

Saracek's Sword  
+ 2 Unholy Great Sword of Wounding

Saracek acquired this foul blade after his fall from grace. It provides a +2 bonus to hit and damage and deals an additional 2d6 points of unholy damage to any of good alignment. Anyone struck by the weapon will bleed for 1 point of damage per round thereafter. Multiple wounds from the weapon result in cumulative bleeding loss. The bleeding can be stopped by a successful Heal check or the application of any cure spell.

The sword bestows 1 negative level on any good creature attempting to wield it. The level loss lasts until the sword is no longer wielded and cannot be overcome in any way.
