

b) Write out the three guideline rules for how to quote from supporting documents in answers or essays:

1. _____

2. _____

3. _____

c) Answer the following questions using the method outlined in the above three rules:

Question 1: Using Sources A, B, and C, explain why the plague spread so quickly in the cities.

Question 2: Using source D, describe some of the symptoms of the plague and explain why it was called the Black Death.

Question 3. What evidence do the sources provide that people had no understanding of what caused the plague or how to treat it.

d) Read out some of your answers in class, and discuss whether or not people have used the documents properly in their answers.

The teacher will give each answer read out, a mark out of 10.

e) After hearing some of the answers read out, and the marks they got out of 10, mark your own answers each out of 10. Total 30.
