

MEMBERSHIP INFORMATION

There are two types of membership available in the Matamoras Rod & Gun Club. They are: Share Holder Membership and Associate Membership.

Share Holder Membership requires the member to purchase a Club Share. There are currently 100 Club Shares. Share Holder Members have unrestricted access to the grounds and ranges, voting rights in all club matters and hunting privileges. A Club Share can be purchased from the Club (based on availability) or from a Share Holder Member who wishes to sell their Share and terminate their membership.

Associate Membership does not require the member to own a Club Share. This program is a one year membership. Associate Members are required to participate in 16 hours of club activities (workdays, public events, meetings), are not permitted to vote in club matters, are not granted hunting privileges and pay annual dues. Additionally, Associate Members are limited to one guest when using the ranges. The Associate Membership Committee reviews each member at the end of the year and determines whether or not the membership will be renewed based on participation from the previous year.

Both memberships require members to follow all Club regulations as outlined in the Club By-laws, Range Rules and House Rules. Failure to follow club rules can result in disciplinary action and possible expulsion from the Club.
