

# *The Physical Appearance of Ancient Israel*

## *The Hebrews & the Sons of Ham*

*And the sons of Ham (Cush/Ethiopians) and Mizraim (Egyptians) and Put (Ancient Somalians or Libyans) & Canaan. ~ Genesis 10:6*

*For years, scholars, theologians and archaeologists have debated the answer to the question, "How did the Israelites look physically?" Although The Bible and other historical documents have left much proof of the physical appearance of the biblical Israelites, much of this information is still unknown to the masses.*

*The popular belief today among Christians, scholars and theologians is that the people known as the "Ashkenazi Jews" are the direct descendants of the biblical Israelites. But can this be proven beyond a shadow of a doubt? The answer to that is NO. The Bible, used here as the main information source, supported by history and archaeology, proves that these Jews are not the physical descendants of the biblical Hebrews. In addition it reveals who the true descendants are. The answer may leave you in shock.*

*Israel is mentioned in The Bible over 2,500 times. The scriptures contain the Hebrews' entire history. In fact, no other people on the face of the earth have such an extensive recorded history. Not even the ancient Egyptians. Everything we need to know about the ancient Hebrews is contained in scripture. So, let's examine these facts that to this day remain unknown or hidden to many bible readers.*

*The history of the Israelite nation began in Egypt, the land of Ham. The Israelites entered Egypt 66 in number (not including Joseph, his wife and two sons who were already in Egypt), and left numbering over two million people. Ancient Israel spent 430 years in Egypt. For half that time, they enjoyed good favor with the Egyptians, but for the remainder of those years they were enslaved and horribly mistreated by them.*

*One of the first facts The Bible gives us about Israel (Ysrayl in the Hebrew tongue) is in regard to their physical appearance. Throughout scripture Israel is described as looking like the sons of Ham (Khawm in the Hebrew tongue).*

*Ham was one of Noah's three sons, Shem and Japheth were the other two. Noah's descendants repopulated the earth after the Great Flood. Ham's descendants are traced to the families of Africa. Ham (Khawm) in Hebrew means BLACK, HOT AND BURNT. He had four sons, CUSH (Ethiopians /Cushites), MIZRAIM (Egyptians/Khemets), PHUT (Ancient Libyans or Somalians), and CANAAN (Canaanite, the original inhabitants of the land of Israel) Genesis 10:6-19. All four of Ham's sons and their descendants settled in and around the continent of Africa. This includes the so-called Middle East, which is also a part of the continent of Africa.*

Let's begin with the story of Jacob's second youngest son Joseph, and his time in Egypt. Joseph was one of the twelve sons of Jacob (Yaaqob in Hebrew). Jacob sired Joseph in his old age, and he was clearly his favorite son.

This caused Joseph's brothers to become jealous of him. Ultimately, their jealousy resulted in Joseph being sold by Arab merchants as a slave to Egyptians. Over the course of time Joseph became Viceroy of Egypt and was second in command to Pharaoh in authority. There was a famine in Canaan, where Jacob and his sons lived. (Pharaoh had a dream, which Joseph interpreted. His dream told of the forthcoming famine and gave Egypt an opportunity to prepare by storing food.) So, Jacob sent his ten sons to Egypt to buy bread. When Joseph's ten brothers came into Egypt they were brought before him. Joseph recognized his brothers, but they didn't recognize him (Genesis 42:1-8).

Since the biblical Egyptians were a black-skinned people, Joseph had to be black-skinned also. If he were white skinned, as over half the world's Jews are today, his brothers would have recognized him easily among the black-skinned Egyptians, or they would have been very curious as to why this white-skinned Hebrew was ruling in Egypt. But his brothers just thought Joseph was another Egyptian. The ancient Egyptians of Joseph time were indeed what we know today as black skinned. This is a fact attested to by many.

Gerald Massey, English writer and author of the book, Egypt the Light of the World, wrote:

*The dignity is so ancient that the insignia of the Pharaoh evidently belonged to the time when Egyptians wore nothing but the girdle of the Negro." (p 251)*

Sir Richard Francis Burton, a 19th century English explorer, writer and linguist in 1883 wrote to Gerald Massey:

*"You are quite right about the "AFRICAN" origin of the Egyptians. I have 100 human skulls to prove it."*

Scientist, R. T. Pritchett, states in his book The Natural History of Man:

*"In their complex and many of the complexions and in physical peculiarities the*

*Egyptians were an "AFRICAN" race (p 124-125).*

The Ancient Greek historian Herodotus, who visited Egypt in the 5<sup>th</sup> century B.C.E., saw the Egyptians face to face and described them as black-skinned with woolly hair. Anthropologist, Count Constantine de Volney (1727-1820), spoke about the race of the Egyptians that produced the Pharaohs. He later paid tribute to Herodotus' discovery when he said:

*"The ancient Egyptians were true negroes of the same type as all native born Africans. That being so, we can see how their blood mixed for several centuries with that of the Romans and Greeks, must have lost the intensity of it's original color, while retaining none of the less, the imprint of its original mold. We can even state as a general principle that the face (referring to the Sphinx) is a kind of monument able, in many cases, to attest to or shed light on historical evidence on the origins of the people"*

The fact that the ancient Egyptians were black-skinned prompted Volney to state the following:

*What a subject for meditation, just think that the race of black men today our slaves and the object of our scorn, is the very race to which we owe our arts, science and even the use of our speech."*

The testimony of the ancients, The Bible, many Egyptologists, along with archaeology, confirms that the Egyptians during biblical times were a BLACK-SKINNED PEOPLE. This is important to know. As we continue, we will see that the bible on multiple occasions describes the ancient Hebrews as looking like the Egyptians. In Genesis chapter 50, verses 7-11, scripture describes ALL the Hebrews as looking like the ancient Egyptians.

After Jacob (who's name was changed to Ysrayl - Israel) died in the land of Egypt, all the Hebrews and Egyptians went down to the land of Canaan to bury him (He asked his son to bury him in the land of Canaan with his forefathers Genesis 49:29-30). Verses 7-8, states that all the elders of Pharaoh's house and all the elders of the land of Egypt along with all the Hebrews (except for their small children) went down.

**VERSE 9 states: "It was a very great company."**

**VERSE 11 states that the Canaanites saw the funeral procession and said:  
"THIS IS A GRIEVOUS MOURNING TO THE EGYPTIANS".**

But, remember this was a mixed multitude of Hebrews and Egyptians going to bury a HEBREW, yet the Canaanite identified them both as Egyptians. WHY? Because, the Canaanite saw a great company of black-skinned people who were all probably dressed according to the customs and fashions of Egypt, and they all looked like native (black) Egyptians. If the Hebrews were a white-skinned people, as we have been led to believe, the Canaanite who was familiar with both Hebrews and Egyptians would have acknowledged them both by saying, "THIS IS A GRIEVOUS MOURNING TO THE EGYPTIANS AND HEBREWS." The scripture goes on to say that the Canaanite named the place where they saw this great mourning for a HEBREW, Abel Mizraim, which means the meadow of Egypt / Mizraim or Mourning of the Egyptians.

Now, let us go to the most famous story of the Hebrews sojourn in Egypt. This would be the story of Moses. Many years after the death of Joseph, his brothers and all that generation who entered Egypt during the time he was Viceroy, the Hebrew population in Egypt grew tremendously. Because of this, they were no longer looked upon as friendly neighbors. In fact, The Egyptians considered them hostile enemies and enslaved them. (Other ethnic groups were enslaved by the Egyptians during this time also.) Because of the Hebrews' population growth, the Egyptians decided they would impose upon them their own form of birth control. Pharaoh decreed that all Hebrew males were to be killed at birth (Exodus 1).

Moses was born a Hebrew Israelite from the tribe of Levi (Exodus 2:1-3). He spent 40 years in the house of Pharaoh (Acts 7:23) and from the time he was an infant, passed as the Pharaoh's grandson (Exodus 2: 6, 10). This was during the same time that Pharaoh ordered all Hebrew males under the age of two to be killed. So, if Pharaoh was a black-skinned descendant of Khawm/Ham, which he was, it would of course

follow that Moses was black-skinned also.

Many Scholars say the Pharaoh who was on the throne of Egypt at the time of Moses' birth, was Pharaoh Seti I. He was the father of Rameses II, the Pharaoh of the oppression, also known as Rameses the Great.

George Rawlinson, an English author wrote in his book, History of Egypt, on page 252, the following description of Seti I. He states:

***"SETI'S FACE WAS THOROUGHLY AFRICAN. HE HAD A STORMY FACE WITH A DEPRESSED FLAT NOSE, THICK LIPS AND A HEAVY CHIN."***

Moses had to have the same physical characteristics because again, he was raised in the house of Pharaoh, as the grandson of Pharaoh, during the time when Pharaoh ordered all other Hebrew males to be killed at birth. If the Israelites were a white-skinned people, how could Moses the Hebrew survive (secretly) in the house of Pharaoh among black-skinned Egyptians for 40 years, and not be noticed. Furthermore, after giving the decree to kill all Hebrew males, how could Pharaoh face and rule over his people if he knowingly had one living in his house with all the rights and privileges of his own family?

Moses survived 40 years in the palace of Pharaoh because he was a black-skinned man. Just as the Canaanite couldn't tell the Hebrews from the Egyptians, neither could Pharaoh, or Moses would have been killed instantly.

Scripture tells us that Moses killed an Egyptian, after he saw him mistreating a Hebrew. So Moses had to flee from Egypt for his life, because Pharaoh found out what he had done and sought to kill him (Exodus 2:12-15). Moses fled to the land of Median where he helped seven daughters of the priest of Median water their flock, after chasing away some bully shepherds. *The girls went home to their father, Reuel and told him what happened. They told him that an EGYPTIAN saved them and watered their flock.* (Exodus 2:16-19). Notice, they didn't say a Hebrew in Egyptian clothing saved us. And they described Moses as a black descendant of Ham (Egyptian). Further proof that Moses was black-skinned can be found in Exodus 4:6-7. In this passage, YHWH (The

Creator's name in Hebrew) is showing Moses miracles so that he can prove to the children of Israel who sent him. YHWH, or the abbreviated Yah, tells Moses to put his hand into his *bosom, which he does. When he takes his hand out, it is LEPROUS, white as snow.*

The question is: If Moses was already white-skinned, what would have been the miracle in turning his hand white? But, since Moses and the rest of the Hebrews were a black skinned people, this would have been a very powerful miracle, to turn the skin on his hand the opposite color of the rest of his flesh. Verse 7 says, Yah told Moses to put his hand back into his bosom, and it turned as his other flesh. Meaning that the rest of his body (skin) was a color other than white or the opposite of white, which is black.

In the book of Numbers, chapter 12, verse 1, Moses' sister and brother, Miriam and Aaron spoke out against him because he married an Ethiopian woman, ***(not because she was black skinned, but because she was of another culture/nation)***. Their behavior angered Yah. Verse 10 says, He TURNED MIRIAM LEPROUS, WHITE AS SNOW. Once again if Miriam, who was a Hebrew, was white to begin with, what would have been the curse of turning a white skinned person white? It is an established fact that The Bible always mentioned leprosy in the context of the skin turning white because of a disease or in relationship to some specific wrong doing.

***Leviticus 13:2 states:***

***"When a man shall have in the skin of his flesh a rising, a scab, or Bright spot and it be in the skin of his flesh like the plague of leprosy. Then he shall be brought to Aaron, the priest, or to one of the sons of the priest".***

***Verse 4: If the bright spot be WHITE in the skin of his flesh, the priest shall shut up him that has the plague seven days.***

***Verse 6: And the priest shall look on him again the seventh day: and behold, if the plague be somewhat DARK, and the plague spread not in the skin, the priest shall pronounce him clean: it is but a scab; and***

***he shall wash his clothes and be clean".***

In verse 2 and 4, a bright or white spot in the skin is mentioned. A bright spot means a spot that is lighter than the regular dark brown/black skin. Moses said in the sixth verse: "And the priest shall look on him again the seventh day, and behold if the plague be somewhat dark, and the plague spread not in the skin, the priest shall pronounce him clean..." This is because the skin is getting darker like his original skin tone. A black skin man or woman with these spots covering some part of their body is a partial leper. However, once the plague of the whiteness has covered his entire body from his head to his feet, the leper is clean. He has completely changed his color like the albino. The people who had this form of leprosy in the bible can be classified as albino, and these albinos are the only white-skinned Hebrews that existed in ancient times. They were the minority. If Israel was a white skinned people in biblical times, why does The Bible only speak of them as TURNING WHITE OR BECOMING WHITE WITH LEPROSY (in reference to their skin color)? Read 2nd Kings 5:27.

Acts 21:37-38, states that Paul, (Shaul in Hebrew) the apostle, was being led into a castle by a chief captain. Paul spoke to the chief in Greek, asking permission to speak with him. The chief captain was surprised that Paul could speak Greek, and in verse 38, asks Paul, "Are not you that EGYPTIAN?" Paul responded, (Verse 39) "I am a man of Israel (Hebrew)."

In order for this chief captain to mistake Paul (the Hebrew) for a black-skinned Egyptian, Paul had to look like an Egyptian, as scripture tells us the whole nation of Israel did. This is why in the book of Matthew 2:13, the angel of Yah told Joseph to arise and take the young child Yahoshua, (The Messiah's true Hebrew name is Yahoshua) and his mother Mary (Miriam in Hebrew) and FLEE INTO EGYPT. He was told to stay there until he received further instruction, because Herod would seek the young child to destroy him.

Joseph, Miriam and Yahoshua were told to flee into Egypt, (Africa) not for military protection, because during this time, Egypt was a Roman province under Roman control. They fled into Egypt because Egypt was still a "black" country, populated by a

majority of black-skinned people (Egyptians). Joseph, Miriam and Yahoshua would have been just another black-skinned family among many. Remember, they fled into Egypt to HIDE from Herod who was seeking to kill Yahoshua. If Yahoshua and the rest of the Hebrews looked like those pictures of the "Christian Christ", it would have been hard for him to hide in Egypt and not be noticed.

***NOTE: The above fact about Yahoshua hiding in Egypt was attested to by a biblical scholar on a program produced by the BBC last year (2001). The Program was called 'THE COMPLETE JESUS'. The scholar stated that it would have been hard for Yahoshua to hide among the Egyptians, if he didn't look like the Egyptians. He was actually saying that Yahoshua could not have been white skinned. In fact, he admitted in the program that Yahoshua was a dark /black skinned man. He also mentioned that the Israelites of the first-third centuries wore their hair in Afros. This is only the tip of the iceberg, you can't hold down the truth.***

*Now back to our lesson.*

Herod was put on the throne of Israel by the Romans and Egypt was under Roman dominion. All Herod had to do was check with the Roman officials in Egypt to find out if there were any Hebrews with baby boys around. But since the Hebrews and the Egyptians looked the same physically, it would have been hard to single out a Hebrew family among the Egyptians.

As mentioned previously, the ancient Egyptians were the descendants of Noah's son, Khawm, or Ham in English. Khawm means black, hot and burnt. The ancient Egyptians of biblical times called their land and themselves Khemet, which in their tongue means **"THE LAND OF BLACKS."** The word Khemet is nothing but a variation on the word Khawm in the language of ancient Egypt. In Psalm 78:51, Egypt is called "The House of ham (Khawm)."

***"...AND SMOTE ALL THE FIRSTBORN IN EGYPT; THE  
TABERNACLES (HOUSE) OF HAM (KHAWM)."***

Psalm 105:23, 27, calls Egypt the land of Khams (Ham),

***VERSE 23: "ISRAEL ALSO CAME INTO EGYPT; AND SOJOURNED IN***

***THE LAND OF HAM (KHAWM)."***

***VERSE 27: "THEY SHOWED HIS SIGNS AMONG THEM, AND  
WONDERS IN THE LAND OF HAM (KHAWM)."***

The Bible calls Egypt the land of Khawm, and remember, one of the meanings of Khawm is black, so The Bible is calling Egypt "The Land of Black" which is what Khemet means. Egypt is called the land of Khawm because the Egyptians were descendants of Noah's son Khawm. This is more than likely the reason they called themselves Khemet. The Bible supports the fact that the Egyptians were a black-skinned people. In the book of Amos chapter 9: we will see Israel being compared to Ham (Khawm) first born son Cush / Ethiopians.

***Verse 7 says "ARE YOU NOT AS CHILDREN OF THE ETHIOPIANS  
UNTO ME, O CHILDREN OF ISRAEL?"...***

In this Verse, the Israelites are being called children of the Ethiopians by the Most High. The Ethiopians are a known black-skinned people, and the Most High is calling Israel their children. How much sense would it make to call a white skinned people, CHILDREN OF THE ETHIOPIANS? The majority of Jews today are white-skinned. If ancient Israel were a white skinned people, wouldn't it make more sense to compare them to a white skinned nation? This verse does not say,

***"ARE YOU NOT AS CHILDREN OF THE ROMANS, GREEKS,  
GENTILES UNTO ME O CHILDREN OF ISRAEL?"***

It clearly compares Israel with a black skinned people. The reason for this is simple. Israel was and is a black-skinned people, and the majority of them still are.

This verse also coincides with Acts 8:26-36. When the angel of Yah spoke to the apostle, Philip saying:

***"Arise go toward the south."***

***VERSE 27: "...And he arose and went: and behold, a man of  
ETHIOPIA a eunuch of great authority... who had come to Jerusalem***

***for to WORSHIP."***

***NOTE: In verse 29, The Spirit tells Phillip to go and JOIN HIMSELF TO THE CHARIOT OF THIS ETHIOPIAN. Verse 30, tells us that Philip heard him reading SCRIPTURE (Hebrew Scripture) about Yahoshua (erroneously called Jesus) which he didn't understand. In verses 34-36, Philip explains the meaning of the scripture and then preaches Yahoshua to him, and in verse 38, Phillip baptizes him.***

Let's analyze these verses further.

- First, this Ethiopian was coming to Jerusalem to worship. In those days only the Hebrews came to Jerusalem for worship because this is where the Temple of Yah stood, making Jerusalem the spiritual home of all Hebrews (2nd Chronicles 6:6 - 7:16). Hebrews continued to come to Jerusalem to worship up until the time of the Roman destruction in 70 C.E. As a matter of fact, many Hebrews were worshipping at the temple while the Romans were breaking down the walls of Jerusalem to lay siege to it.
- Second, this Ethiopian had Hebrew Scriptures in his possession. In those days the scriptures were still considered sacred and remained in the possession of the Hebrews. Not everyone had access to scripture as we do today. Hebrews, whether abroad or in the land, were the primary owners of scripture in those days.
- Third, the Ethiopian was baptized by Phillip.

All these facts prove that this Ethiopian was a Hebrew, according to what Peter said in Acts 10:28:

***"You know how that it is an unlawful thing for a man that is a Hebrew **TO KEEP COMPANY OR COME UNTO ONE OF ANOTHER NATION.**"***

If the Hebrews thought it was unlawful to keep company with those of another nation, why would Philip go and keep company with this Ethiopian if indeed he was from an entirely different nation? Philip didn't even try to argue with the spirit when he was told to go and teach this Ethiopian. The reason for that is the Ethiopian was a Hebrew who

lived in Ethiopia, making him what we know as an Ethiopian Hebrew.

As stated previously, it is a known fact that the Ethiopians are a black-skinned people. The name Ethiopian comes from the Greek word Aethiops, which means burnt face. This was a title the ancient Greeks gave to the people who lived south of Egypt because they were closer to the equator than the Egyptians. Their hue, on an average, was a little darker than the Egyptians.

This Hebrew was not called Ethiopian just because he lived in Ethiopian, but because he also looked like a black-skinned Ethiopian. To this very day, there are many black-skinned Hebrews who live or have lived in Ethiopia in the past. Today many of them are known as the "Falasha" or Beta Yisrael. So far we have not seen where scripture likens Israel to any white-skinned nations as it relates to physical appearance. This is very important to understand because many of the people who are called Jews today are white-skinned and come from Europe. These white skinned Jews make up the majority of the Jews in Israel and in the world. This is not a racist or anti-Semitic statement. It's only the truth according to scripture.

For further proof of the color of the biblical Israelites let us look at Acts 13:1:

***"Now there were in the church that was at Antioch certain  
PROPHETS AND TEACHERS: as Barnabas, and SIMEON THAT WAS  
CALLED NIGER, AND LUCIUS OF CYRENE, and Manaheim which  
had been brought up with Herod the tetrarch, and Shaul (Paul)."***

The word Niger is a Latin word that means BLACK, and Cyrene is a city in Libya, which is located in North Africa. Historians and scholars both agree that the city of Cyrene was a black area, meaning it was heavily populated with black skinned-people in biblical times. Cyrene is also the place where Simon, the man who helped Yahoshua carry the cross (stake) was from (Matt. 27:32, Mark 15:21, Luke 23:26). Many acknowledge that Simon (the cross bearer) was a black skinned man.

This man who was called Niger wasn't called black because he was the only black-skinned person there. He was called black because his hue was maybe darker than the

rest of the prophets and teachers. Much like in the "African American" community, when one of our brothers or sisters have a skin tone that is darker than the rest, we sometimes give that person a nick name that describes his color. If the person's name is Michael we might call him Black Mike. Or we might just call him Black. Even though we are all black-skinned. He's just been given a FRIENDLY nickname which describes him. This is why Simeon was called Niger or black.

Scripture confirms in Acts 13:1, that there were two black-skinned men who were prophets and teachers at the church in Antioch. But, we must understand that the Hebrews were not dealing with any other people or racial group at this time, other than scattered Israel. It is written in Acts 11:19:

***"Now they which were scattered abroad upon the persecution that arose about Stephen, traveled as far as Phoenicia and Cyprus, and Antioch, PREACHING THE WORD TO NONE BUT THE HEBREWS ONLY".***

This was before the apostles' ministries to the Gentiles at large started. So why were these black-skinned men there if the Hebrews were a white skinned people? Simple, they were Hebrews. Just like Paul who was also there with them in the church in Antioch. Remember Paul was mistaken for a black-skinned Egyptian. Niger and Lucius were prophets and teachers, and as scripture shows us, all the prophets and teachers were Hebrews.

There are historical sources that are also in agreement with The Bible about the color of the biblical Hebrews. The Romans, who knew the Hebrews well, had this to say about their physical appearance.

A Roman historian named Tacitus who lived about C.E. 90 said: *"Many assert that the Hebrews are an RACE OF ETHIOPIAN ORIGINS."* Once again, we have the Hebrews compared to one of HAM'S black-skinned descendants. Tacitus also said that the Hebrews were Egyptians, who left Egypt during a disease outbreak.

The Roman Emperor, Justinian the Great, who ruled basically from 527 - 564 C.E., 500

years after the time of Yahoshua, had engraved on a coin, the image of Yahoshua with woolly/kinky hair and "BLACK" features. On the obverse side of the coin there is an image of Justinian but with straight hair, the Cambridge Encyclopedia has this particular listing about that image on the coin. "Whatever the fact, this coin, with the straight haired Justinian on the obverse side, places beyond doubt the belief that "Jesus" was a Negro (black-skinned)." Historian and scholar, J.A. Rogers commented, *"For the Romans to have considered them Ethiopians is a clear indication of their color, because the Ethiopians are a known black people"*.

Now, let us go back to The Bible for more scriptures that prove the Hebrews were a black-skinned nation. Lamentations 5:10 reads:

***"OUR SKIN WAS BLACK LIKE AN OVEN BECAUSE OF THE TERRIBLE FAMINE."***

Notice, it says here that the Hebrews' skin was black like an oven or charcoal black, because of the famine. When the Jews were in concentration camps in Europe during WWII, many of them were starved or in famine. Footage of them in the camps show that their skin turned pale white. The same is true of the people in Kosovo. They were in famine and their skin turned pale white, because they are also a white-skinned people. But pictures of starving people in Africa show that their skin turns jet black or darker than its original hue. When brown or black skinned people don't eat for a long period of time or get sick, they get darker. When white or lighter skinned people get sick or don't eat, they turn pale. In this verse of Lamentations, the prophet, Jeremiah clearly was describing a black skinned-people.

All the preceding information is sufficient proof that the biblical Israelites were a black-skinned people/nation, but we must go a step further and prove that they were a black skinned people from the beginning of their history beginning with Abraham. Abraham is the father of the Hebrew Israelite nation.

He was the first to be called Hebrew. (Genesis 14:13) He came from Ur of the Chaldeans, (Genesis 11:31) which is in the country of Iraq today.

Godfrey Higgins, a careful and reliable English antiquary says:

*"The Chaldeans were originally Negroes".*

Professor Rudolph Windsor is in total agreement with this, which he states in his very noteworthy book, FROM BABYLON TO TIMBUKTU. He writes:

*"The Chaldeans and the other People of that region were jet black in their complexion."*

The root word of Ur, which is ORR, means fire oven. The average temperature in that region was 120 degrees. It was close to the equator in the Fertile Crescent; this is where the ancient Sumerian civilization began. The Sumerians called themselves "Saggig", which means "black headed ones," because they shaved their heads. The ancient Chaldeans were their cousins.

Abraham father Terah, was a relative of Nimrod. He was a merchant who sold idols in the city of Ur. It's a widely known fact that Nimrod was the son of Cush. Cush is the progenitor of the Nubians/Ethiopians, and the Nubians are a black skinned people. So, this means that Nimrod was also black. Abraham came from this part of the world, which in his day was overwhelmingly populated with black skinned people. This is not surprising because in that region the average temperature was 120 degrees. This means that the people in that part of the world had to have large amounts of melanin in their skin, which means they were very dark skinned.

Dr. Charles S. Finch III, M.D. states in his book Echoes of the Old Dark land on pgs 5, & 32:

*"We know from the fate of albinos all over Africa that unprotected skin (light skin) is subject to grotesque, disfiguring cancers that are soon fatal Melanin, the substance that gives the skin a dark brown or black pigment, by absorbing ultra violet radiation and scattering the ions produced, protects the skin from cancer".*

So, for Abraham to have come from that part of the world, he had to have been very dark/black-skinned.

***I recently received a revelation about the above fact. I have a relative in the United States Army. He is stationed in Kuwait, which is not far from Iraq and the area where Abraham was from. I spoke with him not long ago over the phone and he was telling me about all the sights of the land. The first thing he spoke about was the heat. He said the average temperature is 125 degrees. He also mentioned that the white soldiers were being burned so badly by the sun that they could hardly walk. He said they had to have special covering sometimes. But the thing that struck me was he said 'THE NATIVES OF THE LAND WERE SO BLACK THAT THEY LOOKED LIKE US ('AFRICAN AMERICANS'). In fact, he went on to say that He 'THOUGHT THEY WERE US.***

It is a must that we fully identify Israel including their appearance, because so much has been written about these people. But at the same time, so little is actually known about them. I have just highlighted one particular fact about the biblical Israelites. And that fact is: THEY WERE A BLACK SKINNED PEOPLE. But this one fact alone does not fully identify who the true children of Israel are today. There are millions upon millions of black skinned people, and many "black" nations. The Hebrews were just one black skinned people among many black-skinned nations.

***(NOTE: Whenever I make mention of black-skinned people I am referring to the people who are known as "Africans" and "Blacks", whose skin has the darkest pigmentation of all mankind. Their skin tones range from light brown to the darkest black hue, and this even includes some who are known as Indians).***

Many will try to make the argument that, if the original Hebrews were "black" they didn't remain that way, because the Hebrews mixed with many different people. True, the Hebrews did some mixing with others, due to the many captivities they suffered. But that didn't change the racial make up of ancient Israel. Because the Hebrews were black skinned people their Genes would have carried the dominant trait.

Black hair+ dark eyes + dark skin = dominate traits.

Light hair+ light eyes + light skin = recessive traits.

The recessive can come from the dominant, but the dominant cannot come from the recessive. This is a scientific fact, so if the Hebrews mixed with other people of lighter hues, the offspring would have come out looking like Hebrews with a bit lighter hue,

than the Hebrew parent. If they mixed with others of the same or darker hue, the offspring would have continued to look like the Hebrew Israelites. This is why the Egyptians ordered the Hebrew males to be killed and not the female. Because, the Egyptian males could impregnate the Hebrew females, and produce offspring which were still black-skinned, still possessing the physical characteristics of the Egyptians. Remember there were no physical differences between the Hebrews and the Egyptians. "African Americans" have mixed seed with the various racial groups of the Americas for over 400 years. But we are still known as a black skinned people / race. We have mixed with various European, Indian, and Hispanic racial groups and yet, our racial make up has remained unchanged. One of the reasons for this is that our genes carry the dominant traits. Consider, for a moment the children of mixed parents, one black parent and one white. The child will have more traits of the black skinned parent than of the white skinned one.

The hair texture of the offspring, skin color and facial features, will be closer to that of the "black" parent. Sometimes it's impossible to even tell that the offspring is of mixed parentage because the child looks like he was conceived by two black parents. A good example of this would be superstar golfer, Tiger Woods. He is black and Thai. The actress, Halle Berry is also biracial, as well as singer/actress, Vanessa Williams. However, these people look no different from any other "black" person you might see walking down the street. And this is how it was with ancient Israel.

***Note: Israel didn't mix TOO MUCH because of their spiritual beliefs, which is evidenced in the story of Moses in Numbers 12, and also with Peter in Acts 10.***

As previously shown, even the New Testament proves that Israel was a black-skinned people. The New Testament came about after Israel's first captivity, and before their last great captivity. The scriptures show without a doubt in both old and New Testament times that Israel was a black-skinned people. But again, the fact that Israel was a "black" people does not fully identify who they were and still are today. We must return to the scriptures for more information.

# LEVITICUS

## CHAPTER 26:

*The ancient Israelites entered into a covenant with The Most High (Deuteronomy 29:1). A covenant is an agreement or contract. They agreed to keep this covenant by following the laws, statutes, judgments, and commandments of Yah (Exodus 19:5, 8). The Creator's part of the covenant was to make Israel a mighty, righteous nation, who would be above all nations on the face of the Earth, (Exodus 19:5 - Deuteronomy 28:13). The Hebrews would have been similar to what the United States is today, but they would have been one hundred times better. Israel would have been the greatest super power ever.*

*YAH also told the Hebrews that if they broke his laws and commandments there would be consequences, and these consequences would come in the form of curses or punishments. These curses would be heaped upon Israel because they did not obey Yah's commandments and laws. Israel failed to keep their end of the deal, so to speak. In order for us to get a feel or understanding of who the Israelites are in the latter days, we must look for:*

*A people (of the same race and nationality) who are on the bottom socially, politically, economically and are the most despised, rejected and down trodden of society. This is a partial description of the Children of Israel in the latter days. When you find this group of people, you have found the true descendants of the biblical Hebrews according to scripture.*

*Before I show the curses and go in to depth about them. I would like to present to you the people who bear these curses and fulfill these prophecies like no other. The people, who are down on every front of society and totally fit the description of Israel, are the so-called "Black people" of the western hemisphere, the people whose forefathers were brought to this part of the world in the bottom of slave ships. I will show how these curses pertain to the "Blacks" of the United States. All the curses are relevant to all Black people whose forefathers got to this part of the world as captive slaves.*

We will begin with Leviticus Chapter 26. In this chapter Verses 1 through 13 are listed the BLESSINGS that would come upon the Israelites if they obeyed, and followed Yah with all their heart, mind and soul. Verses 14 through 46 speak of the CURSES/PUNISHMENTS that would come upon Israel if they chose to disobey the laws of Yah. Let us start this off with the curses beginning with verse 14.

***Verse 14: "But if you will not hearken unto me, and will not do all these commandments;***

***(15) And if you shall despise my statutes, or if your heart abhor my judgments, so that you will not do all my commandments, but that you break my covenant.***

***(17) And I will set my face against you and YOU SHALL BE SLAIN BEFORE YOUR ENEMIES; THEY THAT HATE YOU SHALL REIGN (rule) OVER YOU and you shall flee when none pursue you.***

Verse 17, is saying that Yah will turn his back on Israel and allow their enemies to overcome them. Israel will always be on the run and fearful.

"African Americans" have been slain by our enemies for centuries. It is estimated that well over one hundred million "blacks" (men, women and children) died during the middle passage, (the three weeks to three month voyage to the Western hemisphere). When those that survived the middle passage arrived in the Americas they were DEHUMANIZED, MURDERED, LYNCHED, MUTILATED, BURNED ALIVE AND TORTURED. All of this continued to happen long after slavery was over.

The people who enslaved "Blacks" are the very ones who take credit for discovering this land and establishing this government. These are the people who have without a doubt run every aspect of this government from day one. Thirty-one percent of this nation's founding fathers were slave holders. Collectively, they owned more than 1,400 slaves. Eleven of 16 United States presidents were slave owners. The people who created this government HATED the so-called African American with a deep passion. Just as scripture predicted, those that HATE you shall RULE over you.

***VERSE 18: AND IF YOU WILL NOT YET FOR ALL THIS HEARKEN  
UNTO ME, THEN I WILL PUNISH YOU SEVEN TIMES MORE FOR  
YOUR SINS.***

In scripture, seven (7) is the Hebrew number for perfection. These curses are just too exact to have been implemented by the hands of men alone. "African Americans" are down on all sides of society. We have the least influence politically, despite having over 8,000 elected officials in all branches of government. We are the least esteemed socially, despite having many civil rights laws passed in our favor. And we are the furthest behind economically, despite having a 450 billion dollar economy. We now have everything that it takes to build an independent nation, so why is there still more pain, grief and suffering among this people than any other racial group in this country. Our politicians sell us out for pennies, so having 8,000 representatives for our race does us more harm than good.

Having black skin is still seen as a badge of shame, so no one wants to be associated with the "African American." We are citizens of this country, yet we are still aliens in the only land we have ever known. Other groups may remain outside the mainstream, some religious sects for example, but they do so voluntarily. In contrast, "Blacks" must endure a segregation that is far from freely chosen.

Having a 500 billion dollar economy does no good if Blacks continue to spend, spend and spend, and fail to invest in things that will help our community to function as it ought to, as other ethnic groups do. But we can't do as the other ethnic groups do, because we are under the perfect curses of Yah, and the only way out, is to return to Him, asking for forgiveness.

***VERSE 37: "AND THEY SHALL FALL ONE UPON ANOTHER, AS IT  
WERE BEFORE A SWORD, WHEN NONE PURSUETH: AND YOU  
SHALL HAVE NO POWER TO STAND BEFORE YOUR ENEMIES. "***

This verse could not refer to the Jews because they have stood up and defeated their enemies in every military battle they've had since 1948. This is one of the ways they have managed to keep possession of the land of Israel for over fifty years. They also

have been successful at FINDING, CHARGING, CONVICTING AND EXECUTING Nazi war criminals that had a hand in their Holocaust.

On the other hand, "African Americans" have had absolutely no power to stand against our enemies. And because of this, we have been the number one target of every hate group in the United States. "African-Americans" had NO POWER to stand against slave-catchers (African, Arab and European) on the west coast of Africa, And NO POWER to stand against the slave masters in the America's. During more than 300 years of chattel slavery there was not one successful slave revolt in North America. We have had no POWER to stand against the K.K.K., skinheads, Neo-Nazis and other hate groups. Between 1882-1927 6,000 "Blacks" were lynched. Today, we have NO POWER to stand against racist policemen who shoot, kill and frame innocent "Blacks" on a daily basis in this country. All of the previously mentioned groups were and continue to be enemies of the "African Americans" (these are just a few of our enemies), and we haven't been able to stand against any of them successfully. We have run and continue to run from our enemies, even when they are not pursuing us.

***VERSE 38: "YOU SHALL PERISH AMONG THE HEATHEN AND THE LAND OF YOUR ENEMIES SHALL EAT YOU UP. "***

"Blacks" have been perishing by the thousands since being brought to the Americas. We now have the highest death rate among all ethnic/racial groups in the United States. We die prematurely from diseases and violence more than anyone else. We are, without a doubt, in the land of our enemies. As I stated previously, the people who brought us to this country in chains and shackles were indeed our enemies. And it is these same people who take all the credit for discovering this land and establishing its government. So, the United States is the land of our enemies, and this is the land that we are perishing in, just as prophecy said we would.

***VERSE 40 "IF THEY SHALL CONFESS THEIR SINS, AND THE SINS OF THEIR FATHERS, WITH THEIR TRESPASS WHICH THEY TRESPASSED AGAINST ME, AND THAT ALSO THEY HAVE WALKED CONTRARY UNTO ME,"***

**(41) “AND THAT I ALSO HAVE WALKED CONTRARY UNTO THEM,  
AND HAVE BROUGHT THEM INTO THE LAND OF THEIR ENEMIES; IF  
THEN THEIR UNCIRCUMCISED HEARTS BE HUMBLLED AND THEY  
THEN ACCEPT OF THE PUNISHMENT OF THEIR SINS:”**

**(42) “THEN WILL I REMEMBER MY COVENANT WITH ABRAHAM;  
AND I WILL REMEMBER THE LAND.”**

Because the "African Americans" are also suffering from an identity crisis (ISAIAH 1:3), the masses of us don't know we are the true Israelites. Consequently, we don't know our special relationship with the Most High, and therefore we don't know what our sins are and can't confess them. So, we have continued to walk contrary to the laws of Yah. The majority of "African Americans" have no idea why so much misfortune has fallen upon them, and so it is very hard for us to accept this punishment. Many of us believe we are suffering because of the white man. That's only half the truth. As I mentioned before, these curses are too perfect to have been administered to us by the hand of men alone. As the result of us as a people not confessing our sins, (breaking the law of Yah is sin, I John 3:4), humbling our heart and accepting our punishment, we are going to remain in the land of our enemies until the second coming of Yahoshua, (erroneously called "Jesus").

**VERSE 44: “AND YET FOR ALL THAT, WHEN THEY ARE IN THE  
LAND OF THEIR ENEMIES, I WILL NOT CAST THEM AWAY, NEITHER  
WILL I ABHOR THEM, TO DESTROY THEM UTTERLY, AND TO  
BREAK MY COVENANT WITH THEM FOR I AM YHWH.”**

**(45) “BUT I WILL FOR THEIR SAKES REMEMBER THE COVENANT  
OF THEIR ANCESTORS, WHOM I BROUGHT FORTH OUT OF THE  
LAND OF EGYPT IN THE SIGHT OF THE HEATHEN, THAT I MIGHT BE  
THEIR MIGHTY ONE I AM YHWH.”**

These two verses prove first of all that Yah never cast Israel away, as many deceived

and unlearned Gentiles claim. It also proves that physical Israel still has to be present on earth, so that they can fulfill the covenant promises that were promised to their ancestors.

This is the sole reason we have survived 300 years of chattel slavery, centuries of lynching and the worst ill-treatment any people have ever had to endure. And yet, after all that, and more we are still here. Yah promised us that we would suffer in our enemies' land, but that He would not totally destroy us.

Also, notice how scripture keeps referring to the "land of Israel's enemies" as a place where Israel will reside.

***VERSE 46: "THESE ARE THE STATUTES AND JUDGMENTS AND LAWS, WHICH YHWH MADE BETWEEN HIM AND THE CHILDREN OF ISRAEL IN MOUNT SINAI BY THE HAND OF MOSES."***

Verse 46, clearly shows that the covenant and curses which are written in this book of the law, are made with the physical seed of the house of Israel ONLY. ALL these curses are not placed on the head of all mankind, just the 12 Hebrew tribes of Israel, because it is with them that Yah made this covenant.

## *Deuteronomy Chapter: 28*

In this chapter we will find more curses that were placed upon the children of Israel, besides the ones that are written in Leviticus 26. I will not be able to present all 68 verses and show how they directly affect us, but I will present as many as possible. I assure you, all 68 verses apply to the "Blacks" of the western hemisphere. In this chapter, verses 1 through 14 are the blessings that would come upon Israel if they chose to follow Yah's laws and commandments. Verses 15 through 68 are the curses that were placed on Israel for choosing to disobey the laws and commandments of Yah.

*VERSE 15: "BUT IT SHALL COME TO PASS, IF YOU WILL NOT LISTEN UNTO THE VOICE OF YHWH, TO OBSERVE TO DO ALL HIS COMMANDMENTS AND STATUTES WHICH I COMMAND YOU THIS DAY; THAT ALL THESE CURSES SHALL COME UPON YOU AND OVERTAKE YOU."*

*(16) "CURSED SHALL YOU BE IN THE CITY, AND CURSED SHALL YOU BE IN THE FIELD (RURAL AREA)"*

These two verses tell us that everywhere you find Israel, these curses will be upon them. It doesn't matter if we are found in the city or in the country / rural or field.

It's a fact that if you look at any "inner city" in the United States, you will find death and destruction like nowhere else. Many of these cities contain as much devastation as any war torn country. These cities are largely populated by "African Americans," as this is where the majority of "Blacks" in the United States live. Wherever you find a large population of "Blacks" living in rural / country areas, you will find the same death and destruction like you find in the urban city areas.

"Blacks" have been cursed in the city and fields for as long as we have resided in this country. According to Leonard P. Curry, author of *The Free Black in Urban America, 1800-1850*, "More than a third of the black population in cities like Boston lived in blind alleys, cellars and lofts. Their poor and unsanitary living conditions created rampant health problems and shortened their life spans".

When we were in chattel slavery, the living conditions on the plantations (fields) were befitting beast. Slaves lived in extraordinarily dehumanizing conditions that stripped them of their courage, their labor and their lives.

***VERSE 19: CURSED SHALL YOU BE WHEN YOU COME IN, AND  
CURSED SHALL YOU BE WHEN YOU GO OUT.***

These curses are going to follow the so-called "Blacks", for as long as they continue to sin against Yah.

***VERSE 20: YHWH SHALL SEND UPON YOU CURSING (an evil oath of  
misfortune, trouble), VEXATION (torment, distress and worry), AND  
REBUKE (to express sharp stern disapproval of), IN ALL THAT YOU  
SET YOUR HAND UNTO FOR TO DO UNTIL YOU BE DESTROYED,  
AND UNTIL YOU PERISH QUICKLY; BECAUSE OF THE  
WICKEDNESS OF YOUR DOINGS WHEREBY YOU HAVE FORSAKEN  
ME.***

Just about everything "African Americans" have tried to do to improve our living conditions as a people, has failed. We have tried the political system (voting), the educational system (attaining college degrees), and economics (capitalism). But all these genres have been useless to us. Other ethnic groups have been successful in bringing their people to a decent standard of living, when they use those same systems (political, educational, and economics). We have been in this country longer than almost every ethnic group except the so-called Indians.

We are behind all those other groups in just about every category of society. Every time we try to make a move in POLITICS, it fails. Every time we try to make a move in ECONOMICS, it fails and so on. The main reason for this is because we have forsaken/forgotten Yah and have forgotten our special connection to him. Most importantly, we have forgotten that we made a covenant with Him, in which we promised to keep His laws. We have broken that promise and now we are suffering for it.

On the other hand, the Jews who claim they are descendants of the biblical Israelites have set their hand to do a lot of things and accomplished them. They set their hand to occupy the land of Israel, to conquer their enemies, and a host of other things that I will mention later throughout this dissertation, and they were always successful. According to the word of Yah, Israel is going to be cursed at everything they set out to accomplish. So this verse could not refer to the Jews, but it does refer to ancient Israel and their modern day descendants who are referred to as "Blacks" and African Americans" today.

**VERSE 22: YAH SHALL SMITE YOU WITH A CONSUMPTION (progressive wasting away of the body) AND WITH A FEVER, AND WITH AN INFLAMMATION (red burning open sore), AND WITH EXTREME BURNING AND WITH THE SWORD AND WITH BLASTING (to ruin, spoil, destroy and annihilate). AND WITH MILDEW AND THEY SHALL PURSUE YOU UNTIL YOU PERISH.**

Verse 22, is referring to diseases and lynching. One of the worst episodes, in the life of a slave was the middle passage, the voyage from West Africa to the Americas. The conditions on the slave ships were unbearable. Two to four hundred captives were packed like sardines in the bottom of the ships. In a book Entitled, Black Cargo, it describes the plagues on slave ships as follows:

*"Some wet and blowing weather having occasioned the porthole to be shut and the grating to be covered with blood and mucus which had proceeded from them in consequence of the flux that it resembled a slaughterhouse...Number of the slaves having fainted they were carried upon deck where several of them died".*

The disease that they feared most on the slave ship was Smallpox, because doctors had no way of curing it until the end of the 18th century. If one man had it, he could infect a whole ship, unless he was thrown overboard the first time the scab appeared.

Extreme burning happened to "African Americans" when mobs of Whites would burn "Blacks" alive or burn their dead bodies after they had just lynched them. There is much

documentation on this.

Also, when Verse 22, mentions the sword (weapon) and blasting (to destroy), it is talking about Israel's "Blacks," being destroyed, ruined by the weapons of their enemies. We have much documentation on this in our history also. This is supposed to happen to us, not one, two or even three times, but for as long as we continue to walk in opposition to The Father and His laws.

***VERSE 25: YHWH SHALL CAUSE YOU TO BE SMITTEN BEFORE  
YOUR ENEMIES: YOU SHALL GO OUT ONE WAY AGAINST THEM  
AND FLEE SEVEN WAYS BEFORE THEM: AND SHALL BE REMOVED  
INTO ALL THE KINGDOMS OF THE EARTH.***

There is no way this verse could refer to the modern day Jew, because as I pointed out in Leviticus 26:37, the Jews have defeated their enemies in all military battles, since 1948. They won the war of 1948-49, the war of 1956, the 1967 "Six Day War", the 1973 Yom Kippur War, and the Invasion of Lebanon. Not only did they win these wars, they also were successful in confiscating land from their enemies (Jerusalem, Golan Heights, West Bank, etc.) The scriptures clearly tell us that Israel is to be smitten/defeated by their enemies.

This is what has happened to "African Americans" for over 400 years. There are countless stories of Whites destroying many towns of "African Americans" in a matter of days. One example of this is the town of Rosewood.

There are also many stories of "Blacks" being murdered where their White killers go without punishment. It is very rare for a White person to get the death penalty for murdering a "Black" person, no matter how many they may have murdered.

As previously stated in Leviticus 26, we haven't historically been able to stand against our enemies as the Jews have. So if they are the children of Israel according to scripture, how are they able to defeat their enemies? This would mean that the scriptures are not true. But, with the proper understanding, we now know that they are not descendants of the biblical Israelites, and that the scripture are indeed true.

The last half of verse 25 states, Israel shall be REMOVED into all the kingdoms of the earth. To "be removed" means to be moved by force. This is telling us someone (Israel's enemies) are going to come and move them by force. The majority of them will not "migrate" into all kingdoms of the earth.

This exact situation happened to the so-called Blacks of the Western hemisphere. We were REMOVED by force, (kidnapped/stolen) from the west coast of Africa and transported to Europe, the Americas (North, Central and South), and the island of the seas. Every other ethnic group, including the Jews came to this Hemisphere and country of their own free will (if they were not here already). Jews, Indians, Mexicans and others were not brought here against their will and scattered as the so-called Blacks were.

I must mention that the "Blacks" on the west coast of Africa (who are really Hebrews, a point I will prove later) were being transported to all the Arab countries one thousand years before the Europeans came to the shores of West Africa.

***VERSE 28: YHWH SHALL SMITE YOU WITH MADNESS (insane, foolish behavior), AND BLINDNESS (spiritual blindness) AND ASTONISHMENT OF HEART (panic and fear)***

It is insane and foolish for "African Americans" to imitate those who have oppressed them for over 400 years. We want to be like our oppressors, so we dress like them, try to talk like them and even try to look like them. All this is done, so that we might be accepted by the dominant society, but all we ever get is a big slap in the face.

African Americans are in a deep, deep spiritual darkness. We have become ignorant and unaware of the truth about our selves and our Creator. Instead, we have embraced the slave master's religion, doctrines and culture, not realizing that it was under the auspices of his religion that we were enslaved. Our state of madness and blindness has caused us to be astonished at our own condition.

We are perplexed as to why we seem to be the most hated of all races of men on the face of the earth. We are always the target of discrimination, racism or police brutality.

Rodney King, Emit Till, James Byrd Jr. and Ricky Byrdsong, only represent a few of the thousands of victims who have been raped, lynched, beaten, shot and murdered for no apparent reason other than their "racial" identity. This is not to mention the host of secret governmental or organizational plots and schemes aimed at total annihilation of our people.

***VERSE 29: AND YOU SHALL GROPE AT NOONDAY, AS THE BLIND GROPE IN DARKNESS, AND YOU SHALL NOT PROSPER IN YOUR WAYS: AND YOU SHALL BE ONLY OPPRESSED AND ROBBED ALWAYS, AND NO MAN SHALL SAVE YOU***

This scripture says Israel is going to grope, which means to search around with uncertainty or blindly search. A blind man lives in a world of darkness, and he is forced to grope in order to navigate his surroundings.

Noonday is when the sun is at its highest peak in the sky, thus giving off the most light, the brightest point of the day. This verse is saying to us that Israel is going to search around with uncertainty like blind men while the sun is shining the brightest (this is symbolic for the word of Yah or the truth), trying to find a way out of their terrible situation, (the curses of DEUT 28 and Lev 26)

If you get 15 "Black" leaders in a room and have them discuss a solution to help "Blacks" lessen their problems, you would get 30 different answers, and not one of them would be to return to Yah our Creator.

There are so many different groups in the "African American" community who claim they're trying to help "African Americans" better our conditions. But, all of these groups have very different ideologies and doctrines. Even if they agree on what the major problems are, they still are unable to arrive at a common solution. The result is a confusion, which keeps our minds from focusing on the most important issue of our existence. One would be hard pressed to find a house in the "Black" community that doesn't have a bible. Just about every "Black" person has read or heard something about The Bible.

As a rule, it is in some way a part of our upbringing, but we as a people still don't understand that this book which the Gentiles (Whites) hold up in such high esteem, is the very book that foretold our entire history in the western hemisphere centuries before we even arrived here. With all this light, (The Bible and history) shining toward us, we still are searching around in a world of darkness like blind men.

In 1832 a U.S. Senator named Henry Berry said to the Virginia House of Delegates:

***"We have as far as possible closed every avenue by which the LIGHT (truth) may enter the slave's mind. If we could extinguish the capacity to see the light, our work would be complete. They would then be on the level with the beast of the field."***

Freedom will only come through a "spiritual" awakening and healing of the problem that causes our captivity and prolongs our continued oppression. We must come back to Yah, The Holy One, The Most High.

The last half of verse 29 says Israel will not prosper in their ways and shall be only oppressed and robbed always. "Blacks" as a people have not prospered in this country, right now we are in control of 1 1/2% of the nation's wealth. At the end of chattel slavery (1865) we owned 1/2% of the nation's wealth. We buy any and everything and own little or nothing. The social acceptance and grants of wealth that the government has given to Europeans, Asians and Hispanic immigrants, but withheld from "Blacks" left us decidedly ill equipped to compete with the more advantaged groups.

We were not allowed to compete with whites at any level of life. No other racial or ethnic group has been confronted with such systematic opposition to their personal economic independence, and right to earn a living.

We are living in the richest nation on earth, but still haven't prospered as other groups have in this country. On the other hand, the Jews have prospered. They are the major owners of the ***movie industry, television stations, print media (newspapers and magazines) and banks, both national and international.***

Even the Israeli Jews are prospering. When it comes to business and investment

opportunity outside the United States, there are few places more popular than Israel. More venture capital money is being spent in Israel than ANY OTHER NATION EXCEPT THE UNITED STATES. In all, foreign investment in Israel totaled about \$3.5 billion in 1997, up from \$1.5 billion in 1996 and \$400 million in 1992. There are also more start up companies being formed in Israel than any nation, other than the United States. About one homegrown technology company is started every three days. More than 100 Israeli companies, virtually all of them in the high-tech sector, are traded on the stock exchange in New York. Only the U.S. and Canada have more.

Does this sound like a people who aren't prospering? Does this sound like a people who are only oppressed and robbed? The answer is NO. But, on the other hand "African Americans" have been under oppression in the West for over 400 years. We have been robbed of our CULTURE, LANGUAGE, HERITAGE AND IDEAS.

The scripture also says that no man shall save Israel. We have in our history countless men, and women who have tried to save our people. Men such as: Frederick Douglass, Nat Turner, Marcus Garvey, Malcolm X, Elijah Muhammad, and a host of others who are just too numerous to name here. All of these men with all of their wisdom and education have not been able to save us from the destruction we face. No other people fit the description in this verse 25 better than the "Blacks" of the western hemisphere.

**VERSE 30: YOU SHALL BETROTH A WIFE, AND ANOTHER MAN SHALL LIE WITH HER: YOU SHALL BUILD AN HOUSE AND YOU SHALL NOT DWELL THEREIN, YOU SHALL PLANT A VINEYARD AND SHALL NOT GATHER THE GRAPES THEREOF.**

This verse is saying, every thing Israel has, is going to be taken or belong to some one else. Once again scripture is describing our situation in the West. During slavery, slave owners often took the wives of "Black" (Israelite) slaves and slept with them. This happened during the middle passage, and after the slaves arrived on land. J.G. Steadman a slave trader relays of his five-year slave trade expedition:

*"If a Negro and his wife have ever too great an attachment for each other, the woman, if handsome, must yield to the loathsome embraces of an*

*adulterous and licentious manager or see her husband cut into pieces for endeavoring to prevent it."*

This is just one account of many, which details how slave masters and traders would rape "Black" women.

Brick by brick, "Blacks" have built nearly every one of this nation's great cities. "Blacks" built the mansions of the South that the slave masters dwelled in, while they were forced to live in run-down shacks. We are also the ones who planted not just the vineyards, but all the crops and were not allowed to partake of any of the fruits. This country was built on the backs of "Black" people who till this very day have not been paid a dime for all our labor and troubles.

***VERSE 32: YOUR SONS AND YOUR DAUGHTERS SHALL BE GIVEN UNTO ANOTHER PEOPLE, AND YOUR EYES SHALL LOOK, AND FAIL WITH LONGING FOR THEM ALL THE DAY LONG: AND THERE SHALL BE NO MIGHT IN YOUR HAND.***

"Black" (Israelite) families were ripped apart during the long harsh period of the Atlantic Slave Trade. In some instances, the sons and daughters of "blacks" were captured while away from their parents, never to see them again. In other cases, entire families were taken into captivity, where parents often watched their children sold to different slave masters and different plantations. In his autobiography of 1745, a slave, named Olaudah Equiano, relates his experience:

*"I remember in the vessel in which I was brought over, there were several brothers who in the sale, were sold in different lots and it was very moving on this occasion to see and hear their cries in parting".*

Mothers and fathers were separated from their children. Trafficking children even became a specialty for certain traders. Little slaves were often handed out as gifts. A favorite child, grandchild, or godchild might be given a little black boy or girl as a new plaything. All of these are historical facts that can be found in history books, telling how slave masters sold children away from their parents. Many of these accounts are written by the slaves themselves.

Even today, "African American" children are still being taken away from their parents.

There are over 600,000 children in child welfare services in the United States, and 70% to 80% of them are "Black" children. In some states, the number is as high as 90% to 95%. In the state of Illinois 88% of the children in State custody are "Black." This has become a huge problem in the "African American" community. The government is removing mass amounts of "Black" children from their homes of origin.

Not only are they removing "black" children from their homes, they have made it more difficult for "Black" parents to get their children back, and easier for whites and others to adopt them. The reason why other people can adopt "Black" children more easily is because of legislation passed. The passage of the Multiethnic Placement Act in October 1994, states that agencies which receive federal funds may not categorically deny to any person the opportunity to become an adoptive or foster parent, solely on the basis of race, color or national origin.

After these children are taken from their home, it is in most cases next to impossible for the parents to get them back, even after they do what the state requires of them in order to regain custody. This is happening to "Black" children only, and not Hispanic, Asians, Whites or Indians, (Today, It is also happening to Hisp: Whites & Indians as well. You may want to revise sentence) because this curse has been placed upon us just as the scriptures predict.

***Note: Earlier this year on the local news in Chicago (Fox news), they presented a television special called \*THE FORGOTTEN CHILDREN," which showed how Northern Europeans and some Asians are adopting "Black" children in mass numbers. These children are removed from their "Black" parents and given to people overseas. The report was shocking, but informative. I have the program on tape.***

***VERSE 34: SO THAT YOU SHALL BE MAD (INSANE, CRAZY) FOR  
THE SIGHT OF YOUR EYES WHICH YOU SHALL SEE***

Because "African Americans" have seen and continue to see so much discrimination, racism, hatred and death directed toward us, it has literally driven many of us crazy, to

the point that we are filling up the mental institutions in this country. We are also being diagnosed younger, and more often with mental illness than any other racial group in the United States. Psychologists say this is happening because we are under a tremendous amount of race related stress.

Others such as Dr. Naim Arkbar calls this "mad" behavior among African Americans "Psychological Slavery." He says that we are carrying around the psychological damage that was inflicted upon us during slavery, thus making us behave as if we are still in chattel slavery. And because we are still being treated as second-class citizens, we have become confused, angry and dependant.

We are **CONFUSED** because we have no idea why we are being treated in the manner that we are.

We are **ANGRY** because of the things that are happening to us.

We are **DEPENDANT** because we depend on the ruling/dominant population to find us a way out of this condition.

This is part of the mad insane behavior we exhibit. YES WE HAVE INDEED BECOME MAD, BECAUSE OF THE SIGHT OF OUR EYES AND THE CONDITION WE'RE IN (the curses of Deuteronomy and Leviticus).

***VERSE 36: YAH SHALL BRING YOU, AND YOUR KING WHICH YOU SHALL SET OVER YOU UNTO A NATION WHICH NEITHER YOU NOR YOUR FATHERS HAVE KNOWN: AND THERE SHALL YOU, SERVE GODS (Religions) WOOD AND STONE.***

During the time of the Trans Atlantic Slave Trade, when the "African" slave traders came and raided Hebrew villages, they would capture the entire village including the kings and sell them to European slave traders, where they were brought unto this strange land (THE NEW WORLD).

When Moses pronounced this prophecy to the children of Israel, the United States was not a country (as we know one today). The entire western hemisphere was not yet known to the majority of the "known" world. Throughout biblical times the Israelites had

knowledge of the surrounding lands where they were taken into as captives. They had no knowledge of the countries in the western hemisphere, especially the United States, because as I just mentioned the United States had not become a nation yet.

It's no coincidence that this part of the world was known as the "New World" and this is the land that the Israelites ("African Americans") were brought into as captives, along with our self appointed kings. We were brought to a nation neither we nor our fathers knew about. A nation that was not known to the entire world until thousands of years after this prophecy was written.

Verse 36 also says that we are going to worship gods (religions) of wood and stone. Every religion has a god or gods, so in this verse "gods" also means the various religions. Wood and stone refers to false religions because wood and stone gods can't hear, speak or see. And it also refers to actual wood and stone idols worshiped as gods.

In a 1996, a study was released by Robert Taylor, an associated professor in the School of Social Work and the Institute of Social Research at the University of Michigan. He found that "Blacks" are more religious than Whites and the nation as whole. Before this study, it was thought that because "blacks" are generally poorer than whites they seemed to be more religious. But it's not a socio-economic issue. The study proved that poor "Blacks" are more religious than poor Whites, middle class "Blacks" are more religious than middle class Whites and so on. "African Americans" make up 12% of the U.S. population but 80% of them are religious (meaning that they are part of an organized religion, pray daily, and read religious material more and have a belief in a god).

The study also proved that there is no difference between poor and middle class "Blacks." One is just as religious as the other. The scripture says we are going to serve gods (religions) and as the study in 1996 just proved, we do. "Blacks" are part of just about every religion on the planet. We are CHRISTIANS, MUSLIMS, JEWS (a Jew is not the same as a Hebrew Israelite), and BUDDHIST. We are involved in TAOISM, VODOO etc., not to mention the various "African gods" (religions) that we still serve. Some of our people even worship the many gods of the ancient Egyptians. But as

scripture shows this is just another characteristic of the true Hebrews. Who else fits this prophecy more perfectly?

This prophecy couldn't fit the Jews because 80%-90% of them are what they call secular (meaning they don't believe in a "god"). They aren't serving any gods. The ones who are "religious" are in the minority.

***VERSE 37: AND YOU SHALL BECOME AN ASTONISHMENT, A PROVERB, AND BYWORD, AMONG ALL NATIONS WHERE YHWH SHALL LEAD YOU (in captivity).***

An astonishment means a sad, pitiful amazement, so remarkable as to elicit disbelief. The general attitude of some "black" people is so disgraceful that it motivates other races to observe us with astonishment. This is the reason many people are always asking the question, why are blacks behind, when we should be ahead of other groups, since we have been here for over 400 years?

The words proverb and byword actually have the same meaning in the 37th verse. A proverb and byword are objects of general reproach, derision, an epithet or scornful nickname. These proverbs and bywords are nicknames that are used in a scornful manner in substitution for our true nationality. Names such as, "Nigger," "Negro," "Coon," "Blackey," "Spade," "Porch Monkey" and the list goes on. These names are without a doubt proverbs and bywords, but so are the names "African American" and "Black," because they are also substitutions for Israel's true nationality.

Africa is not a tribe, country, language or nationality, Africa is the name of a continent. It's the second largest landmass in the world. It has 53 countries with many different people, languages and cultures. Africa is not a nationality, because there's not a country on earth named Africa, so you can't refer to a group of people as African in reference to their national origin. The ancient Egyptians, Nubians, Hebrews and other people who are indigenous to that continent, never mentioned a place called Africa, because the name Africa is Latin in its origin. It originated from the Romans who spoke Latin. Africa has become synonymous with black and black-skinned people, for the simple reason

that the majority of the people who reside on that continent are black-skinned. And the majority of the black skinned people around the world have some kind of ancestral ties to that continent. But, all of this still doesn't change the fact that Africa is the name of a CONTINENT, NOT A RACE OR GROUP OF PEOPLE.

The same can be said for AMERICA. ***It's not a country, tribe, nationality or language.*** Like Africa, America is the name of a continent; it's divided into three parts, North, Central, and South. The United States is a country on the continent of America, and living in the United States are many ethnic/racial groups. All these individual groups can name their national homeland, no matter how long they have resided in America. For example, Germans are from Germany, The Irish are from Ireland, Italians from Italy, Mexicans are from Mexico, Chinese are from China, Ghanaian are from Ghana, Ethiopians from Ethiopia, and Jews are from Europe and Israel. On the other hand, the only thing "African Americans" are taught is that our forefathers were brought to this country from various West African nations. This is why throughout this dissertation I have used quotation marks and the word "so called" in reference to the names "African American" "African" and "Black" None of these names describe a nationality, nation or national homeland.

The word black is an adjective and it should only be used to describe a noun or pronoun. For example: A black car, black hair, black shoes or black-skinned people. Black does not constitute a nationality; there isn't a place called Black Country on Earth. If you look up the word black in any English dictionary, you will find at least 35 different definitions. And out of those 35, more than half will have a negative meaning attached, such as, EVIL, WICKED, GLOOMY, DEATH AND UNPLEASANT just to name a few. These false names were placed on us in order to further humiliate us.

The reason I used the names "African American" and "Blacks" in reference to true Israel was so the reader would know who I was referring to. But, now that all this has been explained, from this point on I will be using the names Israel, Hebrews and Israelites instead of "African Americans" and "Blacks."

**VERSE 41: YOU SHALL BEGET SONS AND DAUGHTERS, BUT YOU**

***SHALL NOT ENJOY THEM FOR THEY WILL GO INTO CAPTIVITY.***

The Bible tells us that ancient Israel went into many captivities (Egypt, Assyria, Babylon, etc.) and this is exactly how we arrived here; our fore parents were brought to this part of the world as captive slaves. Who were captured on the west coast of Africa? This isn't how the Jews or any other ethnic group got here. All other groups came here on their own free will.

***VERSE 43: THE STRANGER THAT IS WITHIN YOU SHALL GET UP  
ABOVE YOU VERY HIGH AND YOU SHALL COME DOWN VERY LOW.***

In this verse, stranger refers to other ethnic/racial groups other than the children of Israel. This means that other racial/ethnic groups that live in the same country or city as the Hebrews will rise up the social/economic ladder higher than the Hebrews, as a collective people. And because of this the Hebrews will be brought down to a lowly state.

The United States has maintained a racial and ethnic ranking preference that places European whites, Asians, Hispanics and **Indians (?)** over Hebrews. They have a higher social acceptability and they have never been mistreated by dominant white society or government the way generations after generation of Hebrews have. Nearly 100% of our ancestors were in this country before nearly 100% of the ancestors of today's Jewish, Italian, German, French, Japanese, Chinese, and Hispanics. All ethnic groups rank above us in acceptability in the U.S. We have been assigned the lowest level of acceptability in this country.

***VERSE 44: HE (the stranger) SHALL LEND TO YOU, AND YOU  
SHALL NOT LEND TO HIM: HE SHALL BE THE HEAD AND YOU  
SHALL BE THE TAIL.***

All across this country from coast to coast, if you visit any Hebrew neighborhood you will see the stranger (OTHER ETHNIC/RACIAL IMMIGRANT GROUPS) owning nearly 100% of the businesses located in Hebrew neighborhoods. Hebrews spend 95% of our annual disposable income with businesses located within White communities. Of the 5% that remains within our communities another 3% is spent with non-Hebrew owned

businesses. When only 2% of our annual disposable income remains within our communities, it is difficult if not impossible for us to maintain a reasonable quality of life and be economically competitive.

Hebrews take their money to the stranger, who makes jobs available for their people. While our people remain unemployed (we have the highest unemployment rate in the country even in a "good economy"). Only in our community do you find every other ethnic group running the businesses.

For example; the Jews own the CURRENCY EXCHANGES, BANKS AND LENDING INSTITUTIONS. Arabs own the GROCERY STORES, & FAST FOOD RESTAURANTS, Asians own the CLOTHING STORES AND BEAUTY SALONS, East Indians own the CONVENIENT STORES. While Whites own the rest, and Hebrews own little if any businesses in our community.

We have been brought down low because all our economic power is going into the hands of the stranger. This has helped put him in a higher social and economic position, thus making the stranger able to lend to us, but we can't lend to him. We have to go outside of our community to get loans for just about everything. We have to go to the stranger to get car loans, Mortgage loan, business loans and loans for social/community events. In many cases if the stranger doesn't loan or give it to us, we won't get it.

Because we will never have full citizenship in this nation, we look to other ethnic groups as examples we should follow in order to better our condition. If we are willing to follow the examples of these ethnic groups (strangers), then this means they are the head and we are the tail following behind them. This is prophecy, it is the way Yah said it would be, and this is the way it is.

**VERSE 45: MOREOVER ALL THESE CURSES SHALL COME UPON  
YOU, AND SHALL PURSUE YOU AND OVERTAKE YOU, TILL YOU  
ARE DESTROYED: BECAUSE YOU HEARKENED NOT UNTO THE  
VOICE OF YHWH, TO KEEP HIS COMMANDMENTS AND HIS  
STATUES WHICH HE COMMANDED YOU**

**VERSE 46: AND THEY SHALL BE UPON YOU FOR A SIGN AND FOR  
A WONDER, AND UPON YOUR SEED FOREVER.**

No matter where Israel goes or what they do, these curses are going to be upon them because we are not keeping YHWH laws, which he commandment us to do. Israel in the United States has long forgotten the laws of YHWH and this is the sole reason why we have been in this terrible condition since our arrival in the Americas. No matter how hard we try, we never get it right. Many "bible experts" can and will say that the curses that are written in Leviticus 26: and Deuteronomy 28: happened to Israel in biblical times. This is true. However, Yah says in His word that these curses are going to be on Israel's seed (descendants) FOREVER.

This means that they were on Israel in biblical times (as long as they transgressed the law), and are still on them now. It's quite obvious that these curses still affect the Hebrews in the U.S. today. These things are supposed to happen to us by the hand of our enemies. Yah says throughout this chapter that we are going to be defeated by our enemies and live in their land.

If the Jews are descendants of Israel they ought to be under the same curses found in Lev 26: and DEUT 28: Their condition in this country and every other country they're in, should resemble the condition of the true Hebrews of the western hemisphere. But it doesn't. The Jews are not keeping Yah's laws and they admit this openly. In a book entitled 'HOW TO INTRODUCE YOUR JEWISH FRIENDS TO THE MESSIAH' on page 20, it states:

***"The majority of Jews living in the UNITED STATES AND ISRAEL are not religious. Those who are religious PRACTICE VARIOUS FORMS OF RABBINIC (NOT BIBLICAL) JUDAISM."***

Yah never gave Israel a religion called JUDAISM, so any form of Judaism is transgressing the law. Judaism is man-made. It is not mentioned one time throughout The Bible. 80-90% of Jews living in Israel today are secular (Atheist). There are more "religious" Jews living in New York than there are in Israel.

These curses are the greatest tool in identifying the children of Israel in the latter days. Yah said these curses are to be for a sign and a wonder and on Israel forever. This means that whatever people are suffering from all these curses are descendants of the children of Israel today. I know the Jews have suffered mistreatment but so have the Irish, Italians, Mexicans, Japanese, Chinese, etc. But how many of them have suffered and are suffering according to all the curses written in the books of the law. The answer is none of them. We fit these curses more perfectly than anyone else.

***VERSE 48: THEREFORE SHALL YOU SERVE YOUR ENEMIES WHICH YAH SHALL SEND AGAINST YOU, IN HUNGER, AND IN THIRST, AND IN NAKEDNESS, AND IN THE WANT OF ALL THINGS: AND HE SHALL PUT A YOKE OF IRON UPON YOUR NECK, UNTIL HE HAS DESTROYED YOU.***

Israel in the United States has been in total service to our enemies who have opposed and worked against us since the time of slavery. We have continued to serve them in hunger, thirst and nakedness (oppression) for over 400 years. If you are in want of all things this means that you are materialistic, which makes you a consumer. We are the number one consumers in the United States. We buy more products, clothing, cars, computers etc., than any other ethnic group in the United States. We constitute only twelve percent of the total U.S. population, but we are responsible for the following consumption statistics:

36% of ALL hair conditioners

32% of ALL malt liquors

30% of ALL movie theater tickets

Hebrew females who constitute 6% of the population consume 15% (\$600,000,000) of the \$4 billion cosmetic market (mostly to Maybeline), spend 23% more on shoes than the population at large and consume 26% more perfume than any other ethnic group of females.

Hebrew males aged 13-24 who constitute less than 3% of the population: consume 10% of the \$12 billion athletic shoe market: and more than 20% of Nike shoes.

55% of Starter Jacket sales (\$283 million in 1993) are linked to Hebrew buyers.

Israelites spend \$6,000,000,000, per year on soft drinks: more than \$500,000,000 on McDonald's fast food: and are twice as likely as whites to own a BMW, Audi or Mercedes Benz.

We spend all this money on materialistic nonsense because we are in want of all things. And the reason for this is, we have been in a very hostile environment and made to feel like we are nothing more than slaves, animals, a dumb cultureless people. So we attempt to obtain worth and equality by buying and/or possessing all these "things." If you need proof of the materialism in our communities look at the rap videos.

Our oppressors literally put yokes of iron around our necks when they brought us here as captives. He still has an iron yoke around our necks today. The word yoke also means agency of oppression, subjection, servitude and slavery. Iron is synonymous with power, and strength. Our oppressors have subjected and kept us in a powerful oppression and servitude - one that has lasted for over four centuries. The Hebrews have been destroyed and ONLY YAH CAN REPAIR/RESTORE us.

***VERSE 49: YHWH SHALL BRING A NATION AGAINST YOU FROM FAR, FROM THE END OF THE EARTH, AS SWIFT AS THE EAGLE FLIES: A NATION WHOSE LANGUAGE YOU SHALL NOT UNDERSTAND.***

When Moses spoke this prophecy to the children of Israel, he was in the part of the world known as the Middle East, (which is really North East Africa). Yah said He would bring a nation from AFAR, FROM THE END OF THE EARTH. If we look at all the nations that came against Israel (Egypt, Assyria, Media- Persia, Babylon, Greece and Rome), these were nations that were situated in and around the Middle East (Greece and Rome are in Europe but were still close by). Israel was very familiar with those nations and their languages; these were lands Israel could travel to by foot, camel, or

boat.

So, where is this FAR NATION spoken of in prophecy? It's the western hemisphere, particularly the United States. If you look on any map of the world and look at the so called Mid-East, then look at the U.S., not only is the United States far from the Mid-East, but it is actually at the end of the earth.

Scripture mentions this nation is swift as an eagle flies. It's no coincidence that the national symbol for the U.S. is the Eagle. When the slave traders and catchers came upon the shores of West Africa, the Hebrews didn't understand their languages. In the slave narrative by the slave Olaudah Equiano mentioned previously, he tells of his first encounter with European slave traders.

*"THEIR COMPLEXIONS TOO, DIFFERENT SO MUCH FROM OURS,  
THEIR LONG HAIR, AND THE LANGUAGE THEY SPOKE, WHICH WAS  
VERY DIFFERENT FROM ANY I HAD EVER HEARD.*

Our people had no knowledge of English or the various other languages the slave traders spoke. Once again we fit these curses more so than anyone else.

***VERSE 50: A NATION OF FIERCE COUNTENANCE, WHICH SHALL  
NOT REGARD THE PERSON OF THE OLD, NOR SHOW FAVOR TO  
THE YOUNG.***

Verse 50 is talking about this nation that is mentioned in verse 49 (the one from the end of the earth), I showed you this is the United States, which has and have not cared about the old or the young Hebrew. Olaudah Equiano also tells of his fears of his captors:

*"I asked them if we were not going to be eaten by those white men with  
HORRIBLE LOOKS, red faces and long hair, they told me I was not, but  
still feared I should be put to death, the white man LOOKED AND ACTED  
AS I THOUGHT, IN SO SAVAGE A MANNER: FOR I HAVE NEVER  
SEEN AMONG ANY PEOPLE SUCH INSTANCES OF BRUTAL  
CRUELTY."*

I must add that Olaudah was only 11 years old when he was captured, and brought to the United States.

During the slave trade, Hebrew children had become a very profitable business. When these children reached the plantations they were treated just as horribly as the adult slaves. Even now in the year 2000, the United States is a very dangerous place to live for a Hebrew, according to recent studies.

You now have Hebrew children being tried as adults in the judicial system; you also have both Hebrew adults and children making up the majority of people on death row. Hebrew adults and children make up the majority of homicide victims, this list goes on. There is no difference between the treatment of Hebrew children and adults; this nation doesn't care for us at all, none of us.

***VERSE 58: IF YOU WILL NOT OBSERVE TO DO ALL THE WORDS OF THIS LAW THAT ARE WRITTEN IN THIS BOOK, THAT YOU MAY FEAR THIS GLORIOUS AND FEARFUL NAME, YHWH***

***(59) THEN YAH WILL MAKE YOUR PLAGUES WONDERFUL AND THE PLAGUES OF YOUR SEED, (descendants) GREAT PLAGUES, AND OF LONG CONTINUANCE, AND SORE SICKNESS, AND OF LONG CONTINUANCE,***

***(60) MOREOVER HE WILL BRING UPON YOU ALL THE DISEASES OF EGYPT, WHICH YOU WAS AFRAID OF: AND THEY SHALL CLEAVE UNTO YOU.***

***(61) ALSO EVERY SICKNESS, AND EVERY PLAGUE, WHICH IS NOT WRITTEN IN THE BOOK OF THIS LAW, THEM WILL YAH BRING UPON YOU UNTIL YOU BE DESTROYED.***

These verses clearly state that Israel is always going to be a sick and disease stricken people.

We are only 12% of the U.S. general population, but we have the highest rate of cancer

in the U.S. We lead in 8 out of the top 10 cancers. Hebrew men have the highest rate of prostate cancer in the world, for every 1000 Hebrew men 185 will get prostate cancer.

**AIDS:** While AIDS and HIV rates continue to drop in every ethnic/racial community in the U.S., the rate of infections continue to rise in the Hebrew community. Hebrews make up 40% of all AIDS cases in the U.S. It is the leading cause of death for Hebrews aged 25 - 44. Fifty-five percent of all women with AIDS are Hebrew women. Sixty percent of all children with AIDS are Hebrew children. This year, we will be the majority of all people with AIDS in the U.S. AIDS has become such an epidemic in the Hebrew communities across the U.S. that in May of 1998, the congressional "Black" Caucus asked the federal government to declare a national emergency in the Hebrew community, because of this deadly plague, AIDS.

We are four times more likely to develop Alzheimer's disease than whites and two times as likely as Hispanics. We also have the highest rates of **HEART DISEASE, DIABETES, HIGH BLOOD PRESSURE, SICKLE CELL ANIMA, STROKES, THYROID TUMORS, ASTHMA, LUPUS AND STD's (sexually transmitted diseases)**

We have been plagued with diseases and sickness ever since we boarded those slave ships four centuries ago. In a book called, The Black American Experience, by Arvarh E. Strickland and Jerome R. Reich, on page 62, there is a description of some of the diseases on the slave ships: It reads as follows:

*"THE FILTHY SLAVE SHIPS WITH THEIR CROWDED, ILL-FED HUMAN CARGOES ALSO WERE FILLED WITH SICKNESS AND DISEASE. SMALLPOX, MEASLES, GONORRHEA, SYPHILIS, YELLOW FEVER, AND MALARIA WERE COMMON DISEASE ON THESE SHIPS".*

These diseases were placed on us, just as prophecy said they would be. I will continually say we fit these curses / punishments perfectly.

**VERSE 64: "AND YAH SHALL SCATTER YOU AMONG ALL PEOPLE, FROM ONE END OF THE EARTH EVEN UNTO THE OTHER; AND THERE YOU SHALL SERVE GODS WHICH NEITHER YOU NOR YOUR**

**FATHERS HAVE KNOWN, WOOD AND STONE.**

**VERSE 65: AND AMONG THESE NATIONS YOU SHALL FIND NO EASE NEITHER SHALL THE SOLE OF YOUR FEET HAVE REST, BUT YAH SHALL GIVE YOU THERE A TREMBLING HEART AND FAILING OF EYES, AND SORROW OF MIND.**

As previously stated, the true Israelites have been scattered from East to West - North to South. There probably isn't a country on earth where Israelites don't represent some percent of the population. The Hebrews can't be back in the land of Israel as a sovereign nation right now, and at the same time breaking the laws of Yah. This is why the Hebrews of the western hemisphere are here today. In these lands where all of Israel is scattered, we serve every and all kinds of strange gods.

Israel's ancient forefathers didn't know about these gods (religions) that Israel serve today. They didn't know about *"Jesus", the Christian Christ, Allah, Buddha, Krishna, Voodoo, New Ageism and the many gods Israel is in service to on the west coast of Africa*. Many of these gods are actually wood and stone gods, and many of them were created after 70 CE (the expulsion of Israel from the land) so these are some of the newest gods on the scene.

But, we should note that wood and stone gods are the same as false gods (religions), because wood and stone gods can't talk hear or speak. In other words they don't exist. We know this couldn't apply to the Jews, because as I have mentioned before, the majority of Jews are Atheist, they don't believe in any god.

Verse 65 states that among those nations where we have been scattered, we would find no ease or rest for our feet. Here, in the western hemisphere, the Israelites have found no ease or peace, but rather horror and terror. Ralph Ginsberg documents some of the terror Hebrews have suffered in the United States in his book, 100 Years of Lynching. His book is a compilation of actual press accounts of lynching beginning in 1880. On pages 253-270, he gives a partial listing of approximately 5,000 Hebrew lynching in the United States from 1859 to 1961, not to mention all the ones who were shot, poisoned,

clubbed, and strangled.

In our 400 year history in North America, there hasn't been one instance of peace for us - from slavery to Jim Crowism to segregation and lynching to racism and discrimination and so on. There has been constant, trouble and oppression for us. Numerous sources including the federal government's Center for Disease Control reported that being Hebrew in the United States is hazardous to our health. Being Hebrew in the U.S. means higher mortality rates, lower levels of education, lower levels of occupational status, lower incomes, lower levels of health and health care, poorer housing, fewer two-parent households, higher unemployment, greater contact with the criminal justice system and higher levels of marital disruption than the general population. The report suggests that social economic conditions of Hebrews to a large degree stem directly from the structural economic and social inequalities produced by centuries of slavery, Jim Crowism, and benign neglect. Since the Hebrew man is the primary target of racism, the report explains, in large measure, why Hebrew men are disproportionately burdened with health problems and the shortest life expectancy of any race or gender.

The soles of Israel's feet have not rested in over 2000 years. We are always on the move, running for our lives. This is how we arrived on the west coast of Africa from the so-called Middle East. There was a 1400-year migration from the so-called Middle East to the west coast of Africa starting in the first century CE. These Hebrew migrations went on with great frequency from about 300 CE and they continued with utmost regularity for twelve hundred years.

In the United States, Hebrews are responsible for what is known as the great migration. This was the largest peacetime migration of people in human history. Between 1940 and 1970, over five million Hebrews left the rural South for what they called the "Promised Land" of the urban North. It was the greatest migration in United States history. We left sharecropper shacks for dubious shelters of ghetto housing projects, and fled one kind of poverty and oppression only to encounter another just as bleak.

Fifty thousand Hebrews moved to Chicago from the south in 18 months during World War II (*This is why I was born in Chicago, both my parents and grandparents came from*

*Mississippi during this migration period).* To this very day the Hebrews are still on the move in search of a better way. This passage of scripture also says that Israel was going to have a trembling heart, which is panic, and failing of eyes and sorrow of mind. This shows that Israel is going to be a sad, grief stricken, fearful and spiritually blind people, plagued by misfortune. Israel in the United States has all of these characteristics described in this verse of scripture. We have been living in a very hostile environment for a long time.

***VERSE 66: AND YOUR LIFE SHALL HANG IN DOUBT BEFORE YOU;  
AND YOU SHALL FEAR DAY AND NIGHT, AND SHALL HAVE NONE  
ASSURANCE OF YOUR LIFE:***

As Hebrews we have feared for our lives since the times of slavery. It is a historical fact that a Hebrew life has never had any value in this country. This is the reason that for centuries, Israel has been murdered and terrorized and no one can seem to stop it. Our lives hang in the balance before us, because all the statistics show that we die from violence in the prime of our lives, more than any other ethnic group. In 1990 Hebrews represented 50% of the 23,760 murder victims known to police. The homicide rate among Hebrew men is generally six to seven times higher than the rate among Gentile men. The U.S. Department of Health and Human Services reported that in 1990.

Hebrew males had a homicide rate of 68.7 per 100,000 compared with 8.9 per 100,000 for gentile males. Homicide is now the leading cause of death for Hebrew males 16-24 years of age. In 1987, homicide accounted for 42% of all death among young Hebrew males 15-24. Hebrew males in this age group had a homicide rate of 138.3. More than nine times the homicide rate of young gentile males, which were 15.4. In a study, the Bureau of Justice statistics estimated that the lifetime risk of death by homicide is greater for Hebrews (1 in 21 for Hebrew males and 1 in 104 for Hebrew females), than it is for Gentiles/whites (1 in 131 for gentile males and 1 in 369 for gentile females).

The number of Hebrew females murdered between 1980 and 1985 exceeds the number of casualties (9,500) in the Vietnam War in 1967 for the U.S. 44,428 Hebrew males were murdered between 1980 and 1985. Nearly equal the total number of Americans

killed during the entire Vietnam conflict. Hebrew men have the shortest life expectancy of any males in the United States (except a small group of Sioux Indians).

With statistics like these, it is no wonder why many Hebrews are very afraid to come out of their homes in the day or night, because we have little assurance that we will make it back alive. This is why in Hebrew communities across the country, there are children 9-12 years old planning for their own funeral. These children have seen so much death and destruction until they have lost all hope that any change will come.

In a study done in 1996, of children in war torn countries and Hebrew children in the United States, it was found that the children in war torn countries are better off mentally than Hebrew children in the U.S. The children in the war torn country knew one day the war (death and destruction) in their country would end, but Hebrew children don't see an end to the death and destruction they witness daily.

The suicide rate for Hebrews has more than doubled, from 3.6% per 1,000 to 8.1% per 1,000. Suicide is the third leading cause of death for Hebrew men. Hebrews are so unsure about their lives, that now we have begun to kill ourselves. In the U.S. a simple traffic stop by police can mean death for a Hebrew.

Between 1976 and 1987 the most recent period studied, some 1800 Hebrews were killed by law enforcement bullets. Hebrews are three times more likely to die from a police bullet than Gentiles. Hebrews are more likely than gentiles to be killed in error. In many cases no weapon is found on the suspect's body. Even Today, unarmed Hebrew men and women are being gunned down almost daily by law enforcement officers. We have NO ASSURANCE OF OUR LIVES, WE LIVE IN CONSTANT FEAR.

All of this is not happening to us just by coincidence. This is the fulfilling of long awaited forgotten PROPHECY. This is the reason that a "white" person can walk down a Hebrew street in a Hebrew neighborhood and the majority of the time, no one will touch them. But a Hebrew man, woman or child can come down the same street and is much more likely to be harmed in some way. The curses are on us. That's why we have all this violence in our communities. If the racist police, hate groups or others don't get us, our own people will.

**VERSE 68: AND YAH SHALL BRING YOU INTO EGYPT AGAIN WITH SHIPS BY THE WAY WHEREOF I SPOKE UNTO YOU, YOU SHALL SEE IT NO MORE AGAIN AND THERE YOU SHALL BE SOLD UNTO YOUR ENEMIES FOR BONDMEN (slaves) AND BONDWOMEN (slaves), AND NO MAN SHALL BUY YOU.**

In this verse Egypt is synonymous with OPPRESSION, SLAVERY, CAPTIVITY AND AFFLICTION.

In scripture Egypt is referred to as:

**The House of Bondage** (Ex.12:3,14; 20:4; Deut 5: 6, 7:8, 26:6)

**The Iron Furnace** (DEUT 4:20)

**Furnace of Affliction** (Isa 48:10)

**Egypt was the symbol of hard severe bondage to the Hebrews** (EX 1:13-14)

What this verse is saying is that Israel will go into an "Egypt like" oppressive, powerful, severe bondage (slavery, captivity) IN SHIPS. This is exactly how we got to this country/hemisphere. We were taken captive from the west coast of Africa, and brought to the Americas in the bottom of slave ships. Once we arrived in the West, we were placed on auction blocks and sold as chattel to the highest bidder. This process happened for over 300 years, this is a historical fact that can't be denied. Just check your American history books.

As mentioned earlier, those people that brought us to this country in slave ships, and subjected us to the worst form of slavery and oppression ever were indeed our enemies. These same people were the buyers, at those slave auctions where we were sold as slaves to our enemies just as scripture says. No other racial/ethnic group in the western hemisphere can claim this has happened to them. Only we were brought into an oppressive bondage in ships and sold unto our enemies as slaves.

This prophecy was fulfilled with the advent of the Trans Atlantic Slave Trade. There isn't one instance in scripture where ancient / biblical Israel went back into Egypt in ships. They walked into Egypt on dry land (Genesis 46:5-6). During biblical times the land of Israel and Egypt was one continual landmass, so there was no need to go into Egypt in

ships.

So when and where was this prophecy fulfilled? **ANSWER: DURING THE TRANS ATLANTIC SLAVE TRADE**, when no less than 100 million of our people were brought here as slaves.

When the scripture says no man will buy them, it meant that no man will buy or redeem us out of our condition. Because this same scripture says, we were to be sold unto our enemies, and obviously, you can't sell anything if there is no buyer. Oprah Winfrey, Michael Jordan, Michael Jackson, and Bill Cosby's money combined could not buy us out of our condition. You tell me. Do the Jews or anyone else fit the description of Israel in the latter days? We fit the description to a tee.

Many, if not the majority of bible reading people have never heard of or understood these curses, Especially so called African Americans. We have been told that all our misfortune has come upon us because we are an inferior people. And because of this many of our people have become ashamed of our history, but as prophecy states "In the last days knowledge shall be increased" (Daniel 12:4).

With the right understanding of bible prophecy and of our history, we have begun to set the record straight. We are showing the world and especially our people that we are not or have not suffered without purpose. We are not a cursed people in the way that slave masters taught their slaves. He lied and said that we were cursed with black skin. We are not cursed or being punished because we are genetically inferior. We are under the curses/punishments of The Father because we have a special calling, and a special relationship to the Most High, a relationship which no other people on earth has ever experienced (Amos 3:1-2). We have collectively forgotten this, but we will rise and be the people we were destined to be. The entire world will bear witness to this in the very near future.

# MORE Curses and Prophecies

*In Deuteronomy 29: verse 1, it states:*

*"THESE ARE THE WORDS OF THE COVENANT, WHICH YHWH COMMAND MOSES TO MAKE WITH THE CHILDREN OF ISRAEL IN THE LAND OF MOAB, BESIDES THE COVENANT WHICH HE MADE WITH THEM IN HOREB.*

*All the curses I just presented to you (Leviticus 26 & Deuteronomy 28) are supposed to JUST affect the true children of Israel, and not the whole of mankind, because it was with us and our fathers that the covenant was made (DEUT 29: 14 - 15 / Acts 2:39). This is why the whole world isn't suffering the full effect of these curses. Yah said these curses are going to affect ancient Israel and their descendants forever and they are, as it is written in the book of Daniel 9:11*

*"YEAH ALL ISRAEL HAVE TRANSGRESSED YOUR LAW, EVEN BY DEPARTING THAT THEY MIGHT NOT OBEY YOUR VOICE. THEREFORE, THE CURSE IS POURED UPON US, AND THE OATH THAT IS WRITTEN IN THE LAW OF MOSES THE SERVANT OF YHWH, BECAUSE WE HAVE SINNED AGAINST HIM. (13) AS IT IS WRITTEN IN THE LAW OF MOSES ALL THIS EVIL IS COME UPON US..."*

*These two verses clearly show that these same curses (Leviticus 26: and Deuteronomy 28) are upon Israel today, Daniel says that these curses are poured upon Israel. He also says that these are the curses that are written in the book of Moses. The first five books of the bible are referred to as the books of Moses. These books contain the laws of Yah that Moses taught to the children of Israel. The book of Leviticus is the third and Deuteronomy is the fifth book of Moses. So without a doubt Daniel is saying that all the curses I just showed you are poured out upon Israel and their descendants. Remember The Bible says these curses are to remain on Israel Forever or for as long as they continue to break the laws of Yah.*

So how can the Jews if they are Israelites, not suffer these curses? They never went into bondage with ships: their children are not being taken away from them; they were never sold to their enemies as male and female slaves. All these things and more should be happening to them right now, if they are true descendants of ancient Israel. But these things are happening and have happened to us, because we are the true descendants of Ancient Israel.

***ISAIAH 42:22 BUT THIS IS A PEOPLE ROBBED AND STRIPPED,  
THEY ARE ALL OF THEM SNARED (trapped) IN HOLES AND HID IN  
PRISON HOUSES, THEY ARE FOR A PREY AND NONE DELIVER:  
AND FOR A SPOIL AND NONE SAY RESTORE (repair /reparations).***

Ever since we have been in the western hemisphere, we have been robbed and stripped of our culture, language, history and heritage. We are the only people who, upon our arrival to these shores, were forbidden to practice our original way of life (culture, language, faith etc.). It was against the law. We were forced to give up our original names and history, which connected us to our heritage, for new names (proverbs and bywords), and a new history, which connected us to the grave.

This scripture goes on to say that we are going to be trapped in holes and hidden in PRISON HOUSES. We are a minority in the population (12%) but we are the majority of the people in prisons and jails in this country. We have always had a large prison population in the U.S. In 1850 Hebrews constituted 60% of all persons incarcerated in Maryland and half of them were under 16 years of age.

During the same time period in the states of N.Y., New Jersey, Pennsylvania, Hebrews made up more than 50% of the prison population. In 1826 in Massachusetts free Hebrews were less than 1% of the population, but nearly 17% of the prisoners. By 1879, 90% of the 1,200 felony convicts in Georgia were Hebrews. This percentage would remain unchanged for the next 30 years. The first police units in the South were used largely to catch runaway slaves.

Today, on any given day, more than a 1/3 of young Hebrew men 18 to 34 are either in prison or under some form of criminal justice supervision (a step away from prison). The

U.S. imprisons Hebrew men at a rate 6 times greater than that of white men. Two out of three Hebrew men will be in prison nationwide by the year 2020 if the present rates continue. Today Hebrew woman are the majority of women in prisons, in fact they are the fastest growing prison population in the United States. Hebrew children are the majority of children in the juvenile detention centers. They are also the majority of children being tried as adults and sent to adult prisons. As the scripture says we are being hidden away (warehoused) in prison houses.

This scripture goes on to say that ***"WE ARE A PREY AND NONE DELIVER, A SPOIL AND NONE SAY RESTORE"***.

A prey is a victim and a deliverer is a liberator. We have been victims of the whole "American" society. We are victims of the political process, educational system, justice system, religion etc. Not to mention that we are victims of the worst form of slavery man has ever known. We most certainly haven't been liberated from our situations, despite us having many men and women who have stood up and tried to liberate us. Actually, our condition here seems to be getting worse.

We are a spoil and none say restore. After 300 years of chattel slavery, no one has given us the necessary tools to RESTORE US to the people we are supposed to be. We, out of all people on the face of the earth, are owed reparations for our centuries of free labor, which by the way, helped make the United States the richest and most powerful nation on earth. We also suffered severe psychological damage, from centuries of harsh treatment and harsh lies. This scripture says true Israel will not be restored or repaired, which includes reparations.

The U.S. has a history of paying reparations. They paid the Indians in the form of land, money, free taxes etc. In 1991, the U.S. paid \$20,000 to each Japanese-American that was placed in interment camps in WWII. The United States and the allied nations paid more than \$14 billion in reparations to rebuild the economies of the defeated German and Japanese people. Governments around the world are giving people who have been oppressed by that governmental system, reparations and or apologies.

The Jews are getting many reparations from any and everybody who had a hand in their "Holocaust". They're receiving reparations from the German government the Swiss banks and even from German corporations that may have used Jews and others as free labor. The Jews are also claiming that they have been "restored" to the land of Israel. But how can this be if they are descendants of the Biblical Hebrews. This verse is clearly stating that Israel is to be robbed and spoiled, hidden in prison houses, without a liberator and without repair. This description fits our condition in the United States perfectly. The Jews just don't fit biblical prophecy concerning Israel.

***VERSE 23 OF ISAIAH 42: "WHO AMONG YOU WILL GIVE EAR TO THIS? WHO WILL HEARKEN AND HEAR FOR THE TIME TO COME (the latter days)?"***

All the prophecies and curses I have shown so far are by no means a coincidence as it relates to the Hebrews who are known as African Americans. These scriptures are related to us because we are the true descendants of the biblical Hebrews. BUT WHO WILL LISTEN (give ear) TO THIS? Many people who hear this truth including the Hebrews (so called blacks), will try their hardest to refute this teaching/truth. They will call it Anti-Semitism. Some will say we are descendants of the ancient Egyptians, Moors, Muslims, etc. Some will say that it doesn't matter who the Israelites are today because, "J-sus" has come and died for all, and so on and so on. But again, the scriptures ask, "WHO WILL give ear to this?" Will you?

The bible is very clear about how significant the true Hebrews are. I will now show you, that according to the scriptures, it is paramount that we know who the Israelites are today. But, first let me give a few more scripture that further identify the Israelites.

The curses were not removed from Israel, after or before the death of The Messiah, Yahoshua. Look at what he tells the Israelites in the book of Luke, and then let us compare his prophecy to history. Then we will see if the curses were lifted off Israel after Yahoshua's death and resurrection.

***LUKE 21: 22-24 FOR THESE BE THE DAYS OF VENGEANCE, THAT***

**ALL THINGS WHICH ARE WRITTEN MAY BE FULFILLED (Lev 26 DEUT 28),**

**(23) BUT WOE UNTO THEM THAT ARE WITH CHILD, AND TO THEM THAT GIVE SUCK IN THOSE DAYS! FOR THERE SHALL BE GREAT DISTRESS IN THE LAND, AND WRATH UPON THIS PEOPLE (Israel).**

**(24) AND THEY SHALL FALL BY THE EDGE OF THE SWORD, AND SHALL BE LED AWAY CAPTIVE INTO ALL NATIONS, AND JERUSALEM SHALL BE TRODDEN DOWN OF THE GENTILES UNTIL THE TIMES OF THE GENTILES BE FULFILLED.**

First, Yahoshua said that all things, which are written, shall be fulfilled. This is in reference to what is written in Deuteronomy 28: and Leviticus 26: which was fulfilled after the destruction of Jerusalem by the Roman army. Next, he said that there would be wrath upon this people meaning the Hebrew Israelites. Then, he stated Israel is going to be taken captive into all nations, until the times of the Gentiles are fulfilled. Now let us compare all of this to actual historical events.

In 70 C.E. the Roman Emperor, Vespasian and his son Titus, who was a General in Rome's Army came against Jerusalem, and destroyed it. Most of the Hebrews in Jerusalem were killed or taken as captives, while others escaped into Africa. This is the wrath upon Israel that was mentioned in verse 23. The Hebrews that were taken captive were sold throughout the Mediterranean world as slaves. This is the beginning of the Hebrews being led captive into all nations, as it is written in verse 24.

After the Hebrews began to settle in many African countries (mainly on the west and east coast of Africa), the Arab Slave Trade began. The Hebrews were led captive into all the Arab countries (Arabia, the so called the middle east and North Africa). Arab slavery started 1000 years before the European slave trade. The Muslims were the first to inform the Portuguese of the "people of the book" (this is a title that the Muslims gave the Israelites of west and east Africa). The Muslims said "they were living in great number to the south of the desert - a people cursed of God and predestined to be

slaves." The Muslims also called the Western Sudan (West Africa) "Yahooddee" which means "The Tribes of Israel".

Hebrews were also led captive into many African nations, by many indigenous tribes on the west and east coast of Africa. It was these tribesmen that sold us to Muslims who in turn sold us to the Europeans, or sometimes these tribesmen would sell us directly to the Europeans.

Our being led captive into Europe and the western hemisphere marked the beginning of the Trans Atlantic Slave Trade. It lasted for over 300 years. Just about every nation on earth had a hand in this slave trade. The Portuguese, Dutch, Spain, France, Britain, Jews, The U.S., Muslims, Christians (both Protestants and Catholics), Italians, Danes, Swedes, Prussians and even all five of the so called "civilized American Indian tribes". We were captured on the west coast of Africa and transported in slave ships to Europe, Asia, North, Central and South America and even the islands of the sea, such as The Canary Islands, Madeira, The Cape Verde Islands, Madagascar, Guadeloupe, Saint Thomas, Martinique, the Virgin Islands, the Bahamas, Jamaica, Haiti / Dominican Republic, Cuba, Puerto Rico, Trinidad and Tobago. No other group of people were brought here as captives.

Yahoshua said Israel was to be led into all nations as captives, and as history proves, this has happened to us, the so-called blacks of the western hemisphere. Yahoshua also said that we would remain in those nations (held as captives), until the times of the Gentiles were fulfilled. He also said that Jerusalem would be trodden down by the Gentiles.

The times of the Gentiles have not been fulfilled yet. The Gentiles are in rulership of the planet right now. (The Gentiles are not "non-JEWS" as we have been led to believe. They are the people known as Whites and Europeans. They are the descendants of Noah's son Japheth. After scripture lists all the descendants of Japheth, it says "by these were the isles of the Gentiles, divided in their lands" Genesis 10:5. Also notice that the apostle Paul only went to Europe, he was the apostle to the Gentiles (Romans 11:13). He never went to any other people other than white-skinned Europeans. The

Gentiles' rulership of the earth will end at the second coming of Yahoshua.

Jerusalem is being trodden down by the Gentiles daily; there are all kinds of pagan gods and goddess being worshiped in Jerusalem. Jerusalem is full of sin, not to mention the fighting between JEWS, ARABS AND CHRISTIANS over the ownership of that city. It's not a coincidence that the Jews are in complete ownership of Jerusalem (as of now). They took control of Jerusalem in 1967 during the Six Day War. They are helping to trod down the city along with other Gentiles. But the scriptures clearly state that the treading down of Jerusalem is the sole job of the Gentiles, not Israelites whom the Jews claim they are.

But the scriptures also say that Israel will be in the land of their captivity until, the times of the Gentiles are fulfilled. To sum up these verses (Luke 21:22-24), Israel is going to be led captive into all nations and Gentiles are going to trample the Holy city of Jerusalem.

Israelites were led captive into all nations and Jerusalem is being trampled daily by Gentiles (which includes Jews). Once again prophecy is being fulfilled.

According to prophecy, the Hebrews can't be in the land of Israel as a sovereign nation (A point I will prove shortly).

MICAH 5:7-8 shows where Israel will be in the latter days,

***(7) AND THE REMNANT OF JACOB SHALL BE IN THE MIDST OF MANY PEOPLE AS A DEW FROM YAH, AS THE SHOWERS UPON THE GRASS, THAT TARRY NOT FOR MAN, NOR WAIT FOR THE SONS OF MEN***

***(8) AND THE REMNANT OF JACOB SHALL BE AMONG THE GENTILES IN THE MIDST OF MANY PEOPLE.....***

The true Hebrews are among the Gentiles in the midst of many people. It's not a coincidence that the United States is known as the melting pot of the world, because every ethnic/racial group resides here with the Gentiles being the majority. And this is where the true Hebrews reside, in the midst of many people among the Gentiles. Lets

look at what is written in Ezekiel 16:24 -25,

***(24) THAT YOU HAVE ALSO BUILT UNTO YOU AN EMINENT PLACE AND HAVE MADE YOU AN HIGH PLACE IN EVERY STREET.***

***(25) YOU HAVE BUILD YOUR HIGH PLACE AT EVERY HEAD OF THE WAY (corner), AND HAVE MADE YOUR BEAUTY TO BE DESPISED, AND HAVE OPENED YOUR FEET TO EVERY ONE THAT PASSED BY, AND MULTIPLIED YOUR WHOREDOM.***

A high place is a place of worship such as church, temple etc. It's called a high place, because in biblical days the Hebrews (and others) would build a place of worship on a high hill. These places of worship were usually pagan temples and altars.

Here is a definition of high places taken from the Holman Bible Dictionary.

***"HIGH PLACE: An elevated site, usually found on the top of a mountain or hill; most high places were Canaanite places of pagan worship. The average high place would have an altar (2Kings 21:3-2 Chron 14:3), a carved wooden pole that depicted the female goddess of fertility (Ashram), a stone pillar symbolizing the male deity (2 Kings 3:2), other idols (2Kings 17:29; 2Chron 33:19), and SOME TYPE OF BUILDING (1Kings 12:31, 13:32, 16:32-33). At these places of worship the people sacrificed animals (at some high places children were sacrificed according to Jer 7:31), burned incense to their gods, prayed".....***

Today, go into any inner city in the United States, and go to the Hebrew side of town. While other communities may have a church or place of worship every 20 blocks or so, in the Hebrew community churches are lined up on just about every street. Some streets have three or four churches on one block. There are many instances where there are more churches on a street than there are residential dwellings. And Hebrews continue to build these churches by the dozens. It's estimated that there are over 65,000 Hebrew owned "places of worship" across the U.S. In Hebrew neighborhoods

it's not uncommon to see a million dollar church next to or across the street from a small storefront church, both standing in the midst of decay and destruction. This is the fulfillment of prophecy.

***ISAIAH 3:12: AS FOR MY PEOPLE, CHILDREN ARE THEIR OPPRESSORS, AND WOMEN RULE OVER THEM, O MY PEOPLE THEY WHICH LEAD YOU CAUSE YOU TO ERR, AND DESTROY THE WAY OF YOUR PATHS.***

In our community, children as young as 12 and 13 are helping to oppress us. Many of these children are misguided and involved in street gangs. They carry guns and use them on other Hebrews. And because of this, they have our community terrified of them. These young children run the community, they have the residents afraid of them, the preachers are afraid of them, and to some extent even the police are afraid of them.

This scripture also says women will rule over us. The Hebrew female has been placed above the Hebrew male for as long as we have been here. The Hebrew female's income has surpassed Hebrew male's (it's been this way since 1954). There are twice as many Hebrew women in college than there are Hebrew males.

Slavery intentionally placed the female in a dominate role over the male, Hebrew males who were forced into a status below the Hebrew female where they were totally powerless to protect her. In 1712 a white slave owner by the name of William Lynch from the West Indies wrote a letter to slave owners in the U.S. In his letter he outlined a plan he had devised for keeping the slaves docile and ignorant. He said that the slave owners must put the female slaves over the male slaves and make the male slave fearful and dependant on the slave master. This has been the historical role for us in this country for hundreds of years. Women continue to rule over us.

This verse also mentions that the Hebrew leaders are destroying the way of our path. This is absolutely the case now and has always been the case. Hebrew leaders aren't leading us to truth and righteousness. They are leading us into more destruction and confusion. These so called leaders come from the political, religious, and community

organizations. The politicians are telling us to vote and this will solve all our problems. The religious leaders are telling us that Christianity or Islam is the only way out. And the community (grass roots) organizations are telling us to shop with more black owned business, and this will help us solve our problem. Only a few of them are telling us that, we are the true Israelites, and the reason for all our suffering is that we have turned our backs on the Most High. We must turn back to YHWH, repent and ask for forgiveness. This is truly the only way for us to rise as a people.

***ISAIAH 51:20 YOUR SONS HAVE FAINTED, THEY LAY AT THE HEAD OF ALL THE STREETS (corners), AS A WILD BULL IN A NET THEY ARE FULL OF THE JUDGMENT OF YHWH THE REBUKE OF YOUR MIGHTY ONE.***

In any Hebrew community throughout the United States, Hebrew men and boys congregate on street corners day and night. The word faint means to fall unconscious. When you're unconscious you can't see, hear and are unaware of what's around you. These men hanging on the corners have no consciousness of what's really going on. They have no idea why and how all this trouble has fallen upon us. All they want to do is drink and sell drugs on those corners.

This scripture also says, that they are going to behave like wild bulls in a net (buck wild) while they are on the corners. These corners mentioned above are dense with Hebrew men, who are so wild, that you don't even want to go pass them walking or driving. This isn't happening in other ethnic/racial communities the way it is happening in ours. According to scripture, who else fits the description of biblical Israel?

As I stated previously, many Hebrews (so called blacks) will try to deny all the information I have presented, because we have been taught to think otherwise. Scripture said this would happen, and it also tells us the penalty for rejecting this truth:

***HOSEA 4:6 -- MY PEOPLE (Israel) ARE DESTROYED FOR THE LACK OF KNOWLEDGE: BECAUSE YOU HAVE REJECTED KNOWLEDGE, I WILL ALSO REJECT YOU, THAT YOU SHALL BE NO PRIEST TO ME: SEEING YOU HAVE FORGOTTEN THE LAW OF YOUR HOLY ONE, I***

### ***WILL ALSO FORGET YOUR CHILDREN.***

The knowledge that Israel is lacking and has rejected is the knowledge of who they are, who YHWH and Yahshuah are, what our special calling is and our special relationship to the Most High. Because we have rejected this knowledge, Yah said he would reject us and forget our children.

Look around today and tell me what children are more rejected than Israel in the western hemisphere. Barbara Kelly Duncan, national director of the children's defense fund's black community crusade for children stated. "Black children are in the worse crises since slavery. When you talk about winning the game, our children aren't even in the game. They are lacking a sense of community a sense of support and for too many of them, there's not a sense of HOPE."

Ms. Duncan is absolutely correct. 10.4 million (43.3%) Hebrew youths under the age of 18, live below the poverty line. More than half of the children in the foster care system are Hebrew and are almost four times as likely to grow up in poor surroundings. More than half (60%) of all children with AIDS and HIV are Hebrew. The deck is stacked against them at birth. In 1995, the infant mortality rate among Hebrews was more than twice that of whites (remember Hebrews in the US are only 12% of the general population).

Hebrews ages 1 to 4yrs also had the highest child mortality rate of any ethnic group. In 1996 more Hebrew babies died in the predominantly Hebrew section of NY called Harlem, than in Thailand (a so called third world country). Hebrew children are the number 1 victims of gun violence; the homicide rate for Hebrew males 15 to 19 has tripled and is nearly 9 times that of white males.

The suicide rate for Hebrew children has more than doubled since the 1980's. They die from violence more than any other group of children here in the U.S. and the industrial world at large. They are also the majority of Juvenile offenders in adult jails and prisons. Of the 70 death row inmates sentenced to die as juveniles, 46% of them are Hebrew males.

While public schools remain in crisis, 93% of all Hebrew children attend public schools. On all academic tests given in the U.S., Hebrew children score the lowest across the board in reading, math, science etc. Two-thirds of all Hebrew children in public education are coming out of school functionally illiterate. So whose children have been forgotten? Everything that can go wrong will go wrong for our people, all because we have turned our back on the Most High and forgotten the covenant we made. These punishments/curses will remain on Israel for a little while and we can take hope in the fact that all the promises listed in Acts 2:39 will be given to us first. But before we can receive the promises we will have to be cleaned up.

The Curses have overtaken us, to the point that many of us now believe that the creator has forgotten us. As it is written in Isaiah 49:14 -16:

***BUT ZION SAID, YHWH (YAH) HATH FORSAKEN ME, AND HE HATH FORGOTTEN ME.***

***15. CAN A WOMAN FORGET HER SUCKING CHILD, THAT SHE SHOULD NOT HAVE COMPASSION ON THE SON OF HER WOMB?  
YEA THEY MAY HAVE FORGOTTEN, YET WILL I NOT FORGET YOU,***

***16. BEHOLD, I HAVE GRAVEN YOU UPON THE PALMS OF MY HANDS: YOUR WALLS ARE CONTINUALLY BEFORE ME.***

The Jews don't believe Yah has forsaken them because they don't believe in Yah. And how could a people who have received so much over the past 50 years think they are forsaken people? In fact they think they're blessed. And they have every reason to believe this. But Israel in the western hemisphere has every reason to feel forsaken. Just look at our conditions today. But Yah said although we have forgotten about him and our special covenant with him, He has not forgotten about us. These curses will be lifted soon.

***Joel 3:3 - AND THEY HAVE CAST LOTS FOR MY PEOPLE; AND HAVE GIVEN A BOY FOR AN HARLOT, AND SOLD A GIRL FOR WINE, THAT THEY MIGHT DRINK.***

During the slave trade we were classified as human cargo and since the slave was only

seen as a commodity, slave traders would often pull into ports in the Americas and Europe, and trade a slave for a harlot or a gallon of rum. Rum was very big in the slave trade, It had become the mainstay of New England economy as well as the chief commodity exchange for slaves. In 1756 a Hebrew man was priced at 115 gallons and a woman at 95 gallons. American rum replaced French brandy as the favorite drink in West Africa. Like any trade commodity, its value fluctuated. At times too many ships bearing hogsheads of rum would arrive on the Guinea coast when slaves were scarce and would drive down the value of the rum.

**Zechariah 11: 4 - 5,**

**THUS SAID YHWH; FEED THE FLOCK OF THE SLAUGHTER;**

**(5) WHOSE POSSESSORS SLAY THEM, AND HOLD THEMSELVES  
NOT GUILTY: AND THEY THAT SELL THEM SAY, BLESSED BE YAH;  
FOR I AM RICH: AND THEIR OWN SHEPHERDS PITY THEM NOT.**

The possessors of the Hebrews have been the ruling/dominate population in this country. These are the same people who owned us during chattel slavery. These are also the same people who sold us during the slave trade and these are the same people who haven't held themselves guilty for helping to bring about the condition of Israel.

Professor Andrew Hacker on page 4 of his book entitled, Two Nations, Black and White, Separate, Hostile, Unequal:

*"Most whites will protest that they bear neither responsibility nor blame for the conditions Blacks face. Neither they nor their forbearers ever owned slaves nor can they see themselves as having held anyone back or down." Today the younger generations of Whites resent being held morally or financially responsible for the racial sins of their ancestors, even though as whites, they still enjoy the inherited advantages and privileges of slavery."*

This attitude has been present in this country for a long time.

The United States became a rich and powerful nation on the backs, blood, sweat and

tears of the Hebrews. This is a known historical fact. Slaves were walking credit cards. Any white person who owned a slave could always earn money by either selling the slave's labor or selling the slave. Both the slave and his labor were valuable. The large southern plantation owners who used slave gang systems had 18 times more wealth than a northern farmer, and nearly 400 times more wealth than the average northern urban laborer.

Poor southerners who owned nothing more than two Hebrew slaves had assets comparable to the average northerner with all of his personal property, livestock, modest savings, and real estate. White wealth created through slavery benefited not only the actual plantation owners, but also numerous businesses in the community. Farms and small town businesses sustained themselves by buying and selling slave produced products. Businesses supporting plantations generated massive amounts of capital, which was circulated throughout the communities.

As in the South, the northern economy also thrived on the labor of Hebrews through profits from businesses connected to the slavery industry. The United States and its citizens (the ruling/dominate population) used the Hebrews in order to become rich.

Even today, the Hebrews' own "shepherds" (leaders both political and religious) are using them in order to get rich. They have no pity or compassion for the Hebrews' condition. Many just want to obtain more money and become more famous. A couple of years ago, the President of the National Baptist Convention, Rev. Henry Lyons was found guilty for fraud, theft and a host of other things. He is not the only one like this,

Rev. Jesse Jackson, Minister Louis Farrakhan and many others, live in big homes, drive big cars, and have big bank accounts, while the people they are supposed to help are living in dire conditions. The Hebrews are being eaten up from both sides, from the ones that hate and oppose us continually and from the ones who pretend to love and help us; we receive no mercy or loyalty from our own.

*How do you recognize the true modern  
day descendants of Israel?*
