

FOR IMMEDIATE RELEASE

TO THE REPUBLICAN VOTERS OF FLORIDA

FROM

BILL KOGUT &
WILLIAM ESCOFFERY III

August 13, 2010

Dear GOP Voters,

We, your Republican Primary Candidates for the U.S. Senate from Florida, Bill Kogut & William Escoffery III request your presence at a debate on the burning issues currently facing our State and Nation.

We hereby invite our opponent, Marco Rubio to set a time and date to join us for debate.

We have been unable thus far to engage Mr. Rubio in discussion & comparison of our various positions. We believe it is a disservice to America for Marco to remain silently in Miami while all of Florida awaits a fair debate ~ on issues like Illegal Immigration!

Respectfully,

Bill Kogut: _____

William Escoffery III:
