

Missing Photos of Spade Family Members,
their Spouses with Whom they had a Child (Spade descendant),
and their Descendants

The family is seeking photos of the individuals with their **Last Name and First Name** on this list for our archives and for a future book on the Spade family.

If you have a photo of any of these individuals, please have it digitally scanned or photograph it with a digital camera and email it to Sylvia Spade-Kershaw at txauthor@yahoo.com. Please identify the individuals in the photo with full names and maiden names for women if known, and please identify each person in a group from left to right and by rows if possible.

Also, **in the subject line of your email**, please use something like "Spade Family Photo," or "Spade Family Tree," or something similar. In this age of computer viruses in attachments, we delete any emails we aren't sure about without ever opening them.

Thank you,
Sylvia Spade-Kershaw
