My dears dear I have
taken this opportunity
of sending a few lines
to you but I am all
most out of hart for
I have not had a letter
from you for a long
time the last I
had was dated the 23rd
of November I did not
know whether you was
dead or had forgot
me or what had hap

it made me feel bad
to see the rest the boys
a getting letters and I
could not hear from
you nor the children
