

Would You Like to Fire Congress?

We have a plan to make it happen.

Visit www.GOOOH.com and join the movement to fire Congress!

We seek the modern day incarnations of Jefferson, Washington, and Franklin.

Perhaps that is someone you know.

Perhaps that person is you.

Help us replace the career politicians.

Help us elect true citizen representatives.

GO (GOOOH – Get Out Of Our House) is not a party.

Our candidates will compete in the primary against the incumbent.

Help us find the best possible candidates.
