## CBI STUDENTS WRITE

---

*"When I began doing these studies I was cynical or rather skeptical for reasons that I won't get into, but since my first Roadmap, I have found myself drawn closer to the Lord with a deeper passion and desire for intimacy with Him. According to His loving kindness and tender mercy, I have become more faithful and committed to prayer, reading and studying. My heart has opened up to accept the Lord's love and forgiveness and for this I am grateful...and relieved..."*

- Steven, MO

*"I thank Jesus today for the change He has done in my life. He's my strength and comfort and He's always there when I'm lonely. I don't have to go and do things that I'm ashamed of. I thank Him for taking my selfishness, drugs and alcohol away. I thank Him for cleansing me and keeping me with my sanity and my self esteem. Praise Jesus! I thank Him for the love He gives to me."*

- Jaqueline, KY

*"I just want to tell you that I am grateful for this Bible study course and that the more I read and study the Bible the more I want to read and study. I hope that my hunger stays the same. I am loving life now, through Jesus Christ. Because of the love of Jesus, I now love myself more and have learned how to understand others better."*
