I talked with Professor Oliver Houck with the Tulane Law Clinic in New Orleans.
The Law Clinic may take our case opposing this lake and give us some free or near free legal representation to fight this.
Professor Houck also gave me a lawyer's name, Karla Ratteig who works directly for the Law Clinic and is well versed in matter such as ours.
Another name the Prof gave me was Willie Fontenot who is the Citizen Activist Coordinator with the La. Attorney General's Office who also would be interested in our situation.

Law clinic guidelines www.tulane.edu/~telc/incomeguidelines.html.
We will have to get a group of people or possibly one individual who would qualify under the guidelines in order for them to review our case.
I believe we can do that without any problem.
