In response to the fund raising letter I received today please accept this letter as a formal request for a **REFUND** of previous contributions to the RNC.

I am very disappointed that our party has shifted so far to the left that I am unable to actively support our party's nomination for President. It is my sincere belief that our party has made a huge tactical error in nominating Senator John McCain to be our nominee for President. There is still time for John McCain to withdraw from the race and allow our party to select a nominee that would be acceptable to our conservative base. I have long considered myself to be a strong member of the "conservative wing" of the Republican Party. Furthermore, I hold a very strong conviction that it is our National best interest to PRESERVE the Two-Party system.

In years past the conservative base of our party has "pulled the lever" for the "R" because the "D" was more "unacceptable" than the "R". Well, not this time my friend. We have a very serious problem on our hands, one that can only be resolved if John McCain WITHDRAWS from the race. I would like to see our party leaders work towards that goal.

Until then..... **NOT A DIME TO THE RNC**. .... Please mail my **REFUND** to the above address. If you have any questions concerning this request please do not hesitate to contact me at (850) 933-8511.
