**WOODSTOCK NAVY VETS  
JUNIOR HOCKEY CLUB**

On behalf of the 1996-1997 Woodstock Navy Vets Executive we would like to welcome back our loyal following of fans and supporters.

The 1996-1997 season promises to be a year to remember with the move to our new home, the "Southwood Community Centre." With the inception of our new Southwood Community Centre, the added seating capacity, the added comfort factor and the added enjoyment of watching a different brand of hockey. This will no doubt prove to be exciting and we would be more than excited to expand upon this large contingent of dedicated followers.

The Woodstock Navy Vets Executive would like to take this opportunity to thank the many sponsors who show their continued support in our organization. Without this sponsorship we would be unable to continue as a first class organization. It is with great pleasure that we are able to wear the logo of the Oxford County Naval Veterans Association. This, plus the tremendous moral support we receive from this association has provided us with a solid back with which we are able to function.

The Oxford County Naval Veterans should also be extended a sincere thank you for the provision of transportation to and from our games.

To everyone including the Manager, players, coaching staff and training staff the Executive for the 1996-1997 season would like to wish the best to our team for success in the season to come.

**GOOD LUCK VETS!**
