

To all who are visiting our web site, I would like to introduce myself. I am the pastor of Pace Presbyterian Church. I was born in De Funiak Springs, FL. My family lived north of town in the Glendale community where we attended the Presbyterian church. We moved to Ft. Walton Beach in the mid 50's and attended the Shalimar Presbyterian Church. I graduated from Choctawhatchee High School and also from UWF, with a degree in Marine Biology. When my wife Pamela and I were married, we moved to Navarre. We have two boys, both graduating from Gulf Breeze High School. When a Presbyterian church was being organized we were active from the beginning. As you see, I am a life-long Presbyterian, so I bring a strong tradition of the reformed faith and Presbyterianism. Our faith is grounded in Scripture. We believe Jesus Christ is the head of the church and is the ultimate authority in it. I invite you to visit us in worship where the Scripture is preached and Christ's teachings are lived out in our community.

Blessings,

*Larry Plank, Pastor*
