

Tupperware® Tiny Treasures™

Gadget Information:

by Dorthé Laurel

Mold#	Item	Description
1454	<u>Bag Clip/Book Mark</u>	Fold the bag over a few times then slip this on just like a paper clip.
1452	<u>Canister Scoop</u>	The Canister Scoop is a convenience product. Keep it in the canister so it's always ready to use. The sleek design features an easy-grip handle and approximately one-half cup capacity. Tapered design allows easy pick up of foods from chopping board.
727	<u>CitrusOrange Peeler</u>	To peel an orange: Using Hook end of peeler, score orange in full circle in one direction. Then, repeat in other direction. This marks orange in four quarters. Then insert flat end of peeler under pointed part of one quarter. Peel off this portion and remove remaining three sections the same way.
41	<u>Coffee Measuring Spoon</u>	Holds two level standard teaspoons. Use one measure for each 6 oz. (3/4) cup of water.
1541	<u>Dresser Comb</u>	Durable comb for home or carry-along use. Fine and coarse teeth, seven inches long.
877	<u>Small Funnel</u>	This funnel is ideal for transferring liquid or a powdered, granular product, without spilling from one container to another. The raised edge on outside of funnel neck allows air to escape from container being filled. This prevents an overflow of liquid from funnel. Handle top is finely textured, allowing for a firm grip.
1506	<u>Handy Keeper</u>	The handy keeper is just the right size to hold and protect rolls of candies, mints, cough drops or packages of gum. It is great for travel or camping providing a dry place for matches or cotton swabs. Opens with a flick of the thumb. The cover is hinged and is easily closed by pressing it down.
315	<u>Hang-It-All Hanger</u>	Use this hanger to hang all those little things.
1208	<u>Hang-On-Spoon</u>	Notched handle hangs on the rim of a jar of jam, jelly, sour cream or other condiment. Spoon handle stays clean, ready for use.
5	<u>Kleen-Li-Call-Ge-Tout</u>	A Multi-purpose item, the point helps clean grooves in Tupperware Seals. Bumps help scrape off dried-on food from dishes. Notch will cut off root end of carrots or radishes. Ridges on other side can be used as miniature washboard, if desired.

885	<u>Lettuce Corer</u>	The Lettuce Corer is designed to remove the core from a head of lettuce. Insert utensil serrated edge next to core. Using short up and down strokes, cut completely around core to loosen it. Then cut it out with Lettuce Corer or twist core out with fingers. It can also be used to eat grapefruit.
1333	<u>Melon Scoop</u>	Make either large or small melon balls with the Melon Scoop. Cut into melon by firmly pressing on the edge of one side of the scoop. Rotate Scoop in melon to shape ball. Release the ball into a bowl by snapping the wrist or tapping the bowl edge.
	<u>Mini Cereal Storer</u>	Great for all of you little treats.
1861	<u>Personal Salt and Pepper Shaker</u>	Carry your own seasonings for bag lunches and to picnics.
1224	<u>Pill Container</u>	The Pill Container keeps pills and capsules organized. This slimly designed container is deceiving; the capacity will surprise you. Fits in a handbag or pocket and is great for traveling.
292	<u>Rocker Scoop</u>	A flexible scoop for flour, sugar and other staples. It is ready to use and requires little space when stored in canister. When canister is full, place scoop with pouring edge down and push into sugar or flour until just flat end is showing. If necessary, scoop can be squeezed into container with small opening
10	<u>Scrape-Em-All</u>	Great for cleaning all of your odd spots on your dishes, pans, and appliances.
1863	<u>2 Slot Container</u>	(Stamps 'N Things) – This handy Bi-partitioned container transports stamps keeping them dry. It also is great storage for small items.
1463	<u>Smidget™ Container</u>	Holds change for meters or tolls; stores travel creams, lotions, shampoos, or jewelry. Useful for storing small sewing or hobby needs. Also, delightful for children's treasures.
1278	<u>Soap Dish</u>	Wherever used, the sturdy soap dish will keep help countertops dry. The dish design included two tapered round ridges to hold a bar of soap so that air can circulate under it. Therefore, soap's surface can dry. The smooth surface helps make it easy to clean.
1786	<u>Sock Sorter</u>	(1 set of 4)- Sort your socks with ease. Keep socks organized by placing pairs in the holes of the sock sorter.
879	<u>Strainer</u>	Mini-size strainer can be used with small or large containers. The handle slots (2) and flange make it possible to attach or rest Strainer on container or bowl rim. It is the right size for straining several tablespoons of fresh lemon juice for a favorite recipe. Handle is finely textured for a firm grip.
1355	<u>Strawberry Huller</u>	This little device will do a clean, neat job, and save you time and energy during strawberry season. Hold the textured area of the Huller between the thumb and the forefinger. Using a pinching-

		action, grasp the hull of the strawberry and remove it by pulling up with a slight twist of the wrist. The strawberry will be quickly and easily removed.
1931	<u>Tea Bag Squeeze</u>	Neatly squeeze excess tea from the teabag
1862	<u>Vitamin/Pill Container</u>	Provides 7 individual compartments for everyday of the week. Your vitamins and pills will be organized and will stay dry in the sheer container. Braille is indicated on each compartment seal.
15	<u>Whistler Straw</u>	Great for big refill cups. Kids can blow in the straw and whistle.
4862	<u>Crumb Catchers</u>	Use it to scrape crumbs from the tablecloth during dinner.
1264	<u>Biscuit or Cookie Cutter</u>	Use the small opening for thick biscuits and the large one for thin biscuits. Cuts cookies or fancy sandwiches.
1465	<u>Butter-Up Dispenser</u>	This unique product keeps butter and salt for corn on the cob in one container. Place about one teaspoon of butter in the lower portion of the Butter-Up. Lift the shaker-cover and fill the compartment with salt. Butter the corn by rubbing the container filled with butter over the ear, then turn over and shake out the salt.
1558	<u>Cake Decorator</u>	Two different serrated edges add patterns to your cake frosting.
N/A	<u>Can Strainer</u>	Strains water, oils and other liquids from canned foods.
1227	<u>Large Funnel</u>	The Large Funnel is ideal for transferring liquid or a powdered, granular product, without spilling from one container to another. The raised edge on outside of funnel neck allows air to escape from container being filled. This prevents an overflow of liquid form funnel. Handle top is finely textured, allowing for a firm grip.
797	<u>Cookie Cutter</u>	Small reversible Cookie Cutter.
	<u>Memo Holder</u>	For your notes – just slide them in.
804	<u>Scouring Pad Holder</u>	This item will hold steel wool pads and other types of pot cleaners where needed, at the sink. It is designed to hold wool pad above the moisture, which collects in container bottom and, therefore, helps keep the sink area clean.
1316	<u>4-Clover Cookie Cutter</u>	Cookie Cutter for Fall or St. Patrick's Day.
	<u>Beater Cheaters</u>	Dual purpose mini-spatula with a clever groove in the tip for getting the most batter off your beaters
1334	<u>Egg Scoop</u>	Whether you are preparing soft or hard cooked eggs, the handy Egg Scoop makes it easy and safe to lower an egg into a pan of water. When the egg is cooked, slip the Scoop under the egg to safely remove from the hot water. The scoop is designed to allow hot water to completely drain off as you lift the egg. With its grooved handle, the Egg Scoop is comfortable to grasp and is an useful tool in any kitchen.

N/A	<u>Hideaway Hook</u>	Adheres to the underside of your cabinet and is used to hang bananas or kitchen towels from. The unique feature allows you to fold the hook under the cabinet and out of site when not in use.
1507	<u>Honey Scoop</u>	The Honey Scoop holds about 2 teaspoons of honey. Use it to scoop out some honey by dipping it into the honey and rotation the wrist. The notch on the back of the handle is designed to fit over the edge of the honey container, keeping the handle within easy reach and sticky-free.
1263	<u>Knife Rest</u>	The use of the Knife Rest will help protect a tablecloth, tabletop or countertop. It can be used in two ways. With the knife's cutting edge resting in the V-opening or flat side of blade laying on knife rest. No need to worry about the knife falling off the platter! Depending on the size of the knife, it may be possible to place both the carving knife and fork on the rest.
1299	<u>Mini Tongs</u>	Mini-Tongs makes it possible to handle hot toast slices without burning fingertips. Ideal for serving olives, pickles, lemon wedges or sugar cubes. The four "teeth" on each side of tongs help hold food for easy pick-up. Designed with notched handle, tongs will hang on container rim.
1450	<u>Onion/Olive Scoop</u>	Spears or scoops cocktail onions, olives, small pickles, or maraschino cherries. Slotted spoon drains liquids.
13	<u>Paddle Scraper</u>	Mix ingredients or scrape the bowl clean when using an electric mixer.
1228	<u>Pastry Cutter/Server</u>	Both sides of the Pastry Cutter/Server has serrated edge allowing for convenient use by a right or left handed person. The sharp edges along the angular section of handle will be helpful in loosening the crust from pan sides. When serving fruit pie, the recessed area of blade will be helpful in handling juices.
1932	<u>Pocket Brush</u>	A convenient mini-brush for men and boys, or useful as a massager while shampooing.
46	<u>SSLI-SAW-ALL</u>	Slice and pick up vegetables with one utensil. Use the serrated edge to slice vegetables such as cucumbers or tomatoes. The pronged end will be helpful when lifting slices to a serving plate or bowl.
1226	<u>Spoon Rest</u>	This item will help you keep a tidy countertop. It will hold two spoons between stirring and a variety of other kitchen utensils. Keep it conveniently located near the food preparation area.
1559	<u>Spreader-Spatula</u>	The handy Spreader-Spatula has a recessed area to make it comfortable to hold and easy to control. Use it to spread frosting on a cake or fillings on sandwiches.
728	<u>Toothbrush Holder</u>	The Toothbrush Holder is great to use at home or when traveling. It protects a toothbrush, but allows air circulation. To use: Open the hinged end and drop the toothbrush handle through opening

		in other end and then close the cap.
498	<u>Towel Holder</u>	To fasten towel, loop Towel holder over towel bar. Place end or corner of towel over button. Slide the slotted end of holder over the button-covered towel. In addition to kitchen or bathroom use, the Towel Holder will be helpful in fastening a baby's blanket to crib side or for carrying a towel in golf bag.
1627	<u>Utility Hook</u>	Hook holds utensils, potholders or keys. Tab under hook holds papers. Adhesive included.
779	<u>Yolkster</u>	Eggs are easily separated with the Yolkster. Place Yolkster over cup or bowl; crack egg, separate shell and pour egg into Yolkster. Yolk is held in inner section while egg white drains through opening into cup or bowl. Handle slots (2) and flange make it possible to attach or rest Yolkster on container rim. Handle is finely textured for a firm, fingertip.
