Edification Complex of the Soul **2Cor 12:9-10**
 1. The power of God RESTS UPON US because of the sufficiency of GRACE.
 2. The sufficiency of Grace is found in the Edification Complex of the Soul where the first floor is Grace Orientation.
 3. The strength of the Lord is imparted to the believe in the Edification Complex of the Soul, in the Frame of Reference.
- II. V5-9 the task of leadership appointment in Crete
 - A. Crete is a very difficult place in which to work with a great deal of Anarchy, and Revolt and legalism, all things negative to Bible Doctrine.
 - B. Paul has left Titus in charge of an island about 150 miles long filled with Christian Maniacs.
 1. There are many Christians on this island but they are monsters.
 2. Paul left Titus in charge of the whole island and here is one very oriented believer in charges of thousands of totally confused believers.
 3. This is one of the wildest places in the world not for lack of civilization which it had in great abundance but with regard to the crazy ideas of the believers who lived there.

4. Titus will operate on the indigenous missionary concept on Crete and he is to find those who have the gift of Pastor Teacher and get these men oriented to teach their own people.
 5. This is what should have occurred in missionaries functioning in China.
- C. Paul is saying basically to Titus that if they both stayed on Crete they would lean on each other for support and instead he is giving Titus a great opportunity to LEAN on GRACE from God.
1. Paul made a decision based on GRACE against his personal desires because he had a fantastic respect and rapport with Titus.
- D. Crete:
1. It is the most famous island of the ancient world since it was the seat of Minoan civilization.
 - i. It is mountainous island in the southern Aegean Sea and is 156 miles long
 2. Cretans who lived on Crete were present at Jerusalem on the day of Pentecost Acts 2:11
 3. Paul stopped at Crete on his famous voyage to Rome Acts 27:7+
 4. Although Crete is very famous island and hundreds of thousands of ships have sailed by it on the past 2000 years nothing was know about it until the 19th century because of Sir Arthur Evans an Eccentric how lived in England.
 - i. He was very wealthy but thought he should be working and took a job at Oxford in their Museum and became very interested in Archaeology.
 - ii. He had a vacation coming up and was looking forward to it and he then got into his personal ship and sailed to Crete having heard that they had some very interesting signet rings from Egypt.
 - iii. Being interested in the museum work he did in Egyptology he went to see about them and the relationship between Egypt and Crete and Greece.
 - iv. He went to Knossos a seaport and there was nothing there but ruins and so he started digging and the first day he was digging he hit a bronze age palace and then he threw the dirt back on this and went to a real estate office and bought the whole site of Ancient Knossos.
 - v. He went back and started working and came up with the most famous palace of the Bronze Age of Minos the king of the Minoan civilization and uncovered the whole palace.
 - vi. He dug up things which were artifacts worth \$500,000 apiece and he would not let anyone touch them and built himself a castle right there and spent the rest of his life restoring this palace and had the most fantastic museums in the whole world.
 5. Arthur discovered some copper tablets upon which was a pictographic script known as LINEAR – A.
 - i. Linear – A was very difficult and no one seemed to do very much with it and eventually they gave up on it since it was very difficult to understand and reconstruct like Etruscan.
 - ii. Finally they figured out that Linear A had its source on an Island 70 Miles NORTH of Crete called Thera
 - iii. Around 1400 BC Thera erupted greater than Krakatoa and tidal waves hit Crete 160’ High and volcanic ash destroyed the Minoan Civilization and Evans is who dug it all up again.
 6. There is a relationship between this and some other cataclysmic events
 - i. God was preparing the way for the Jews to enter the land and in 1440 BC they left Egypt and in 1400 they entered the land.
 - ii. Somewhere between 1440 and 1400 the Island of Thera blew up in the Aegean sea and the Minoan Civilization would have been hindering the Jews since Crete had been used as a stepping stone for GREEKS especially the Philistines had

- already landed in Egypt and given the Egyptians a hard time and had been driven up into the area of Canaan.
- iii. Some other things began to happen in God's preparation for the Jews and the Southern Hittite Civilization was suddenly Destroyed but had very strong remnants as seen in Moses getting to Kadesh Barnea in 1439.
 - iv. So Thutmose III went into this land and destroyed some of the GREATEST Hittite Armies and all kinds of wild mysterious things began to happen.
 - v. These are all related as God prepared the way for the Jews to get into the land of Palestine.
7. Evans was walking one day and came to a mound and had not been digging there so he ordered some digging to occur there and he came up with a NEW type of writing which shocked him.
- i. He had been able to finally decipher Linear – A but not LINEAR – B and dug up all this stuff on Linear B and did not know what to do with it.
 - ii. He went back to England and at age 84 in 1936 he began to lecture in London and there was a young boy age 14 Michael Ventris who began to listen to him.
 - iii. Evans said he did not know what the clay tablets were that he had dug up and he showed the copper tablets he had unearthed from Linear A and showed illustrations of the HUNDREDS of these clay tablets he had back in his villa in Knossos.
 - iv. He had determined the Linear A was connected with the Minoan civilization but he could not figure out Linear B.
 - v. This young boy decided he would figure it out and even at 14 he was a great Greek student and very smart and received permission from Evans to go to his villa and look at the tablets when he was an adult.
 - vi. By the time he was 33 years old he had gone through 3000 of these clay tablets and their writing and he deciphered Linear – b.
 - vii. This was a year before he died and he discovered that it was NOT what Evans had suggested as an Etruscan or Hittite language but a GREEK language almost as old as Chinese considered as one of the OLDEST languages.
 - viii. This far preceded Homeric Greek and existed for many centuries on the European continent and it was found to be some 3300 years old and it is the original language of people like Agamemnon and also a language used by the Dorians who destroyed the Mycenaean civilization on the Greek Mainland.
 - ix. The Mycenaean were comparable to the Minoans on Crete and Linear – B was used by these people and used also by the invaders of the north the Dorians.
 - x. Dorians settled in 3 areas of the world, Palapanesus near Corinth and the dominant Dorians became the Spartans who fought the Athenians.
 - xi. In addition they settled on the island of Crete and invaded Egypt but having a small army they were driven up into the 5 cities and called themselves the Philistines.
 - xii. They survived better on Crete better than anywhere else except that they liked to Fight all the time.
 - xiii. They did a great thing on Crete and each group built large castles along the island coast.
 - xiv. This literally fortified the whole island and they constantly fought each other and never stopped and at this time of Titus they are DORIANS and toughest Greeks of all time.
8. 3 kinds of Dorian Greeks are know to us:
- i. Philistines
 - ii. Cretians
 - iii. Spartans

- iv. They were real tough Greeks.
- v. Rome tried for many many years to conquer Crete and finally did in 67 BC but only gave it a slight vernier
- vi. Crete had a native population of GREEKS who were Highly war like Dorians.
- vii. In the Palaponecian War it was a Racial War with Sparta vs Athens
- viii. Athenians vs Dorians and they were always antagonistic.
- ix. When we see cretians of Titus time they are WILD UNRULY every man being his own man like Ireland.

- E. Titus is not only alone on Crete but the people are the toughest Greeks you can ever imagine.
 - 1. These people are tough and mean and MOST of them are believers in Jesus of Nazareth, the Christ and accept the authority of NO ONE.
 - 2. Titus is on the Dock as Paul sails off with this entire island behind him loaded with this indigenous population who for the past 600 years have done nothing except fight each other and in between personal wars they would marry and have many children.
 - i. All the men were raised to be warriors and all the ladies were raised to marry warriors and perpetuate the fighting strains.
 - ii. They had a stud system whereby a GREAT warrior was sought by all the parents of the daughters to marry them so that they could have greater warriors in the next generation.
 - iii. So here is a massive warrior race who are as all island races totally super independent and isolated from most other peoples and most are believers in Jesus of Nazareth, the Christ and don't give a damn about you or what you think.
 - 3. Paul left Titus behind in order that he might correct with authority
 - i. This is to be accomplished by the function of having DAILY bible class sometimes twice on Monday and Sunday and the only way to correct the deficiencies is to provide Divine Viewpoint norms and standards.

III. The Doctrine of the Ministry of the Pastor Teacher:

- A. Ministry == (gr) Diakonos == used 3 ways:
 - 1. Politically for leaders of state **Rom 13;4**
 - 2. General use for all believers in full time Christian service **2Cor 3:6, 4:1, 5:18, 6:3**
 - 3. Specialized use for the Pastor Teacher of a local church **2Cor 3:5, Eph 3:7, Col 1:23, 4:7, 1Thes 3:2, 1Tim 1:12**
- B. Other words used for the Pastor Teacher:
 - 1. (gr) Presbuteros == Person and Rank of the Pastor Teacher
 - 2. (gr) Episkopos == bishop meaning overseer of manager emphasizing work and function.
 - 3. (gr) Poimenos == Shepherd or Pastor Teacher
 - i. The Pastor Teacher is the shepherd and sheep NEVER BITE the shepherd.
 - ii. The shepherd does feed the sheep and leads them but when needed wacks them with his staff and also at times shears them.
 - iii. This is a hyphenated word (gr) Poimenos Didaskolos == Pastor Teacher having 2 functions under the same principle.
 - iv. The Shepherd keeps the sheep from straying using his crooked staff.
- C. These words are all interchangeable **Acts 20:17+28**
 - 1. Pastors of Ephesus are called Elders == Presbuteros - v17
 - 2. Pastors of Ephesus are also called Bishops == Episkopos - v28
 - 3. Pastors of Ephesus are commanded to Shepherd the Sheep == Poimeno - v28
 - 4. Elders, Bishops and Pastor Teacher are all the same person and different people in these positions are not authorized by the word of God.
- D. These 3 words all carry the connotation of Absolute Authority in the local church thus he is RULER of the local church: **1Thes 5:12, Heb 13:7+ 17**

1. No local church has dual or multi rulers.
- E. The Pastor Teacher is the total product of GRACE **1Tim 1:12-16, 1Cor 15:10**
 1. This means he is responsible directly to GOD.
 2. Believers need not worry about how to handle the Pastor Teacher since they could never do near as good as God himself.
 3. When these believers get in the way of God handling the Pastor Teacher that is OK by the Pastor Teacher since he will receive blessing from God for this interference.
- F. General passages pertinent to the Pastor Teacher: **Col 1:23-29, 1Tim 1:12-14, 2:24-26, 3:1-9, 2Tim 2, Tit 1:6-9**
- IV. Titus is told by Paul to Find and then Appoint effective Men as Pastor Teacher in every city according to the standards of each city
 - A. Every city has independent standards in Crete since the invasion of the Dorian Greeks.
 1. Every city is of varying size and has varying numbers of local churches and each needs a Pastor Teacher.
 2. The Job given to Titus is extremely complex, he has to find among the believers of the native population those who have the Spiritual Gift of Pastor Teacher and then train them and then assign them to their local churches.
 3. Paul knows that there are men on Titus who are part of the indigenous population who have the gift of Pastor Teacher and does not seek to import Pastor Teacher.
 4. It would not be possible to bring people onto this island from Europe and expect them to get the job done properly.
 5. In addition Titus must get all these local churches functioning properly.
 6. Titus is alone in this and later will have a bit of help with 1 other person.
 - B. Paul had given precise detailed orders to Titus as to how to accomplish this and these are being executed by Titus
 1. Paul organized this system and Titus will carry it out
 2. Paul has come up with the Strategy and Titus is responsible for the tactics to accomplish it.

Titus 1:4

v4: To Titus my most reliable student according to the standard of our common Bible Doctrine, Grace, as the plan and policy of God, and Reconciliation, as the provision from God of Grace, from the ultimate source of God the Father, author of the plan, and Christ Jesus our Savior, executor of the Grace Plan of God.

Titus 1:5

v5: Because of This Grace, I left you behind permanently, in the sphere of your service, deserting you in Crete in order that or for the purpose that YOU might correct with authority by daily bible class the things which keep on being deficient for their potential benefit and appoint according to the norm and standard of every city ranking leaders as Pastor Teachers in every city as I gave you thorough precise orders before departing.

Lesson #4 Series # 470 6/14/2019 Tit 1:6

- I. Personal Standards for the appointment of Pastor Teachers here in Crete
 - A. Paul had come to Crete with Titus and now was leaving Titus there for the purpose of bringing ORDER to ANARCHY.
 1. V10 says there are many insubordinate and constantly criticize ones in authority and are mind deceivers and some Jews.
 2. This is the same as the Unites States of America since the 60s and the function of liberalism especially in the realm of theology.
 3. Every Pastor who has any understanding of Bible Doctrine MUST be nationalistic in his outlook and strong for military function and patriotic in his presentation of things related to nationalism.

4. Unfortunately MOST pastors since the 60s have been and continue to be anti biblical and anti Christ even though they attempt to speak in terms of Christ.
 5. These pulpits are focused in liberalism and there is no objectivity in teaching areas of the nation itself and other areas of communication in our media are totally devoted to interviewing IDIOTS and present only information distorted to their needs to promote liberalism and destruction of the freedoms of this nation.
 6. Our media promotes above all else socialism, brotherhood of man concepts, islam and anyone who tries to follow a biblical line of reasoning and function are eliminated from these areas of communication in churches, radio, TV, Education at any level and as a result American people are and have been for an extended period of time PROPAGANDIZED AND BRAINWASHED into liberalism and the Cosmic Dynasphere evil of Satan.
- B. In Crete it seems like there may be NO ONE who is irreproachable based on the way the social structure of the island.
1. The statement about a ONE WOMAN MAN has nothing to do with Divorce and any pseudo restrictions placed on divorcees.
 - i. A 1 woman man means that the man cannot be polygamous and if there is one thing which a pastor cannot do that is to have a half dozen wives and study doctrine every day.
 - ii. This is a statement to MONOGAMY but does not indicate that in missionary work that the social and marriage structure in a pristine society should be interfered with by the missionary.
 - iii. This ONLY applies to Pastor Teachers and at the time it was written POLYGAMY was out and they could only have 1 wife.
 2. It also goes beyond this and this in Crete was not an issue and polygamy was not practiced there or in the Greek civilizations where they usually had one wife and one mistress.
 - i. Greek civilization was a cultured civilization and not a stone aged thing and basically in the understanding and interpretation Polygamy was not even really involved although this does exclude polygamy.
 3. The basic interpretation is that the Pastor Teacher should marry and have HIS Right Woman thereby being a ONE WOMAN MAN.
 - i. The Pastor Teacher should have the Right Man / Right Woman relationship
 - ii. The pressures are so great in the ministry that lack of domestic tranquility could be the straw which broke the camel's back.
 - iii. The Pastor Teacher has pressures like we all have but in addition there is more pressure which goes with the profession and they are part of the Angelic Conflict and other factors.
 - iv. Of all people the believer who has the spiritual gift of Pastor Teacher must be careful to marry the Right Woman or not marry at all and this will in either case eliminate a great deal of pressure.
 - v. In the ministry especially marriage to the wrong woman can be very difficult and if you suspect that you have the spiritual gift of Pastor Teacher and are single you should set up for yourself at least 1 year of cooling off when you suspect that your Right Woman has been led to your doorstep and you must just WAIT and be very careful.
 - vi. The Pastor Teacher requires both self discipline and concentration and since this is the case there are many things which would detract from that and one would be marrying the wrong woman.
 - vii. An unhappy marriage can be a source of pressure and this passage is designed to avoid or eliminate that pressure.

viii. This passage does not eliminate a Pastor Teacher because he is DIVORCED and has nothing to do with divorce but it emphasizes GETTING the Right Woman.

- C. One of the most difficult thing in the world is to be a Pastor Teachers Child and everyone assumes that these children should be perfect in every social and moral way.
1. He is to be nice to everyone and anyone should be able to bully him and just like the Pastor Teacher the family including his children should not be expected to LIVE a normal life.
 2. The Pastor Teachers wife should have total privacy and should not be required to work around the church and should not be pushed into doing things around the church.
 3. The church does not hire the wife nor the children of the Pastor Teacher, and they should live a perfectly normal child's life.
 4. The one thing which is required and the son of the Pastor Teacher does not have to be a goody two shoes boy and the pastors daughter does not have to be Miss Priss from sissy school.
 5. Next to the children of the Pastor Teacher the ones who have the most trouble leading normal lives are the children of the deacons.
 6. People often seek to attack a ministry through the children of the Pastor Teacher.
 7. The children must however fulfill ONE requirement in that they must be believers in Jesus of Nazareth, the Christ and this should not be a problem when the Pastor Teacher teaches Bible Doctrine and it should occur at a very early age.
- D. No Pastor Teacher should ever go out and get involved in social action or riots.
1. Nor should he become involved in raucous partying or dissipation, "hell raisers".
- E. No Pastor Teacher should ever be in opposition to any level of structure of authority and never teach his congregation to function in this way.
1. The authority of the Royal Family of God Priesthood where every believer should have privacy to live life as unto the Lord.
 2. The authority in the home of the parents
 3. The authority of Law and Law Enforcement agencies
 4. The authority in military and athletics
 5. The authority of educators in a school when the child is disciplined.
 6. The Pastor Teacher must encourage anything which involves proper function under authority.
 7. He must never be a traitor nor do anything which would destroy principles of authority which line up with Bible Doctrine.

II. The Bishop or OVERSEER

- A. This is a word of authority and is a synonym for the Pastor Teacher and emphasizes the function of leadership and authority of the Pastor Teacher.
1. The "steward" == the administrator with authority.
- B. The principle of being irreproachable as an administrative manager:
1. Linking these 2 subordinates the deacons, their board or any other structured system in the local church to the Pastor Teacher.
 - i. Episkapos == the Pastor Teacher of the local church and the overseer and the final authority of the local church.
 - ii. Oikanamos == is the administrative manager with authority
 - iii. These 2 are used interchangeably here.
 2. While the deacons are to function in administration of the local church and have this authority it is neither independent of nor higher than the authority of the Pastor Teacher.
 3. The concept of divided authority in different fields spiritual or temporal in the local church is DESTROYED by this phrase.
 4. The idea that the Pastor Teacher is a ruler in spiritual matters and the deacons in temporal matters results in a house divided.

5. The Pastor Teacher is the final authority in both spiritual and temporal matters in the local church Heb 13:7.
 - i. One of the sacrifices of the priesthood of the believer is to recognize the authority of the one who teaches you.
 6. This means that the deacons or whatever church administrative organization is in the local church are to HELP the Pastor Teacher, NOT use their office to fight or destroy the authority of the Pastor Teacher.
 7. This does not imply rubber stamping but a team concept of the local church with one final authority.
 - i. Acts 6 shows the deacons waiting tables and they perform administrative functions to release the time of the Pastor Teacher for his more important function of studying and teaching.
 8. Therefore to fulfill 1Cor 14:40 there must be one final authority in the local church and that authority is vested in the Pastor Teacher by the word of God, 1Thes 5:12, Heb 13:7, 17.
- C. This should not make people nervous with regard to the final authority being in the Pastor Teacher for the local church.
1. This never bothers people in business or the military or athletics or education, etc.
 2. In the local church the people want to be independent and their ideas focus on this and they want ANARCHY and this is not true.
 3. Leadership authority demands certain norms and standards in the discharge of the office of Bishop and this is covered in 2 ways giving the 5 negatives of spiritual leadership and the 5 positives of spiritual leadership.
 4. Each negative is comparable to a floor in the Edification Complex of the Soul as is each positive.
- D. The Edification Complex of the Soul is the maturity level of the believer.
1. When the believer functions consistently under the Filling of God the Holy Spirit and Grace Apparatus for Perception receiving the communication of Bible Doctrine then Operation Z is engaged.
 - i. Objectivity comes from Filling of God the Holy Spirit making the Bible Doctrine understood.
 - ii. If you agree with the doctrine then it is cycled from the Left Lobe of the Soul into the Right Lobe of the Stream of Consciousness of the Soul as EPIGNOSIS.
 - iii. This builds the norms and standards and storage in the memory and as categories and is exhaled in application to life and builds the Edification Complex of the Soul.
 2. The Edification Complex of the Soul:
 - i. The foundation is Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul
 - ii. 1st Floor – Grace Orientation
 - iii. 2nd Floor – Mastery of the details of life.
 - iv. 3rd Floor – Relaxed Mental Attitude
 - v. 4th Floor – Capacity for Life and love
 - vi. 5th Floor – Sharing the Happiness of God in the life of the believer.
 3. The sooner a person starts in the Spiritual Life and reaches the completion of the Edification Complex of the Soul the better off he is.
- E. At Salvation Adjustment to the Justice of God the male believer may receive the spiritual gift of Pastor Teacher but between receiving the spiritual gift and having a completed Edification Complex of the Soul can be from 3 to 20 or 30 years.
1. The great thing about the correct type of seminary is that the pastoral candidate gets the opportunity to function DAILY under the principles of the Grace Apparatus for Perception.

2. The Pastor Teacher must develop as rapidly as possible his own Edification Complex of the Soul for without it it is hard on him and his congregation.
- F. The 5 negatives as occupational hazards of the ministry:
1. The Pastor Teacher must not ever be self willed, never allowing his antagonism, arrogance or stubbornness to make him become prejudiced or unfair and fail in his Grace Orientation in any situation.
 - i. This does not exclude criticism of the Pastor Teacher
 - ii. Bonifide Criticism is certainly in order but there must be a line between criticism and personality conflict or disenchantment.
 - iii. There must be objectivity on the part of the congregation taught in other passages but there also must be objectivity on the part of the Pastor Teacher as well.
 - iv. Dislike or disenchantment of the Pastor Teacher because of his grooming, his looks, his language, or something which offends YOU is not to occur.
 - v. The Pastor Teacher being human and a servant of sorts to the congregation might also develop these things with regard to members of the congregation.
 - vi. These things must never keep a pastor from being FAIR in all things and under the concept of Grace Orientation he MUST ALWAYS BE FAIR.
 - vii. Therefore to be fair the Pastor Teacher must have the 1st floor of the Edification Complex of the Soul and it is impossible for the Pastor Teacher to function day in and day out without Grace Orientation.
 - viii. Grace Orientation means he must be fair, stick with facts, ignore his prejudices and his personal feelings and these must never destroy his fairness.
 - ix. Criticism is allowed even over a period of time but the Pastor Teacher must never allow this to become a basis for unfair dealing with this person.
 2. The Pastor Teacher must not be easily angered for anger is a Mental Attitude Sins.
 - i. The Pastor Teacher must have a Relaxed Mental Attitude but this does not mean that the Pastor Teacher never does these things but it does mean that even if the Pastor Teacher gets angry that his recovery must be just as quick as that reaction which resulted in his being angry.
 - ii. There must be a Relaxed Mental Attitude in the Pastor Teacher and he must use the rebound procedure as well.
 - iii. He must be free from all Mental Attitude Sins or rebound rapidly when engaging in them.
 3. The Pastor Teacher must not be prone to nor addicted to alcohol or drugs.
 - i. This does not prohibit drinking, see Timothy.
 - ii. Therefore this means NOT prone to Drunkenness.
 - iii. This has to do with not using anything outside of the Spiritual Life for sublimation.
 - iv. This also forbids a certain format at the communication service where the Pastor Teacher drinks the wine for each communion taker.
 - v. The leadership in the local church and Christian Way of Life demands Sharing the Happiness of God rather than overt stimulation.
 4. The Pastor Teacher should NOT be prone to brawling or fighting.
 - i. This means his should not be a BRAWLER but have capacity for love.
 - ii. The Pastor Teacher as bishop should love instead of striking them.
 - iii. LOVE does not mean here that the Pastor Teacher must gush platitudes over every person but that maybe he should wave at them from afar.
 - iv. The principle behind this is that if Bible Doctrine does not get to them they can be beaten into the dirt and they will still not respond.
 - v. If the believer does not respond to Bible Doctrine they will not respond to anything.

- vi. Therefore it has to be leadership without violence and have capacity for love as Category III.
 - 5. The Pastor Teacher should never handle the money of the local church.
 - i. The Pastor Teacher should not solicit for nor handle any of the money of the local church.
- III. The 6 positives of spiritual leadership 5 of which are comparable to one of the floors of the Edification Complex of the Soul.
- A. The Pastor Teacher must have Grace Orientation and treat others especially those who cannot do anything for you with a GRACE love attitude.
 - B. The Pastor Teacher must be a lover of Divine Good and is not part of the Edification Complex of the Soul structure.
 - 1. This covers the entire Edification Complex of the Soul and once the Edification Complex of the Soul is developed and the believer has reached Maturity Adjustment to the Justice of God he produces Triple Compound Divine Good.
 - i. The Filling of God the Holy Spirit produces Divine Good
 - ii. The Exhale of Metabolized Bible Doctrine in application to life produces Divine Good
 - iii. The Edification Complex of the Soul produces Divine Good.
 - C. The Pastor Teacher must have stability of mind therefore a Relaxed Mental Attitude.
 - 1. There must be freedom from Mental Attitude Sins
 - 2. Mental Attitude Sins causes instability in the Right Lobe of the Stream of Consciousness of the Soul Daniel
 - 3. Mental Attitude Sins cancel the function of the Right Lobe of the Stream of Consciousness of the Soul and this person has nothing left but the Left Lobe of the Soul or perceptive lobe of the soul.
 - D. The Pastor Teacher must be Just or Fair or Equitable with objectivity and inner happiness related together.
 - E. The Pastor Teacher must be separated unto under occupation with or pleasing to someone thus having capacity for Love and Life.
 - 1. Having capacity for loving God under Occupation with the Person of Jesus of Nazareth, the Christ.
 - 2. This could be referring to any category of love including the spouse, friends or the Lord.
 - F. The Pastor Teacher must be self controlled and have therefore mastery of the details of life.
- IV. Operational standards for appointment:
- A. The Pastor Teacher must be able to cling to or hold firm with sound doctrine making constant decision to engage in acquiring more and more Bible Doctrine.
 - 1. The Pastor Teacher Bishop is required to have a love of Bible Doctrine to that he can cling to it and teach it so that every believer can fulfill his Royal Family of God Priesthood by the function of the Grace Apparatus for Perception.
 - 2. The greatest preparation for the ministry is maximum knowledge of Bible Doctrine and the greatest preparation for the Christian Way of Life means also maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul
 - B. The pastor should be trustworthy and dependable in both inspiring faith in Bible Doctrine and constantly and consistently teaching sound doctrine.
 - 1. This doctrine should be being taught exegetically or categorically.
 - C. The Pastor Teacher in order to function properly in teaching Bible Doctrine categorically and exegetically must be able to keep on encouraging, exhorting and even REPROVING believer with the content of Bible Doctrine.
 - 1. Titus is going to have to be hard nosed in Crete refuting and reprovng
 - 2. The Pastor Teacher bishop must be able to exert his authority over the congregation especially those who oppose sound doctrine.

3. He therefore, must have a super knowledge of Bible Doctrine and his spiritual gift gives him to apply it at all times in all circumstances so that before it ever comes to the congregation it cycles through the mentality of the Pastor Teacher in his Edification Complex of the Soul with exhale toward God and as he takes it and teaches it publicly he pulls from various categories and cycles it through the norms and standards and Frame of Reference and vocalizes it for his congregation with vocabulary common to their understanding.
4. This is what Titus is to use in selecting Pastor Teachers in Crete.
5. Titus is not to be the Pastor Teacher for Crete but get things organized from the indigenous basis and they will not be importing Pastor Teachers from the mainland of Europe Greece, Anatolia, the other islands, but take the believers and have them teach each others.

Titus 1:6

v6: If, and it is true, any male keeps on being irreproachable, a one woman noble man or right man, and having children who are Believers and not ever involved in social action, rioting or raucous partying, or be rebellious, traitorous to his nation, never defy authority, never oppose Law Enforcement, military function or conscription, never encourage cowardice or conscientious objectors to military service.

Titus 1:7

v7: For it is necessary for a bishop to be blameless and irreproachable as God's administrative manager; he must not allow stubbornness or antagonism from others to move him to being unfair, therefore keep him from Grace Orientation; not prone to be quick-tempered or jump to conclusions leading to anger having a Relaxed Mental Attitude and freedom from all Mental Attitude Sins, not prone to drunkenness, not be a brawler but function with Impersonal Love, and not eager for dishonorable profit,

Titus 1:8

v8: but should be under Grace Orientation having a grace attitude for others who have not earned nor deserved it; a maximum lover of Divine Good of Intrinsic Value, having stability of mind through avoiding Mental Attitude Sins with a Relaxed Mental Attitude; just, fair or equitable; have capacity for loving God and under Occupation with the Person of Jesus of Nazareth, the Christ; and self-controlled having mastery of the details of life;

Titus 1:9

v9: he must constantly hold firm or cling to making constant decisions for sound doctrine, being trustworthy and dependable inspiring FAITH in sound doctrine according to the norms and standards of categorical public teaching of sound doctrine in order that he might be capable by means of pure uncorrupted categorical doctrine teaching from the Right Lobe of the Stream of Consciousness of the Soul from function under the Grace Apparatus for Perception to keep on exhorting, encouraging, reproving and refuting believers who keep on being in opposition to it.

Lesson #5 Series # 470 6/17/2019 Tit 1:9-

- I. The importance of Bible Doctrine:
 - A. The island of Crete was an area of totally unruly people and Titus must organize and structure this place for the proper dissemination of Bible Doctrine.
 1. There is an essential necessity for leadership and Bible Doctrine in Christianity.
 2. There is a concept in Christianity which is as old as the Jerusalem church which says that every believer is a leader and an island to himself and in full time service and every believer can pick and choose for himself.
 3. Titus must bring order from this chaos on Crete.
 - B. At the time of his arrival on Crete there was a spiritual revolution and GOD does not approve of revolution in any form.
 1. There are principles of doctrine which belong to Laws of Divine Establishment and Divine Institutions and GRACE and these things are now under attack on Crete.
 2. Crete had an unruly population and having Thousands of Believers they also were unruly and in the midst of a spiritual revolution and are sheep without any human shepherd and cannot function under the Plan of God as such.
 3. Titus has the responsibility of bring ORDER out of this chaos.

- C. The status on Crete
1. These believers on Crete rejected all authority and were basically functioning in anarchy.
 2. This applies to us today as well as when the lessons were taught in the 70's and in fact in any stage of the Church Age.
 - i. When believers begin to reject Bible Doctrine they become floaters without roots and hop from one church to another looking for entertainment or stimulation or Human Viewpoint psychological principle which will give them some moments of peace or happiness.
 3. We see this in churches which have entertainment or other functions without any doctrine being taught.
- D. 3 things which characterize spiritual revolt:
1. Insubordinate, Undisciplined, Rebellious meaning rejecting the authority of Bible Doctrine and the communicators.
 - i. This occurs everywhere doctrine is rejected and not only on Crete but there believers are in OPEN revolt against it.
 - ii. Insubordinate == These people reject Bible Doctrine and the concept of reality in Bible Doctrine and since Bible Doctrine carries authority this authority is therefore rejected.
 - iii. Undisciplined == These people do not have self discipline needed to submit to the teaching of Bible Doctrine daily
 - iv. Rebellious == these people are in rebellion against the Plan of God despite being members of the Royal Family of God.
 2. Vacuum in the Stream of Consciousness of the Soul used to express viewpoint.
 - i. They have entered reversionism and rejected Bible Doctrine and therefore have come to the point of Blackout of the Soul and Scar Tissue of the Soul where this vacuum is formed allowing only Human Viewpoint to enter and thus destroy doctrinal thinking in the soul.
 - ii. When believer today become liberals and are involved in socialism or have some kind of guilt complex and express responsibility for such things as assassinations or government overthrows or other such geopolitical or social travesties even environmental problems.
 - iii. This is to be in rebellion to Bible Doctrine and the communicators of Bible Doctrine and to SPEAK in opposition to Bible Doctrine.
 - iv. These people are under Negative Volition to Bible Doctrine thus are in reversionism and into their vacuum in the soul they draw false doctrine and satanic Human Viewpoint doctrines which override and destroy the doctrines of God and they express these in opposition to the communication of Bible Doctrine.
 - v. Titus communicates Bible Doctrine to these people and they reject what is taught and the authority of the teacher moving them into Scar Tissue of the Soul which opens the vacuum of the soul to draw in this Human Viewpoint Satanic Evil false doctrine.
 - vi. They these people open their mouths and express this Human Viewpoint in the name of Jesus of Nazareth, the Christ in opposition to what has been taught as true doctrine.
 3. Legalists are here called "mind deceivers" which is disorientation to the Grace of God by their communication of Human Viewpoint false doctrine in opposition to true doctrine.

- i. These people are involved in self deception and they then influence and deceive others as well.
 - ii. Some of these are Jewish from the small Jewish population on the island but were involved in both Judaism and Gnosticism.
 - E. There is a very strong need for Pastor Teacher who can teach the truth all throughout the island.
 - 1. This 1 verse establishes the problem of spiritual revolt among the believers on Crete.
- II. What must happen to correct the problem.
 - A. ***In ordinary political revolutions in life the only way to actually stop the revolt is to kill those in revolt.***
 - 1. ***See Napoleon and the French Revolution.***
 - 2. ***Every time a revolution gets going in order to stop it BLOOD must be shed.***
 - 3. ***People think you can toy around with insubordination, rejection of authority and Laws of Divine Establishment and somehow get away with it but this always works out the other way and there is always death at some point.***
 - 4. ***Blood must be shed before order can be restored.***
 - B. In a spiritual revolt however this is not the case and death is not needed but silence is and the MOUTHS of the revolters must be silenced.
 - 1. Here the concept of silencing the revolters is described as putting a curved bit in the mouth of a horse to control him.
 - 2. This meant to muzzle or gag
 - 3. One of the jobs of a Pastor Teacher who walks into a spiritual rebellion is to SILENCE it.
 - 4. Pastor Teacher must get hard with a sheep and the way to stop the unruly mouth of a sheep is to kick him in the butt hard.
 - 5. You cannot teach Bible Doctrine to people who are under Negative Volition and they will not listen but they will take others and cause them to become dissatisfied as well.
 - 6. When you get enough dissatisfied sheep and they decide to go one way the Pastor Teacher says go another way on the basis of Bible Doctrine but they won't do it then this shepherd goes after the sheep with is long stick to straighten them out.
 - 7. For the Pastor Teacher to do his job properly in this area he must cause these rebels to CLOSE THEIR MOUTHS and this is not easy nor is it pleasant and it takes courage and leadership.
 - C. When these are not silenced or controlled they will corrupt or overthrow entire local churches.
 - 1. The local churches of the ancient world met in private homes **Phil 2, Acts 12:12, Rom 16:5, 1Cor 16:19, Col 4:15**
 - 2. False teaching destroys the local church when it is unchecked and it can simply be Human Viewpoint.
 - i. If and when a church is blessed of God it is GRACE totally and nothing ever has involved human efforts or abilities.
 - ii. Whenever a church is prospered in any way however you want to measure that prosperity it is all based on who and what God is and no church can take even an inch step forward apart from the Grace of God.
 - iii. Maybe a Pastor Teacher begins to think that God cannot get along without him and t his is crap and God can make a better pastor out of a stick.
 - iv. Any pastor with any orientation recognizes that he has the authority and the gift but also that he is not going anywhere apart from the Grace of God.
 - v. Those in the congregation who have spiritual gifts and abilities and use them to help the wheels of the local church to run smoothly regarding administration of the local

church but it is possible to get so carried away with administration that you forget the Grace of God.

3. We are nothing without the Grace of God and people attend the local church despite all conditions environmental or personal not because of the sweetness of the Pastor Teacher nor because he makes daily hospital visit trips or stands at the exit door to glad hand the believers but only because he has veracity in presentation of Bible Doctrine.
 - i. Without great leadership in the local church it will not last 1 single week.
 - ii. We today in 2019 have the recorded lessons of the Col because of great leadership in the ministry BASED on Metabolized Bible Doctrine in their Stream of Consciousness of the Soul and the character and GRACE of GOD!
 - iii. We are here today able to take in this Bible Doctrine not only because of the perfection of the Essence of God but because of his PHENOMENAL SENSE OF HUMOR.
 - iv. We are not here because of any human ability or talent but because of who and what God is.
 - v. At the time of this message T&P and the Church both functioned on current donations to maintain function and produce tapes to distribute, later on when I was first in Houston in the early 80s T&P was distributing over 75,000 tapes per month and today their operating budget is about \$750,000 and it is all by the Grace of God.
 - vi. Every local church and every believer should function totally based on the Grace of God and all planning and preparation for any function in life or in the local church is great as long as it does not exclude the Grace of God.
4. When Grace is excluded then there will be insubordination and rebellion since Grace depends only on who and what God is all the time.
 - i. Trouble for any fundamental church is just around the corner and fundamental churches generally are small and end up saturated with legalism and Self Righteous Arrogance that the Grace of God is excluded.
 - ii. When the Grace of God is exploited there is no end to what can happen but it must be GRACE.

D. Crete is 157 miles long with many places having individual local churches.

1. People come into these local churches and add a smidgen of legalism and this destroys the local church.
 - i. Once legalism gets started in the local church it will destroy the whole church.
2. False teaching destroys the local church when unchecked.
3. Legalism and false teaching is the leaven which contaminates the whole lump.
4. There must be a strong doctrinal emphasis from the pulpit to protect the congregation.
 - i. Legalism has many back doors and can enter many ways.
 - ii. Sunday schools in the local church came into existence when parents failed to teach their children Bible Doctrine and they are traditions in our modern local churches.
 - iii. In Sunday schools today ONE teacher can teach false doctrinal issues and this will begin legalism in the local church.
 - iv. False teaching can come through a library or a Sunday school teacher who is disaffected or dissatisfied or who is legalistic.
 - v. When or IF doctrine is taught from the pulpit and the local church has all the other traditional accourdaments found in the local church these can subvert the doctrine taught by the Pastor Teacher if they are not aligned with that doctrine.

- E. Public teaching in these local churches of false doctrine is done for dishonorable profit.
 - 1. This means that they take money for their false teaching.
 - 2. The Cretians had a bad reputation for importing people who were false and paying them well to be misled.

III. What can Bible Doctrine do?

- A. This will be described by a line of hexameter verse from Epimoniades a very famous Greek poet and Paul Quotes this to Titus
- B. It is needed to have STRONG doctrinal teaching because:
 - 1. It corrects racial and national weaknesses.
 - 2. Every race and nation has its strengths and weaknesses and this is how to correct this.
 - 3. He is showing that correct Bible Doctrine taught from a pulpit in the local church is the basis for changing the weaknesses of a nation and the racial weakness of individual groups and turning them into strengths.
 - 4. When a nation or race has a weakness all the legislation or reforms or socialistic schemes or economic panaceas in the world will not change the weaknesses of the race or nation.
 - 5. All races have weaknesses and all have strengths and when the strengths are brought to the front this will become a dominating race in history.
 - 6. This verse will show that Bible Doctrine taught from a pulpit of a local church has a way of turning weakness on the part of a nation or race and turning them into strengths.

IV. Epimoniades is a Cretan and a poet of great renown and quoted by many writers of the ancient world.

- A. He was an accepted prophet of the ancient world accepted in Crete and by Cicero as both prophet and poet.
- B. Paul is going to quote this line of his poetry which was quoted by others of the ancient world as well.
- C. The Cretians had a history of lying for over 600 years and this was a racial weakness where by their Mental Attitude Sins destroyed their Right Lobes.
 - 1. These people were so famous for lying that there was a Greek Verb based on their constant lying; (gr) kretizo == to speak like a Cretan and lie from Mental Attitude Sins
 - 2. There was also a NOUN (gr) kretismos == to behave like a Cretan and full of Mental Attitude Sins and to then lie about someone or something.
 - i. Jealousy, Bitterness, vindictiveness, anger, hatred etc.
 - ii. This is also used for a system of lies used to lie one's way to fame under approbation lust.
 - iii. Another system of lies are lies based on pseudo love.
 - iv. It is also used for Lies in the Koine which include false doctrine.
 - 3. The Cretians were made up of 3 Greek civilizations, Mycenaean, Dorians, Later Greeks of Roman Times and they all merged in Crete and thus a racial group.
 - i. Therefore Crete as a nation had a national weakness and many quotes from the ancient world indicated that you could never trust a Cretan they always lied.
- D. Evil Beasts == wild animal or a brutish man
 - 1. This is a person who has lost the proper function of the Right Lobe of the Stream of Consciousness of the Soul either unbeliever or Believer.
 - 2. The reasons for losing the function of the Right Lobe of the Stream of Consciousness of the Soul include:
 - i. Mental Attitude Sins
 - ii. Drug Addiction
 - iii. Alcohol

- iv. Illicit Sexual activities
 - v. This leads to national weakness when enough people become involved in a nation (No SHIT see United States of America since the 60s)
 - 3. This is in part why the Cretians reject all kinds of authority.
 - E. Slow Bellies == Idle Gluttons, a person minus self discipline.
 - F. These things all go together:
 - 1. We have people who constantly lie from being saturated with Mental Attitude Sins and this destroys the Right Lobe of the Stream of Consciousness of the Soul and people who are in this category totally lack self discipline and tend strongly to be very unstable.
- V. Inspiration: (I have abbreviated and modified this part of the lesson since the Col had not yet solidified the concepts of OpZ at this point.
- A. Paul is writing this information which enters through Operation Z and merges with Paul's fantastic educational background having been trained in the Pharisee's school, He knows the Old Testament Scripture and is a Hebrew scholar, he is a Pharisee and ruler among the Jews and a very young but great leader, he is also trained as a Roman citizen and his culture is Greek culture and is familiar with Greek classics and has studied them, and knows poets such as Epimoniades and has learned in the past many things in many ways such as this line of poetry.
 - 1. Thus Paul had a great storehouse of human knowledge and it is stored in his Memory Centers and Under Categorical Storage and contributes to his vocabulary is many languages.
 - 2. Paul is dealing with a problem in Crete of a spiritual revolt and anarchy and has left Titus his strongest follower behind to bring order out of chaos.
 - 3. He is here writing to Titus some additional instructions and as he puts together this information God the Holy Spirit leads him to use his own vocabulary and draw on his own memory and category storage of past events and knowledge.
 - 4. Paul has a Frame of Reference as to how to put his words together so that he puts his vocabulary together to communicate and merges this with doctrine and all of his background in order to write these instructions to Titus.
 - 5. God the Holy Spirit did not change anything about Paul or his background or personality in order for him to write these epistles.
 - 6. Paul used all that he knew and was taught in his life and as Paul exhales the doctrinal principles in writing this and the other epistles he wrote, he is led to take from his background and quote it.
 - 7. It had been probably 25 years since Paul has had Hexameter Verse and Paul is a Roman Citizen with Greek culture mixed in and is a Jew with the whole Jewish background and his memory center opens up into his Greek background and picks up just ONE LINE of Cretan Hexameter poetry and this is NOT simple since if it does not come out EXACTLY right is will not be HEXAMETER and this Quote is EXACTLY CORRECT.
 - B. Hexameter verse has 6 metrical feet or Dipides and Paul had to know all this which goes back to the origin and birth of Drama.
 - 1. You have to have perfect thought matched with a vocabulary and Paul probably had to do some of this when he was in Tarsus.
 - 2. He had to take thought and match it with rhythm.
 - 3. Hexameter is 6 Dipides and each dipide has 4 dactyls and this rimes the meter with the vocabulary and you have to be almost a genius to do this.
 - C. The Structure of hexameter:
 - 1. The 1st Dipide is a Dactyl and has 1 long syllable and 2 short

- i. Kretes Aei == Cretians Always
 - 2. the 2nd Dipide is a sponde 2 long syllables which match vocabulary.
 - i. Pseustai == Habitual Liars
 - 3. The 3rd Dipide is a sponde 2 long syllables
 - i. Kaka == Evil wild or brutish
 - 4. The 4th Dipide is a sponde
 - i. Theria == Beasts or Men
 - 5. The 5th Dipide is a dactyl 3 syllables 1 long 2 short
 - i. Gasteres == Gluttons
 - 6. The 6th Dipide is a Trochee 1 long and 1 short syllable
 - i. Argai == Idle
- D. When you can start a line of poetry with a dactyl and come out with a trochee you are a genius because you have to have a phenomenal vocabulary and even to understand your vocabulary and use it properly you also must be a genius.
1. This is a simple Hexameter Line of Poetry and it is typical of classic literature and this is the most difficult Greek to learn and understand.
 2. The famous men of this time wrote LONG dramas where every line is hexameter and they are mixed in different combinations and there is a perfect relationship between Vocabulary and Rhythm.
 3. In our time we RIME but these men did something fabulous and the secret of the Greek soul and he said that in his soul he must have a large vocabulary but it must have rhythm and everything in life which was beautiful was related to the soul and body.
 4. This is why the Greeks invented the greatest systems of dancing because there was something in the soul related to rhythm and also in LOVE where there was a mentality and rhythm.
 5. Men of genius could take poetry and make it merge with rhythm of life.
 6. Here is Paul a man who has both a classical and Jewish education and at times he writes according to one and at times the other.

 - 5. By the time you are physically old you should have had so much Metabolized Bible Doctrine in the Stream of Consciousness of the Soul that you have a beautiful soul.
 - 6. OLD age strips the body of its glamour in order to emphasize the beauty of the soul and this is why the greatest beauty belongs to OLD AGE.
 - 7. It is really NICE if a young person has both kinds
 - 8. Here we see an OLD man which is the most beautiful thing in the world if he is free from Mental Attitude Sins.

 - iv. If she can break through to realize that her soul is more important than her body she is in for a marvelous OLD AGE experience.

- v. While a woman is young and beautiful and attractive and can get onto Bible Doctrine and stay with the Grace Apparatus for Perception consistently as her body beauty fades the beauty of her soul MORE than supersedes this destruction of body.
- 7. Her hair is gray, her face has lost the tautness of flesh which emphasizes bone structure the complexion is bad, she is wrinkled and her skin has lost its smoothness.
 - i. But with a older lady believer who has functioned consistently under the Grace Apparatus for Perception her soul is ready to reveal the inner beauty of the Edification Complex of the Soul.
 - ii. This verse is set up to warn ladies of the pitfalls of getting older and emphasize that there is a fantastic inner beauty available to them.

C. The Problems of OLD AGE:

- 1. Lack of mental acuity if the mind or Bible Doctrine has been neglected.
- 2. Disorientation to life from the standpoint of success standards.

- 7. Old age takes a LONG time to decide anything, planning and executing a trip into town is a problem for old age.
- 8. Old Age finds itself out of phase with the younger generations and therefore OLD AGE has a dangerous trend toward hyper criticism.

VII. These problems of old age apply to both men and women but there are 3 primary problems for OLDER WOMEN:

A. Behavior

- 1. Must be based on norms and standards and this is based on maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
- 2. This results in construction of the Edification Complex of the Soul which brings on Grace Orientation, Mastery of Details of life, Relaxed Mental Attitude, Capacity to Love, Sharing the Happiness of God.
- 3. In old age the Edification Complex of the Soul is vitally important and the implication of this is that older women tend to go wild in their behavior patterns.
- 4. Their reactions and responses are wider in their intensity but with an Edification Complex of the Soul they operate so beautifully under their priesthood and manifest so much beauty of soul that she becomes a dynamic impact in the Angelic Conflict.
- 5. Young women very often have beauty of body but RARELY have beauty of soul unless they have engaged in an INTENSE commitment to engage in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
- 6. The older woman minus the Edification Complex of the Soul has a very EVIL behavior pattern.
- 7. The most concentrated EVIL is in an elderly woman and all the myths and paintings and stories about evil witches are depicting OLDER WOMEN and rarely is there a young and beautiful witch.

8. The concept is that EVIL concentrates in OLD AGE.
- B. Verbal Sins (the Doctrine of)
1. Their verbal sins reflect in the older woman their Mental Attitude Sins and disorientation to the Grace of God.
 - i. This is the great danger in old age but the Edification Complex of the Soul takes care of this.
 2. Verbal Sins emanate from the temptations of the Old Sin Nature **Ps 34:13**
 3. Verbal Sins are sponsored by Mental Attitude Sins.
 - i. An old woman with a dirty soul will have a slanderous mouth **Ps 5:9**
 4. Of the 7 worst sins **Prov 6:16-19** 3 are Verbal Sins.
 5. Verbal Sins cause triple compound Divine Discipline **Matt 7:1-2, Ps 64:8**
 6. Perpetuation of Verbal Sins can produce enough Scar Tissue of the Soul resulting in the Sin Unto Death. **Ps 12:3**
 7. God protects and blesses the believer who is victimized by Verbal Sins **Job 5:19-21**
 8. The believer can lengthen his life and find greater inner happiness by avoiding the Verbal Sins **Ps 34:12-13**
 9. Troublemakers are characterized by engaging in constant Verbal Sins **Ps 52:2**
 10. Believers are specifically commanded to avoid trouble makers **Rom 16:17-18**
 11. Control of the tongue is a sign of maturity and of erection of the Edification Complex of the Soul **James 2:2-13**
 12. Since Verbal Sins can destroy a congregation of believers it is the duty and responsibility of the Pastor Teacher to warn and exhort against this area of sin **2Tim 2:14-17**
- C. Alcoholism
1. Older women often react to their frustrations, disappointments and general state of unhappiness by becoming Lushes.
- D. Older women on the positive side should be the teacher of good things
1. One of the purposes of the older women is to be communicators to the young women.
 2. Often a generation of young women will become GREAT in youth because the older women have had completed Edification Complex of the Soul.
 3. The Edification Complex of the Soul is a communicator as well as a stabilizer.
 4. The principles which one generation can hand to another from Bible Doctrine cannot be completed without the completed Edification Complex of the Soul in the communicator.
- E. Lacking the Edification Complex of the Soul the older woman will have these 3 pitfalls in her old age.
1. This passage indicates that old age is a wonderful thing and is not to be a source of fear or to be avoided if possible nor to cause panic when the realization hits that OLD age has arrived.
 2. Old age can be the greatest part of life and it is a simple matter of one great thing that being daily function under the Grace Apparatus for Perception for intake of Bible Doctrine, development of the Edification Complex of the Soul, development of the royal priesthood to the point where we can as believers are prepared for old age but delight in it.

Tit 2:1

v1: But, in contrast, you and only you Titus, keep on communicating proper, suitable, befitting, correct, accurate, healthy, sound doctrine.

Tit 2:2

v2: In order that the male believers old in years be temperate in use of alcohol, alert, attentive to circumstances or consequences with self discipline, vigilant, honorable, admirable, sensible, stabilized in mind, sound or accurate by means of faith and Metabolization of Bible Doctrine into the Right Lobe, by means of a Relaxed Mental Attitude, by means of consistency in the Faith Rest Drill (4 categories) in old age.

Tit 2:3

v3: In order that the older women in the same manner have behavior, deportment or demeanor befitting sanctification in erection of the Edification Complex of the Soul, not to be maligners, gossips or slanderers nor enslaved to alcoholic beverage; but be honorable teachers or communicators of the good things of Bible Doctrine

Lesson #8 Series # 470 6/23/2019 Tit 2:4

- I. Advice to the Young Woman
 - A. Many people have the impression that the Young have all the fun but this is not true and the young are generally miserable.
 1. The best and worst can be found in Old Age and this is determined by the believer's attitude toward Bible Doctrine.
 - B. The young woman is generally NOT TOO BRIGHT about some things in life.
 1. Of all the areas of potential failure for the Young Woman the greatest is with regard to MEN.
 2. Even the most intelligent female girls are stupid about males
 3. They need guidance and as they get older they will find the Right Man and when this happens they usually are not much brighter about this man, SS 8:6-7.
 4. The Right Man has an easy job being commanded to LOVE his Right Woman and being the aggressor and initiator this is easy unless he has loaded himself up with Scar Tissue prior to finding the Right Woman. Eph 5
 5. The Man is to love his woman as self the standard for the unbeliever and as Christ loved the church for the believer.
 - C. The principle here is that the Man from the start is capable of LOVING the Right Woman.
 1. In a case of Cat II Love it is generally the man who recognizes that principle first that he is in love with the woman.
 2. The woman has to be taught to LOVE her Right Man and one of the purposes of having OLD women is to teach YOUNG women.
 3. These Old women are almost more difficult to find than a Pastor Teacher who is teaching according to ICE principles.
 4. These OLD women are scarce today more so than even when this was taught because we have had several generations of OLD women who did not find their Right Man and therefore do not have a clue as to what Cat II Love is about.
 5. Someone has to teach the young women how to love their man.
 6. The old women can do to help the young women so that when these become older women they will be graceful elderly ladies, charming beyond words having understood and experienced the principle of Right Man / Right Woman.
 7. They will therefore not fall into the category of snotty, witchy type individuals.
 8. The world is again more so today than ever before FILLED with frustrated females and we do not need this.
 9. What we need are the older women who have experienced Right Man / Right Woman and have grown old gracefully.
 10. They may not have the glamour and attractiveness of the young but on the inside in their soul they have a phenomenal amount of information and experience and have clear recall of the principles to teach the younger ladies.
 - D. These women are use the Metabolized Bible Doctrine in their Frame of Reference and norms and standards and teach the younger women a sanity of mind and stability in thinking.
 1. For a woman past 40 to reach sanity of mind in older age is an unusual thing in itself.

2. A woman who has not known her Right Man or Category II Love is bound to be very unstable and constantly seeking something highly restless effecting both the Central Nervous system and Mind.
 - i. This can result in dementia to melancholia
 3. These women are monsters and are witches without demons.
 4. The Older women who can do this type of training is one who is sane and has a Relaxed Mental Attitude and there is nothing more beautiful than a woman past 40 who has clarity of thought and mature with an Edification Complex of the Soul completed.
 5. A woman with the Edification Complex of the Soul as a mature believer and has known Cat II Love Right Man / Right Woman and has the doctrine and experience and older with her sanity SHE is a JEWEL and can communicate the most valuable information to younger women.
 - i. They are VERY RARE indeed.
- E. Titus has the job of picking out on the Island of Crete among all the mixed up Christians, those women who can fulfill this command.
1. In every age of history it is found that some ladies reach old age with Sanity, Experience of Category II Love, and having this information to communicate
 2. It is very easy for any woman of any age to lose the stability of her thinking and mentality.
 3. So that you have to teach women how to maintain their sanity.
 4. The most difficult time of life is for a Teen Aged Female and this is the most difficult thing to happen to any person in the Human Race.
 - i. The second most difficult thing is to be a father of the teen aged girl.
 5. These young girls are going through many problems, some mental, some physical and some physiological.
 6. There is a real need for OLDER women to teach these young women and these are not necessarily the MOTHER of the younger woman.
- F. People who reach old age always assume immediately that there is no place for old age and as life is extended we have more and more Zombies living with nothing to do.
1. No one wants to putter around with FLOWERS in old age or plan a long trip down town and take 2 days to do it.
 2. Old age is wonderful and enjoyable and we should get the most out of it.
 3. The IDEAL status in old age is to try to make your MONEY and LIFE come out equally.
 4. Metabolized Bible Doctrine in the Stream of Consciousness of the Soul gives incredible opportunities in life.
- G. The sound mind or stable mentality comes from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul to provide proper norms and standards and Divine Viewpoint of life.
1. Construction of the Edification Complex of the Soul stabilizes the soul completely and this has to be taught to younger women.
 2. This brings a restoration to RIGHT thinking with a sound stable mind.
 3. This is the best place for older women to function to teach this stability of mind to YOUNGER ladies who may never have learned this in her early life.
 4. Many parents have not and do not even attempt to teach these proper concepts of thinking and they try to send their children to “camps” or Christian Summer School in order to avoid their own spiritual responsibilities.
 5. It takes doctrine, personal taking and teaching and training to get a teen aged girl into her 20s with her sanity and virginity and with a lot of other aspects which she needs.
 6. Things are so bad in CRETE Paul does not indicate that the parents should do this but TITUS should.
 7. Titus was the greatest trouble shooter for the early church and next to him there is the Pastor Teacher with maximum Metabolized Bible Doctrine and then the OLDER woman

who has had past experience of Cat II Love and Metabolized Bible Doctrine knowing the truth about life and is totally under Grace Orientation, for the younger women.

8. This older woman does not have to have her own children to be good at this.
 - i. Many women without children are very effective in this process and women who try artificial fertilization procedures or adopt children are stupid not realizing that GOD deliberately saw to it that they did not have children for a reason.
 - ii. People need to relax about these things and are used as status symbols and we forget they are HUMAN BEINGS.
- H. The next stage is love
 1. The younger woman must be taught to LOVE with the strongest soul love her HERO or Right Man
 2. This woman in her teen aged years must have someone sensible with Bible Doctrine who can communicate the information to teach her how to respond and what to look for in a man with regard to his soul and what really makes him a man.
 3. It should start with basics:
 - i. This is a man dear girl.
 - ii. One of them is designed specifically for YOU only.
 - iii. There are different forms and models
 - iv. There are different aspects of male insanity
 - v. This is the way you recognize the best things.
 - vi. LEARN to LOOK the man right in the eye when talking with him
 - a. Learn about the way to evaluate people by the eyes and pupil dilation
 - vii. Most fathers cannot sit with their daughters and talk about these things and they will instead send them to some Christian organization of camp but not to bible class.
 - viii. You can tell a lot about a male by looking at his hands and the way he acts and his conversation.
 - ix. A girl should never be allowed to go on a date with a boy in a car without another means of getting home.
 - x. A girl should be taught never to smoke on a date and to drink only soda and WATCH her drink all the time to be sure no one is putting something in it.
 - xi. How to tell the difference between a nice boy and a wolf and there are ways to do this
- I. Everyone loves a baby and then there is a period when no one loves a child.
 1. There is always a period when a child is totally obnoxious and some don't recognize this in their children because they ignore them.
 2. There is a time when a mother borders on neurosis or psychosis and when her nervous system is totally shot and this is usually at the end of summer just before school starts again.
 3. Someone must TEACH the younger woman HOW to love children.
 4. It is important to LEARN and KNOW how to love children because you become deeply involved emotionally with your children but this emotion must never destroy judgment in training and rearing the children.
 5. Some parents become emotionally involved to the point of failing to use good judgment when training and as a result fail in this area.
 6. It must be remembered that children are not easy to love because if YOU are very smart you realize at some point you are doing all these wonderful things for a child and some idiot comes along and gives him a little trinket or candy and they love him for life.
 7. All children are very fickle and if someone treats them nice, entertains them then they will like that person and if the parent disciplines them they will dislike the parent.
 8. Children gravitate to those who are nice to them and give them things and parents often get into this rat race and try to bribe their children with love instead of training them.

9. Therefore, Especially the woman has to be taught to LOVE their children and simply gushing lovey dovey over them is not LOVE in the truest sense and if the child is a monster it requires discipline and orientation to authority.
 10. You must train using discipline fairly and teach the principles of life and decorum and respect for privacy and private property and all the principles of volition and there are times when they will despise you but they will grow to love you in maturity.
 11. Some children look back and say to their parents “where were you when I needed to learn these things and why did I have to learn the hard way”?
- J. Some of these things are to be taught before marriage to young women unfortunately some have to be taught after they are married already.

II. The List continues as to what ALL women must be taught:

- A. All women need to be taught to think in terms of sanity with a stabilized mind based on Divine Viewpoint from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
 1. Sanity cannot coexist with Mental Attitude Sins, Drug or Alcohol Addiction, and people chip away at their own sanity and it therefore has to be taught to the young teen aged girl.
- B. All women need to be taught to be pure in thought and act and refrain from sex and therefore avoid premarital sex and to wear around her neck the signet (SS) as a reminder that God has her own Right Man and she is to wait for that Right Man.
 1. She is in essence to refrain from anything which would put Scar Tissue on her Soul
- C. Doctrine of Adultery:
 1. This is one area in which the communists and not islam has and is doing such a great job in undermining the fiber of the people of this nation.
 2. Adultery is prohibited by the word of God, **Ex 20:14, Deut 5:18**
 - i. God is not being unfair but fair and he says NO adultery because he has designed the woman for ONE (1) right man and no other will do and the same is true for the Man.
 - ii. Any other is a cheap substitute for him or her.
 - iii. This must be made clear to the daughter and son that there is a Right Man or Right Woman and they are totally worth waiting for.
 3. Mental Adultery is condemned as a sin **Matt 5:27-28** and is a Mental Attitude Sins.
 4. Adultery causes Scar Tissue of the Soul **Prov 6:32, Eph 4:19**
 5. The Greek noun (gr) pleonezia == the frustration and punishment which comes to the one practicing adultery Eph 4:19, Eph 5:3
 - i. This means FRUSTRATION and a Frantic Search for happiness
 - ii. Frustration from SEX with the wrong person
 - iii. This leads to a Frantic Search for happiness and the more frantic the search the greater the frustration the more frantic the search for what you are looking for and the FURTHER AWAY FROM IT YOU GET.
 - iv. The more sex you have with WRONG people the further you get from it since you are programmed for 1 single person.
 - v. Promiscuous activity to compensate for sexual frustration is totally OUT.
 - vi. There is an effect on the male and female body taught in 1Cor 6:13-18
 - a. The male winds up with impotence or inability to copulate with the Right Woman and please her when he finds her, the female and is completely ruined.
 - b. The female winds up as a nymphomaniac or frigidity both having the same effect both being totally frustrated and frigid and nymphomania is a totally frustrated woman trying to prove something with ever male who comes along.
 - c. In both cases there is a lot of misery involved.
 6. Adultery is a bonifide basis for divorce **Matt 5:32, 19:9, Luke 16:18**

- i. The reason is because adultery destroys the compatibility between the husband and wife in both soul and body and results in Jealousy **SS 8:6** which destroys relationship between Right Man and Right Woman.
 - ii. This does not mean that in every case there should be divorce there are other biblical principles to consider.
 - 7. Adultery or Fornication is often used to describe apostasy or repudiation of Bible Doctrine **Jer 3:8-10, Ex 16:23-43, 23:24-28**
 - 8. Marriage is the sanctification and framework for Cat II Love **1Thes 4:3-4, Heb 13:4**
 - 9. The glory of Cat II Love is declared in the analogy to Bible Doctrine **1Cor 11:7, Eph 5:25-31**
 - i. As the believer with Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is the glory of God so the woman is the glory of the Right Man the hero.
- D. Application of Category II Love to the single person:
 - 1. The Right Man / Right Woman were designed by God in Eternity Past therefore you must assume you have a Right Man or Right Woman by design **SS 8:6-7**
 - 2. This recognizes the possibility of a rare case of the gift of Celibacy or Law of Supreme sacrifice illustrated by Paul in 1Cor 9:5
 - i. In such cases Bible Doctrine takes the place of the Right Man or Right Woman with no problems.
 - 3. Every believer will eventually meet his opposite number and God often brings the Right Woman to the Right Man as God brought the woman to Adam and in each case his timing is perfect. Gen 2:18+22
 - 4. There is no benefit from meeting your Right Man or Right Woman apart from having a capacity for love based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul from consistent function under the Grace Apparatus for Perception.
 - i. For most this requires gaining great capacity from Bible Doctrine prior to meeting their Right Man or Right Woman.
 - ii. The woman is commanded to be CHASTE and avoid premarital sex in preparation for her Right Man and the same applies to the Man.
 - iii. Promiscuity destroys the capacity for love.
 - 5. Fornication or adultery is accepting a cheap substitute not designed by God by trying to do your own designing just to gratify an emotional or physiological urge.
 - i. Emotional and Physiological urges will come once in a lifetime and when she comes it will be a FIRE.
 - 6. A strong norms and standards in the Right Lobe learns to recognize when it is simple Libido and when NOT and flee fornication **1Cor 6:18**.
 - 7. Fornication is not only sin but builds Scar Tissue of the Soul which neutralizes capacity for love therefore when you meet Right Man or Right Woman it may not work out because you have been messing around too much prior to them. **Eph 5:3**
 - 8. Maximum benefit from Category II Love is derived from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and construction of the Edification Complex of the Soul
 - 9. The framework for expression of Cat II Love is Marriage and the ideal situation is for every believer to marry the one designed by God for them and this would eliminate many many problems.
 - i. Frustrated men and women can only be settled by good bible doctrine teaching.
- E. Married Women:
 - 1. For many many women they are full of romantic ideas and KEEPING HOUSE is not one of them.
 - i. Obedience to a man makes these women sick to their stomach.

- ii. These are women who are young and have not met their Right Man or OLD and did not meet the Right Man and now they are bitter.
- 2. (gr) oikourgios == Worker at Home
 - i. This is not any problem if a woman marries her Right Man.
 - ii. There is nothing glamorous about keeping house unless you are a little girl with a doll house.
 - iii. When it is done it is beautiful to behold.
 - iv. It takes the Right Man keeping the woman satisfied constantly and doing the job as unto the Lord and one or both are needed.
 - v. Home is the Headquarters for the Right Man and keeping the house clean must be accompanied by the right Mental Attitude or it is just a HOUSE and not a home.
 - vi. Some women can keep a clean house but it takes much more than that to make a home out of a house.
- 3. (gr) Agathos == Divine Good of intrinsic value
 - i. There is a fantastic amount of Divine Good in keeping house for the woman in all the details of it.
- 4. (gr) hupotasso == obedient and submissive from personal Positive Volition where the Right Man has protected your volition and these things are done because the woman WANTS to do them.
 - i. This is an obedience which is desired by the woman and she acts on herself to do these things.
- 5. There are 2 ways to keep a house clean:
 - i. To do it and be mad about it
 - ii. To do it and be happy about it
 - iii. {(ff) there is a third way also and that simply is to NOT do it at all}
 - iv. The difference is very often whether it is the Right Man or wrong man.
 - v. If it is the Right Man there will be a mental volitional soulish submission with obedience to the husband without issue.
 - vi. Otherwise for your whole life it will be a pain in the neck and you will have a clean house {(ff) or NOT} and only Human Good.
- 6. These things are required because the house if it is a HOME is a testimony to God:
 - i. The woman must do this from her own Positive Volition free will and what is not freely given is not worth having.
 - ii. The woman must have freedom to be obedient to her Right Man.
 - iii. The woman with her Right Man will be so responsive to him there will be no problem at all in these things.
- F. This is a strong development for the young teen aged woman with incredible details presented here.
- G. However there is simplicity for the Teen Aged Male.
 - 1. With the consistent response and Perception, Cognition, Inculcation and Metabolization of Bible Doctrine the teen aged male can have stability of thinking from Divine Viewpoint.
 - 2. The young man must have sanity and this is the whole composition of a young man so that when he reaches manhood he has free will and norms and standards and Metabolized Bible Doctrine and not pushed into a mold by others and is a real man.

Tit 2:4

v4: Potentially, in order to keep on communicating stability and sanity of mind training the mind and restoring it to right thinking, teaching the young, fresh, new females or women to be sound of mind, stable of mentality from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, to have absolutely total soul love for their HERO or Right Man and have total soul love for their children training them properly for life;

Tit 2:5

v5: to think in a stabilized manner having Divine Viewpoint sanity from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, to be pure in thought and act refraining from premarital sex, domestic workers at home, producers of Divine Good, and have a mental, volitional, soulful submission and obedient to their husbands, that the Word of God may not every be maligned or discredited.

Tit 2:6

v6: Younger men likewise exhort or admonish to be sane, stable of mentality from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.

Lesson #9 Series # 470 6/26/2019 Tit 2:7

- I. The Pastor Teacher / Bishop
 - A. Titus must find those with the gift of Pastor Teacher and then he must train them properly.
 1. The spiritual gift must function under the Filling of God the Holy Spirit but the word of God must be understood to be taught.
 - B. Sincerity is not the greatest thing in the world and a FOOL is taken in by sincerity
 1. Sincerity ignores the content of what is said and the character of the one speaking and is a facade of hypocrisy whereby those who are stupid and / or ignorant are taken in tow by those who are smart.
 2. Sincerity is one thing anyone can FAKE and most can be faked very easily by one who is very sincere.
 - C. Leadership:
 1. There are 2 ways to lead, by character or by brains and principle.
 2. This passage emphasizes both and Leadership is here to be asserted by both character and principle.
 - D. Principles of Honorable Production:
 1. In Doctrine
 - i. All Bible Doctrine must eventually be organized into categories.
 - ii. This Metabolized Bible Doctrine in the Stream of Consciousness of the Soul as epignosis is stored as categorical doctrine.
 - iii. When this categorical doctrine become more complete it cycles up into the application area for use in life's experiences.
 - iv. The mature believer is one who has the whole realm of Bible Doctrine in any category indicated by his completed Edification Complex of the Soul and when application is needed he can immediately draw on it.
 2. Uncorruptness
 - i. This applies mostly to the message and infers Incapability of decay, having integrity of content so that the Pastor Teacher must be OBJECTIVE in communication of Bible Doctrine and he must be relaxed about it.
 - ii. A person might have a spiritual gift of Pastor Teacher and has hangups or is subjective he will never make it.
 - iii. Crete had a great deal of subjectivity and when a Pastor Teacher has hangups and is not sensitive with regard to the audience or congregation they cannot function properly as a Pastor Teacher.
 - iv. These are Pastor Teachers who give testimonies and then go to a sermon and then to exhortation which belongs to the one who has the authority.
 - v. The Pastor Teacher is the only one who can admonish a believer in his congregation having the authority from Bible Doctrine to do so.
 - vi. This passage means objectivity and integrity of communication by the Pastor Teacher.
 - vii. The more a Pastor Teacher teaches and the greater the frequency of your speaking the more you must exert objectivity in your communication.
 - viii. Giving a 20 min sermon 2x per week is not teaching.
 - ix. Every Pastor Teacher must face all passages in light of his own life and rebound or take the Divine Discipline objectively and any time a passage is found which

deals with his life and his failures he gets double Divine Discipline from the Lord even by simply discovering it.

- x. NO ONE can speak and teach doctrine very often or very much without maintaining objectivity and relaxation in his own Christian life and the more a Pastor Teacher teaches the stronger his Spiritual Life must be.
- xi. Constant communication by the Pastor Teacher bring many fold problems such as not getting stale and keeping the attention of the congregation and many more.
- xii. The more you talk the more often someone will get stepped on and that makes it more difficult for them to hang in with Bible Doctrine to get the next passage, verse or line.
- xiii. The beautiful thing about right Pastor Teacher and right congregation is the fact that after going 10 straight days hearing Bible Doctrine taught and being trampled into the ground 8 of the 10 days you can still come back on D11 and listen objectively again.
- xiv. There must be integrity of communication in order for the congregation to learn appropriately all possible Bible Doctrine.

3. Gravity

- i. This applies more to the person
- ii. This does not exclude a Sense of Humor and every Pastor Teacher NEEDS a great sense of humor.
- iii. Majestic and is a word meaning to RULE with a flare and does not mean dignity which is a man who does not know what he is doing trying to cover his inabilities.
- iv. Majestic means that there is only ONE RULER and everyone knows it but they do not necessarily like it and he RULES with a flare.
- v. This means poise and probity meaning to have a such a strong grace pattern in your life that you are surprised or disturbed by the idiotic things people say or do in the congregation.
- vi. This is a person who keeps cool under all conditions.

4. Sound Speech

- i. All teaching by the Pastor Teacher must be accurate in the ICE principles along with clear and lucid explanations.

E. All Pastor Teachers will have opposition:

- 1. The basis for opposition to a Pastor Teacher who is following the biblical principles for the function of the Pastor Teacher include:
 - i. Sincerity of people who think the Pastor Teacher is mixed up and their job is to straighten him out.
 - a. These people sooner or later must be removed and their sincerity is totally out of line
 - ii. There is also the person who suffers from one of the LUST patterns such as approbation lust and he cannot stand to have anyone else get any attention and he looks for your weaknesses and compares that with his strengths and then talks about it in Maligning and Judging.
 - a. There is also power lust whereby some simply in any organization have to get pushy and try to take over.
 - iii. Connected with the lust patterns but in a separate category are certain Mental Attitude Sins which arouse opposition.
 - iv. There are those who believe they know all there is to know about Bible Doctrine and assume that the Pastor Teacher is out of line and for the church to be saved the Pastor Teacher must be removed or corrected.
 - a. These know it all types generally have great weaknesses but are not aware of their ignorance of many areas of Bible Doctrine.

- v. There are those who are totally ignorant of what is actually required of the Pastor Teacher and they expect attention when:
 - a. They go to the hospital
 - b. By visitation
 - c. When they have some activity of some kind.
 - vi. Negative Volition toward Bible Doctrine and if the Pastor Teacher is doing his job he will communicate Bible Doctrine and this is not of any interest to these people.
 - vii. Programism is part of former Christian backgrounds where there is some formalism in worship or system of following a format in worship or having categorizing groups etc.
2. Satanic:
 - i. Unbelievers under demon possession.
 - ii. Believers under demon influence
 3. Psychotic or Neurotic individuals
 - i. The beauty of the privacy of the priesthood is that if they do exist you don't ever have to become acquainted with them or even be nice to them.
- F. Opposition which is honest and objective and bonifide in the biblical sense will always recognize the authority of the word of God and therefore by proper teaching of Bible Doctrine these will be put to shame.
1. There is nothing wrong with bonifide objections or opposition and it performs a good function when it is honest, above board and free from politicking and sneakiness.
 2. Opposition can occur in 2 ways
 - i. It can become subjective because the person objecting is a sneak or coward
 - a. It can be because the person is suffering from some hangup such as disenchantment or some other.
 - b. This never amounts to anything good except it helps other believers to maintain their objectivity especially when their friends are involved.
 - ii. Politicking is a person who is ignorant or unpersuaded about some principle of Bible Doctrine or other church function and they will be taken aside by those in opposition and talked to in order to bring out perceived flaws in the Pastor Teacher or the teaching.
 - a. This is generally underhanded things.
 3. Then objectivity in opposition is also possible and it is a good thing.
 - i. This occurs out in the open and is presented as opposition to a policy or principle.
 - ii. The opposition is stated for this reason so that when you have thesis and antithesis which is opposition to it and it is honest and above board the Pastor Teacher and anyone else can profit from this opposition.
 - iii. Often when it is clearly and lucidly stated and OBJECTIVE in nature it can be put together and from this will come synthesis which is often the correct position.
 - iv. The one on the Thesis side will then have opportunity to reexamine his position in the light of GOOD information.
 - v. However if this become subjective it is then no longer profitable to anyone.
 4. Opposition can be good or bad and if objective it is good and if subjective it is bad.
 - i. When it is objective it means you are willing to hear the other side and state your side and give consideration to the opposition and can come to good conclusions.
 - ii. Honest and correct opposition either strengthens the position you already hold or modifies it to be more compatible with the Grace of God and Bible Doctrine and is therefore it is GOOD provided it is HONEST and OBJECTIVE.
 5. Honest and Objective opposition can always respond to Bible Doctrine and therefore the one in opposition can reverse their position which may in fact be a bit embarrassing.
 - i. This is a principle of flexibility which is a very excellent characteristic.

- ii. Flexibility in POLICY is a great thing in any organization in order to modify function in any organization for the better.
 - iii. Remember that a BAD DECISION is better than NO DECISION and IF you stay flexible and listen you will eventually hit the right decision.
 - iv. When there is objectivity in an organization and policy is set if it works then the feedback will come which indicates that it works and if does not work then people will not fear telling the one in charge that it is not working and as a result effective changes can occur.
6. ***In every organization there should be a primary policy that policy can be changed at any time that it can be demonstrated that it should be changed and there need not be a policy manual nor committee meetings to change policy the one in charge simply changes it immediately.***
- i. In every organization there has to be a method whereby good objective opposition can be expressed
 - ii. Policies get changed when they do not work and there comes about OPPOSITION to that policy.
 - iii. In an organization the people must be trained to voice their opposition with impunity but must also realize that it may or MAY NOT result in change.
 - iv. Voicing opposition means you get a hearing and that is all.
7. When subjective improperly motivated opposition occurs in the local church it is the teaching of Bible Doctrine which must straighten their thinking out or they must be removed from the congregation.
- i. The authority of Bible Doctrine and the Pastor Teacher must be recognized.
 - ii. If they do not leave they will most likely drive out the Pastor Teacher.

II. Slaves on Crete:

A. Servants or Slaves

1. This word means Slaves.
2. The bible must be interpreted in the time in which it was written.
3. This word originally applied to slaves in the Roman empire and Christian slaves lived throughout the empire of all races.
4. Slavery is and was a great evil but Paul did not side track himself by condemning it.
5. Instead Paul declared the greater issue of the gospel to unsaved slaves and Bible Doctrine to Christian slaves.
6. Under conditions of slavery believers could have maximum happiness from the Edification Complex of the Soul.
7. This depended on the daily function under the Filling of God the Holy Spirit and Grace Apparatus for Perception.
8. However the application of this passage to our time extends beyond slavery to believers categorized as LABOR in contrast to management.
9. Therefore believers employed by someone else under supervisory authority.
10. The information in these 2 verses 9-10 recognizes the fact that ever believer is in full time Christian service.
11. Believers who work under the supervision of management must regard their job as their area of full time Christian service.
12. Therefore such believers must do their job as unto the Lord.
13. The first responsibility of such believers is to recognize the authority of management servants to be obedient.

B. It is God's purpose for believers to be submissive and obedient from their own volition to those above them in authority when working for another organization or business.

C. Doctrine of Authority:

1. Recognizing Greek Words:

- i. (gr) hupakouo == **Matt 8:27, Luke 8:25, Rom 6:16, Eph 6:1, Col 3:20+22, 1Pet 3:6**
 - ii. (gr) hupotasso == (stronger verb) **Eph 5:22, Col 3:18, James 4:17, 1Pet 5:5, 1Cor 14:32, Rom 8:20**
 - a. **Each of these verses describes some principle of authority and both have the concept of voluntarily through your own volition recognition of authority.**
2. Areas of Authority in life:
- i. God's Authority – Bible Doctrine
 - ii. Local church Authority – Pastor Teacher
 - iii. Authority in life – Divine Institutions
 - a. For both believer and unbeliever.
 - b. Volition
 - c. Right Man over Right Woman
 - d. Parents over children
 - e. National leadership, Law of the land and Local leadership.
 - iv. Academic Field – School Administration and Teachers
 - a. This has been departed from long ago and schools no longer have any authority NOR do the teachers.
 - b. This authority in our schools should be in the area of administration under the principles and vice principles who should be able to proscribe any form of dress or grooming for the students.
 - c. When a person goes to school to learn he is a SLAVE and should be treated like a slave in order to learn authority and this should be true in every public school at every level.
 - d. {(ff) 2 things to consider, abuses of children should be immediately executable offenses and NO LEARNING CAN TAKE PLACE IN ANY VENUE WITHOUT RESPECT FOR THE AUTHORITY OF THE ONE TEACHING AND DISCIPLINE ON THE PART OF THE STUDENT EITHER SELF IMPOSED OR EXTERNALLY IMPOSED BY **AUTHORITY.**}
 - e. Every administration should have the right to set these standards and if a person did not like the situation in one school they could move them to another school.
 - f. Students have NO RIGHTS in any academic institution except to learn and there is no such thing as student rights and a student going to a school to learn should therefore be submissive to that administration.
 - g. In the classroom he may not agree with everything and has a right to questions when the subject is opened to questions by the teacher and NO Student has any right to Heckle in class or disrupt class in any way.
 - h. No authority at academic levels results in very little if any learning and when under authority the student may not learn anything except to respect authority.
 - i. None of these students today are anything but miserable as demonstrated by the levels of drug abuse having moved down from adults to high school students to jr. high school students and by the time these children graduate they are monsters.
 - j. In Colleges when there is any type of revolt in college they should collect the students involved and throw them out even if that results in only 1 student for a professor.

- k. When the government subsidizes state schools they should make it conditional to the school that they have ROTC and EVERY MALE student takes ROTC whether he wants it or NOT.
 - v. WE NEED DISCIPLINE IN THE WORST WAY OR WE WILL NOT SURVIVE (LOOK AT TODAY) AND DISCIPLINE MEANS RESPECT FOR AUTHORITY BUT ALSO HAPPINESS.
 - a. People associate happiness with sex and this can be true and cannot be true but one major principle in SEX is that the man must have fantastic control and self discipline in his love.
 - b. Lacking control and self discipline in love makes this man an animal not a man.
 - c. Discipline is essential for happiness especially when you have a large nation and people living on top of each other in large cities collected into small areas it is even more important.
 - d. Seeds of revolution are developed when a generation gets through the parental and academic system without discipline.
 - e. Academic Discipline is the greatest thing and NO COURT should be able to rule on a school administration and no judge has any right to stick his nose into the business of a local school his being pushed from above politically to do so.
 - f. Just as we have the sovereignty of states and states rights so every school administration should have the right to decide issues for itself.
 - g. Those who are trained objectively academically ought to be making policies and decisions and not the idiot liberal do gooders with guilt complexes being all mixed up.
 - vi. Athletics:
 - a. The coach or manager is the final authority and they should be objective and they generally will be with some exceptions.
 - b. The best thing to happen to athletes with great ability but no desire to work or stay in condition for a place on the team is to sit on the bench and realize that LIFE is out there and this person will run face to face with authority which he cannot get around.
 - c. Some coach to do better or win puts this guy in not being in proper condition he will be hurt sooner or later and this will ruin his life.
 - d. Every coach must be aware of the concept of Character and that he deals with young men who have more potential than just Athletic Ability and that they will be going out in life and life is not filled with athletic bums {see Capernick} because some coach did not put a man on the bench when he should have been.
 - e. The only men who should play in athletics are the men who responded to discipline.
 - vii. Military:
 - a. There is very little problem here as RANK is defined and the superior officer has the authority.
 - b. This however has been watered down to some degree today especially with political influence on the military to engage women in units they should never be in and catering to influence from political candidates for special treatment or social experimentation in the ranks.
 - viii. Business:
 - a. There is authority in business
3. God has a set of commands for believers to obey. **Deut 11:27, 1Sam 15:22, Jer 7:23, 11:4,+7, Zech 6:15**

- i. Obedience to God is only possible through the function under the Grace Apparatus for Perception
 - 4. Nature obeys God **Matt 8:27, Mk 4:41, Luke 8:25**
 - 5. Just as nature obeys God children should obey their parents.
 - i. Parental authority is designed to overcome the temper tantrums, Mental Attitude Sins, disobedience of children so parental authority is established by **Eph 6;1, Col 3:20**
 - 6. By this same token authority in business is established by **Col 3:22, Eph 6;5**
 - 7. Authority also must exist in the local church therefore the authority of the Pastor Teacher as the final ruler is found in **Heb 13:7+17, 1Thes 5:12, 1Cor 16:15-16**
 - 8. The authority of the Right Man over the Right Woman in marriage Eph 5:22, Col 3:18
 - i. He does not exercise his authority arbitrarily but in such a way that the response should be “Yes my lord”.
 - 9. Angels are subjected to divine authority **Mk 1:27, 1Pet 3;22**
- D. The loyalty that labor gives to management the management gives to labor first and as management a person should be fanatically loyal to his labor force whether he likes them or not.
 - 1. Management must be objective toward labor and evaluate them in terms of how they do their job and no other issue.
 - 2. Loyalty is a 2 way street and men in relationships must give loyalty to their Right Woman just as managers **MUST** give loyalty to their laborers.
 - i. {(FF) this would remove the perceived necessity for Labor unions}
 - 3. Loyalty is something you cannot buy and some will never know this and consider people who work for them slaves.
 - 4. You must **GIVE** loyalty first in order to get loyalty back and **LEADERSHIP** means giving not just taking or receiving or demanding.
 - 5. Being in a position of leadership demands that there is **LOYALTY** to those who serve.
- E. Labor must not steal from their bosses or businesses
 - 1. Honesty on the job and doing a good job
 - 2. When we do our job as unto the Lord we wear the outer garment of Bible Doctrine.

Tit 2:7

v7: Concerning all things be an inspiration asserting your leadership from character and principle, a model of good quality honorable production, by means of teaching categorical doctrine, relaxed and incapable of decay with objectivity and integrity of content, with majestic poise and probity RULING with a flare and sense of humor,

Tit 2:8

v8: and healthy, clear, lucid, accurate exegesis, categorical analysis, and correct historical framework communication that cannot be condemned or censored, in order that the honest or objective one from the opposition having flexibility may reverse their position even despite embarrassment and that the non-valid improperly motivated subjective opposition are straightened out by Bible Doctrine which puts them to shame or NOT, they keep on having not one vile, underhanded or evil to say concerning you Titus and any new Pastor Teachers.

Tit 2:9

v9: Bid slaves in ranks to be obedient, subordinated, submissive from free will, under the authority of their own masters or management and to be acceptable and well thought of giving satisfaction in every respect as unto the Lord; not being insubordinate or contentious in answers,

Tit 2:10

v10: Stop Stealing , but to show entire and true fidelity with honesty on the job doing a good job, in order that in everything in business or on the job, they may adorn or make attractive, in an organized fashion, the doctrine of God our Savior.

Lesson #10 Series # 470 6/29/2019 Tit 2:11

- I. The Grace of God
 - A. Because of who and what God is and because he has in his character or essence a number of facets which are not ever contradictory and are inviolate and perfectly reconciled with each other.

1. Because he has lived for eternity and never was there a time when he was dissatisfied with himself or had failed or was discouraged or upset or depressed or unstable.
 2. God is everything which we are not.
- B. When we can from our original parents Man was in a state of perfect innocence and had the possibility of sin based only on volition and was in perfect environment.
1. Man had bible class and sex every day.
 2. No work all play and it did not make Adam or Ishah dull and they never had a complaint.
 3. They fouled up the whole thing because of their having free unfettered VOLITION and by an act of their own volition they actually destroyed their perfect relationship with each other and with God.
 4. Perfect happiness or “innocence” came before sin for mankind.
- C. How can 2 people have so much a screw it all up and you have to be a human to realize that it is possible.
1. What was in their periphery to make them unhappy in the garden?
 2. It was perfectly quiet and no noisy neighbors, NO CHILDREN, no government, never having to go to work, never being tired, no wrinkles, totally and having bible study every evening, perfect freedom and perfect environment.
 3. In the Human Race God has given man FREE WILL as did both Adam and his Wife.
 4. Adam was never Jealous of Ishah or vice versa, they never lied, never had a fight, never were suspicious of each other.
 5. They had so much fun that they almost could not stand it, they had perfect understanding and appreciation of Bible Doctrine, they had a perfect right Pastor Teacher and they had total appreciation for all that God had given and taught them.
 6. They never had bad weather and it was perfect temperature all the time.
- D. Man:
1. We can look back on our lives and see that there are times when we had perfect situations and then took deliberate steps to destroy that!
 2. We can all remember reaching a point where everything in life was so great that we started looking over our shoulder waiting for something destructive to happen.
 3. By a series of acts from your own volition you destroyed the greatest things you ever had in life.
 4. The question we have asked ourselves with regard to this is “What the hell did we do that for”.
 5. Man by his own free will could never do anything from his own merit by his own ability except self destruct.
 6. This was ever before Man had an Old Sin Nature and God never solicited to sin.
 7. The woman heard a few things which appealed to her and she thought she was the low man on the totem with Jesus of Nazareth, the Christ on top then Adam and Lastly her.
 8. She had perfection in her life having a man who loved her totally and gave her everything to respond to and everything needed in Cat II Love.
 9. She was in her mind LOW on the Totem but not as low as her pet {(ff) probably a dragon, the smartest and most beautiful of all animals} and along came Satan and deceived her into thinking she could be as smart as God and therefore smarter than Adam.
 10. The big question is and always will be, “Why would a woman who has been totally and perfectly fulfilled every day of her life for 1000 years care to be smarter than Adam her Husband and what could she possibly gain from it”?
- E. The reason she and Adam both self destructed comes out in Gen 3 beautifully.
1. Satan through the pet said to Ishah in a question:
 - i. Can’t you eat from all the trees
 - ii. Her answer was All but One
 - iii. the Pet then said “you mean to tell me that God is so unfair he won’t let you eat from that ONE tree”

2. Satan was so very anxious for her to eat from that Tree of the Knowledge of Good and Evil and it was not an APPLE tree.
 - i. Satan was disgusted with the Angelic Conflict going on and on and he could see the man and woman in the garden having a ball while he waited for the Lake of Fire.
 - ii. Satan suddenly realized that the problem was that EVERYTHING God provides is perfect and man has free will just like He had and continuously chose the perfection over the imperfection.
 - iii. If the Human History phase of the Angelic Conflict was to get moving he must get man to screw up his situation from his own free will volition.
 - iv. He studied man carefully and saw that in bible class the woman was not concentrating as she should have and he studied her until he saw her weakness.
 - v. When he came to her through her pet, his approach was that If the woman was going to go negative toward God then the Essence of God must come under attack and the woman must change her mind about GOD.
 - vi. She had to change her mind about GOD not man for the key to their perfect relationship was God's Character and His GRACE policy.
 - vii. They had not earned nor did they deserve anything but were the beneficiaries of everything which added up to perfect human happiness.
 - viii. It was not that they could not stand prosperity but it was the fact that if a member of the Human Race is to fail he must fail by lack of understanding of who and what God is.
 - ix. Satan put into the mind of the woman the idea that God was UNFAIR because he prohibited that one tree in the garden.
 - x. She was confused even about the prohibition before Satan distorted the ideas about God.
 - xi. In her thinking and misinterpretation and distortion of the principle of this doctrine, she believed that Both EATING or TOUCHING the tree would kill her immediately.
 - xii. The reality was that DEATH and that not physical but spiritual death was in the act of Negative Volition and she did not understand this.
3. When she partook of the fruit she:
 - i. Looked for it, longed for it and Latched onto it and died immediately spiritually.
 - ii. Now here she is a woman with an Old Sin Nature and no Human Spirit.
 - iii. There was an attack on the character of God when Satan spoke to the woman and Adam was not even there.
 - iv. Now Adam who has gone with his Right Woman sees that she no longer had that Human Spirit and now has an Old Sin Nature and is now spiritually dead but HE Still has a Human Spirit.
 - v. She then offers the fruit to Adam and he had to make a decision between the character of God and the woman and he made his decision eating the fruit.
 - vi. Now both are in the same situation, both ate the forbidden fruit, both were spiritually dead, both had an Old Sin Nature and in this Status Quo they were both in a MAXIMUM undeserving situation.
 - vii. In all of Human History there never has been more of an undeserving situation.
 - viii. They both committed 1 single sin of Negative Volition and in all of the Human Race NO ONE ever has sinned worse than the first man and woman and NO ONE can ever top or equal that sin.
 - ix. At that point we have totally undeserving mankind, Ish and Ishah.
4. If God was simply following His Absolute Righteousness or Absolute Justice to the maximum he would have placed them immediately in the Lake of Fire their being under

Spiritual Death and started some other demonstration for the appeal of the Angelic Conflict.

- i. God did exactly the opposite.
 - ii. They did something by expressing their Negative Volition to become spiritually dead.
 - iii. The first thing they did being under Spiritual Death and totally knowing Good and Evil was to provide adjustment to each other becoming Self Righteous and this made it worse.
 - iv. God then looked down on them in GRACE his policy for man from the totality of his character.
 - v. God loves the whole of mankind and this cannot ever be refuted since the Love of God had its greatest challenge and test with these 2 people.
5. In looking down through Human History with is omniscience God could see the innumerable sins caused by the progeny of Adam and Ishah as a result of their having the Old Sin Nature, he could see the total depravity of man and the Human Good of man as well which sickened him.
- i. Every aspect of the Essence of God looked at mankind and said individually and independently destroy them and send them to the Lake of Fire.
 - ii. We cannot ever even entertain the idea that we deserve anything but the Lake of Fire from God.
 - iii. When you consider the Essence of God standing with the man and woman after the fall he had to make a decision and it would have been far easier to destroy them than to save them.
 - iv. God cannot change one of his characteristics and cannot overlook or override his righteousness and prevent his justice from condemning them or us for that matter.
 - v. This would destroy anything in God we could count on.
 - vi. The Love of God is the motivation of God for providing the potential for Salvation Adjustment to the Justice of God and the Love of God is the key issue in the Angelic Conflict.
 - vii. The whole genius of Satan addressed the impugning of the Love of God at the Angelic Conflict Trial and was the basis for the appeal and creation of mankind.
 - viii. The Love of God cannot ever change nor waiver because it is based on his Absolute Righteousness and Sharing the Happiness of God and immutability and total understanding and knowledge of everything and his veracity.
6. God at this point was in a corner but he did not LIE his way out.
- i. God knew in Eternity Past that each of us would tell thousands of lies in our lifetime and even a single lie is an insult to the veracity of God.
 - ii. The Canon of scripture brings out the fact that Veracity + Love is a description of the Grace of God.
 - iii. You cannot point to a single character of the Essence of God and look to God and even imagine that you deserve something from God.
7. There are many things which might bring us to think we deserve something from God:
- i. Righteousness where we all having been good people with regard to expectations of society at some time in life think we deserve something special from God.
 - a. This is depending on OUR character not the character of God.
 - ii. Our church, Berachah is the greatest church in the world for all the time of the Col and until now because it is the biggest collection of stinkers, hypocrites, rat finks, jerks, Self Righteous Hypocrisy, ever to be seen and all these types are constantly under Positive Volition toward Bible Doctrine.
 - iii. The KEY to Doctrine is the Grace of God.
8. We must realize that none of us including the Pastor Teacher deserve to be here in this life.

- i. There are no glowing experiences which have brought us or our Pastor Teacher to the ministry.
 - ii. There is no special CALL or experience for the ministry because God the Holy Spirit at Salvation Adjustment to the Justice of God stamps the occasional male infant with this spiritual gift and that is it so how can you EARN or DESERVE this gift when you are NOTHING in the Spiritual Life at Salvation Adjustment to the Justice of God.
 - iii. To arrive at your Spiritual gift you simply learn Bible Doctrine and move on in the Spiritual Life.
 - 9. The point is that our Pastor Teacher did not earn nor deserve his spiritual gift and neither do we and NONE Of us have earned or deserve the right even to continue living it is a matter of the provision of the Grace of God.
 - i. We all have a legalistic scale be have built up in our mind, a set of standards in our mind so that when we comply with these we perceive ourselves to be OK.
 - ii. We decide on the basis of this compliance with these standards God will bless us for meeting these standards which we have set up!
 - iii. Our legalistic Scale may include the things with which we must comply and runs from ZERO to ONE HUNDRED.
 - iv. We move up the scale with compliance and then fail and then move up and fail again etc.
 - v. God has a standard as well and it goes straight up in Absolute Righteousness
 - vi. At Salvation Adjustment to the Justice of God we are given this and don't earn nor can we ever deserve it.
 - vii. However, He has provided ways to have experiential compatibility with this Absolute Righteousness.
 - viii. Our lives are described in the single phrase "The Grace of The God".
- F. Why is it so important for Titus to realize this.
- 1. The Cretians were just like us but spread out all over the island and there were people ready to go under Positive Volition toward Bible Doctrine and respond to a right Pastor Teacher.
 - i. They were people who would get mad and respond but stay under Positive Volition no matter what.
 - ii. They were people who were recipients of the Grace of God and TITUS needed to know this.
 - 2. No one ever knows who has Positive Volition for Bible Doctrine and the Christian Way of Life and the perfect idea is to have a maximum number of people under Positive Volition toward Bible Doctrine rich or poor.
 - 3. The ideal setting for a local church is one where NO ONE tries to change anything about any one else for any reason and all are interested in Bible Doctrine and nothing else.
 - 4. Sooner or later with persistent enough Positive Volition we will understand who and what God is and what the Grace of God is.
 - 5. Any local church or any believer is a great church or a great believer NOT because they have earned or deserved it but strictly because of the Grace of God.
 - 6. If ever God for even an instant pulled out the Grace of God and delivered to us what the Righteousness of God and Justice of God alone considered we deserved we would be in a miniature HELL!
 - i. This is what would happen if we took any of God's Characteristics of Essence out and isolate it
 - ii. What everyone wants to do is PULL out the Love of God and isolate it but we should want the Love of God to be so perfect and stable with total capacity but this means that it must depend on HIM and his essence especially the Righteousness of God and Justice of God.

- iii. The Righteousness of God and Justice of God was assuaged at the cross under the principle of propitiation.
 - 7. No characteristic of the Essence of God has ever been canceled and none has been isolated and NONE of them neutralize others.
 - i. Since there are no inner conflicts in the Essence of God he is totally and perfectly OBJECTIVE in his love toward us.
- G. Salvation:
 - 1. This means that the Essence of God has found a way to LOVE you forever and give you Eternal Life and provide for you for ever without any compromise to the Essence of God.
 - 2. This was made possible by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
 - 3. No part of the Essence of God is compromised about the Cross of Christ:
 - i. Not Sovereignty he made the decision
 - ii. Not Absolute Righteousness because Jesus of Nazareth, the Christ had Absolute Righteousness on the cross
 - iii. Not Absolute Justice because Jesus of Nazareth, the Christ bore all sins in his body.
 - iv. Not Love because this is a perfect maximum expression of the Love of God.
 - v. Not Eternal Life because Jesus of Nazareth, the Christ having propitiated God the Father he is now free to give us Eternal Life.
 - vi. Not Omniscience because he knew from Eternity Past every sin we would commit and these having to be imputed to Christ on the cross.
 - vii. Not Omnipotence because he had and has the power to put this into operation and see it through.
 - viii. Not Omnipresence because he witnesses our failures
 - ix. Not Immutability because not one characteristic of the Essence of God has ever changed.
 - x. Not Veracity because GOD NEVER LIED TO ANY PERSON IN HISTORY EVEN ONCE.
- H. God did not keep the potential of Salvation Adjustment to the Justice of God a secret but as a manifestation of the Grace of God he made it very clear to all mankind throughout all time.
 - 1. No matter how good, bad, sinful or sincere God has no exceptions for who can receive Salvation Adjustment to the Justice of God with Faith alone in Jesus of Nazareth, the Christ alone.
 - 2. God should be the object of all the love we can ever possess but we cannot possess any love for God apart from proper Teaching of Bible Doctrine.
 - 3. In Crete there was NO ONE to communicate Bible Doctrine daily in any local church so that these scattered believers could learn to love God.

Lesson #11 Series # 470 7/1/2019 Tit 2:11

- I. Believers who appreciate the word of God the most are in 2 categories:
 - A. They are those who understand that they cannot earn nor deserve anything from God in time or for eternity.
 - 1. Salvation, Blessing for either time or eternity.
 - B. They are those who recognize in their own way that they are outcast on the earth.
 - C. The bible indicates that “not many mighty are called” and people think they are great or mighty when they have a STRONG sense of Self Righteousness.
 - 1. These have an attitude that they know it all and they in some or many ways depend on some human resource to carry them on.
 - D. It is very relaxing and wonderful about being with a group or individual who is very relaxed as a result of strong Grace Orientation.
- II. The Grace of God imparts salvation to mankind and sets a pattern.

- A. It is most relaxing to realize that as members of the Royal Family of God GOD LOVES each of us for ever.
 - 1. He has perfect capacity to love us and never oscillates and it is constant perfect sustaining love and we cannot do anything to change his love for us.
 - 2. At Salvation Adjustment to the Justice of God we past the point of propitiation and as a result the Love of God is not some simple statement or emotional explosion which is here now and then disappears but it is part of his own character and essence.
 - 3. His love is a maximum and no one nor any other thing can change this love and he cannot diminish this love nor his capacity for it.
 - 4. This means God is constantly trying to GIVE us somethings and the only hindrance we have to his grace, giving and blessing is SELF.
 - 5. We might occasionally get the idea they we are great and have earned or deserve something from him and to that extent we depart immediately from the concept of grace and fall into Self Righteousness.
- B. The believer who thinks that he has not sinned after Salvation Adjustment to the Justice of God at any point and who thinks he has reached perfection has not understood 1John 1:8+10 thinking that he does not need 1John 1:9
 - 1. One of the things God uses to orient us to GRACE and make us realize how important he is to us is the fact that as long as we live we NEVER STOP sinning.
 - 2. The believer can have an Edification Complex of the Soul and be a super believer in every aspect of the Spiritual Life and in 1 moment of time he can sin and will sin until the day he dies.
 - 3. The incredible thing is that believer who even die out of fellowship in carnality under sin still end up face to face with the Lord.
 - 4. GOD LOVES THE BELIEVER OUT OF FELLOWSHIP AS MUCH AS THE BELIEVER IN FELLOWSHIP
 - i. This is demonstrated clearly and lucidly by the fact that believers in fellowship and those out of fellowship still receive Logistical Grace support for their needs from God.
 - 5. God's attitude and responsibilities for his Royal Family never change and he manages to keep his character and essence intact despite all our oscillations and failures in life.

III. The Doctrine of Heathenism:

- A. The Problem:
 - 1. What about the people who have never heard the gospel of Jesus of Nazareth, the Christ or God in the world?
 - 2. The heathens in china, Africa, in the far bush, who have incomprehensible languages, who are in our big cities, ETC.
- B. Historical Evidence:
 - 1. It will become obvious that whatever can be gleaned historically will align with the doctrine.
 - 2. Our problem above is IGNORANCE of history and as a result of this we fail to realize that there never was a generation who did not hear the gospel of Jesus of Nazareth, the Christ in total.
 - 3. There is no such thing as an isolated place in the world.
 - 4. There is a great deal to be done in this field and of discovery of when and how peoples have been evangelized throughout history but they always have.
- C. Biblical Evidence:
 - 1. Acts 17:6, Col 1:6, 1Tim 3:16, Tit 2:11

Acts 17:6

v6 : **And when they found them not, they dragged Jason by the heels and certain brethren unto the Politarchs or rulers of the city, screaming or yelling, "These men that have turned the world upside down {Bible Doctrine changes people thus the world} are come-hither also".**

Col 1:6

v6 : {Bible doctrine} being present in you even as in all the world; is constantly bearing fruit {production of divine good}, and increasing even as also in you, from the day you heard and began to fully understand the grace of God in the sphere of doctrine.

1Tim 3:16

v16: And by consent of all with everyone in agreement, great is the Mystery Doctrine of the Church Age, with reference to becoming God Like, He, the unique One Christ Eternal God, who became visible from the virgin birth to the ascension and session at the right hand of God the Father, by means of the flesh of his humanity, the same one Christ in Hypostatic Union at the 1st advent, was vindicated, justified and treated as just by means of God the Holy Spirit, he was carefully scrutinized and observed by angels from his birth to his session at the right hand of God the Father, he was proclaimed, by many heralds communicating with the authority of the King of Kings, among the nations, he was and still is the object of Faith in the world of Satan's rulership, always resulting in individual eternal salvation, and he was taken via the ascension up into the place of Glory.

D. Application of the Essence of God

1. Sovereignty
2. Absolute Righteousness
3. Absolute Justice
4. Absolute Love,
5. Eternal Life
6. Omnipotence
7. Omniscience
8. Omnipresence
9. Immutability
10. Veracity
11. Because of Absolute Righteousness God cannot be unfair or unjust to anyone in the Human Race and therefore there never was, is or will be any person to whom God has been unfair.
 - i. God gives every person a fair chance regardless of the time in which he lives, geographic location or communication impediments.

E. Unlimited Atonement 2Cor 5:14, 15, 19, 1Tim 2:6, 4:10, Tit 2:11, Heb 2:9, 2Pet 2:1, 1John 2:2

1. Since Jesus of Nazareth, the Christ died a Substitutionary Spiritual Death for all members of the Human Race it is his purpose to SAVE all members of the Human Race.
2. However, GOD cannot coerce human volition therefore any unsaved person in the Human Race MUST TAKE THE RESPONSIBILITY FOR HIS OWN VOLITIONAL DECISION John 3:18, 36

F. The Sovereignty Of God 2Pet 3:9

1. It is the decision of God and the Plan of God for all members of the Human Race be saved.
2. Only Negative Volition at God Consciousness or gospel hearing hinders salvation.
3. Under the sovereignty of God it is the Will of God that all members of the Human Race be saved and since it is OBVIOUS that NOT all members of the Human Race are saved it is also obvious that the free will volitional decisions of man himself is the basis for his unsaved status.

G. The principle of God Consciousness:

1. There are 2 areas where man is tested in the Plan of God:
 - i. God Consciousness the point of responsibility
 - ii. Gospel Hearing
2. God Consciousness is when any person becomes aware of the existence of God.
3. Gospel hearing is when any person receives information about Jesus of Nazareth, the Christ.
4. All a person has to do is become aware of the existence of God (all believers have) and at that point the person either expresses an interest in KNOWING God or about God, Positive Volition or he expresses no interest at all in God Negative Volition.

5. Gospel hearing following Positive Volition at God Consciousness provides an additional option for decision with Positive Volition being faith alone in Jesus of Nazareth, the Christ alone for Salvation Adjustment to the Justice of God, or Negative Volition rejection of Jesus of Nazareth, the Christ.
6. If any member of the Human Race regardless of geographic location or linguistic barrier desires a relationship with God after reaching God Consciousness then GOD will provide Gospel Information by which that person can be saved. **Jer 23:13, John 17:17, Acts 17:27**
7. This is the point of accountability in life and people who do not reach God Consciousness in life are automatically saved at the point of death.
 - i. You can die and never reach God Consciousness dying too young
 - ii. You can never reach God Consciousness and die by not having mental capacity for accountability.
 - iii. {(ff) This is true based on the idea that every member of the Human Race is here to participate in the Angelic Conflict and the whole purpose of the Human Race is to make decisions for the GRACE Plan of God or the EVIL Plan of Satan and therefore if one is incapable of reaching the capacity to make such a decision for any reason they cannot and do not participate in the Angelic Conflict appeal and are therefore taken to be with their creator.}
 - iv. Therefore it is better to be an idiot than a genius for few genius' achieve Salvation Adjustment to the Justice of God, but all idiots go to heaven.
 - v. God is fair and anyone who dies before reaching accountability goes to heaven.
8. Principle of Accountability:
 - i. Man has the ability to arrive at God Consciousness through the activity of his own mind. **Rom 1:20-21**
 - ii. When anyone in the Human Race has reached the point of God Consciousness he becomes accountable.
 - iii. This age varies with culture, circumstances, and environment and can be as early as 4 years and in other areas of the world it could be late teen years.
 - iv. This age is not fixed because of the variables which can greatly effect it.
9. Mechanics of God Consciousness:
 - i. Religious Approach through Cerebration
 - a. God must exist because people everywhere believe in God.
 - b. Creatures cannot and do not crave for what does not exist.
 - c. Men do seek after God **Ps 42:1-2, Acts 17:27**
 - ii. Moral or Anthropological Approach
 - a. To a greater or lessor degree man is possessed of a conscience in his soul.
 - b. This has an urge to choose right over wrong at times.
 - c. Structure of societies is based on human recognition of virtue and truths.
 - d. This has no explanation apart from the existence and influence of an absolutely righteous supreme being.
 - e. A material ungoverned universe could know nothing of moral values or convictions or distinctions.
 - f. This is extremely weak in the United States of America today.
 - iii. The Ontological Approach (Rationalism)
 - a. Since the human mind possesses the ideal of a perfect and absolute being such a being MUST exist.
 - b. The existence of God is a necessary ideal tendency of the human mind and beyond the relative which the human mind measures there is the absolute and this gives the character of value to the relative.
 - c. People often go insane because they have no basis in the absolute and no Scale of Values.

- iv. The Teleological Approach (Empiricism) Rom 1:20
 - a. The structure of the universe demands a designer
 - b. Whether you are looking through a telescope or microscope both reveal order design and arrangement.
 - c. Both show purpose and adaptation and this indicates a designer.
 - d. From Atoms to Galaxies these can be no more accidental in their construction and existence that the shuffling of the 26 letters of our alphabet into a poem.
 - e. There is order and design in a poem and behind it is a human designers mind.
 - f. In each case someone had to design and put into function the poem and the universe.
 - g. DESIGN demands a designer and there is design in this world.
- v. The Cosmological Approach
 - a. This is the intuitive law of cause and effect which demands the existence of God.
 - b. Simply looking into the sky and seeing the beauty of it you think what may be behind that and on an on is intuitive thinking.
 - c. For every cause there must be something behind it going back further and further to the absolute cause the beginning.
 - d. IN NO SENSE can the universe be its own cause.
 - e. Order and arrangement in the universe demand a creator and preserver both.
 - f. If God is left out, design, arrangement, function and operation of the universe becomes an unsolvable problem of infinite proportions or subject to the most ludicrous ideas which man has theorized.
- 10. The explanation of heathenism, Why do we have them.
 - i. Heathen are heathens NOT because they have never heard the gospel but because they have heard and rejected God and / or the gospel. **Rom 1:18-32**
- 11. Missionary Emphasis, Where should missionaries go?
 - i. Missionaries should base their locations on Positive Volition
 - ii. This means that successful missionary function in every generation is based on following the Will of God not emotional aspects of some past concepts.
 - iii. Following the Will of God is going where there is obvious Positive Volition exists and this varies from generation to generation.
 - iv. We cannot read souls therefore the missionary must be totally dependent on God for the locations of Positive Volition in any generation.
 - v. This is illustrated perfectly by PATRICK who is a saint because he was part of the Royal Family of God and had nothing to do with the Roman church.
 - vi. On 17 March 386 AD a boy was born in Scotland and was a Scotsman not IRISH.
 - vii. His parents were believers in Jesus of Nazareth, the Christ and they witnessed to him and he became a believer in Jesus of Nazareth, the Christ.
 - viii. As a boy he was kidnapped by Irish Pirates and was taken to IRELAND there he was made a slave but he escaped and returned home.
 - ix. When he became an adult having been unable to get the Irish people off his mind he was led to go back to Ireland and evangelized the entire island and thousands of Irish became believer because of him.
 - x. He had a LONG and marvelous ministry and lived to be 95-96 years old and was evangelical witnessing for Jesus of Nazareth, the Christ and was most likely one of the ALL TIME GREAT Missionaries.
 - xi. In his generation and century all the Positive Volition was coming right out of Ireland and when he went to Ireland the response was phenomenal.

- xii. In the next century the Positive Volition was then in Scotland and there was an Irishman who was named Columba who was saved by the witnessing of one of the great grandchildren of Patrick and he decided that God was leading him to Scotland.
 - xiii. He crossed the Irish channel to a cold spot on the Iona Islands in the Hebrides and then to the Orkney Islands and Shetland Islands all very wild out of the way places.
 - xiv. He evangelized there and realized all of Scotland was showing Positive Volition and he therefore opened a missionary school on Iona and as a result this missionary school carried on his work and these missionaries kept Scotland evangelized for 2 centuries.
 - xv. Boniface 680-755 AD he was led to cross the English channel and go to Germany and he initially saw that they were cutting down a tree to set it up and worship it.
 - xvi. He took the axe and stood before them and witnessed to them about the gospel of Jesus of Nazareth, the Christ, he is said in 50 years to have 100,000 converts plus.
 - xvii. In the next century there was a french monk, France having been evangelized, took the gospel to Denmark and Sweden and he went there as well.
 - xviii. Eric The Red had a son Leaf the Lucky who in 981 set out for GREENLAND to take the gospel to those people and teach them about Jesus of Nazareth, the Christ.
 - xix. While making one voyage to Greenland a storm drove him off course and he wound up in America 400 years before Columbus landed in the west indies but did not stay the Indians not having Positive Volition at that time and went back to Greenland.
 - xx. Cyril and Methodius 815-885 were 2 Greek brothers who were believers after Greece had been evangelized and they had a desire to see the Bulgarians evangelized and they were first to translate the bible in the Slovak language and had a fantastic number of converts.
 - xxi. Ramond Lawl an Spanish officer who became a believer while recovering from a wound in hospital was so burdened for the moslems that he went to north Africa 3 times and he would stand up and preach to the moslems and they would throw him out.
 - xxii. They admired his courage but told him that if he returned they would kill him and when he returned they stoned him to death.
 - xxiii. The concept behind missions is "Follow the Will of God for only God knows where Positive Volition exists"
12. Historical Quotations from Patristic Greek or Latin
- i. In their generation various area of the world were evangelized.
 - ii. Justin Marter 103-165 AD "There is no people Greek or barbarian or other race by whatsoever manner they may be distinguished whether they be ignorant of art or literature who live in tents or wander in wagons among whom prayers and thanksgiving are not offered in the name of the crucified Jesus in the father."
 - a. These included the Scythian who lived on the Steppes of Russia
 - iii. Turtolian 160-240 addressing Romans, "we are but yesterday yet we already fill your cities, islands, camps, palace, senate and forum and have left you only your empty temples".
 - iv. Origin (the same generation) In all Greece and in all barbarous races in our world there are 10s of thousands who have left their national laws and customary laws for the words of Jesus of Nazareth, the Christ though to adhere to this is to incur the hatred of idolaters and to have embraced the word is to incur the risk of death as well and considering how in a few great years and with no great store of

teachers and in spite of the attacks which have cost us life and property the preaching of the word has found its way into every part of the world”.

- v. Eusebius Ecclesiastical History (the next century) “There flourished at that time many successors to the apostles who reared the edifice on the foundations they laid continuing the work of preaching the gospel and scattering abundantly over the whole earth the wholesome seed of the heavenly kingdom. For a very large number of disciples carried away with fervent love of Bible Doctrine which the divine word had revealed to them fulfilled the command of our divine savior leaving their country they fulfilled the office of evangelist to carry the gospel to those who had not heard the word of faith.”

- 13. There is not such thing as a person who did not have a chance at Salvation Adjustment to the Justice of God and there never has been nor will be.

IV. Phase II the Christian Way of Life:

- A. We engage in Perception, Cognition, Inculcation and Metabolization of Bible Doctrine because of Positive Volition in bible study of class and we therefore are the recipients of Teaching in one sense.
 - 1. This is learning the easy way, (gr) Didosko
- B. Others learn the hard way (gr) Paideuo == children who have to be taught by corporal punishment and discipline.
 - 1. This means to teach with authority and discipline to drill and inculcate.
 - 2. You learn some things the very hard way having to be hurt or clobbered to learn.
 - 3. The Spartans and early in the American armies they knew that if a person was going to be successful in combat they had to have instant obedience without question or hesitation and this would enable him to come back alive along with his whole outfit.
 - 4. In addition they would by making an example of a very big obstinate recruit demonstrate that there is no way the recruit can succeed where the instructor would fail in combat because the instructor was TRAINED.
 - 5. This is learning the hard way and this occurs with believer who for whatever reason refuse to do their bible study DAILY and when they inevitably get into trouble they want all the doctrine immediately
- C. Learning the hard way should result, but not always does, in the believer living under the Filling of God the Holy Spirit and Grace Apparatus for Perception constantly
 - 1. The responsibility of the believer in the Church Age in Phase II after salvation is learning Bible Doctrine even if it must be learned the hard way.

Tit 2:11

v11: The grace of The God (Part of the Love of God) which imparts Salvation has manifest, revealed, appeared and the reality received (Justice of God giving all a fair chance) to all mankind without exception, sinners, spiritually dead, believers in the Royal Family of God.

Tit 2:12

v12: training with authority using severe discipline and drilling and inculcating us renouncing, disowning, refusing legalistic ungodliness or spirituality by works, worldly lust motivations, that potentially we should live under Positive Volition to Bible Doctrine by function under the Filling of God the Holy Spirit and Grace Apparatus for Perception with stability of mind from Metabolized Bible Doctrine in the norms and standards and Frame of Reference of the Right Lobe, producing Divine Good from Metabolized Bible Doctrine and under Filling of God the Holy Spirit, lives in this now age of the intensified period of the Angelic Conflict the Church Age

Lesson #12 Series # 470 7/3/2019 Tit 2:13

- I. The pastor here Titus was told at the beginning of this passage v1 to teach sound doctrine then there was a parenthesis going through v14 and then the sentence was completed in v15.
 - A. The information between v1 and 15 is needed by Titus to cause the resurgence of Bible Doctrine on Crete.
 - 1. The emphasis here in v10 is not stealing and v12 emphasizes teaching, v13 emphasizes looking.

II. Teaching and Anticipating:

- A. (gr) Prosdecomai == to receive and embrace a gift which is beneficial, to receive for the benefit of something, to wait for something with keen anticipation, to anticipate something which will make you happy.
1. Often used in retort to vindictiveness or a lovers quarrel with “Every Dog has his Day”, “I am down now but have something which will bring me up”.
 2. It means that eventually there will be happiness for every believer whatever their state may be now.
 3. The believer may have a negative status now being unhappy, frustrated or sad.
 4. There will be a time when all members in the Human Race who are believers in Jesus of Nazareth, the Christ during the Church Age will all be happy at the same time and same place.
 5. This is expressing something in this passage which ALL believers will enjoy and this is the coming big church age party which all will enjoy.
- B. The church age began on a rather hilarious note such that by the middle of the morning all of the disciples were accused of being DRUNK but they were happy at the beginning of the Church Age.
1. We end the Church Age with great happiness at the gathering of all Church Age believers with the Lord Jesus of Nazareth, the Christ at the Rapture.

III. The Doctrine of the Rapture:

- A. The function of the Grace Apparatus for Perception causes confidence regarding DEATH with both the rapture and the 2nd advent of Jesus of Nazareth, the Christ involved in that confidence.
1. The 2nd advent of Christ which has to do with Israel is related to the Grace Apparatus for Perception **Job 19:25-27**
 2. The rapture which has to do with the church is related to the Grace Apparatus for Perception **Tit 2:13**
 - i. In v12 there is TEACHING which means the believer is to function under the Grace Apparatus for Perception and from this comes in v13 Keen Anticipation.
- B. The rapture makes it possible for Jesus of Nazareth, the Christ to KEEP his promises: **John 14:1-3**
1. These have not been fulfilled at this time.
 2. The Rapture of the church is essential and it must be distinguished from the 2nd advent of Jesus of Nazareth, the Christ.
 3. Jesus of Nazareth, the Christ keeps his promise to the church at the rapture and this promise is for the church ONLY
 4. Jesus of Nazareth, the Christ keeps his promise to the Jews at the 2nd advent and this promise is for Israel only.
 5. IN FACT at the 2nd advent the church will return with Jesus of Nazareth, the Christ at the 2nd advent.
- C. The rapture gives every believer of the Church Age a Resurrection Body **Phil 3:20-21, 1Cor 15:51-53, 1John 3:1-2**
1. At the instant of the rapture of the church all believers from the earliest martyr of the Church Age down to the occurrence of the rapture all leave heaven and somewhere in space these believers will gather with the Lord and these dead in Christ will return to the earth and their souls will move from the point where they died and return to Jesus of Nazareth, the Christ at the meeting place.
 2. When believers die, wherever they die, the soul leaves the body and sometimes the body remains and sometimes the body is totally disintegrated immediately.
 3. The soul then goes to be with the Lord and those who are DEAD believers at the rapture will be first to have their souls return to the earth at the place of their death.
 4. (BOB – there is a Triple statement being made here and if you can would you clarify please for me, #1 The Col has first said here that the believers soul will return to the

POINT OF HIS DEATH, his PLACE OF DEATH and then move to be with Jesus of Nazareth, the Christ. #2 Then he said from wherever the body or remains were placed that is where they soul will return to, to then move to be with Jesus of Nazareth, the Christ. #3 Then he said at the point where the soul left the body and where the body had is final resting place is where the soul would return to at the rapture and these are certainly NOT the same place. OK this is getting more complicated as I listen and it is an early lesson but I don't what to have any confusion even about this and #4 he then said that the Resurrection Body will be received AT THE POINT WHERE THE SOUL RETURNS TO THE PLACE OF DEATH but had earlier said that the Resurrection Body was to be received when we gather together with Christ in the air NOT at the place of our Death. He then again emphasized that the soul would return to the point of final resting of the body. Obviously this does not appear to be a terribly important issue but I would like your perspective on this.)

i. I would appreciate your input here Thanks Frank

5. The Resurrection Body is one just like that of Jesus of Nazareth, the Christ and is a permanent abode for the soul and Human Spirit of the believer for all eternity. Phil 3:21

i. Just because a believer has spent most of his life in carnality does not infer that his Resurrection Body will in some way be DEFORMED !!!!!

D. The rapture therefore takes the sting out of death **1Cor 15:54-56**

1. By this means the grave will be robbed of its victory.

2. There should never be any concern about when, where, or how one dies as a result of the rapture.

E. The rapture gives stability to LIFE IN TIME after Salvation Adjustment to the Justice of God **1Cor 15:58**

1. Understanding that all believers will have a Resurrection Body and that no matter the tragedies of life all will be happy after the rapture.

i. Children who died having not reached accountability will have a MATURE adult body just like all other believers.

ii. As will occur with deformities both physical and mental all will have perfect mature Resurrection Bodies.

F. The rapture removes hysteria and hopelessness of bereavement **1Thes 4:13-15**

1. People who have no knowledge of Bible Doctrine and lose a very close loved one to death have no hope and therefore are very often hysterically grieved for the loss.

2. This is very easy to understand and this occurs when they realize that they will never see that person again.

3. Believer should have nothing but a tempered sorrow and miss those who have departed from this life and have wonderful memories and we MUST remember that we will see them again.

4. There is no such thing as permanent separation under the Plan of God.

G. The rapture is a gathering for the living and dead believers in the Church Age **1Thes 4:15-17**

1. Being dead does not prevent a believer from gathering at the rapture with Jesus of Nazareth, the Christ in fact they will be there first.

H. Confidence in the occurrence of the rapture is based on the resurrection of Jesus of Nazareth, the Christ our guarantee **1Thes 4:18, 1Cor 15:20-23**

I. The rapture is a source of comfort to all believers in Bereavement **1Thes 4:18**

J. The Word "Hope" meaning CONFIDENCE is a technical designation for the rapture in:

1. **1Pet 1:3** – The Living Hope

2. **Tit 2:13** – The Blessed Hope

3. **1John 3:3** – The Purifying Hope

IV. Doctrine of Redemption:

A. The principle of redemption is found in **John 8:31-36**

1. It is being released from the slave market of sin.

- B. Jesus of Nazareth, the Christ paid the ransom and purchased redemption for us on the cross **Gal 3:13, 1Pet 1:18-19, Ps 34:22**
- C. Redemption is a doctrine a believer can apply in time of pressure and catastrophe and as a result find blessing and contentment in the catastrophe **Job 19:25-26**
- D. Redemption results in the biblical doctrine of Adoption **Gal 4:4-6**
 - 1. We are adopted as adult sons at Salvation Adjustment to the Justice of God.
- E. Redemption provides the basis for the believer's eternal inheritance **Heb 9:15**
- F. The ransom price of our redemption is the "Blood of Christ" used to depict the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross. **Eph 1:7, 1John 1:7, 1Pet 1:18-19**
- G. Redemption provides the basis for justification **Rom 3:24**
- V. We are purified at Salvation Adjustment to the Justice of God from all sin and lawlessness.
 - A. This is also removal of all Scar Tissue of the Soul under the concept of "cleansing" and remember that anything which occurred in life before Salvation Adjustment to the Justice of God is removed at that point.
 - 1. Then at rebound we use this procedure to cite our sins to God and he again cleanses us from any and all carnality based on the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross.
 - 2. Review the process and mechanics of **1John 1:9**
 - B. We are here as believers in Jesus of Nazareth, the Christ because we are ODDBALL people searching for some panacea to life and its pressures.
 - 1. We are ALL in the same boat and all of us are IDIOTS but we had Positive Volition at God Consciousness and experienced all sorts of problems and difficulties and distortions as we went along in life and discovered life is not quite as simple as it first appears.
 - 2. In addition we base our evaluation of others on OUR norms and standards.
 - 3. At Salvation Adjustment to the Justice of God we are in the Plan of God and trophies of GRACE but this does not mean we are truly all ODDBALLS.
 - 4. Whether believers are or are not oddball in life is of no consequence because we are together as believers in Jesus of Nazareth, the Christ members of the Royal Family of God.
 - i. Good Humor about the Col and his Sister and how oddball they were as they grew up!!!
 - 5. The Royal Family of God is one big happy family in the middle of the Angelic Conflict but we are FAMILY.
 - 6. We get the idea that Christianity is made up of goof offs, odd balls, raunchy people etc but this is not true NOT because of who or what we are but because of who and what God is.
 - 7. It is not true because God gives to us 39 irrevocable assets at Salvation Adjustment to the Justice of God, we have an unlimited access to GRACE, we are the personal representatives of Jesus of Nazareth, the Christ on the earth, every believer is a priest and an ambassador but all of us have differing personalities.
 - 8. To understand each other we must do so in light of Bible Doctrine and recognize that WE ALL have pressures in life we did not have prior to Salvation Adjustment to the Justice of God and Positive Volition toward Bible Doctrine.
 - 9. Life for the believer in the Royal Family of God is very complicated our being right in the center of the intensification of the Angelic Conflict.
 - 10. We are in a great unseen conflict as well as some very obvious ones in life.
 - 11. For the first time in our life we make our own problems and KNOW IT from Bible Doctrine.
 - 12. Mental Attitude Sins produced Self Induced Misery and the devil is not after us but we have learned that there are certain principles of Bible Doctrine which document that we make ourselves miserable and as a result people around us.

13. *In this Church Age in the intensified period of the Angelic Conflict as Royal Family of God when we are NOT making self or others miserable and are under Positive Volition taking in Bible Doctrine consistently we make the devil miserable and this intensifies the pressures in our life immeasurably*
14. No wonder many Christians appear to be ODDBALL but they really are not but are involved in something in this life which is so great to be involved with but there are a lot of pressures and confusion.
15. The real oddball Christians are the apostate believers who get off into the Tongues movement, victorious life experiences movements, agonize in closets, must have some pseudo ritualistic formality in the church like the “genuflex” in the Roman church.
16. We under Positive Volition toward Bible Doctrine are not at all ODDBALLS but sometimes we are GREAT WARRIORS in the Spiritual Life and sometimes just WAR WEARY warriors.
17. Whether under battle fatigue or victory we are a part of a GREAT spiritual combat team.
18. This is even true in California!!!!

C. Being in Phase II of the Spiritual life as a believer after Salvation Adjustment to the Justice of God, He puts a wall of fire around each of us and this is how we exist in life.

1. This is that we are a special possession of God protected throughout this life.

VI. V15 ends the parenthesis and completes v1:

- A. In order to act as a trouble shooter Titus must KEEP ON COMMUNICATING all these things.
 1. However that is not all for there are 3 commands for Titus in order for him to function properly.
 2. He must communicate, exhort and rebuke and this is why a Pastor Teacher cannot be quite human.
- B. There is no way for the Pastor Teacher to function properly by simply communicating.
 1. This is where the Pastor Teacher gets pressure from his congregation since NO MATTER who you are you will not like being reprimanded publicly in the congregation.
 2. This is not the Pastor Teacher being arrogant or talking down to one it is the JOB of the Pastor Teacher who communicates Bible Doctrine properly to exhort and rebuke believers whenever needed.
 3. This is very difficult for a person with a good disposition to get into the ministry and do his job properly.
- C. (gr) parakaleo == to comfort, to admonish, or SMASH them with the information.
- D. (gr) eklegcho == one of the strongest words to reprimand or chew out or brace a group or individual
 1. These 3 words are present active IMPERATIVES and are COMMANDS from PAUL to TITUS in his work in Crete.
 2. The Pastor Teacher starts by bringing out a point of Bible Doctrine by communicating the doctrine and principles surrounding it, then for some to get the same point across they must be ADMONISHED and EXTREMELY REBUKED with regard to that point.
 3. Some just take communication rapidly and in an organized fashion.
 4. Some take a bit of repetition with illustrations to get them in line with the principles
 5. Some have to be REBUKED strongly in order that they might realize what was the principle they must get.
 6. Therefore, in making 1 point of Bible Doctrine there are actually 3 approaches to the people.
 7. These things of v15 are not progressions for teaching different doctrines but refer to any individual point of Bible Doctrine
 8. The ones who benefit the most from the Pastor Teacher teaching Bible Doctrine are those who can take it in in a relaxed manner and absorb it.
 9. The next group who learn Bible Doctrine can take in in and respond IF it is a source of comfort but not it will be ignored until some illustrations are pushed in.

10. The last group is one where the doctrine is presented and these believers are basically told this is the fact "TAKE IT OR LEAVE IT".
- E. The 3rd system of communicating Bible Doctrine is NOT desirable as a way to learn but is necessary in some cases and every congregation will eventually have all 3 types of students.
1. There is a continuation of this concept in chapter 3 regarding the pastors authority.
 2. In all 3 cases of teaching procedures THEY MUST ALL BE DONE WITH AUTHORITY.
 3. This is why a Pastor Teacher cannot be sweet or nice about many things taught or organized for the congregation.
 4. Somehow people cannot stand authority at all except their own and every organization has its own system of authority.
 5. The congregation can have its own individual viewpoints and their sanity and opinions but still be in one congregation under a properly functioning Pastor Teacher.
- F. The size of any local church is based on whether a Pastor Teacher teaches Bible Doctrine or NOT.
1. The principle and fact is that GOD honors his word not the Pastor Teacher.
 2. If the Pastor Teacher communicates he must do so with ALL AUTHORITY and at some point the authority goes with the size of the local church.
 3. This does not mean that Pastor Teachers who have small churches are doing a poor job.
 4. It does however mean that in a local church where Bible Doctrine is taught there must be some type of authority to give the word of God a hearing and listen when you do or do not like the message.
 5. Having Positive Volition toward Bible Doctrine means that the believer will stick it out in a local church, large or small when his opinion or position on some topic is NOT considered or agreed with.
- G. There is no way that the Pastor Teacher can control the volition of the congregation or even one member of it.
1. The objective of teaching Bible Doctrine is to allow the word of God to control the volition of the believer.
 2. (gr) periphrono == around, think, == letting the mind work around what is said or taught, to Disregard what is said or taught
 3. This puts the emphasis on TEACHING WITH AUTHORITY.

Tit 2:13

v13: **Waiting with that keen anticipation and confidence for that absolute happy guarantee which is beneficial, even the magnificent appearance of glory of the great God even our Savior Jesus of Nazareth, the Christ, at the rapture of the church**

Tit 2:14

v14: **Jesus of Nazareth, the Christ, who, from his own volition, gave, in a point of time at the cross, himself on behalf of us, in Substitutionary Spiritual Death, in order that he might, by paying a ransom, us for our potential benefit, release, set free, deliver, redeem, us from the ultimate source of the lawlessness of Spiritual Death from the Old Sin Nature, and to ceremonially and spiritually purify from a hopeless disease by Salvation Adjustment to the Justice of God and consistent use of the Rebound Procedure, for himself a special protected possession of people of his own who are fanatical for honorable production from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.**

Tit 2:15

v15: **{Paul's Orders to Titus} These things or doctrines KEEP ON COMMUNICATING in a academic objective positive way; also sugar coat it with illustrations or admonish regarding them and when necessary expose to EXTREME REBUKE concerning the doctrines all with all authority in the local church. Let not anyone in the congregation disregard or reject what you say or teach.**

Lesson #13 Series # 470 7/6/2019 Tit 3:1

- I. Discussion of the Church which started in Peoria IL, Central Illinois Bible Church, a tape church.
- II. Closing of the problems on Crete, What you have when there is spiritual anarchy among believers.

- A. This is similar to what was and is in the United States of America where in the rise of fundamentalism there was and is the INDEPENDENT movement where everyone is independent and come and go as they please.
1. They recognize no authority and pick and choose someone famous when in town and flock to see him and then someone else and then are aroused by side show acts with glowing testimonies.
 2. These people jump around from person to person, teacher to teacher playing one pastor against the other and never recognize the principle of AUTHORITY in the Spiritual Life.
 3. This overflows into secular life and they fail to recognize authority in life in general.
 4. This is the fundamentalist believer who is constantly changing Jobs knowing that Satan is after them and the boss is influenced to fire them.
 5. The reality is that they have NO SENSE of or recognition of AUTHORITY over them and they have allowed their SPIRITUAL anarchy to run into their secular life with anarchy and NO ONE can keep them on a job in spite of whatever abilities they may have.
 6. This is often seen among students and in fact in every walk of life which revolves around the fact that they think you do not have to recognize anyone's authority except God's.
 7. The idea of recognizing God's Authority is a front for allowing themselves to go their own way and do things their own way.
 8. Everyone MUST recognize someone's authority especially in the spiritual realm and this is predicated on recognizing the authority of one's own volition to wear clothing before leaving home.
 9. Starting with this fact there is recognition of basic principles of authority that being One's Own authority.
 10. If a person was to be a true rebel and truly defy society all they need do is ignore society and that means if you don't feel like dressing DON'T and walk out of the house Naked.
 11. No matter how independent one thinks they are in a congregation they are still herd bound because of wearing clothing for bible study.
 12. The question for any and all independent people should be "Why do I put on clothing and dress before leaving the house".
 13. The answer is that SOCIETY and MORALITY demands it of each of us and this is recognition of a basic principle of life which is frowned upon by society; being naked in public.
 14. Therefore each of us and every "Independent" person uses their volition to recognize some basic principle of authority.
 15. Ladies wearing "high fashion" and specific makeup is conformity with society.
 16. These conformity principles are not bad but MANY people stop right there with the basics and do not recognize the authority of those in society above them.
 17. We MUST recognize in life certain principles of authority and follow certain rules in order to avoid problems of living closely with other people.
 18. The tragic thing is that the most important authority in life is God's authority and most fail to even consider that.
- B. GRACE ORIENTATION is orientation to the authority of God.
1. We can be Grace Orientated and simultaneously function under secular authority.
 - i. This is not degrading but part of the principle under which we live as believers.
 2. The command to every believer is to remember to think about certain things at certain times.
 3. The Pastor Teacher must constantly remind his congregation of the importance of Bible Doctrine and the principles of Bible Doctrine including the principle of Authority.
 4. This is a COMMAND to all Pastor Teachers to constantly remind under the principle of authority of Bible Doctrine while communicating these things.
- C. Believers are to be submissive or subordinate to some system of authority.

1. It is the responsibility of the Pastor Teacher to remind his congregation that authority exists in society on earth and it must be recognized and subordinated to.
 2. Some of these principles of authority are found in the Cosmic Dynaspheres but they are not part of the world ruled by Satan but part of the Divine Institutions and Laws of Divine Establishment.
 3. Respect for the law of the land, Law Enforcement, Judicial systems, the Boss, school administration, professors or teachers who have a right to teach and control the class.
 4. In life wherever you go there is the principle of authority in life.
 5. Just as this there is the principle of authority in your Spiritual Life and you must recognize the authority of the word of God.
 6. Since the believer cannot open the bible and understand every aspect of the word of God there is another principle associated with that of God and his word that being the one who communicates Bible Doctrine to you.
 7. Titus was in Chapter 1 and 2 told to go through Crete and find those with the gift of Pastor Teacher and then TRAIN them to communicate Bible Doctrine with Authority.
 8. The first thing for these people who are being trained to teach Bible Doctrine is for them to be trained to be patriotic and respect their own national entity and have respect for Crete.
- D. The believers are to be trained to be subject to Rulers of State or commanding Generals those of highest rank.
1. Just as soon as the local church is organized in Crete one of the first things they must learn is that they are in a nation and must have respect for the rulers of that nation.
 2. In addition to that there are subordinate rulers to whom they also owe recognition of their authority.
 3. The cretians were rebelling against all authority and were saying they were fundamentalist independent believers and owed no allegiance to anyone and were therefore rebels.
 4. They refused to recognize the authority of Bible Doctrine and of anyone who communicated Bible Doctrine.
 5. In Chapter 1 they PAID apostate believers to come in and teach them false doctrine and refused to recognize any authority in the land under any circumstance and they lacked patriotism.
 6. This occurs today in fundamental Christianity where believers think that true Christians should be antagonistic toward their nation and not ever go to war nor pay taxes.
 7. Although our tax structure is UNFAIR to anyone who has any intelligence or drive or initiative nevertheless we all must pay taxes and paying taxes is a biblical principle.
 8. Unfortunately the biblical principle is not followed which says anyone who is at all taxable pays 10% of his income no matter how much or little he has available for his personal use.
 9. This preserves the nation and prevents taxing people in business who can put together good businesses and make a great deal of profit to increase industry.
 10. We pay our taxes on the basis that we MUST as believers respect our nation and this nation has at least some respect due {{ff}} but this is waning fast these days and would already be gone were in not for Mr. Trump}
 11. There must be respect for authority in the military, Law Enforcement, judicial function etc.
 12. Just because we are Christians in the Royal Family of God with a residence set aside in heaven does not mean we can ignore Divine Institution #4 NATIONALISM since this is a part of the principles under which we live.
- E. We are to be obedient and subordinate to national and local leaders, and when in a military or other situation we are to be obedient to those in command whether we like them or NOT!
1. In military, business, education, athletics, judicial systems, ETC.

2. Whether or not the authority is a “sweet and charming” individual both males and females must subordinate to and be obedient to the authority there.
 3. This is often difficult in the local church where the Pastor Teacher does his job properly and is NOT SWEET and NICE in his teaching.
 4. This is difficult but when the bible says, “Thus says the lord” it is then time to wake up and lose their own ecumenical concepts and sweet and nice concepts but DO as the Lord has said.
 5. This concept of authority reaches every aspect of life including the home, family and children and parents are not to try to PSYCHE their children into being nice but command their obedience and respect under the principle of this Divine Institution.
 6. The cretians have this problem of not recognizing ANY authority because they are implacable and guilty of Mental Attitude Sins and in the name of implacability they exercise their freedom.
 7. Being a libertine means this person REJECTS ALL authority and we often erroneously think of this as a person who is a believer who is having a good time on the town.
 8. You can be sweet, nice and moral and talk about brotherhood and still be libertine refusing to recognize any authority.
 9. Patriotism is therefore a basic concept in recognition of authority.
- F. Part of the recognition of authority is the production of maximum Divine Good.
1. Whether the people in authority are goofy or not we are to do our job as unto the Lord.
 2. The Lord will handle the people OVER US.

III. Doctrine of Divine Good:

- A. Divine Good resolves the Angelic Conflict. **Rom 12:21**
- B. the Grace Apparatus for Perception is designed to enable the production of Divine Good. **Col 1:9-10, 2Tim 2:21, 3:17, Tit 2:7**
 1. Only through the Filling of God the Holy Spirit and function under the Grace Apparatus for Perception to learn and metabolize Bible Doctrine can Divine Good be produced.
- C. Phase II of the Christian Way of Life after salvation was designed for the production of Divine Good by the believer. **Eph 2:10**
 1. This is why we are still here after Salvation Adjustment to the Justice of God and our production of Divine Good in our lifetime sets the fallen angels back another step in their thrust in the Angelic Conflict.
- D. The production of Divine Good is a sign of maturity and stability in the Spiritual Life. **2Thes 2:17**
- E. Divine Good will be rewarded **2Cor 5:10**
 1. Every reward we will have in heaven is a reflection of the glory and Grace of God and it does not mean we receive recognition for the rewards but our rewards mean that YOU used the Grace of God in TIME properly.
 2. There is NO PRIDE connected with any reward and all rewards in scripture glorify God and produce with regard to the Angelic Conflict and any reward we have which will in fact last forever it indicates that we have used the Grace of God in time.
 3. People who think they will benefit from rewards with a pat on the head or receive special recognition are so subjective that it is unbelievable.
 4. We benefit from our rewards in eternity but the true meaning is that the GLORY and GRACE of God has been vindicated by our receiving them.
 5. The person who thinks that pushing in the Spiritual Life to reach Maturity Adjustment to the Justice of God and Super Grace and Ultra Super Grace to receive rewards is PRIDE and ARROGANCE is in fact a stupid subjective disoriented individual.
 6. WE cannot produce any Divine Good without receiving a reward in eternity for it and it will reflect the Grace and glory of God forever in eternity.
 7. If we truly love God you will produce Divine Good out of LOVE and this is the glory of God.

8. Ex: A true woman wants to reflect the glory of her right man and she desires to reflect this glory because she LOVES him and as a result becomes the glory of the right man.
 - i. When she reflects his glory she is so wonderful and animated and feminine and marvelous that she is unique on this earth and is greater and higher than any creature.
 - ii. There is nothing greater than a woman who reflects the glory of her right man and nothing worse than a frustrated woman who reflects no glory and has Mental Attitude Sins instead of capacity for love.
 - iii. This is one of the great sources of trouble in the local church when a woman is frustrated like this.
 - iv. When a woman becomes the reflected glory of her Right Man she is fantastic.
 - v. A woman who has her Right Man is not thinking about rewards and she goes out during the day and reflects the glory of her Right Man.
 - vi. She may stand at the door when her Right Man comes home and says to him “you owe me \$100 today for reflecting your glory all day long in the store and beauty parlor etc.
 - vii. The woman who in fact reflects the glory of her Right Man does not do this but she responds to him and does so in LOVE which is what reflects the glory.
9. Those who truly love Jesus of Nazareth, the Christ are going to produce Divine Good and this will bring to them rewards.
10. This love of Jesus of Nazareth, the Christ in Occupation with the Person of Jesus of Nazareth, the Christ Category I Love comes from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and as a result of this love you will reflect his glory forever.

F. Grace is the basic concept of Divine Good 2Cor 9:8

G. There are 3 sources for production of Divine Good.

1. From God the Holy Spirit ie Filling of God the Holy Spirit produces Divine Good.
2. From the Human Spirit ie Metabolized Bible Doctrine produces Divine Good when cycled into the Right Lobe of the Stream of Consciousness of the Soul.
3. From the Soul ie the Edification Complex of the Soul produces Divine Good.

H. Even respect for authority under the conditions of the Spiritual Life and application of the Bible Doctrine of the Laws of Divine Establishment produces Divine Good.

IV. Grace Orientation and the attitude toward people:

A. There are people in the world around you who have authority both believers and unbelievers and we must respect their authority.

1. If the boss is a believer or unbeliever we must respect his authority.
 - i. His spiritual condition is of no concern to us except when it comes to witnessing to him.
 - ii. All sorts of people have authority today and when we are in a position of being UNDER their authority we must respect their authority and DO OUR JOB AS UNTO THE LORD.

B. Any person who has authority over you in any respect means you will be in contact with that person and they with you and you with others as well and YOU Must have a Mental Attitude toward people in your area.

1. As a believer in Jesus of Nazareth, the Christ we are to respect authority and have a Relaxed Mental Attitude toward people in our periphery at all times.
2. This does not mean we are to allow people to walk all over us at any time.
3. Because of Mental Attitude Sins we may be antagonistic or bitter toward others and dislike them even when they are not around us.
4. This is being occupied with someone you hate or dislike and it is how you can be saturated with jealousy, bitterness, vindictiveness, etc.

5. This may be because this other person has authority over you and you cannot stand another having authority over you.
6. Maybe it is because of a relationship you have had with another which has gone bad.
7. The point is you cannot be anywhere in life and be happy with Mental Attitude Sins.
8. It is impossible to have ANY Mental Attitude Sins and be happy.
9. When you have Mental Attitude Sins in your soul you will try to destroy the person who is the object of your Mental Attitude Sinning with your mouth by using slander, maligning, gossiping, etc.
10. It is Mental Attitude Sins which cause people to come up with qualified statements about someone such as "He is a great person BUT!!!"
 - i. {There was a discussion about the making of decisions and exercising authority in Berachah and at this time believe it or not T&P was \$68,000 dollars in debt for TAPES alone and the church was operating \$13,000 in the red and considering the budget and finances of Berachah and R.B. Thieme Bible Ministries TODAY this is amazing.}
11. People who make qualified statements about those above them indicate involvement in one of many forms of slander and indicate lack of Relaxed Mental Attitude and orientation to the Grace of God.
12. Authority is necessary in all organizations especially in the local church and everyone likes to be his own authority and many have good opinions but someone must be over all others.

V. Doctrine of Verbal Sins arising from Mental Attitude Sins.

- A. Verbal Sins like all other personal sin originate from the Old Sin Nature **Ps 34:13**
- B. Verbal Sins however are generally sponsored by or preceded by Mental Attitude Sins **Ps 5:9**
 1. Review Mental Attitude Sins as categories
- C. Out of the 7 worst sins 3 are Mental Attitude Sins and 3 are verbal sins **Prov 6:16-19**
- D. Verbal sins result in triple compound Divine Discipline **Matt 7:1-2, Ps 64:8**
 1. Mental Attitude Sins produce Self Induced Misery and Divine Discipline from God
 2. Verbal Sins produce Divine Discipline from God and Discipline for what sins you have attributed to the object of your verbal sins,
 3. By verbal sins a believer can simply OPEN his MOUTH and be extremely miserable for a LONG TIME.
- E. Continuation of verbal sins can produce enough Scar Tissue of the Soul to result in maximum Divine Discipline of the Sin Unto Death **Ps 12:3**
- F. God both protects and blesses the believer who is victimized by verbal sins **Job 5:19-21**
- G. Avoidance of verbal sins produces longer life and GREAT inner happiness **Ps 34:12-13**
- H. Troublemakers are characterized by verbal sins, **Ps 52:2**
 1. Believers are commanded to avoid fellowship with troublemakers **Rom 16:17-18**
- I. Control of or avoidance of verbal sins is a sign of Maturity and possession of the Edification Complex of the Soul **James 2:12-13**
- J. Since verbal sins can destroy a congregation of believers it is the duty of the Pastor Teacher to warn against them **2Tim 2:14-17**

VI. Avoidance by the believer:

- A. The believer is to be NON contentious refraining from verbal sins and being a trouble maker.
 1. Maligners and slanderers have hangups and reject authority becoming jealous, vindictive, implacable, contentious and become trouble makers as in Crete.
 - i. The contentious person has rejected authority
- B. The believer is to be reasonable and fair and functioning under the principles of Grace Orientation.
 1. A person can only become "Reasonable and Fair" by having a Relaxed Mental Attitude and you cannot be reasonable nor fair by being jealous or vindictive etc.
- C. As a believer in Jesus of Nazareth, the Christ a Christian our responsibility is to be HAPPY

1. To be happy we must have a Relaxed Mental Attitude, be reasonable, fair, non contentious and avoid maligning and slander.
- D. V1 starts with authority and v2 ends with HAPPINESS
1. This is how you orient to various authorities in life and how we can be personally happy.
 2. We must maintain a completely relaxed attitude toward all in the Human Race especially those personally obnoxious toward us we have taken a GREAT step toward using the Edification Complex of the Soul and toward HAPPINESS.
 3. You cannot be happy with Mental Attitude Sins EVER.
 4. God found a way in GRACE to give us happiness but we must have Grace Orientation to have it.

Titus 3:1

v1: Remind the believers under the principle of authority of Bible Doctrine communicated to remember, to be subject to or subordinate and obedient to national leaders or rulers, also to those others who have jurisdiction in certain local political society areas or under certain systems, that it is God's purpose for you to always be prepared face to face with every good work.

Titus 3:2

v2: Because of your Mental Attitude Sins, to malign, slander, defame, revile or injure the reputation of absolutely not even one, to be non-contentious refraining from trouble making, reasonable and fair with Grace Orientation, being totally relaxed toward others giving an outward demonstration of Grace Orientation, face to face with all men.

Lesson #14 Series # 470 7/8/2019 Tit 3:3

- I. Whether you look at us as believers individually or collectively v3 tells us that we are NO DAMNED GOOD.
 - A. This passage tells us that IF we will look at our past we will realize and be reminded that we are only here by the Grace of God and we don't earn nor deserve it and all of our efforts have moved us in the opposite direction..
 1. "Surely my soul remembers and is humbled within me".
 2. The harder you work for salvation the deeper you go in dept for it and the more you try to work for something the farther you get from it.
 3. God has provided what we CANNOT EARN NOR DESERVE.
 - B. We must get into Grace Orientation sooner or later and the best way to do that is to take a look, not long and depressing but a short look at our own past life.
 1. We MUST be able to look at our past and all successes and all FAILURES and realize that our whole life has been a matter of the Grace of God.
 - C. No matter how great we appear or what our social status is we all have a past with a skeleton in our closet.
 1. We all have a few in our closet and this verse examines them as a principle.
 2. We have come from our past to our present as believers in Jesus of Nazareth, the Christ in Maturity Adjustment to the Justice of God ONLY by the Grace of God.
 3. We were all once in the past 'STUPID'.
 4. The greatest virtue in the Christian Way of Life is **MAXIMUM KNOWLEDGE OF DOCTRINE** resulting in a completed Edification Complex of the Soul not some decision or action you were involved with.
 5. Our objective in the Christian Way of Life is the glorification of God which can only occur from maximum Metabolized Bible Doctrine in our Stream of Consciousness of the Soul resulting in our achieving Maturity Adjustment to the Justice of God Super Grace Status Quo.
 - D. *The worst thing which ever happened to us in our past in principle was our stupidity from our ignorance of Bible Doctrine.*
 1. There are 2 paths to Ignorant Stupidity

2. As an unbeliever 1Cor 2:14 since he has no Human Spirit and cannot function under the Filling of God the Holy Spirit and Grace Apparatus for Perception therefore he is ignorant of spiritual phenomenon.
 3. As a new or carnal believer with Negative Volition toward Bible Doctrine **Rom 1:13, 1Cor 10:1, 12:1, 2Cor 1:8, 1Thes 4:13**
 4. Ignorance is Negative Volition toward Bible Doctrine totally and as a result lacking Bible Doctrine even in the Left Lobe of the Soul.
- E. Every believer when we begin the Christian Way of Life we are ignorant of everything including who and what God is.
1. Even people we find very attractive when we are ignorant of Bible Doctrine become unattractive to us once we learn Bible Doctrine and our norms and standards change as a result.
 2. As a new believer Jesus Christ is only a name and we know nothing of him but once we accumulate maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul Jesus of Nazareth, the Christ becomes everything and our only hope and salvation.
 3. He is the only one who can deliver this nation and give us capacity for every aspect of life and he is the one who provided for each of us through his thinking Bible Doctrine.
 4. Therefore Jesus of Nazareth, the Christ must be **FIRST** in everything or we become **LAST** in everything.
- F. In our past we were disbelieving whether we were unbelievers who rejected the gospel or believers who rejected Bible Doctrine.
1. Considering the principle of Rebound Procedure function when it was first heard and understood by many it was **REJECTED** since every failure must require on our part some means of making it up to God or those we have failed.
 2. Confession infers to most believers that they must **DO SOMETHING** about the sins or failures they have had.
 3. The idea or principle of Penance is ludicrous
 4. This applies to any Bible Doctrine we learn about and understand and then reject not believing it.
 5. This results in still being stupid but also in unbelief or disbelieving.
 6. Disbelieving is failure to transfer Bible Doctrine from the Left Lobe of the Soul as Gnosis to the Right Lobe of the Stream of Consciousness of the Soul as Epignosis.
 7. If you don't get Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of the Soul you cannot use it.
 8. Disbelieving is malfunction of the Grace Apparatus for Perception understanding a doctrinal principle but **NOT** accepting it.
- G. The first class malfunction is Ignorance as a result of Negative Volition and disbelief as a result of failure to use faith perception in the Grace Apparatus for Perception.
1. **These both are in our past.**
 2. The most important thing in our life in the past, present and future is maximum knowledge of Bible Doctrine.
- H. There was also a time when we knew nothing of Bible Doctrine or God and this made us suckers.
1. This is a 3rd class malfunction where Metabolized Bible Doctrine is not cycled in the areas of the Right Lobe of the Stream of Consciousness of the Soul memory, categorical norms and standards, conscience, etc., for function and application.
 2. As a result of ignorance being stupid we were slaves.
 3. There never has been a person in the history of the Human Race who in his stupidity was not a slave to **SOMETHING**.
 4. Every case of historical slavery is the result of stupidity as seen in the tall blond blue eyed Galls.

5. The short stocky Romans came to them and defeated them every time and they made them into slaves.
 6. These people were stupid ignorant and they were defeated because the Gallic chiefs would not get together and unite their forces to fight the Romans because they were jealous of each other.
 7. They were defeated in detail a little at a time.
 8. This is the stupidity of the Semitic Jews who went to Egypt instead of the land God had given them and ended up in slavery.
 9. You start out being stupid end up being slaves.
 10. In the past having no Metabolized Bible Doctrine in our Stream of Consciousness of the Soul we were slaves to:
 - i. Approbation Lust which leads to
 - ii. Power Lust
 - iii. Materialism Lust
 - iv. Lasciviousness Lust
 11. All these lusts come from the Old Sin Nature and all you need to destroy your life especially your Spiritual Life is the combination of Mental Attitude Sins + Human Good + Lust pattern function == enslavement.
 12. The only way to break the slavery of the Old Sin Nature is by consistent Metabolized Bible Doctrine intake.
- I. Pleasure is changed to slavery
1. There is nothing wrong with pleasure within the bounds of acceptable pleasures under Bible Doctrine.
 2. However some people think once you are a believer in Jesus of Nazareth, the Christ you should no longer have any fun which is totally false.
 3. In order to have and enjoy things in life and have acceptable pleasure you must have CAPACITY and the only means of developing capacity is through consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
 4. One of the greatest challenges in life is to have the capacity to enjoy ANY Pleasure, simple or complex ones.
 5. Capacity comes from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, a completed Edification Complex of the Soul and reaching Maturity Adjustment to the Justice of God Super Grace.
- J. In our past we started as a believer with Ignorance and stupidity having Negative Volition toward God, Jesus of Nazareth, the Christ, and Bible Doctrine.
1. This is malfunction in the first stage of hearing or positioning self to hear Bible Doctrine.
 2. Then there is Negative Volition to transferring Bible Doctrine to the Right Lobe of the Stream of Consciousness of the Soul as epignosis
 3. Then there is Negative Volition to storing and compiling Metabolized Bible Doctrine into the norms and standards, memory and categorical storage etc.
 4. These are the 3 places where the Grace Apparatus for Perception can malfunction.
 5. Then there is lack of capacity to enjoy life as a result of having no Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
 6. Then we arrive at Mental Attitude Sins which are what causes the whole thing to occur.
- K. The result or cause of all past and even present failures is Mental Attitude Sins.
1. Malice from Mental Attitude Sins antagonism, jealousy, and spite.
 2. Hateful or hatreds of many things and people in the thinking
 3. This hatred is then expressed from a Mental Attitude going from sin to psychosis.
 4. Mental Attitude Sins not only destroy capacity for all aspects of life but will lead to psychosis.
 - i. Malice is the depravity of Mental Attitude Sins
 - ii. Jealousy

- iii. Hatreds or hatefulness' constantly hating one another of the same kind
- L. This is our past no matter who or what we are now, and this is what is wrong with many congregations.
 - 1. Mental Attitude Sins destroy all capacity for life.
 - 2. Mental Attitude Sins destroy your effectiveness in the Angelic Conflict
 - 3. Mental Attitude Sins cut off all your capacity to know the pleasure and happiness of God designed for you under his grace.
 - 4. When you have these Mental Attitude Sins you have complete malfunction in the Grace Apparatus for Perception and grace malfunctions totally in your life.
- M. We would never consider these kinds of things as our major failures of the past but would find some sin we engaged in and were having some guilt reaction to it.
 - 1. When God the Holy Spirit analyzes our past he does not consider our guilt reactions which we should not have in any case.
 - 2. God the Holy Spirit covers 3 principles in this verse:
 - i. Stupidity with 3 specified malfunctions of the Grace Apparatus for Perception.
 - ii. Enslavement rather than enjoyment of life.
 - iii. Mental Attitude Sins which continue to wreck your life.
- N. The real issue is that in our past we were and still are in a hopeless and helpless situation
 - 1. There was ignorance which we could do nothing about but in GRACE God took care of it.
 - 2. There is happiness which we can do nothing about trying everything imaginable to be happy with no lasting success
 - 3. There is every category of Mental Attitude Sin which we have and continue to engage in.
 - 4. THIS IS OUR PAST and the major problem here is that our PAST should remain our past.
 - 5. The question for each of us is, "Is your past your present or ain't it?".
 - 6. Some believers keep their past as their present always and this ruins their life they being constantly miserable.
 - 7. The problem of Christianity is that NOT ALL believers take in Bible Doctrine consistently and not all Christians are enjoying life and its pleasures.
- O. If your past is your present you are not happy but if you past is your PAST then you are happy.
 - 1. When your past is your past you have lost:
 - i. Ignorance and Stupidity
 - ii. Slavery
 - iii. Unrestrained Habitual Mental Attitude Sins
 - 2. This should and must be your past.
 - 3. If this is your present, consider what you have in your present.
 - 4. There are 3 chances to malfunction and we must be quick and consistent in the use of rebound procedures.
- P. This whole thing stems from ignorance
 - 1. It is inevitable that believers who are ignorant of Bible Doctrine are going to have some Mental Attitude Sinning and that they will be enslaved to some pleasure which does not make them happy.
 - 2. If you don't have capacity for life your pleasure always cause you to WAKE UP and be miserable and t his knocks the fragrance out of your memories.
 - 3. Your capacity to enjoy life and have happiness depends on Metabolized Bible Doctrine in your Stream of Consciousness of the Soul.
 - 4. If you are ever going to have the happiness which God designed for you in Eternity Past and which God is constantly trying to give you then your past as presented here must be your past.
 - 5. Ignorance must be replaced by consistent function under the Filling of God the Holy Spirit and Grace Apparatus for Perception

6. Slavery must be replaced by mastery of the details of life.
 7. Mental Attitude Sins must be replaced by Relaxed Mental Attitude.
 8. The proper function under the Grace Apparatus for Perception leads to completion of the Edification Complex of the Soul which makes your past your past.
- Q. Grace Orientation and the Essence of God is what makes the changes in the believer.

Titus 3:3

v3: For we, ourselves, all of us, at one time or another also were in the past **IGNORANTLY STUPID**, disbelieving under a malfunction of the Grace Apparatus for Perception, constantly being deceived or led astray by the Cosmic Dynasphere, in slavery service to various kinds of lusts and sensual pleasures or gratifications without capacity for happiness, constantly spending or passing the time in the sphere of malice a secondary Mental Attitude antagonism starting with jealousy or spite, hatreds of many things and people in our mind as a Mental Attitude leading from sin to psychosis being detested and constantly hating one another believers.

Lesson #15 Series # 470 7/10/2019 Tit 3:1, Phil 1:27

- I. {I believe this lesson is out of place in the study of Titus. It is a SPECIAL to orient to the crises which were at that time and even now still facing this nation.}
- II. No greater responsibility has ever been entrusted to any member of the Human Race than operation ICE in the communication of Bible Doctrine.
 - A. In addition no greater honor can be bestowed on any believer than the Spiritual Gift of Pastor Teacher.
 1. This carries the greatest responsibility that God has ever given to any individual demanding a constant continuous faithfulness to the word of God both in study and communication.
 2. No responsibility will ever carry more pressure or weight in the Church Age and none require more Self Discipline or Courage in communication.
 3. In communicating Bible Doctrine you can make friends quickly and also LOSE them very rapidly as well.
 4. The Principle of Historical Interpretation of Bible Doctrine is RARE.
- III. Orientation to the Modus Vivendi of being spiritual self sustaining – Doctrine from the standpoint of the recipient believer.
 - A. One of the greatest and most un-heralded virtues of the Christian Way of Life is the ability to sit in bible study and concentrate and function under the Grace Apparatus for Perception properly.
 1. As a result of this the individual becomes a believer who is self sustaining in the Church Age the intensified stage of the Angelic Conflict.
 - B. Paul continues to live for one reason, in order to continue to teach Bible Doctrine.
 1. Paul lives to teach Bible Doctrine which puts the believer in the Church Age on the offensive in the Angelic Conflict.
 - i. This is an unseen conflict and the fallen angels which are enemies of God and our enemies as well are UNSEEN enemies.
 - ii. The problem arises in determining how to attack that enemy.
 - iii. The objective of Bible Doctrine is both growth and aggressiveness and the orders for the Church Age are to ATTACK and this can only occur by those believers who are spiritually self sustaining.
 - iv. We must concentrate on Bible Doctrine in order to be able to fulfill the attack.
 - C. Becoming Spiritually Self Sustaining is having a completed Edification Complex of the Soul and / or reaching Maturity Adjustment to the Justice of God Super Grace.
 1. NO one is functioning on the Attack in the Church Age stage of the Angelic Conflict without a completed Edification Complex of the Soul.
 2. The testimony of having an Edification Complex of the Soul is Phil 1:21, “to continue living is Occupation with the Person of Jesus of Nazareth, the Christ and to die is unusual gain, profit and blessing for life in eternity”.

3. Maximum GRACE orientation and operation comes from erection of the Edification Complex of the Soul and from it we fulfill the purpose for which we remain in this life.
4. We have alternatives in this passage:
 - i. Paul wants to visit the Philippians as they are a great congregation which he will never forget.
 - ii. They LOVE Bible Doctrine and therefore love Paul and 3 times they sent him large sums of money and they could not wait for him to come back.
 - iii. Since Paul was not going to heaven as per Phil 1:21- the question which is answered here is WHERE WOULD PAUL LIKE TO GO? Philippi.
 - iv. Paul may be present to teach the Philippians or he may be absent from them since he is going to Spain.
 - v. Paul is HOWEVER cured of his Jerusalem Complex and this is a GREAT Thing and he just had to give up on Jerusalem it being NOT a place of Positive Volition to Bible Doctrine.
 - vi. The Jerusalem church was overrun by legalism and when he went to Jerusalem it was contrary to God's leading and God the Holy Spirit even tried to stop him.
 - vii. Paul's cure encompassed 4 years of JAIL time and he will not ever go back to Jerusalem but now WANTS to go where there is Positive Volition toward Bible Doctrine.
5. His 2nd alternative results from the other places in the Roman empire where Positive Volition exists and he will be absent from Philippi while he takes his 4th missionary journey all the way to the Atlantic Ocean.
 - i. He is saying to the Philippians that if he is with them he will continue to teach them Bible Doctrine but if he is absent then he expects them to function properly in the Christian Way of Life and continue their growth in the Christian Way of Life.
 - ii. Paul expects all reports from Philippi and Apaphroditis to be good reports.
 - iii. Paul expects to hear that they are stabilized in their Spiritual Life as a result of his teaching and that of Apaphroditis which has been metabolized and circulated into the compartments of the Right Lobe of the Stream of Consciousness of the Soul.
 - iv. This Bible Doctrine mixed with their circumstances results in STABILITY, CONSISTENCY, FAITHFULNESS as a result of being spiritually self sustaining.
 - v. The believer becomes spiritually self sustaining when he can take Metabolized Bible Doctrine from the Right Lobe of the Stream of Consciousness of the Soul memory and categorical storage and apply it to experiences and situations.
6. In order to be stabilized there are 2 things which must be stabilized:
 - i. The Human Spirit
 - ii. The Human Soul
 - iii. There must be Bible Doctrine received under the Grace Apparatus for Perception moving first to the Human Spirit and then being transferred into the Left Lobe of the Soul by God the Holy Spirit and they with Positive Volition or FAITH this knowledge of Bible Doctrine is then cycled into the Right Lobe of the Stream of Consciousness of the Soul and made available for application in life.
 - a. It must move into the norms and standards and Frame of Reference in order to allow the believer to become spiritually self sustaining.
 - iv. As believers become spiritually self sustaining they are to function as a member of a team in the Church Age Angelic Conflict.
 - v. They are to cooperate vigorously as ambassadors for Christ on the Team for Christ.
 - vi. Believers who are spiritually self sustaining without regard for personalities or abilities will function together as parts of the same spiritual team.

- vii. Once you get believers in this Status Quo it eliminates the concept of being a grandstanding independent individual
- D. In v26 Paul is a communicator under the dynamics of the ICE principles
 - 1. In v27 there are those who respond as believer priests and they become spiritually self sustaining.
 - 2. Review the SOUL and HUMAN SPIRIT.
 - 3. The bible emphasizes the SOUL and SPIRIT of the believer who upon reaching Spiritual Self Sustaining Status Quo but NOT the varied configurations of BODIES.
 - 4. From v19-28 the emphasis is on the dilemma of Paul, his Occupation with the Person of Jesus of Nazareth, the Christ, the principle of objectives in the Christian Way of Life, the insatiable desire to move into eternity as a norms and standard of the believer with the Edification Complex of the Soul, the response to Bible Doctrine by the congregation resulting in becoming spiritually self sustaining.
 - 5. The emphasis here is on the Angelic Conflict and in connection with this passage the things we can see are emphasized as tangibles
 - i. Problems of the United States of America
 - ii. Problems facing us as believers
 - iii. Circumstances we observe
 - iv. Suffering we endure
 - v. Problems, Joys, happinesses, heartaches and pressures of all sorts.
 - vi. We hurt and feel these things but there is something greater than all these things but we need to learn that all circumstances of life pleasant or not, producing happiness or misery, causing physical or soul PAIN or Physical or Soul stimulation, are subordinate to the unseen conflict.
 - vii. Paul cannot leave his dissertation on orientation to life without mentioning the fact that these things are designed to orient us to the unseen conflict.
- E. Some believers are terrified or frightened in panic of many things especially as a result of IGNORANCE of the fact of the Angelic Conflict.
 - 1. This fright is a result of enemies which cannot be seen else they become a casualty in the Angelic Conflict battles.
 - 2. We are NOT to be frightened by unseen enemies as this gives PUBLIC proof of our neutralization in the Angelic Conflict.
 - 3. In the Angelic Conflict neutralization of the believer comes through FEAR and other Mental Attitude Sins and thus there is a lack of being Spiritual Self Sustaining and stabilized from having an Edification Complex of the Soul with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul.
 - 4. With Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the believer will be delivered physically from these enemies from the source of GOD himself.
 - 5. God provides a means of victory over an unseen foe and deliverance from the hostility of Satan, fallen angels and all attacks of demons by means of his GRACE.
- F. Orientation to suffering.
 - 1. The believer in the Church Age stage of the Angelic Conflict will receive pressure from this unseen conflict but also suffer in a tangible way as well.
 - 2. Grace giving is to give freely, graciously and without strings of any kind something already totally paid for and our GRACE experiences in the Spiritual Life are totally paid for and provided by God.
 - 3. This giving of GRACE experience was conducted in Eternity Past in the original Grace Plan and it occurs for the recipients in time.
 - 4. This is giving on behalf of Jesus of Nazareth, the Christ which is in substitution for Jesus of Nazareth, the Christ not being here and we as a result are all as believers in Jesus of

Nazareth, the Christ in FULL TIME CHRISTIAN SERVICE AS AMBASSADORS FOR CHRIST.

5. We have a choice in this aspect of our Spiritual Life in that we can be frightened and terrified and intimidated and run away from the Christian Way of Life or be stabilized from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul with a completed Edification Complex of the Soul having reached Maturity Adjustment to the Justice of God.
 6. At the moment of Salvation Adjustment to the Justice of God Satan and his plan and policies are SET BACK.
 7. Faith alone in Jesus of Nazareth, the Christ alone is the requirement for Salvation Adjustment to the Justice of God and it is THINKING in a nonmeritorious manner accepting the grace provision of salvation.
- G. We as believers in Jesus of Nazareth, the Christ in the Church Age will suffer.
1. We will have some dramatic moments of suffering but will not necessarily suffer every moment of our life.
 2. This brings to us the concept of Undeserved Suffering and the Angelic Conflict explains why we have Undeserved suffering.
 3. Suffering resolves the issue of Phase II with regard to the Faith Rest Drill (4 categories) Rom 5:2-4, 1Pet 1:7-8.
 4. Suffering is a GRACE GIFT from God for phase II of the Christian Way of Life but he does not give it to you all at once.
 5. Review the doctrine of Undeserved suffering.

Phil 1:26

v26: In order or for the purpose that your absolute confident boasting in Christ Jesus, from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul in Super-Grace may abound and overflow from the past into the future to the attainment of Ultra Super-Grace, by means of me through my coming and return once more face to face with you again.

Phil 1:27

v27: Only conduct or lead your life and discharge or execute your responsibilities honorably as Royal Family of God in a manner worthy of the good news doctrines of THE Christ including the gospel and any portions of Bible Doctrine dealing with the Royal Family of God and spiritual growth and Maturity Adjustment to the Justice of God, in order that whether I personally come and see you for face to face teaching or remain absent, I may, I will in the future, hear the things concerning all of you or about your Status Quo, that you, from the past and continuing into the future, are standing fast and are stabilized in Ultra Super-Grace, by means of one and the same God the Holy Spirit whose ministry is intensified in Super-Grace, in the sphere of one and the same logical ideas and coalescence of the Ultra Super-Grace soul, fighting side by side with singleness of purpose and professional coordination, since you have joined the Angelic Conflict by means of all of the doctrines related to the gospel,

Phil 1:28

v28: Likewise in the sphere of not one thing or in no way be intimidated, being stupidly frightened or terrified or stop thinking because of them or panicked repeatedly from reversionism by your enemies, which intimidation is to them in reversionism under the influence of evil, an evident public token or proof or sign of your destruction or neutralization from a successful ambush, but with reference to you physical deliverance from the ambush, in fact this deliverance from the ambush is from the source of God.

Phil 1:29

v29: In fact because it has been given, on a grace basis freely without any requirements as a favor from God, to you the unique ones, the believer in the countdown of Maturity Adjustment to the Justice of God in Super-Grace B No Man's Land, in substitution for Jesus of Nazareth, The Christ not only to believe by faith alone with reference to him alone for Salvation Adjustment to the Justice of God, but also to emphatically suffer intensively in behalf of him in Super-Grace B No Man's Land.

Phil 1:30

v30: since you have, from the past continuing into the present, the same intensive combat conflict suffering of the Angelic Conflict for Super-Grace B, such as you have seen in me and right now hear through my writing to you.

Lesson #16 Series # 470 7/13/2019 Tit 3:4

- I. The Character or Essence of God and Grace Orientation.
 - A. The "KINDNESS" of this verse is in fact Beneficence of the Essence of God or character of God seen by his creation of the Divine Decree in Eternity Past.

B. Doctrine of the Essence of God:

1. God is one in essence, meaning the characteristics which make up GOD.
 - i. The Oneness or Glory of God refers to the Essence of God **John 10:30**
 - ii. All the characteristics of the Essence of God are resident in God but not manifest at all times. **1John 1:5**
 - iii. Review the character of White Light as an illustration of the Essence of God.
2. The Essence of God must be related to the fact that there are 3 persons who possess it.
 - i. The TRINITY means that there are 3 persons in the godhead with the same essence.
 - ii. God the Son, God the Father, and God the Holy Spirit; and each has the same characteristics in the same amount but each is a different person. **1Pet 1:2, 2Cor 13:14, Is 48:16**
3. Divine essence is manifest in certain activities of God:
 - i. The characteristics of the Essence of God:
 - a. Sovereignty
 - b. Absolute Righteousness
 - c. Absolute Justice
 - d. Love
 - e. Eternal Life
 - f. Omniscience
 - g. Omnipotence
 - h. Omnipresence
 - i. Immutability
 - j. Veracity
 - ii. These characteristics are all in the Essence of God at all times but are not all manifest at the same time.
 - iii. This does not mean that they do not exist but that they are not apparent to us.
 - iv. Salvation manifests some of these:
 - a. The Love of God as motivation for salvation. **John 3:16**
 - b. Eternal Life which we are guaranteed at Salvation Adjustment to the Justice of God.
 - c. Sovereignty whereas God is not willing that any should perish.
 - d. Omnipotence is his ability to provide salvation
 - e. His promise of Salvation is his veracity
 - f. Salvation is part of our Eternal Security and is a result of his immutability.
 - v. Reflect on the characteristics of your own person and OTHER people.
 - a. Everyone has a bad and good side but not both are manifest at the same time.
 - b. Even the worst person you have ever known has some good characteristics which are generally NOT seen.
 - c. All historical characters who are considered BAD people have some good characteristics.
 - d. There are some people where we can ONLY ever see the bad side and in every person there resides the Old Sin Nature and despite this there is some goodness or niceness in them as well.
 - e. It is impossible for us to totally evaluate anyone else unless we are very closely related to them and even then we most likely know too much.
 - f. This is not true with God and he wants us to know everything about him and he has not bad side but not all the parts of the Essence of God are seen at all times and we therefore cannot understand the problems God faces.

- g. To bless us God had to keep his character intact and thinking that God giving anything to the Human Race was an easy thing is total disillusion on our part.
 - h. The Grace Plan of God which he developed in Eternity Past was specifically designed to NOT compromise any parts of his character.
 - i. We should be thankful that this plan was put into place with his character remaining to this day intact because if he had, had to compromise his character there would be NO Eternal Security and in fact NO GOD.
 - j. God is immutable and unchangeable and it is impossible for God to not fulfill his obligations.
4. Sovereignty of God:
- i. God is the supreme being of the universe **Deut 4:39, 1Sam 2:6-8, 1Chron 29:11, Acts 17:24a, ETC.**
 - ii. God is king of heaven and earth **Ps 47:2, Matt 6:13b, Heb 8:1, Rev 4:2-3**
 - iii. Under Sovereignty we must remember God is:
 - a. Eternal **Ps 93:2**
 - b. Infinite **Ps 8:1, Heb 6:13**
 - c. Self Determining **Job 9:12, Ps 115:3, Prov 21:1, Dan 4:35**
 - i) This is both eternal and infinite therefore his volition or self determination is SOVEREIGN VOLITION.
 - iv. The expression of the volition of God **Eph 1:5**, results in a plan for humanity **Heb 6:17.**
 - a. The fact that we are in the Plan of God is a result of God having volition which is supreme and as a result he made a sovereign decision to devise a plan and WE as believers in Jesus of Nazareth, the Christ are in that Plan.
 - b. We are in this plan because of the free will of God and his designing a plan specifically for us.
 - v. **2Pet 3:9** applies the Will of God for the unbeliever in that He desires that all unbelievers become believers.
 - a. He will not use his supreme sovereignty and will against the volition of man **John 7:17, Rev 22:17**
 - vi. The application of the sovereignty of God to us is in **Acts 13:22, Eph 1:4-6** election and predestination, **Phil 2:13**
 - vii. What is not freely given in the Plan of God is NOT WORTH having and God who has absolute infinite eternal self determination, absolute sovereignty of his own free will decided to give us EVERYTHING imaginable starting with Salvation Adjustment to the Justice of God.
 - viii. Everything we ever receive from God he gives from his own free will with no reluctance or strings attached therefore the greatest treasure you have as a believer in Jesus of Nazareth, the Christ is the FREE WILL TO RESPOND.
 - a. When a man loves a woman she is free to respond but without volition she could not respond.
 - b. This is worth while in a relationship but anything which is coerced or bribed or comes by means of pressure is worthless and useless.
 - ix. Our greatest treasure as believers in Jesus of Nazareth, the Christ is FREE WILL VOLITION and the thing we do not always free use under freedom to take a choice of freedom and freely operate under the liberty with which Jesus of Nazareth, the Christ has set us free.
 - x. We are FREE to do many things we do not do under GRACE.
 - xi. We as believers in Jesus of Nazareth, the Christ are personally linked to the sovereignty of God and EVERY BIT OF GRACE we receive in both time and eternity is LINKED to the free will of God which he freely gives.

- xii. Someone had to pay for this and did, Jesus of Nazareth, the Christ in his Substitutionary Spiritual Death on the cross.
5. Absolute Righteousness
- i. God is Absolute Righteousness or absolute Holiness **1Sam 2:2, Ps 22:3, Ps 111:9, John 17:11, Rev 3:7, ETC.**
 - ii. God is not only in the Status Quo of Absolute Righteousness but Also Absolute GOOD **Ps 25:8, 34:8, Luke 18:19.**
 - iii. God is free from SIN **2Cor 5:21, 1John 1:5.**
 - a. He is free from sin, is not the author of sin, cannot and does not condone sin and cannot even provide temptation to sin.
 - iv. He is perfect in character and person **Deut 32:4, Ps7:9, 111:3, Jer 23:6, Rom 10:3, 1John 2:29**
 - v. It is one thing to be overtly righteous and when we meet people like this we label them Self Righteous when they are just too good for us and their righteousness just about kills us.
 - vi. god's Righteousness is true Absolute Righteousness and is mental as well as overt.
 - vii. The Righteousness of God is one of attitude as well as action, **Deut 32:4, 2Sam 22:31, Dan 9:14, Rev 19:2.**
 - viii. The Righteousness of God rejects human standards of righteousness being Self Righteousness. **Is 64:6**
 - a. This is why Salvation Adjustment to the Justice of God cannot be attained by human righteousness **Tit 3:5**
 - ix. The Righteousness of God is available to anyone who believes in Jesus of Nazareth, the Christ **Rom 3:22,**
 - a. This is the imputation of the Righteousness of God at Salvation Adjustment to the Justice of God one of the 39 irrevocable assets we receive at Salvation Adjustment to the Justice of God.
6. The Justice of God
- i. God is fair and it is impossible for God to be unfair.
 - a. Therefore the judgments of God are fair and it is impossible for them to be unfair.
 - ii. Justice administers the penalty which the Righteousness of God demands and he is FAIR in it.
 - iii. The wages of Sin is DEATH but God is fair even in administering the wages of sin, **Deut 32:4, 2Chron 19:7, Job 37:23, Ps 58:11, Is 45:21, Rom 3:26**
 - iv. Justice in salvation is the illustration of how God stays intact in his character.
 - a. 1Pet 2:24, the Lord Jesus of Nazareth, the Christ by his Substitutionary Spiritual Death on the cross received the guilt which belongs to us **Rom 5:12, 6:23**
 - b. This is the only thing which could keep the Justice of God intact.
 - c. When Jesus of Nazareth, the Christ was on the cross the guilt which belonged to us was transferred to Jesus of Nazareth, the Christ as an act of Justice
 - d. This was the only way God could provide salvation for us and not compromise his character.
 - e. God CANNOT compromise his character because he is IMMUTABLE and he therefore had to solve the justice problem to provide our salvation potential and he did in Eternity Past.
 - f. He simply in Eternity Past decided that there would be a substitute to whom all guilt would be transferred and by so doing this to Jesus of Nazareth, the Christ on the cross he is still JUST.

- g. His character is not impugned nor weakened and anything he promises you at Salvation Adjustment to the Justice of God or thereafter God can keep his word on.
 - h. He is free to pardon and justify anyone who expresses FAITH alone in Jesus of Nazareth, the Christ alone. **Rom 3:24-28, 4:5**
 - i. In addition he is free to condemn those who reject Jesus of Nazareth, the Christ **John 3:18**, the unbeliever at the last judgment will never have SIN nor GUILT credited to him it all having been imputed to Jesus of Nazareth, the Christ on the cross.
 - j. Because of the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross the Justice of God was kept intact and all the guilt for sin was transferred to Jesus of Nazareth, the Christ on the cross for the entire Human Race.
 - k. As a result of this the only thing which indicts the unbeliever is Human Good all the bleeding heart do good efforts.
7. The Love of God:
- i. This is one of the few things which everyone quotes and focus' on and their concept is that we should let all the evil of this world walk over us and still LOVE it.
 - a. We are to love the communists and allow the Chinese and Russian communists to take over our land and allow the moslems to change our form of law and government and force upon us their EVIL religion.
 - b. The only scripture which is only ever brought into a liberal congregation is the quote that God is Love.
 - ii. God is eternal and an unchangeable Lover **Jer 31:3**
 - iii. The fathers love toward the Human Race is declared in **John 3:16, 1John 2:15, 3:1**
 - iv. God the Son's love is declared in **Rom 8:35**
 - v. The Love of God will not permit separation and once you come under the Love of God in Salvation Adjustment to the Justice of God it is impossible for you to be separated from that love.
 - vi. Bible Doctrine is fragrance of memory and God being in heaven while we are on earth reminds us that GOD HAS NOT FORGOTTEN US.
 - vii. As a believer in Jesus of Nazareth, the Christ you cannot ever be separated from the Love of God **Rom 8:38-39**
 - viii. The Love of God and the Edification Complex of the Soul is declared in **1John 2:5**
 - ix. God's Love in the Filling of God the Holy Spirit is declared in **Rom 5:5**
 - x. Therefore the Love of God is provided for the believer priest in the Filling of God the Holy Spirit and the Edification Complex of the Soul.
8. Eternal Life:
- i. God is Eternal Life or absolute existence **Ex 3:14, John 8:58, Ps 90:2**
 - ii. Jesus of Nazareth, the Christ is Eternal Life and always existed with God the Father and God the Holy Spirit who are eternal life as well **John 1:1-3**
 - iii. Jesus of Nazareth, the Christ is Eternal Life and shares this life with us in salvation **1John 5;11-12**
9. Omniscience:
- i. God is all knowledge and from Eternity Past knew all things and does not forget anything, **1Sam 2:3, Jon 26:6, 37:16, Ps 139:1-6, Jer 16:7, Ez 11;5, Heb 4;13**
 - ii. There never was a thought and never will be a thought which God did not know in Eternity Past.

- a. The Brain and Mind has an impulse and it has been decided that this is LIFE not the pulse or heart beat and LIFE Is the electrical impulse in the brain.
- b. It is as if all thought is like electricity and it was all there in Eternity Past and there never was a time when it was not there and what you have thought or said or done since birth and until death and thereafter God always knew about it from Eternity Past.
- iii. God is infinite in wisdom and understanding **1Sam 16:7, Ps 44:21, Prov 5:21, Is 40:13-14, Jer 17:10, 51:15, 1Jonn 3:20.**
- iv. God knows the END from the beginning **Is 41:6, 42:9, 46:10, Acts 2;23, 15;18, 1Pet 1:2**
- v. The deity of Jesus of Nazareth, the Christ knew all things and all men **Matt 9:4, John 2:24, 21:7**
- vi. God does not coerce but he KNOWS
- 10. Omnipresence
 - i. God is ever present and not limited by space or time
 - ii. He is therefore Imminent and Transcendent **Jer 23:24, Acts 17:27**
 - iii. This is not back to the bush and that God is nature
 - iv. Heaven is his throne and the earth his footstool **Deut 4:39,**
 - v. The heavens cannot contain him **1Kings 8:27, Acts 17:24**
- 11. Omnipotence
 - i. God is all powerful and limitless in his ability, **Gen 17:1, Job 26:7, Is 50:2, Jer 27:5, 32:27, Rev 4:8**
 - ii. God is limitless in his authority **Ps 33:9, Rom 13:1, Heb 1:3**
 - iii. The manifestation of his power is in **2Chron 16:9, 25:8, Ps 74:13**
- 12. Immutability
 - i. He cannot change **Ps 102:26-27, Heb 1:12**
 - ii. He is absolute stability **Is 40:28, James 1;17**
 - iii. His word and works are unchanging **Ps 119:89, Is 40:8**
 - iv. From his immutability comes his faithfulness
 - a. In his plan **1Cor 1:9**
 - b. In his provision **1Thes 5:24,**
 - c. With is promises **Heb 10:23**
 - d. With his forgiveness **1John 1:9**
 - e. To keep us saved **2Tim 2:12-13**
 - f. To deliver us from pressure **1Pet 4:19**
 - g. In provision of stability for the believer **2Thes 3;3**
- 13. Veracity:
 - i. He is absolute truth **Deut 32:4,**
 - a. This is WHY Bible Doctrine MUST be taught dogmatically without compromise.
 - ii. His veracity is manifest by his Modus Operandi **Ps 25:10, Rev 15:3**
 - iii. It is manifest by his works **Ps 33:4, Dan 4:37**
 - iv. It is manifest by his Word **2Sam 7:28;Ps 19:9, 119: 142, 2Cor 6:7, Eph 1:13**
- C. All the Essence of God and character of God is gathered up in this verse in 1 word (gr) Crestotes
 - 1. This means that the whole Plan of God depends on the whole character and Essence of God
 - i. The Plan of God is fair since he is JUST
 - ii. The Plan of God is good since he is Absolute Righteousness
 - iii. The Plan of God is faithfully administered since he is Immutable
 - iv. The Plan of God is true since he is VERACITY
 - v. The Plan of God is decided by Him since he is Sovereign.

- vi. The Plan of God has what we would call emotion since he is LOVE.
- vii. The Plan of God is permanent since he is Eternal Life.
- 2. There is no promise in the word of God to the believer which cannot be broken down and traced to one or more of the characteristics of the Essence of God.
 - i. Every time we claim a promise we claiming a bit of the perfect Essence of God which is perfect in every way.
 - ii. No matter how imperfect things are around you his plan is perfect and never changes.
- D. (gr) Philanthropia == benevolence or love motivation of God in GRACE.
 - 1. Beneficence relates to the character of God being perfect and the one who gives gives freely and is perfect giving from who and what he is.
 - 2. Benevolence relates to the motivation of God from the Love of God
- E. The coming of Jesus of Nazareth, the Christ into the world at the virgin birth was a manifestation of all parts of the Essence of God.
 - 1. God willed it in Eternity Past from his sovereignty
 - 2. It was a Perfect plan because he is perfect
 - 3. It was a fair plan because he is just
 - 4. It was based on good motivation based on his love
 - 5. It was a permanent plan because he is Eternal Life.
 - 6. It considered all problems since he is omniscience
 - 7. It was carried to completion because the omnipotence of God repeatedly protected the Human Race and made it possible for Jesus of Nazareth, the Christ to come in Hypostatic Union.
 - 8. It was a plan over which he personally supervises since he is omnipresence.
 - 9. It was a plan which did not change nor did it change the character of God since he is immutable.
 - 10. It was a plan were God keeps his word being VERACITY.
 - 11. All this occurred at the virgin birth and CHRISTMAS in its true significance is remembrance of who and what God is.
 - 12. There is no giving of gifts nor happiness or sadness which can truly portray this and “Santa Claus” simply emphasizes the GIVING part of this plan in the birth of Jesus of Nazareth, the Christ.
 - 13. If you are to have a true Christmas it will be based on appreciating who and what God is.
 - 14. *Instead of simply and blindly claiming the promises of God we should be taking each of these and tracing it right back to the Essence of God where by these are reality in life and this might give us a small appreciation of who and what God is.***
- F. There is nothing casual nor superficial about the Essence of God and we must avoid having a casual relationship with him.
 - 1. We must understand the Essence of God and appreciate who and what he is and what he has done for us.
 - 2. Once you accept Jesus of Nazareth, the Christ as savior we must remember that GOD HAS A MARVELOUS AND FANTASTIC SENSE OF HUMOR.
 - i. Don’t believer it! LOOK IN THE MIRROR.
- G. Heb 10:4-10 is where Jesus of Nazareth, the Christ responded to the wonderful thing which God had done in the incarnation.
 - 1. In Eternity Past God found a way to save mankind and this depended on his perfect essence and the manifestation of his character in this plan is GRACE where God does all the work is salvation and post salvation existence of man.

v4: At that time of the incarnation of Jesus of Nazareth, the Christ the beneficence of the character of God connected with the Divine Decree and Grace Plan of God, and the benevolence of the Love motivation of God in grace, God our savior, Jesus of Nazareth, the Christ, appeared, was manifest at the incarnation.

Lesson #17 Series # 470 7/15/2019 Tit 3:5

- I. Every memory system in existence includes this passage **Tit 3:5**.
 - A. Most memory systems with regard to the spiritual life are based on the KJV and are strictly verbatim memorizations.
 1. The idea of memorizing verses has been inferred to be an instant automatic spiritual growth indicator.
 2. This is in error and memorizing anything has only one advantage and it is the same as exercise only regarding the MIND not the body.
 3. Many Christians are extremely proud of what they have memorized and the tragedy is that memorization will never be a substitute for Exegesis and Analysis of a passage or even for reading with understanding.
 4. Memorizing as a means of spirituality or spiritual growth is in fact operation on the basis of relative righteousness or Self Righteousness.
 5. Memorizing verses must always remain a corollary to proper analysis and a mind exercise always secondary to the proper studying of Bible Doctrine.
 6. However MOST organizations which emphasize memorizing bible passages DO NOT ever emphasize Bible Doctrine.
- II. (gr) OUK == a very strong negative meaning NO but A Thousand Times NO!
 - A. God says OUK to us with regard to anything that we do from our talent and human ability.
 1. He however does make it possible for us to use whatever abilities we have or have acquired in life to be meaningful.
 - B. Human Good exists and is accomplished on the basis of relative righteousness based on our human abilities and talents and to this God says "OUK" - NO GOOD.
 - C. Here we find legalism divided from GRACE
 1. God works on our behalf and here the Grace of God is working on our behalf thus it is referring to MERCY from God or GRACE Working on our behalf.
 2. In Mercy or Working Grace GOD acts but in Legalism Man acts and in this passage they are separated by a conjunction of CONTRAST.
 - D. At the point of Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone this point in time is divorced from time and separated.
 1. God takes this point of time OUT OF TIME and perpetuates it FOREVER and EVER.
 2. This then becomes our Status Quo of Saved or Royal Family of God.
 3. The gospel is presented to a dichotomous person and being without the Human Spirit God the Holy Spirit acts in place of the Human Spirit in order to make the gospel information perspicuous reality to this person.
 4. The Gospel then enters the Human Spirit and moves into the Left Lobe of the Soul where a decision awaits.
 5. Negative Volition - NO salvation
 6. Positive Volition - Salvation Adjustment to the Justice of God
 7. Positive Volition is exhaled after the gospel is inhaled into the soul with FAITH ALONE in Jesus of Nazareth, the Christ ALONE.
 8. THIS point of time is what God takes out of time and perpetuates forever and that is the moment we receive 39 irrevocable assets for our new Spiritual Life in time and the Filling of God the Holy Spirit.
 9. We have these things from God because GOD did the work and his GRACE acts on our behalf.
 - E. Doctrine of Human Good:
 1. Human Good is identified as dead works being dead to God Heb 6:1.

- i. No matter how high this “good deed” may rank in the Cosmic Dynasphere it is DEAD to God and production for God must be based on GOD in action.
 - ii. God in action is MERCY and the principle behind this is GRACE his character and work.
 - 2. Human Good is not acceptable to God Is 64:6
 - 3. Human Good therefore has not place in the Plan of God 2Tim 1:9
 - 4. Human Good will not save mankind Tit 3:5
 - 5. The believer’s Human Good is revealed and destroyed at the Judgment Seat of Jesus Christ 1Cor 3:11-16.
 - 6. Human Good is the basis for the indictment of the unbeliever at the Great White Throne Judgment or Last Judgment Rev 20:12-15
 - 7. Distinction must be made between Morality and Human Good Rom 13:4-5
 - i. Morality is essential for the function of the Human Race during the course of the Angelic Conflict.
 - ii. Human Good is not needed for the function of the Human Race during the Angelic Conflict.
- F. Doctrine of Divine Good:
 - 1. There are 3 sources of production of Divine Good
 - i. From the Filling of God the Holy Spirit this is the simplest form of Divine Good and the Divine Good that even an infant believer can perform.
 - ii. From the Right Lobe of the Stream of Consciousness of the Soul (here stated as Human Spirit) and occurs based on Metabolized Bible Doctrine in the Stream of Consciousness of the Soul which produces Divine Good as exhale from the Right Lobe.
 - iii. From the Soul of the mature believer’s Edification Complex of the Soul.
 - 2. Divine Good resolves the Angelic Conflict Rom 12:21
 - 3. The Grace Apparatus for Perception is provided for production of Divine Good Col 1:9-10, 2Tim 2:21, 3:17, Tit 2:7
 - 4. Phase II of the Spiritual Life was designed for production of Divine Good by the believer Eph 2:10 and this is why we are living after Salvation Adjustment to the Justice of God on this earth.
 - 5. The production of Divine Good is a sign of both stability and maturity 2Thes 2:17
 - 6. Divine Good will be rewarded in eternity 2Cor 5:10
 - 7. GRACE is the basic principle of Divine Good 2Cor 9:8
- G. There is no place in the Plan of God for any Human Good of any kind and the Plan of God operates on the character of God and his production.
 - 1. These are illustrated by:
 - i. The Washing of Regeneration
 - ii. The renewing of God the Holy Spirit.
 - 2. Regeneration is accomplished by God we cannot and do not accomplish this.
- H. Washing:
 - 1. The noun is used in the Genitive case of (gr) Lutron and is used also in Eph 5:26 where there is washing of the water by the word.
 - i. Lutron is used technically as an analogy not in the literal sense of washing.
 - 2. Washing refers to cleansing from sin rather than any baptism 1John 1:7
 - 3. The connotation of of Lutron as washing is established in Eph 5:26
 - i. The first use of a word in scripture determines the meaning of that word in scripture and Eph 5:26 is chronologically written ahead of Titus and occurs first in the New Testament Scripture Canon therefore Lutron in this passage determines meaning and usage of this word UNLESS there is a STRONG exegetical reason to the contrary.
 - 4. The same concept is found in the verb form of John 13:10, (gr) Louo meaning to Wash.

5. i. In this passage it is used for washing the entire body and illustrates SALVATION This is in contrast to (gr) (v) Nipto meaning to wash only the extremities the hands and feet and is used in ?? and illustrates REBOUND function.
6. The Noun connotes Salvation and the verb in John 13 reinforces this and the principle is that ONCE bathed ALWAYS Bathed.
 - i. One bath many foot washings; You are saved once and there should be many rebounds after Salvation Adjustment to the Justice of God.
 - ii. If you do not wash your feet many times after Salvation Adjustment to the Justice of God you cannot be perfect therefore you STINKETH.
7. When you were saved you did not give yourself a bath and this is why BAPTISM never is the MEANS of salvation but identifies the believer as being saved.
 - i. This is why those who use baptism to INDICATE salvation have missed the point of Salvation Adjustment to the Justice of God through faith in Jesus of Nazareth, the Christ.
 - ii. The point is that when you are saved GOD GIVES YOU A BATH and you don't lift a finger for it.
 - iii. Others are trying to help God and are RESCRUBING after God's Bath.
 - iv. The concept is demonstrated by the newborn infant being incapable of bathing himself after being soiled.
 - v. God, for the newborn infant believer, does the work and the "washing of regeneration is an illustration of salvation by GRACE where GOD DOES THE WORK.

I. Regeneration:

1. To be BORN AGAIN
2. This occurs through or by means of the Agency of God the Holy Spirit.
3. At Salvation Adjustment to the Justice of God God the Holy Spirit makes each believer part of a NEW SPECIES
4. God the Holy Spirit does this for us at Salvation Adjustment to the Justice of God we cannot and do not do it for ourselves.
5. We are born again with a renewed Human Spirit by means of God the Holy Spirit.

J. God the Holy Spirit is the renewer making us into a new species with God the Holy Spirit being poured upon us by God the Father through the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ.

III. The Doctrine of the salvation Ministry of God the Holy Spirit:

A. Deity of God the Holy Spirit

1. Our love for God the Holy Spirit is just as great as our love for Jesus of Nazareth, the Christ
2. The key to loving the Trinity is found in our capacity to Love from maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and the completed Edification Complex of the Soul.
3. As we build this Edification Complex of the Soul and reach Maturity Adjustment to the Justice of God we develop greater capacity for LOVE, and all aspects of Life.
4. The specific object of our love is God the Son Jesus of Nazareth, the Christ the head of the Church and we declare this love for him.
5. This does not mean we do not love God the Father but the revealed member of the trinity is Jesus of Nazareth, the Christ.

B. Rules set up by scripture:

1. Until you have finished your life on this earth you don't express an irrational emotional love for the "holy ghost".
 - i. If you love Jesus of Nazareth, the Christ with whatever capacity you have to love him this is also your capacity and ability to love God the Father and God the Holy Spirit.

- ii. The whole ministry of God the Holy Spirit in the Church Age is to glorify Jesus of Nazareth, the Christ whom we love with varying capacities.
- iii. There is no place for the “Tongues” movement which is the so called “Love the Holy Ghost” movement in this Church Age.
- iv. The purpose of God the Holy Spirit is NOT to glorify himself.
- v. There are phrases in scripture which say, “to the father be the glory” or “To the son be the glory” or both but the father and son sent God the Holy Spirit in the Church Age.
- vi. Therefore the ministry of God the Holy Spirit is functioning NOW and if you want to tell God the Holy Spirit how much you love him you MUST wait until the Church Age is completed or you are in heaven.
- vii. This silliness of loving God the Holy Spirit does not bring happiness to God the Holy Spirit in any way nor does it glorify him.
- viii. There is nothing at all which is good about the “Tongues” movement and it is inherently EVIL in its function and principle.
- ix. There is absolutely NOTHING Good about the tongues movement and it is satanic to its core and has been since September of 70AD and August is the last time anyone spoke in tongues legitimately that is in **70AD**.
- x. There is no place for compromise with regard to the Tongues movement and if there is even 1 iota of compromise with this evil function will detract from your love of Jesus of Nazareth, the Christ.
- xi. We are here to LOVE Jesus of Nazareth, the Christ in the function of Occupation with the Person of Jesus of Nazareth, the Christ and we must LEARN to love him from maximum Metabolized Bible Doctrine in our Stream of Consciousness of the Soul.
- xii. Love and the capacity for love for Jesus of Nazareth, the Christ is compromised totally by the tongues movement.
- xiii. God the Holy Spirit is God just as God the Father and God the Son and is just as much GOD as the other 2 but he says that this is the Church Age and the intensification of the Angelic Conflict and the GIFT of Tongues was begun and ended in the Age of Israel and had to do with the JEWS and not the CHURCH and its purpose was to warn ISRAEL of the imminent 5th cycle of Divine Discipline for Israel.
- xiv. The first people to distort this spiritual gift were the Corinthians and they were straightened out by Paul.
- xv. When you have loved someone and truly loved them it is true that you will love them more now than when you started to love them.
- xvi. True LOVE increases in capacity because as there is contact and the relationship goes on and on Love increases.
- xvii. This is how it is with Jesus of Nazareth, the Christ and God the Holy Spirit has his ministry to help us under the Grace Apparatus for Perception so that we can assimilate the Thinking of Christ, Bible Doctrine and therefore respond to the marvelous love of Jesus of Nazareth, the Christ for us.
- xviii. Jesus of Nazareth, the Christ loved us before we even existed and we LOVE him because he first loved us in Eternity Past.
- xix. Christianity is supposed to be a love affair with Jesus of Nazareth, the Christ and anything which gets in the way is NO GOOD as is the tongues movement.

IV. Doctrine of the Salvation Ministry of God the Holy Spirit:

A. Deity of God the Holy Spirit

1. God the Holy Spirit is coequal with God the Father and God the Son **2Cor 13:14**
2. God the Holy Spirit is called (gr) Kurios = Lord a title for Deity **2Cor 3:17** so obviously he is God

3. In the Old Testament Scripture he is called Jehovah **Is 6:8-9, Jer 31:31-34**, this is documented in the New Testament Scripture as well in **Acts 28:25, Heb 10:15** using Kurios for Jehovah and thus establishing the Deity of God the Holy Spirit.
 - i. Jehovah is the vowel points for Adanai which means LORD and the letters of the Tetragrammaton the sacred name of any of the 3 persons of the Godhead.
 - ii. Jehovah is used for God the Father, God the Son, and God the Holy Spirit.
 4. God the Holy Spirit is sovereignty the same as ascribed to God the Father and God the Son **1Cor 12:11**
 5. Omniscience is ascribed to God the Holy Spirit **1Cor 2:10-11**
 6. Omnipotence is ascribed to God the Holy Spirit **Gen 1:2**
 7. Omnipresence is ascribed to God the Holy Spirit **Psa 139:7**
 8. When we talk about the salvation ministry of God the Holy Spirit we are talking about the function of a member of the Godhead and since God the Holy Spirit is GOD obviously anything which God the Holy Spirit does is compatible with GRACE because Grace is GOD doing the work.
- B. The Indwelling of God the Holy Spirit:
1. The Indwelling of God the Holy Spirit occurs at the point of Salvation Adjustment to the Justice of God for the Church Age believer.
 2. It was prophesied by Jesus of Nazareth, the Christ **John 7:38-39, 14:16-17**
 3. It is state as a fact in **1Cor 6:19-20, Rom 8:9**, and used as a point of argumentation for grace **Gal 3:2, 4:6**
 4. Indwelling must be distinguished from the Filling of God the Holy Spirit
 - i. Filling of God the Holy Spirit is a command to every Christian. **Eph 5:18**
 - ii. Indwelling is a fact regarding EVERY Christian in the Angelic Conflict.
 - iii. You are never commanded as a Christian to be INDWELT with God the Holy Spirit.
 5. We must distinguish between God the Holy Spirit and the person of Jesus of Nazareth, the Christ.
 - i. Both indwell but there must be a recognized distinction between these as some blur this and get into pseudo spirituality when they make the indwelling of Jesus of Nazareth, the Christ functional.
 - ii. Indwelling of Jesus of Nazareth, the Christ **Col 1:27, Rom 8:10, John 14:20**
 - iii. Indwelling of God the Holy Spirit is operational while the Indwelling of Jesus of Nazareth, the Christ is a category LOVE principle and the consummation of the love of Christ for his church.
 6. The purpose of the Indwelling of God the Holy Spirit **Acts 1:8**
 - i. To promote the function of the believer priest including Witnessing
 - ii. The function of the Grace Apparatus for Perception for Perception, Cognition, Inculcation and Metabolization of Bible Doctrine **1John 2:27**.
 7. Indwelling of God the Holy Spirit called by other names:
 - i. Anointing of God the Holy Spirit which recognizes that all believers are in full time Christian service and Anointing is a commission. **Acts 4:27, 10:38, 2Cor 1:21, 1John 2:20+27**
 - a. These all talk of the anointing of God the Holy Spirit and equate it with the Indwelling of God the Holy Spirit but emphasizes that since the believer is in full time Christian service don't try this service on your own it is the ministry of God the Holy Spirit which counts.
- C. The sealing of God the Holy Spirit at Salvation Adjustment to the Justice of God. **2Cor 1:22, Eph 1:13, 4:30**
1. This is an isogogical principle and you must return to the function of SEALING in the ancient world.

- i. Sealing was used to guarantee of a transaction, identification of ownership, authentication of invoices, contracts, laws, directives etc., protection of tombs, libraries, treasuries, and used in ratification of treaties.
- ii. The whole concept of SEALING is that WE BELONG TO THE LORD JESUS CHRIST.
- iii. This is our Eternal Security.

D. Regeneration Ministry of God the Holy Spirit **Tit 3:5, John 3:5, Matt 19: 28**

E. Distribution of spiritual gifts **1Cor 12:11**

- 1. All believers are given a spiritual gift at Salvation Adjustment to the Justice of God and we do not earn, deserve nor work for these.
- 2. Every believer has at least 1 spiritual gift.

F. Baptism of God the Holy Spirit:

- 1. It did not occur in any prior dispensation and will not occur after the end of the Church Age.
 - i. It is for the Church Age only and the way the body of Christ is separated in the world of the devil.
- 2. It was prophesied in **Acts 5** just prior to the resurrection of Jesus of Nazareth, the Christ.
- 3. It has mechanics involved 1Cor 12:13 and these do not include any human emotional ecstatic connotation.
- 4. It is the basis for the unification of believers in the Church Age: **Eph 4:5**
 - i. We are NOT unified by LOVING each other since our capacities for love are too much in variance the Filling of God the Holy Spirit does not occur simultaneously at all times under all conditions for all believers.
- 5. The implications of the Baptism of God the Holy Spirit **Gal 3:26-28**
 - i. When we are born again we are born equal {(ff) then it is all downhill after that hahaha}
- 6. It is the basis for retroactive positional truth **Rom 6, Col 2:12, 3:4**
- 7. It is the basis for Current positional truth **Eph 1:3-6, Col 3:1**
- 8. Positional Truth is related to the victory of the Angelic Conflict **Heb 2:7-15**
- 9. Baptism of God the Holy Spirit was the official historical beginning of the Church Age Pentecost 30AD, **Acts 11:15-17 comp Acts 2:3**

G. Summary: God the Holy Spirit does 5 things for you at Salvation Adjustment to the Justice of God:

V. God the Father gave to us abundantly God the Holy Spirit

A. You can be rich and give in a stingy way or poor and give richly but GOD never ever is stingy.

- 1. God is consistent and is rich and gives richly in grace.
- 2. He does not give simply from the abundance of his wealth but from the abundance of his character.
- 3. True giving is a Mental Attitude and a type of character and a Generous person is one with a certain character and Mental Attitude of giving.
- 4. No matter how or when or where a person who is generous gives he never looks back or puts strings on anything and it never occurs to him to do so or that there is any gain for giving or any reason or motivation for self advancement for giving.
- 5. This is GOD.
- 6. Our Lord is so fantastic and wonderful it never occurred to him to hold back or be stingy or that by giving on the basis of his character he is SPOILING us.
- 7. He gives on the basis of his character and this is the reason we have only what we have, if we knew what we wanted to be God would give it to us but we are in fact too stupid to know what we even want ourselves.

B. When you really love someone whether they give you something or NOT is inconsequential and you cannot buy love from another with gifts at Christmas or birthdays.

- i. This is incompatible with Christianity and you cannot buy love ever.

2. We did not even exist when the love of God for us started and he loves us with a perfect love.
 3. God does not WANT anything from us especially not based on what he has given us in LOVE.
 4. The more we see the permanency of the Love of God it is something to amaze us.
- C. We only go through this love once and Heaven will be OUT OF THIS WORLD LITERALLY FANTASTIC.
1. It will not be at all difficult to LOVE God in heaven but now it time in life we have a wonderful chance to LOVE God at this time based on what he provides for us.
 2. Emotion is an appreciator and we must KNOW Jesus of Nazareth, the Christ in order to appreciate him and thereby love him.
 3. WE don't look at things seen which are temporal and the things which are unseen are eternal and that is what we should be looking toward.
 4. We must "LIVE LIFE AS UNTO ETERNITY".
 5. This is why God gives to us Suffering, pressure, disaster, catastrophe, heart Ache, difficulty so that the testing of ourselves will reflect the LOVE we have for Jesus of Nazareth, the Christ having perfect happiness from our completed Edification Complex of the Soul having reached Maturity Adjustment to the Justice of God Super Grace.
 6. The only way to love and appreciate Jesus of Nazareth, the Christ having NOT seen him is through Bible Doctrine the thinking of Jesus of Nazareth, the Christ which he has left and preserved for us these millennium and with a maximum of Metabolized Bible Doctrine in our Stream of Consciousness of the Soul we having reached Maturity Adjustment to the Justice of God Super Grace and completed an Edification Complex of the Soul can LOVE Christ under Occupation with the Person of Jesus of Nazareth, the Christ.
- D. We receive as a result of the Substitutionary Spiritual Death work of Jesus of Nazareth, the Christ on the cross the Filling of God the Holy Spirit from God the Father and is how both Jesus of Nazareth, the Christ and God the Holy Spirit give to us spiritual gifts. **Eph 4:8+11, 1Cor 12:11**
1. The ministry of God the Holy Spirit is possible only through the ministry of Jesus of Nazareth, the Christ.
 2. In addition Jesus of Nazareth, the Christ is the entrance into the Plan of God and revelation of God the Father and the focal point of the Plan of God and without him we have nothing and are nor will ever be anything except miserable.
 3. At Salvation Adjustment to the Justice of God we were designed by God the Holy Spirit to LOVE Jesus of Nazareth, the Christ.
 4. God the Holy Spirit regenerated us and brought us into the Royal Family of God in order that we should be able to love our great high priest Jesus of Nazareth, the Christ.

Titus 3:5

v5: NOT by or on the basis of or out from the source of works, production, function of human abilities, Human Good, or human talents, by means of relative righteousness of Human Good which we have done, but according to the norms and standards of HIS MERCY or GRACE WORKING on our behalf, He saved us, through or by means of the washing even regeneration even the renewing of being again put into a new species, under the agency of God the Holy Spirit.

Titus 3:6

v6: which God the Holy Spirit, he, God the Father has poured out abundantly and richly upon us through Jesus of Nazareth, the Christ our savior this wonderful blessing

Lesson #18 Series # 470 7/18/2019 Tit 3:7

- I. The purpose of Titus going to Crete was to bring order out of chaos by organizing the believers there into functioning local churches.
 - A. There is NO order on this earth in the Church Age apart from the local church.

1. Governmental Anarchy hits a nation when the Divine Institution and Laws of Divine Establishment are ignored.
 2. When Bible Doctrine is ignored the true function of the local church is rejected.
- B. Crete had good government but there was chaos among the believers there.
1. Every believer was a law to himself and the priesthood never functioned in assembly and Titus was sent to Crete to bring Order out of Spiritual Anarchy.
 2. We have spiritual anarchy in the United States of America as a result of the local churches losing autonomy by becoming parts of denominations.
 3. We have independent local churches but they are lost as a result of superficialities and programs and overemphasis of unimportant things and Bible Doctrine has been set aside or just receives the lip service of fundamental apostasy.
 - i. We live as did Titus in tragic times.
 4. Titus has been given commands with regard to organizing local churches.
- C. V7 is a key verse with a principle:
1. Every bonifide local church in the eyes of God measuring up to the standards of the word of God is inevitably structured, blessed, prospered and moves forward on the principle of GRACE.
 2. It is inevitable that certain small churches will become large and in a generation for a church with very small beginnings to become gigantic.
 3. The Grace of God takes little things and makes them big things and this was the history of Berachah Church from downtown Houston to today in South West Houston and great prosperity.
 4. There is a tendency of all believers to forget the Grace of God in times of prosperity and the same is true for the local church which grows and prospers.
 5. Many believers do not appreciate the concept of GRACE in any way and they gravitate to a local church which has something they can use as a crutch such as Young People's Programs and Christian Education, Legalism which is very subtle in its infiltration of the local church.
 6. The Size of the congregation or a Choir can even be a crutch but we must remember that under the Grace Plan of God there are no CRUTCHES.
 7. Congregational singing, sweet personality of the Pastor Teacher also are crutches.
- D. When we assemble, individually or collectively, as a kingdom of Priests under the teaching of Col Thieme it is as a result totally of the Grace of God and the faithfulness of God.
1. We have done nothing as part of Berachah Church to deserve any of the prosperity which has come to the Church or the Ministry at all but it all has come without gimmicks.
 2. We are able to take in Bible Doctrine at any time because of Who and What God is.
 3. As a result of our consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine we have an increased capacity for all aspects of life and we must constantly recognize that ONE good reason this nation is still intact today is because of believers reaching Maturity Adjustment to the Justice of God and completing their Edification Complex of the Soul.
 4. In every local church the basic emphasis must be the teaching of Bible Doctrine by means of Isogogics, Exegesis and categorical analysis of scripture from the original languages.
- E. The emphasis of Tit 3:7 is GRACE and the Grace of God providing for a local church.
1. The provision for all accomplishment in the local church of administration, witnessing and teaching of Bible Doctrine is from Jesus of Nazareth, the Christ.
 2. Jesus of Nazareth, the Christ is our great high priest and the head of the church in this Church Age, and he is the basis for all grace to us individually or collectively as a local church.
 3. Without Jesus of Nazareth, the Christ we are nothing and without his provision the local church cannot remain.

4. We live by grace and stand by grace and if we do not we are like those who worship idols in the Old Testament Scripture.
5. Without Jesus of Nazareth, the Christ his grace and provision there is no hope for our local church, our nation, and us as individual priests in the world of Satan.

II. The Grace Support of the local church:

A. Doctrine of Justification:

1. It is always based on the principle of Grace which is the intact character of God giving us something we cannot earn or deserve. **Rom 3:24, Tit 3:7**
2. Justification occurs at Salvation Adjustment to the Justice of God **Rom 3:28, 5:1, Gal 3:24**
3. Justification does not occur through or by means of the Mosaic Law **Rom 3:20, Gal 2:16**
4. Justification means VINDICATION
5. The mechanics of justification in Salvation Adjustment to the Justice of God involve the imputation of the Righteousness of God. Rom 3:22, 4:11b, 9:30-32, 4:4-5
 - i. We are born in an Old Sin Nature and shortly after we begin to sin and during our lifetime we collect sins
 - ii. Let us say we collect 100,000 sins and this is like being in debt several billion dollars worth.
 - iii. Jesus of Nazareth, the Christ went to the cross and paid off this debt in his Substitutionary Spiritual Death his being judged and paying with spiritual death for all these sins.
 - iv. Therefore, this real debt of ours is in fact paid on the cross by Christ but this does not give me anything to enable me to live with God forever under Eternal Life.
 - v. Therefore at Salvation Adjustment to the Justice of God we receive from God the judicial imputation of Absolute Righteousness of God which is ½ of the Integrity of God and this puts me in the black with God.
 - vi. Vindication comes from Absolute Righteousness only and when God the Father sees the Absolute Righteousness imputed to us God the Father vindicates or justifies us.
 - vii. Justification as some say is NOT “just as if you have never sinned” since it is as a result of sin that you have been justified.
 - viii. Justification means BECAUSE I have sinned and Jesus of Nazareth, the Christ has taken care of that debt and he has then credited to my account his Absolute Righteousness I am vindicated and justified at Salvation Adjustment to the Justice of God.
 - ix. The fact is that the Greek term used to describe justification is an accounting term used to put some credit on the black side of the ledger.
 - x. We are not vindicated because of having a nice personality, and many people depend on their sweet nice personality and think they are so nice God just had to save them.
 - a. {(ff) Personally I am in total confusion as to why God has called and saved me and may counsel him when I get to heaven!}
 - xi. People all cling to their good deeds in life and remembering these they use this as a reason for their being saved.
 - i. GOD does not need any of a persons personal Self Righteousness and our righteousness is -R and like filthy rags in his sight.
 - ii. We must get away from the idea that we are or even can HELP GOD for God is not in need of any help and is in fact NOT AT ALL impressed by anything we do.
 - iii. God is impressed only with his GRACE plan and our plans look ridiculous to him therefore the importance of the Grace of God and who and what he is not who or what we are.

- iv. At Salvation Adjustment to the Justice of God through faith in Jesus of Nazareth, the Christ alone we are vindicated as a result of receiving the Righteousness of God by imputation.
 - v. Our sins have been judged but we need something to give us credit with God and therefore he provides his Absolute Righteousness as credit on our account and this gives us VINDICATION.
 - vi. This is JUSTIFICATION by FAITH which occurs at Salvation Adjustment to the Justice of God Romans constantly mentions this
6. Live in time after Salvation Adjustment to the Justice of God also has a justification.
- i. There is vindication from production of Divine Good and therefore we have justification or vindication by Works in the book of James
 - a. This is the KEY passage which is misquoted by the Jehovah Witnesses in trying to justify their position of WORKING to get into the 144000 who will be saved for heaven.
 - ii. Abraham was justified by WORKS not when he was saved but when he offered Isaac which was a production of Divine Good.
 - a. This was an expression of his category I love for God in Occupation with the Person of Jesus of Nazareth, the Christ which produces Divine Good.
 - b. Abraham loved Jesus of Nazareth, the Christ more than even his son Isaac whom he waited so very long to receive BUT when they were on the mountain there was a substitute provided for Isaac and when they came down the mountain it showed that those who have CAPACITY to love God have capacity for LIFE in every way.
 - iii. Rehab the prostitute was justified by works NOT when she believed but when she hid the spies **James 2**
 - a. Hiding the spies indicated she loved Jesus of Nazareth, the Christ more than personal safety or anything connected with Jericho
 - iv. On the basis of the consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine there is a JUSTIFICATION by Works as per **James 2:21-25** and Paul under different terminology.
7. The principle of justification or vindication by the function under the Grace Apparatus for Perception **Matt 11:19, Luke 7:35**
8. The principle of justification or vindication in salvation is the provision by the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ on the cross. **Rom 5:8-9**
9. The resurrection of Jesus of Nazareth, the Christ occurs *because of* our justification **Rom 4:25**
- i. Our justification had already been accomplished and he could be resurrected.
 - ii. Until vindication had been accomplished there was not possibility for resurrection of Jesus of Nazareth, the Christ.

III. At Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, the Christ alone we receive 39 irrevocable assets one of which is Absolute Righteousness and this is credited at this point to our account and perpetuated FOREVER.

- A. As a result we are vindicated and remain vindicated FOREVER this is part of GRACE.
 - 1. We receive vindication and justification and do not and cannot earn or deserve.
 - 2. As a result of vindication we become HEIRS of God
- B. Review the doctrine of Grace.
- C. God cannot save us apart from vindication because he must keep his character intact while dealing with us.
 - 1. God cannot change his character being immutable but GRACE GLUES all these characteristics of God together so that they cannot ever be compromised.
 - 2. GRACE has many facets and here we see the imputation of the Righteousness of God at Salvation Adjustment to the Justice of God.

3. Because we have his Absolute Righteousness he cannot ever be compromised by blessing us in time no matter how idiotic we may be.
 4. His justice is satisfied the sin bearing of Jesus of Nazareth, the Christ but this is only his justice.
 5. God cannot lose or compromise any aspect of his character in saving us
 6. The Righteousness of God is kept intact by the imputation of Absolute Righteousness to us at Salvation Adjustment to the Justice of God and therefore he is not compromised by saving sinners.
- D. All Grace is from God and comes to us through Jesus of Nazareth, the Christ.
1. We are not righteous but become Absolute Righteousness at Salvation Adjustment to the Justice of God.
 2. We are not heirs but become Heirs because of being vindicated by Absolute Righteousness from God.
 3. Jesus of Nazareth, the Christ is the Heir of God the Father and has Absolute Righteousness in his deity and also in his humanity.
 4. God the Father cannot compromise his Absolute Righteousness and Jesus of Nazareth, the Christ had Absolute Righteousness as God and he came to the cross with Absolute Righteousness intact.
 5. When he left the cross he had Absolute Righteousness in both his humanity and deity.
 6. He is therefore HEIR of God the Father and must have Absolute Righteousness and Eternal Life
 7. We at Salvation Adjustment to the Justice of God receive Eternal Life and also Absolute Righteousness making us a JOINT HEIR with Jesus of Nazareth, the Christ.
 8. Therefore we become something we are not because of Vindication and justification resulting from receiving Absolute Righteousness at Salvation Adjustment to the Justice of God.

IV. Doctrine of Heirship:

- A. Jesus of Nazareth, the Christ is the heir of all things **Heb 1:2**
1. Jesus of Nazareth, the Christ has Absolute Righteousness in both his humanity and deity.
 2. The Justice of God the Father was satisfied by Jesus of Nazareth, the Christ bearing our sins therefore the Holiness or Integrity of God the father is intact.
- B. Heirship is based on Sonship John 1:12, Rom 8:16-17, Gal 3:26
1. This is why all members of the Human Race are NOT sons of God and ONLY THOSE WHO BELIEVE IN CHRIST ARE SONS OF GOD.
 2. There is not such thing as the universal fatherhood of God or the universal brotherhood of man.
 3. The only brotherhood found ever is in the kingdom of priests.
- C. Heirship is based on the death of another Rom 5:8, 1Cor 15:3-4
1. We inherit on the death of another
 2. On the Substitutionary Spiritual Death of Jesus of Nazareth, the Christ we inherit on the new covenant to the church.
- D. Heirship from God demands possessing the life of God.
1. If you are going to be an heir of God you must be able to live with God for as long as he will live.
 2. Thus heirship demands Eternal Life and we have this **Tit 3:7, 1John 5:11-12**
- E. Heirship implies sharing the destiny of Jesus of Nazareth, the Christ **Eph 1:11**
- F. The concept of Heirship is based on the doctrine of Election **Heb 9:15**
- G. The indwelling God the Holy Spirit is the down payment of the believers inheritance **Eph 1:14**
- H. The principle of Heirship emphasizes the doctrine of Eternal Security **1Pet 1:4-5**
1. To live with God forever we must have 2 things comparable to God
 - i. Absolute Righteousness
 - ii. Eternal Life

2. There is no sense or reason to have Absolute Righteousness unless it is permanent and to have it only for a short time is of no value.
 - i. If you are going to always have Absolute Righteousness and vindication and justification forever then you must have Eternal Life as well.
 - ii. If you are justified or vindicated by God YOU HAVE Eternal Life.
 - iii. If you possess Eternal Life then you are justified and vindicated.
 3. Eternal Life is only ever connected to the believer and the unbeliever does not have Eternal Life but has eternal death in the Lake of Fire.
 - i. Eternal Life only belongs to the one who has Absolute Righteousness like God from Eternity Past through time and at the end of time through future eternity.
 - ii. We pick up Eternal Life at Salvation Adjustment to the Justice of God and then we receive Absolute Righteousness and are vindicated and justified throughout future eternity.
 - iii. God gives us Eternal Life immediately at Salvation Adjustment to the Justice of God and at the same instant of receiving Absolute Righteousness.
 - iv. God gives us Absolute Righteousness at Salvation Adjustment to the Justice of God but this is not just until we FAIL in the Spiritual Life since this would mean that eternal salvation would depend totally on US and not God and our failure would take us out of life with God.
 4. When a believer thinks or says the he does not have Eternal Security from the instant of Salvation Adjustment to the Justice of God he is saying GOD IS A LIAR.
 - i. People who do not accept Eternal Security are blaspheming as are the ones who recommit themselves to a good Christian life after a life of failures and sin.
 - ii. The fantastic thing is that the character of God stands true despite the IDIOCY of public testimonies by errant believers.
 - iii. God does not bend his character to suit the situation being for you if you are nice and against you if you are a louse!!!
 - iv. The character of God has not ever nor ever will depend on some WHIM of our life.
 - v. This is the kind of thing in the misunderstanding of Justification and Absolute Righteousness and Eternal Security which results in APOSTASY from MASS STUPIDITY from failure under the function of the Grace Apparatus for Perception.
 - vi. We must learn Bible Doctrine in order that when we give testimony it will line up with the Grace of God.
 - vii. *The local church is not a country club or bank and is NOT closed on holidays such as Christmas eve or day or any other holiday.*
 5. Our capacity to love Jesus of Nazareth, the Christ is dependent on Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
 - i. We can thank God for what he gives us all day and never understand all of what he has given us.
 - ii. There are 39 irrevocable assets given us instantly and simultaneously at Salvation Adjustment to the Justice of God along with the Filling of God the Holy Spirit.
- I. God provides for us Eternal Life and we have confidence in our receiving it as a result of God providing Absolute Righteousness at Salvation Adjustment to the Justice of God and WE CANNOT LOSE WHAT GOD PROVIDES.
1. We cannot lose it or throw it away or reject Jesus of Nazareth, the Christ or live good, bad or ugly life and do anything about it.
 2. At Salvation Adjustment to the Justice of God we had no clue as to what all we would get from God but we must understand that we have his Absolute Righteousness and his Eternal Life and we cannot ever lose them.

Titus 3:7

v7: in order that, having become justified or vindicated by means of Grace from the source of Him, provided at the Substitutionary Spiritual Death of Christ on the cross, we should become heirs according to the norms and standards of absolute confidence of Eternal Life.

Lesson #19 Series # 470 7/20/2019 Tit 3:8

- I. Titus helps us to understand the local church.
 - A. There are many attacks on the local church some causing or resulting in them becoming part of larger organizations in denominations.
 1. Others involve anarchy among believers.
 2. The trend has been involving getting away from the local church and removal of the Pastor Teacher his true function and getting away from his authority.
 - B. There is great sublimation in Christianity:
 1. Programs in the local church
 2. Concepts found in fraternities, country clubs or other 'brotherhood' organizations.
 - i. There is much more emphasis in a great number of local churches to make the church a "FRIENDLY" church rather than to make it BIBLE Centered.
 3. There is basically an ignorance of details of Bible Doctrine by the Pastor Teachers and lack of teaching Bible Doctrine in the local church.
 - i. This is reflected in every part of the life and function of every local church
 4. Missionary function is similar to what the local church is doing trying to find some super experience or substitute for daily presentation of Bible Doctrine over and above the gospel.
 - i. Many have tried to find some emotional attraction to fuel their function and have taken public relations into the far reaches of the bush to present the gospel of Christ which is ALL that they do.
 - ii. This was seen in the past in the rise of the tongues movement in various parts of the world.
 - iii. Both the Pastor Teacher and missionary functions in the Church Age are clearly delineated in Bible Doctrine and must be followed.
- II. What we must depend on the life
 - A. The Word of God in Bible Doctrine is the only thing upon which we MUST constantly depend and trust.
 1. This is the title of the rest of the book which shows how to get local churches to function under the GRACE Plan of God and biblical principles.
 2. This would eliminate many of the problems of the local church.
 - B. "these things" == The Inhale of Bible Doctrine through the function of the Grace Apparatus for Perception and Metabolized Bible Doctrine stored in the Right Lobe of the Stream of Consciousness of the Soul.
 - C. The passage is saying that if you cannot teach Bible Doctrine dogmatically then don't teach it.
 1. If you don't know what you are teaching then don't.
 - D. At the point of Salvation Adjustment to the Justice of God through faith in Jesus of Nazareth, the Christ alone, GOD belongs to us and we become, as it were, the Right Woman to God being the Right Man.
 1. Because of Faith alone in Jesus of Nazareth, the Christ alone Jesus of Nazareth, the Christ as God belongs to us and as a result we take a personal interest in him that belongs to us.
 2. This is reflected in the dative case of ownership or personal interest.
 3. Once you express faith alone in Jesus of Nazareth, the Christ alone it is time to take personal interest in HIM.

4. The implication is that YOU MUST take a personal interest in Jesus of Nazareth, the Christ not just in church or prayer or witnessing but this passage implies that YOU must LOVE Jesus of Nazareth, the Christ.
 5. He is the HEAD of the CHURCH and is analogous to our Right Man as part of his Royal Family of God but it is ONE thing to discover Right Man or Right Woman and another totally to LOVE them.
 6. The issue is here that NOW that the believer possesses Jesus of Nazareth, the Christ analogous to our Right Man DO YOU LOVE Jesus of Nazareth, the Christ.
 7. The Problem for the believer is that you cannot have maximum Category I Love without KNOWLEDGE of he whom you cannot see but should love and this knowledge only comes from consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.
 8. Capacity for loving Jesus of Nazareth, the Christ is determined by the intake of Bible Doctrine you involve yourself in.
 9. There will always be a testing ground for TRUE LOVE but MOST people for a very long time FLUNK the testing of True Love especially Category I Love for Jesus of Nazareth, the Christ.
 10. Occupation with the Person of Jesus of Nazareth, the Christ is part of the spiritual blessings of reaching Maturity Adjustment to the Justice of God Super Grace which requires maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
 11. From Eternity Past God as the Father, Son and Holy spirit have loved us personally, individually and collectively.
 12. If we have the capacity to love Jesus of Nazareth, the Christ the only reason is that we have maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and a completed Edification Complex of the Soul.
- E. From Salvation Adjustment to the Justice of God we belong to God as Royal Family of God and also GOD belongs to us.
1. The real person is that part which thinks and in the Christian Way of Life we MUST be able to think under the influence of Metabolized Bible Doctrine from the Stream of Consciousness of the Soul ie Divine Viewpoint thinking.
 2. In the performance of Divine Good Works they do not need maintenance but must be undertaken with resolution meaning to concentrate on the objectives of thinking
 3. This is totally potential as a function for the believer and depends on the Status Quo of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
 4. The principle is that YOU MUST concentrate in life and it comes from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
- F. Concentration from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is the HONOR of the Christian Way of Life.
1. The result of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul is Divine Good production the result of loving Jesus of Nazareth, the Christ under Occupation with the Person of Jesus of Nazareth, the Christ.
 2. This is not something done to make points and get greater recognition but is something automatically done in keeping with your capacity for loving Jesus of Nazareth, the Christ.
 3. When you concentrate on Bible Doctrine the production of Divine Good is automatic for the believer.
 4. When you love someone and have the capacity to love them you develop instincts of LOVE.
 5. These are the things you automatically do because you love them and these are instinctive and wonderful.
 6. When you have capacity to love you have capacity for honorable Modus Operandi Production.

7. First you must identify your Right Man or Right Woman then there must be CAPACITY to love them which only comes through Metabolized Bible Doctrine.
- G. Loving Jesus of Nazareth, the Christ is not only honorable in expression to Him but is also beneficial as far as other people are concerned.
1. A person who has and loves their Right Man or Right Woman are fantastic to be around and a person without capacity to love are a true misery to be around.
 2. When you love Jesus of Nazareth, the Christ it is beneficial to those in your social periphery and you don't have to WORK at this because it comes naturally.
 3. If you do not have capacity to love Jesus of Nazareth, the Christ you do not have a Relaxed Mental Attitude therefore have Mental Attitude Sins.
 4. This means that you will not be able to relate properly to anyone in your periphery and this will spoil many social relationships.
 5. The person who is in love and has capacity for love they are free from Mental Attitude Sins and are a pleasure to be around because of their Relaxed Mental Attitude.
 6. When you truly love Jesus of Nazareth, the Christ having reached Maturity Adjustment to the Justice of God Super Grace and completed your Edification Complex of the Soul it is going to overflow to others and you don't have to try to develop this.
- H. The overflow of your love for Jesus of Nazareth, the Christ this will make you a pleasure to be around and this overflow will go in all directions touching everyone you contact.
1. In life people want things they can neglect including a woman wanting a man she can neglect and vice versa.
 2. The sad thing is that God has designed something in his plan where you cannot neglect him.
 3. With the believer the thing we must NOT ever NEGLECT is Bible Doctrine and if we do not take in Bible Doctrine every day we are neglecting GOD.
 4. The relationship we have as believers in Jesus of Nazareth, the Christ in the Royal Family of God with God is not designed for NEGLECT.
 5. We can have the most wonderful relationship in time with God and have happiness and contentment and blessing and EVERYTHING great in life but we cannot neglect GOD.
 6. If you do neglect God you will have the most miserable life imaginable.

Titus 3:8

v8: Dependable, Faithful or Trustworthy the Word of God. Concerning these things of Bible Doctrine, I command, order or decree that you habitually communicate dogmatically with confidence, in order that those who have, from their own Positive Volition, nonmeritoriously believed, through faith alone and have Eternal Security, The God, Jesus of Nazareth, the Christ, in whom we have personal interest to whom we belong and who BELONGS to us, that they might have thought concentration having the objective of thinking with the mind, to undertake with authority, resolution and diligence honorable production; these things are now and always will be HONORABLE and beneficial to the advantage of believers in the Plan of God.

Lesson #20 Series # 470 7/22/2019 Tit 3:9

- I. The Washout of Apostasy and the Veracity of Bible Doctrine. **2Tim**
 - A. The Pastor Teacher wherever they are located, here referring to those on Crete, are responsible for the dogmatic presentation of Bible Doctrine and eliminating from their congregation APOSTASY.
 1. All Pastor Teachers must be trained to do this all the time.
 - B. Every person who has used Positive Volition toward the gospel of Jesus of Nazareth, the Christ has Eternal Security and that all believers are in full time Christian service and GOD has a purpose for his life.
 1. Once anyone believes in Jesus of Nazareth, the Christ they are always in the Plan of God forever.
 2. These believers are to receive the dogmatic doctrine from their Pastor Teacher.

- C. Those who believe in Jesus of Nazareth, the Christ then BELONG to God and vice versa and they must FEED constantly on Bread from heaven.
 - 1. "Bread of Heaven"
 - 2. Every local church has a communicator and congregation who feed on the bread of heaven as he dogmatically and confidently communicates it.
 - 3. At Salvation Adjustment to the Justice of God God provides for you a right Pastor Teacher and once you orient to the fact that you are in full time Christian service and that God has a right Pastor Teacher for you then you must find him and get under his teaching and stay there.
 - 4. The believer cannot read the bible for himself and understand it and if you could there would be NO need for Pastor Teachers
 - 5. Every local church must have a communicator and he is the final authority and whether you like or dislike what is taught you must take it personally and use it in your life.
 - 6. This is what you must have to grow in the Spiritual Life which requires that you FIND your right Pastor Teacher and then recognize his authority.
 - D. The principle is that it requires Metabolized Bible Doctrine in the Stream of Consciousness of the Soul to have HONORABLE Production of Divine Good.
 - 1. God has a plan for the life of every believer to go from Salvation Adjustment to the Justice of God to Dying Grace or the Rapture.
 - 2. It is easy to get side tracked into something which God does not intend for you to do.
 - i. Social Gospel
 - ii. Fast Crowd
 - iii. Emotional Revolt of the Soul moving to Apostasy covered here.
- II. Warning with regard to Apostasy:
- A. You cannot concentrate and avoid those things which will knock you down apart from your volition which is built on Bible Doctrine.
 - 1. Freedom is a concept whose capacity is from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul.
 - 2. The believer is to avoid at all costs the controversial concepts contrary to Bible Doctrine, philosophies which neutralize Bible Doctrine, contentions related to the Law, because they result from Negative Volition to Bible Doctrine and bring the believer into reversionism.
- III. Avoid the Apostate Believers: Jude, Romans, Titus, 2Peter.
- A. The believer is to avoid apostate believers here the one who is schismatic and creates and fosters factions because he holds false views.
 - 1. The person who is false in the trouble maker NOT the one who is true in their views.
 - 2. The heretic is the one who maintains false views on doctrinal issues NOT the one who teaches proper views from true Bible Doctrine.
 - 3. These people exist in every congregation and sooner or later a believer will be tempted to contend what is taught in the local church by the Pastor Teacher but when this happens with regard to the teaching of Truth these are schismatic.
 - 4. This is a believer who chooses that which is contrary to Bible Doctrine
 - 5. This believer chooses his own opinions over accurate Bible Doctrine and as a result becomes a trouble maker and promoter of FACTIONS in the congregation of the local church.
 - 6. Every Pastor Teacher will have to deal with this and they have the right and responsibility to remove these believers from the congregation.
- IV. These apostate believers are in revolt against the authority in their own local church and are critics against self because of rejection of Bible Doctrine and in constant carnality.
- A. These believers condemn self because of rejection of Bible Doctrine.
 - B. When a believer ever chooses against Bible Doctrine and for personal opinions they are condemning self and are critics against themselves.

- V. Personal Changes NEEDED.
- A. Titus the trouble shooter of Paul will correct all the problems and then leave when Artemas or Tychicus is sent to relieve him
 1. Artemas is Pastor Teacher of the church at Lystra and is a milder person and will be soothing to the people after Titus gets through with them as a pleasant person.
 2. Tychicus is known for his temperate disposition and even temper and he is sweet as well.
 3. It will take 2 sweet people to replace the hard nosed Titus.
 - B. In every system of basic training there was BEAST BARRACKS for 6 to 12 weeks and when it was done everything look GREAT after that and habits were developed which could not be lost.
 - C. When Titus went to Crete he shook the whole Island to its base and when he was done it took 2 to replace him and he was to go to Nicopolis in Northern Greek Adriatic Coast.
 1. Paul was resting here and was arrested here as well.
- VI. V15 is the personal greetings from Paul to those in Crete and vice versa.
- A. There was a great deal of personal rapport in the early church.
 - B. Denominations have destroyed personal rapport among believers.
 - C. Denominations entered Christianity as a result of Apostasy and when a Pastor Teacher entered a local church and people began to use him as a crutch but when he left the one who replaced him was not strong enough for this job.
 1. They then set up an organization outside the local church to be a crutch such as a board of bishops or plurality of elders.
 2. As a result more and more local churches depend on these groups and as time goes on they set policy and results in a heretical system totally out of line.
 - D. When you have a large number of local churches adhering to Bible Doctrine from the word of God a rapport is set up and this is destroyed when denominations occur.
 - E. Paul is asking Titus to GREET those who LOVE him with the strongest love who are under Positive Volition to Bible Doctrine.
 1. NOT ALL the believers in Crete Love Paul only those saturated with Metabolized Bible Doctrine .
 2. This eliminates many people in Crete and elsewhere and if they don't care for Bible Doctrine they will not care for Paul nor Titus nor even Timothy.
 3. No one even today will care for a Pastor Teacher if they don't care for Bible Doctrine.
 - F. Capacity for love comes from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and the greater the capacity for love the greater the grace function in life.
 1. Capacity for love and Grace go together and cannot be separated ever.
 2. Mental Attitude Sins will destroy capacity for live along with Negative Volition toward Bible Doctrine and Emotional Revolt of the Soul and these set up pseudo love in place of true love.

Titus 3:9

v9: But using free will volition totally shun, avoid and stay aloof from stupid questions or controversial concepts contrary to Bible Doctrine such as Liberalism, socialism, reform, etc; Gnosticism type philosophies which neutralize Bible Doctrine from Human Viewpoint; and jealousies and strife battles and contention relating to the law, they are useless to the Christian Way of Life and start Scar Tissue of the Soul, Emotional Revolt of the Soul and Blackout of the Soul and keep on being purposeless.

Titus 3:10

v10: As for a person who is factious or schismatic creating factions from his false views rejecting Bible Doctrine, after a first or second admonishing public warning from Bible Doctrine teaching, keep on avoiding or rejecting him,

Titus 3:11

v11: knowing, from Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, that he who is of such a character has been turned aside from truth and the right path thereby revolting against the authority of his local church, and is missing the mark of Bible Doctrine entering perpetual carnality; he is self-condemned being a critic against self choosing his own opinion over Bible Doctrine.

Titus 3:12

v12: When I send Artemas or Tych'icus to you, do your best to hasten to come face to face with me at Nicopolis, for I have decided to spend the winter there.

Titus 3:13

v13: Diligently escort or send out ahead Zenas the lawyer and Apollos for the purpose that nothing be deficient unto them or see that they lack nothing as the first missionaries from Crete.

Titus 3:14

v14: And let our believers in Crete learn by living experience to practice diligently honorable production because of needful requirements in order that they do not be unproductive.

Titus 3:15

v15: All who are with me salute you. Greet those who love me in the sphere of Bible Doctrine. Grace of the Plan of God be with you all.
