Touched base on what's happening with REACT international and the ideal I gave them, International has put my ideal on their agenda for their next board meeting.

News from Illinois REACT council

Due to the new rules of international Illinois REACT is looking into having a meeting sometime in the month of November; also they are looking for a location to have a meeting at. If the council is interested I offered my office space Northbrook, Illinois.

For your information

We have one member that is FEMA certified

The police and fire would interested in us at all members were FEMA certified.

Here are some events we are planning to do next year.

June the Highland Park art fair

July 4<sup>th</sup> working Northbrook. Parade

Need to attend July 4 association meetings

They start their meetings sometime in January

They meet at the mall Northbrook fire department on Dundee road.

August no special events at this time

September Deerfield community service day.

Public relation and publicity

Contact local police that do not have a Cert Team

Tell them about REACT.

REACT flyers in the past we had signs a bunch of supermarkets and some fast food places after a month passes are signs disappear from the above locations for unknown reasons.

The team will try it again

Our next meeting will be November 08, 2008

At 09: 00 a m

Location Kogen Zivin Friedman development office

1404 Techny road

Northbrook, Illinois 60062

Meeting ended at 10:30 AM.

For this team minutes I used a voice recorder software program
