...bringing out the best in everyone.

A Guide to Serving Productive Time is a 30-page self-study program designed for inmates who have a sincere desire to commit to making positive changes in their lives. They can put their "time" to productive use by learning skills that will help them on the inside while serving their sentences, as well as on the outside when they re-enter our society.

You may arrange for us to send "A Guide to Serving Productive Time" to someone behind bars, or we can send you the pdf file for you to print and send to your loved one, a few pages at a time or in its entirety. The cost of the program is \$15 when we send you the pdf file or \$20 when we send a copy of the guidebook directly to your loved one.

E-mail Tom@TomLagana.com to order this program and include your phone number. Then send a check or money order (payable to "Success Solutions") to:

A Guide to Serving Productive Time

PO Box 7816

Wilmington DE 19803

Once we have your check or money order, we will send the pdf file to you or send the hardcopy to your loved one behind bars.
