

FOR BEAUTIFUL WOMEN ONLY
SURVEY

The following questions have been prepared by THE INTERNATIONAL SOCIETY OF WOMEN FOR THE PREVENTION OF CRUELTY TO GOOD MEN.

(note: Annually, millions of compliments go unexpressed because GOOD MEN fear the motives for their comments will be misunderstood. It is the position of THE SOCIETY that GOOD MEN are quite capable of appreciating beautiful women much like one admires a beautiful bouquet of flowers without feeling a need to pick them.)

Through time countless men have expressed an interest in being able to comfortably compliment the beautiful women they see. However, in order to learn safe, friendly modes of expressing their enthusiasm for the ways in which exquisite women adorn the environment, such men have felt a need for more insight and information into the realities of the unusually attractive woman.

In the meantime, THE SOCIETY is committed to the notion that the positive feelings a woman experiences when she has been creatively complimented benefits her, as well as the giver of the compliment..... and ultimately the quality of vibrations on The Planet Earth.
