The area around the Elson building and the ballpark has been paved. No more puddles and no more dust storms for those living downwind of this area.
Stop at the homeowners’ office and see how easy it is for you to have your bank pay your monthly assessment automatically, there is no charge, no postage and no late fee.

Thanks to volunteers from the Computer Club, the Computer Lab is now open to all residents on Tuesday, Thursday and Friday from 9:00AM until 3:00 PM. The Lab is located in the Library building from the first entrance North of the main door.

Check the **Roundup** for details on the new plastic, tin cans, and glass recycle bins near the paper bins.
