

## Event sorts

Craft Fair	For items handmade and/or designed by the crafter only. <b>No mass produced items.</b>
Craft and Gift Fair	Almost anything allowed, although we limit product types (eg: jewellery, cards) to avoid getting too many stallholders selling one sort of thing.
Charity Events	Usually we run these as craft and gift fairs. Please note though that specific items cannot be sold at the request of the charity involved, (eg church events don't allow the sale of items that go against their beliefs.)
Special Events	Information regarding this type of event is specific to each one and will be notified in the details (eg Jewellery fair, Card fair etc)
