

LORD, GOD, JESUS AND JEHOVAH.

WHAT IS HIS NAME AND WHAT IS HIS SONS NAME

How could anyone believe the names of salvation don't matter? Would you allow me to call you any name I like? If someone gives you a name you don't like, does it matter if they spell it with a capital or lowercase letter? (God –vs– god)

Psalms 68:4 Sing unto the Almighty, sing praises to his name: extol him that rideth upon the heavens by his name YAH, and rejoice before him.

He is the creator of heaven and Earth, and his name is Yah. In your KJV the name given is JAH. That is incorrect; there is no letter J, J equivalent, or J sound in the entire Hebrew language. In fact the letter J is one of the newest letters in the English alphabet. It came into usage sometime after 1630; Jesus or Jehovah wasn't in the original 1611 KJV (King James Version).

Hallelu'YAH (means PRAISE YOU YAH) has JAH in the suffix. Why is that? Simple, the adversary Satan is trying to take the name of salvation away from you. He is deceiving you into calling upon false GODS. YAH's name means THE ETERNAL, THE SELF EXISTENCE, Jehovah means nothing, it's a vain name. Yah said not to take his name in vain, this is one of the first commandments.

Exodus 20:7 Thou shalt not take the name of YAH in vain; for YAH WILL NOT HOLD HIM GUILTLESS that taketh his name in vain.

The KJV says not to take the name of “the Lord” in vain. LORD is not a name, it's a title, you see this by the word “the” in the front; “the LORD” means “Ba'al” in Hebrew.

Jeremiah 23:27 Which think to cause my people to forget my name by their dreams which they tell every man to his neighbor, as their fathers have forgotten my name for Baal.

Zephaniah 1:4 "I will stretch out my hand against Judah and against all who live in Jerusalem. I will cut off from this place every remnant of Baal, the names of the pagan and the idolatrous priests–

Lord and God both have roots in Paganism, both can be traced back to ancient pagan deities. The messiah's true name is **Yahoshua**, it means Yah's salvation, his name tells his mission. Many bible dictionaries and concordances will tell you Wherever Lord and God is written in Scripture that the name should be YAH. If you have a concordance in your KJV bible, look under the name Yahweh, it will read this:

Whenever the words Lord and God appear in large and small capital letters, the original Hebrew reads YHWH.
Humble yourself and research these 4 letters.

Christianity has put you into a confrontation with the most high. Christianity has deceived you into taking the creator's name in vain; you have made it useless by calling him a false name. Jehovah is not a Hebrew name; Jehovah is not an English translation of the father's Hebrew name. YAH does not need a translation for his name. All men on the face of the earth, in every language can pronounce his name, YAH.

**Isaiah 42:23 Who among you will give ear to this? Who will hearken and hear for the time to come?
WILL YOU?**
