

When this happens if I say you can feel God' s presence ... the person replies, " I can feel heat in my shoulder, all over my body or sometimes just in my feet " ... when for example I have my hand on their shoulder!

Some other experiences along these lines are found below in the section,

"Some Testimonies From My Journal - Virtue Flowing. "

The theory behind this experience, I believe, is found in verses such as:-

Luke 6: 19 And the whole multitude sought to touch him: for there went **virtue** out of him, and healed them all.

Luke 8: 46 And Jesus said, Somebody hath touched me: for I perceive that **virtue** is gone out of me.

Virtue in the Greek is **dunamis** * and translated in the RSV as power.

* Definition of word **dunamis** : strength power, ability

- a. inherent power, power residing in a thing by virtue of its nature, or which a person or thing exerts and puts forth
- b. power for performing miracles

- c. moral power and excellence of soul
- d. the power and influence which belong to riches and wealth
- e. power and resources arising from numbers
- f. power consisting in or resting upon armies, forces, hosts

It is interesting to note that **dunamis** is translated as miracles in Acts 19:11

Acts 19: 11, 12 And God wrought special **miracles** by the hands of Paul:

So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.

Also of note these miracles in the Book of Acts seem to be similar to what Jesus was doing. In the Gospels sick people were attempting to touch the hem of His garment. In the case of Paul handkerchiefs or aprons were been used to transmit **dunamis** or God' s power.

Heat At The Interface - Aaron

Went to a food and fellowship night at a Pentecostal church and sat at a table with a young

man called Aaron. After the meal I prayed the sinners' prayer with Aaron and then prayed other items for him. I held his right hand and afterwards he told me he could feel the ' heat ' coming from my hand into his own.

Subsequently prayed with several other people and similar manifestations have happened ... I can feel heat at the interface of my hand and their body. I have had my hand on their shoulder and some have said they feel the heat in their belly... GLORY TO GOD!

Heat At The Interface - Ian, Gordon

Prayed for a backslider called Ian and he could feel the heat in his chest whilst I prayed for him with my hand on his shoulder.

Later I prayed for 2 other Christians at different times and while I prayed for them they could feel the heat in their hands (without the laying on of my hands).

On June 13, 2000 I prayed for a man called Gordon on New Street, Birmingham. He told me he had trouble with something on the top of his head and down the side of his face. During prayer I placed my left hand on the top of his head and felt heat between the interface of my hand and his head. I said to him, " Do you feel the heat? " His reply was, " Yes, and the thing that was on my head has slipped down to my shoulders! " I then laid my hands on his shoulder and commanded the demon to leave and not return. His face lit up and he gave me a hug and he went on his way!

I give the Lord Jesus Christ all the glory and honour for this gift. PRAISE HIS HOLY NAME!

Also there are many other interesting uses of the word **dunamis**, for example:-

For God hath not given us the spirit of fear; but of **power**, and of love, and of a sound mind. (2 Timothy 1: 7)

To another the working of **miracles**; to another prophecy; to another discerning of spirits; to another divers kinds of tongues; to another the interpretation of tongues: (1 Corinthians 12: 10)

However, it should be noted the word power, miracle, virtue, etc in the English text is not always **dunamis** in the Greek, e. g.:-

And Jesus came and spake unto them, saying, All **power** is given unto me in heaven and in earth. (Matthew 28 :18).

Here the original word is **exousia** meaning authority, privilege!

A SINNER' S PRAYER TO RECEIVE JESUS CHRIST AS LORD AND SAVIOUR

Heavenly Father I come to you now. Lord, I am a sinner. I have sinned against you, even this day, but Lord, I come and ask you in the name of Jesus that you will forgive me for all my sins, that you will wash me in the blood of Jesus and I shall be cleansed from all sin. I thank you now for saving me. Come into my heart and into my life and Lord, lead me by your Spirit and help me to live for you from this day forth. I thank you now in Jesus' name, Amen.

To continue as a true believer you must follow the Lord Jesus Christ. This involves regularly:

1. Reading the Bible;
2. Praying to God in Jesus' name;
3. Fellowshiping with other born-again believers.

Dunamis Flowing -Theory And Experience

On October 29, 2002 we were having a prayer meeting in my flat/ apartment. At that time I could feel heat emitting from my right hand when I placed it about 1 inch from someone' s body. When I did this with a certain lady called J she fell backwards on to a sofa, started to yawn and cry out. The spirit of fear was commanded to come out and later she reported that she felt she was free from this oppression.

At other times when I have prayed for somebody I felt heat at the interface between my hand and the other person's body.
