

The Psalms are a wonderful Book of pure worship that was inspired by God for His glory, exclusively used in worship by Israel, the early Church, and many Reformation-era congregations. Although they have fallen into disuse in much of modern worship, many congregations still sing from them today. Several Psalms prophesy of Jesus the Messiah.

When I was looking through the Psalms today I picked out a few that speak about the Messiah and categorized them.

Psalms in which Jesus is the main topic: 2, 8, 22, 34(:18-20), 45, 69, 72, 110

Psalm about Jesus' life and teaching: 78

Psalms about Jesus' suffering and death: 22, 34(:18-20), 69

Psalms prophesying Messiah's resurrection: 16, 69

Psalms about Christ's glory and kingdom: 2, 8, 45, 72, 110

In Christ,

Dan
