

Tonight (*Track 5 on Twenty Two Years*)

Would you love me if I had no money
I'm not asking cause I think it's funny
I think it's safe to say, it'll come down the line
It doesn't matter what the people say
I'm gonna make it any old way
You'll see it'll come just in time

It doesn't matter what you say or do, cause I'm leaving it all to you
Tonight you're on my mind, don't say I've run out of time

Cause I remember how it used to be
It seemed like life was just an open door to me
And my luck was divine
But things have changed and not a positive way
I'm gonna make it any old way
You'll see it'll come just in time

It doesn't matter what you say or do, cause I'm leaving it all to you
Tonight you're on my mind, don't say I've run out of time

It doesn't matter what you say or do, cause I'm leaving it all to you
Tonight you're on my mind, don't say I've run out of time

It doesn't matter what your momma or your pappa
Or your sister or your brother or significant other say
I love you baby give a little more time
It doesn't matter what you coulda or you woulda
Or you shoulda but you didn't and you really shoulda oughta
You know I love you baby give me a little more time

It doesn't matter what you say or do, cause I'm leaving it all to you
Tonight you're on my mind, don't say I've run out of time
That's right cause tonight you're on my mind
Don't say I've run...
Well don't say I've run...
Please don't say I've run...
No don't say I've run..
No no no don't say I've run...
