**Lakeview Resort 800-936-5655 [www.lakeview-resort.com](http://www.lakeview-resort.com)**

**This is a very clean newer resort that has a good website, they are offering a 20% discount if you are a W&F member. This resort can accommodate up to 500 people and they are very happy we are coming. A bit more expensive than others but with the discount there are right in there. All linens and towels provided. 2 BDRM/ 1 bath \$110.00 w/discount. RV sites are \$35.00**

**Cloverleaf Bay Resort 877-877-9737 [www.cloverleafbay.com](http://www.cloverleafbay.com)**

**This is an older but very clean resort that can handle 50 people or so. The owner ( Donna ) said she will block out the entire place for us. She is offering a 10 % discount to W&F members and all linens, towels, soaps and coffee are provided. 2 BDRB/ 1 bath \$135.00 w/discount**

Peaceful Valley Resort & RV 573-374-5000 [www.cabinfeever.com](http://www.cabinfeever.com)

This a nearly new cabin and RV place that is very clean and is run by a guy who rides himself. It can accommodate about 35 or so people between the four cabins and 1 large house that will hold 10-12 people. Each cabin is themed and one lucky member will get the Harley Cabin which looks pretty cool. The R.V. spots are \$25.00 to \$30.00 and are clean and well maintained with both 30 & 50 amp hookups. If I were bringing an RV to this event this is where I'd stay. 2 BDRM/ 1 Bath \$125.00

Lone Oak Point Resort 877-374-7992 ( [loneoakpoint.com](http://loneoakpoint.com) )

This is a older place but seems to be in good shape, some of the rooms had an "older" odor so if this bothers you check out one of the other resorts. Bed linens are provided but towels will cost 10 bucks extra per person. Price is reasonable. 2 BDRM / 2 Bath is \$113.00

All the resorts have full kitchens and living areas with hide-a-beds. Access to most all resorts are all weather packed gravel roads but should not be a problem. Check out their websites for full descriptions of the rooms and facilities available. Boat/Jet ski rentals are available at most but there are many rental places nearby.

- **The Rock Harbor is "SOLD OUT"; call them today to double check on availability. This is really a great thing, WFMC members from all over the world are booking rooms. The 20<sup>th</sup> is going to be awesome!**

### **“Rock Harbor Resort”.**

You can check out the photos and layout of the resort at [www.rockharborresort.com](http://www.rockharborresort.com) they have an interactive map of the rooms and cabins as well as a description of the sleeping accommodations. The toll free phone # is 877-203-4186 please ask for Cecelia. Mention Wind & Fire MC when reserving your room. It is important to tell Cecelia you are with WFMC as she is keeping a head count for us.

### **“Bear Bottom Resort”**

The location for the BBQ and party on the 24th is about three miles from Rock Harbor at the Bear Bottom Resort. [www.bearbottomresort.com](http://www.bearbottomresort.com) The Bear Bottom Resort also has cabins, tent and RV sites. For the gals the cabins / rooms are a little nicer at Rock Harbor.

### **“Deep Water Inn”**

The Deep Water Inn, while not as fancy the prices are cheaper. This location is more like a 60's style motel. They are also the folks that will be running the shuttle service between the resorts & bars. <http://www.thedeepwaterinn.com/> or phone 573-374-7228

We have reserved August 23rd, 24th, and 25<sup>th</sup> at all locations for Wind & Fire MC members and their guest.

I hope we don't have you too confused. Contact National VP John Bergstrom with any questions. You can reach JB at 501-428-7701 or by email at [jbergstrom@windstream.net](mailto:jbergstrom@windstream.net) If you can't reach JB feel free to contact me at 209-769-7408 or by email at [jr.wfmc@sbcglobal.net](mailto:jr.wfmc@sbcglobal.net)

We will have an online pre-registration soon. The purpose of this is to maintain a head count for the cooks. Watch this webpage

As you can see the event information is changing daily as we continue to have more and more members reserving their room. This is great.
