

Importance of Community, Family and Fun!!

The Arrowhead ATV Club, through a grant from Yamaha, donated a Rescue Sled and Trailer to the Volunteer Fire and Rescue Department of Ellsburg Township.

Since 1995, Arrowhead has welcomed many families. . .

and, has been promoting fun and safe rides for all!

Today in Minnesota we have over 305,000 registered ATVs and with very limited areas where we can enjoy our sport. ATV owners are 20% of the population of the whole State and only 3% are members of a Club. Joining a club helps promote community among the owners of all-terrain vehicles and to have our voices be heard regarding gaining access to trails for the enjoyment of ATV riding. We feel it is very important to get involved to help future generations enjoy what we have today.

ARROWHEAD ATV CLUB

Trails For Tomorrow

Duluth, Minnesota

History

The Arrowhead ATV Club was established in 1995 by a couple of guys sitting in their garage. Ron Nelson was elected as the first President and our current President, Mike Levig, was voted as the first Vice President. They had their first meeting in the Lincoln School in Lincoln Park, Duluth and set standards and goals for people who enjoyed riding ATV's.

Mission Statement

ARROWHEAD ATV CLUB IS DEDICATED TO:

- Promoting ATVing;
- Promote Family and Community Involvement;
- Be Good Stewards;
- Strive to educate the Government and Public about ATV use;
- Improve Trail Access

Environmental Citizenship

Arrowhead ATV has a vested interest in ensuring a healthy environment in which trees can grow and thrive and in doing so we have planted more than 10,000 trees in our local area as well as another 2,000 proposed in 2010. Arrowhead ATV Club pledges to be a responsible steward of the forest lands so future generations can prosper on a healthy planet.

Since 1982, Arrowhead ATV Club has participated in the St. Louis County's Adopt-A-Highway Program along Island Lake on Highway 4.

Youth Safety and Trail Ambassadorship

Partnering with North Shore Club, Arrowhead ATV Club helps provide training for children to insure safety and stress the importance of responsible and safe riding habits.

Arrowhead ATV sponsors Members to become Volunteer Trail Ambassadors, a program established by the DNR. The program plays a critical role in assisting land managers efforts to provide a recognizable presence and are responsible for educating trail users, giving minor aid in emergencies, and providing useful information about responsible and safe OHV use on public lands.
