### *"Acknowledgement"*

*Sometimes you just can't find the appropriate words, that can truly express how you feel. We have learned that when we ask God for a gift to be thankful if He sends not diamonds, pearls, or riches, but the love of a friend.*

*Words are such an inadequate method of imparting the depth of our gratitude. Nonetheless, we offer these words of appreciation to all of you who have loved us and offered condolences throughout these most trying of times.*

*We pray God's abundance be upon you.. A very special thanks to: Mississippi State Veteran Nursing Homes (Jackson MS.), Jackson Veteran Medical Center and staff and Macedonia Church Family.*
