

EASTER SPECIAL 2018

Disappears April 10, 2018-Snooze, you lose!

By Gordon Jay Alexander

An oldie, but goldie which hasn't been offered in 10 years.

This is the best work I've ever done. Over 64 reports, and 100 hotsheets, dozens of courses, audios and video...and hands down, in my opinion, this report has the most to offer.

It is called: **HOW TO EXTRACT GOLD FROM A FISH'S MOUTH.**

This work was briefly sold in 2008 before it went off the market.

WARNING: Some of the links don't work, some of the sites no longer exist and some of the offers are no longer available. So, in that regard it is dated. BUT don't mistake being dated with being useful.

The Parable of Peter and Paying taxes has a 2,000 year history and has been one of my favorite bible stories since I was a youngster.

You will see this parable in a different light, perhaps you too will have an AH-HA moment, maybe even an epiphany. You will benefit immediately if you put the message within to use, right away.

This 58 page PDF report also contains condensed versions of several of my most popular reports including THE CHATTEL REPORT: THE SPRINT TO FREEDOM. The info in these Reader Digest type versions have withstood the test of time.

For example: The Psychology of Buying and Selling still is about the three key motivators; Impulsive, Impatient, Immediate.

The **PARADE OF LIFE** is still a useful metaphor for finding a continuous supply of people for your sales funnels.

The section on **PRESS RELEASES** is still just as valuable today as it was when I sent out one press release and got over \$12,000.00 in business in one day.

The part about using **FREE** to get started along with websites, which are still available and can give you **CONTENT** to use for your own marketing use is still one of the best ways to get started in IM. Start with FREE, then when you make some money, spend a little.

The idea of using **OTHER PEOPLE'S ASSETS** is still one of the most powerful leverage strategies you can apply to your own business.

BONUS: Get your copy of report, HOW TO EXTRACT GOLD FROM A FISH'S MOUTH and you will receive a special bonus report, which has sold for 10 dollars very recently (still does) called THE CREED.

Here is the current promotion for THE CREED:
