

Car Masters Weekend at Downtown Disney

Enjoy an event dedicated to all things automotive, including Disney•Pixar's Cars and a dynamic car show featuring over 150 vehicles that culminates in an exciting awards parade ceremony.

Park Yourself for a Fun-filled Weekend

This Father's Day Weekend, hit the road for an unforgettable automobile extravaganza! Starting Saturday morning and ending Sunday evening when a Best Of Show winner is crowned, you won't want to miss a single magic moment Car Masters Weekend has to offer!

Car Masters Weekend
June 15 to June 16, 2013
9:30 AM to 6:00 PM

- **Cars Meet 'n' Greet** — Take pictures and get to know some of your favorite Characters from Cars and Cars 2, including Lightning McQueen, Mater and Finn McMissile.
- **Downtown Disney Car Show** — Lock your eyes on over 150 classic, muscle and exotic cars along the promenade. Pick your favorites and see which ones win awards.
- **Auto Personality Appearances** — Fill up your schedule with special appearances by automotive legend Chip Foose, as well as Disney•Pixar's Cars filmmaker Jay Ward. Purchase exclusive Chip Foose merchandise—you could get it signed by the man himself!
- **Disney•Pixar's Cars Movie Marathon** — See some of your favorite characters back on the big screen during a double feature of Disney•Pixar's Cars and Cars 2 at AMC@ Downtown Disney 24.
- **Car Masters Merchandise** — Take the event home with you by making a purchase from a large selection of Cars-themed merchandise and event-specific souvenirs.
- **Exclusive Disney Activities** — Race over to play *Disney Infinity*; then get revved up for future Disney film releases with interactive fun.
- **Go for a Test Drive** — Take some of the Cars 2 RideMakerz models for a remote control test drive—you can even buy your own and take them home!
- **Exotic Driving Experience** — Get up close to real-life supercars and learn how you can get behind the wheel at Walt Disney World Speedway.
- **Idle over to the Chevrolet Showcase** — Pose for photos inside some of the newest models and discover the latest designs and technologies.

So come on down—"wheel" show you a good time!
