

The basic message found in all of these prophecies is always the same that humanity will meet their end from celestial events brought on by the wrath and judgment of God.

PROPHECIES OF THE HOPI INDIANS

Dan Katchongva (1865-1972)

Hopi Primary Source: Excerpts, *The Hopi Story: Teachings, History, and Prophecies of the Hopi People*: as told by Dan Katchongva, Sun Clan and translated by Danagyumtewa.

This talk was recorded on 1/29/70 and was published because Mr. Katchongva hoped that those causing this tragedy could not persist if they had an idea of the purpose behind Hopi resistance to foreign control. Dan agreed to the publication of this booklet on condition that it never be sold, insisting that to sell Hopi teachings would be like selling his own mother. In addition to the prophecies fulfilled during his lifetime, Dan was told by his father that he would live to see the beginning of the final event of this era, the Great Day of Purification. Dan Katchongva died in 1972.

Arrival of Another Race Foretold Time passed on, people passed on, and the prophecies of things to come were passed from mouth to mouth. The stone tablets and the rock writing of the life plan were often reviewed by the elders. Fearfully they waited as they retold the prophecy that one day another race of people would appear in their midst and claim our land as his own. He would try to change our pattern of life. He would have a sweet tongue or a forked tongue and many good things by which we would be tempted. He would use force in an attempt to trap us into using weapons, but we must not fall for this trick, for then we ourselves would be brought to our knees, from which we might not be able to rise. Nor must we ever raise our hand against any nation. We now call these people Bahanna.

The Forces of Purification We have teachings and prophecies informing us that we must be alert for the signs and omens which will come about to give us courage and strength to stand on our beliefs. Blood will flow. Our hair and our clothing will be scattered upon the earth. Nature will speak to us with its mighty breath of wind. There will be earthquakes and floods causing great disasters, changes in the seasons and in the weather, disappearance of wildlife, and famine in different forms. There will be gradual corruption and confusion among the leaders and the people all over the world, and wars will come about like powerful winds.

The Forces of Purification

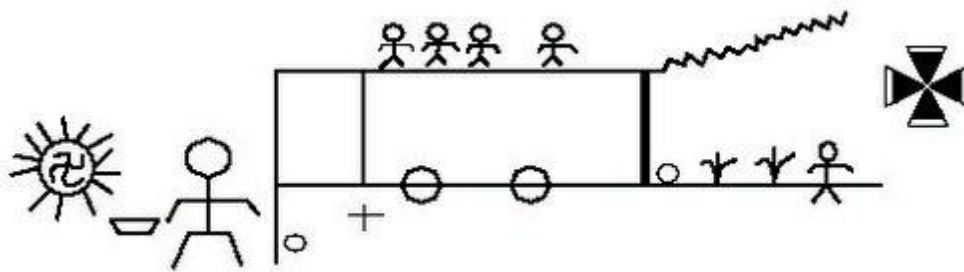

All of this has been planned from the beginning of creation. We will have three people standing behind us, ready to fulfill our prophecies when we get into hopeless difficulties: the Moha Symbol (which refers to a plant that has a long root, milky sap, grows back when cut off, and has a flower shaped like a swastika, symbolizing the four great forces of nature in motion), the Sun Symbol, and the Red Symbol.

Bahanna's intrusion into the Hopi way of life will set the Moha symbol in motion, so that the four great forces of nature (the four directions, the controlling forces, the original force) will rock the world into war. When this happens we will know that our prophecies are coming true. We will gather strength and stand firm. This great movement will fall, but because its subsistence is milk, and because it is controlled by the four forces of nature, it will rise again to put the world in motion, creating another war, in which both the Moha and the Sun Symbol will be at work. [My note: apparently referring to the swastika-like Moha (Germany) in conjunction with the Rising Sun (Japan)] Then it will rest in order to rise a third time. Our prophecy foretells that the third event will be the decisive one. Our road plan foretells the outcome. This sacred writing speaks the word of the Great Spirit. It could mean the mysterious life seed with two principles of tomorrow, indicating one, inside of which is two. The third and last, which will it bring forth, purification or destruction?

The third event will depend upon the Red Symbol, which will take command, setting the four forces of nature (Moha) in motion for the benefit of the Sun. When he sets these forces in motion the whole world will shake and turn red and turn against the people who are hindering the Hopi cultural life. To all these people Purification Day will come. Humble people will run to him in search of a new world, and the equality that has been denied them. He will come unmercifully. His people will cover the Earth like red ants. We must not go outside to watch. We must stay in our houses. He will come and gather the wicked people who are hindering the red people who were here first. He will be looking for someone whom he will recognize by his way of life, or by his head (the special Hopi haircut) or by the shape of his village and his dwellings. He is the only one who will purify us. The Purifier, commanded by the Red Symbol, with the help of the Sun and the Moha, will weed out the wicked who have disturbed the way of life of the Hopi, the true way of life on Earth. The wicked will be beheaded and will speak no more. This will be the Purification for all righteous people, the Earth, and all living things on Earth. The ills of the earth will be cured. Mother Earth will bloom again and all people will unite into peace and harmony for a long time to come.

But if this does not materialize, the Hopi traditional identity will vanish due to pressure from Bahanna. Through the white man's influence, his religions, and the disappearance of our sacred land, the Hopi will be doomed. This is the Universal Plan, speaking through the Great Spirit since the dawn of time. The Hopi have been placed on this side of the Earth to take care of the land through their ceremonial duties, just as other races of people have been placed elsewhere around the Earth to take care of her in their own ways. Together, we hold the world in balance, revolving properly. If the Hopi nation vanishes, the motion of the Earth will become eccentric, the water will swallow the land, and the people will perish. Only a brother and a sister may be left to start a new life.

Thomas Banyacya and the prophecy rock

The Prophecy Rock

The Hopi Indians have a prophetic tradition dating back thousands of years. One of their crucial prophecies was carved on a rock cliff in the Black Mesa of Arizona, some 2000 years ago. This petro glyph (as described by Sun Bear and others) depicts the great spirit pointing to two divergent historical paths across the era of our world (the fourth world).

[The above drawing is an interpretation of the carving on Prophecy Rock. Both the drawing and the explanation below come from Thomas Banyacya, Hopi Elder. There are other interpretations; most are similar to this one.]

The Prophecy Rock

Our Hopi history tells us that at the time of emergence we met the spirit who owns this world. He met us, and we asked him to be our leader. He refused, saying that we had our own mission to fulfill before he would consider becoming our leader. He set this life out for us. He gave us instructions. This is symbolized by his figure holding the line. Now the circle at the bottom of the drawing symbolizes the physical world and creation. We went forth into our journeys. We reached a certain point in time, who knows, maybe a thousand years. There we were met by Massau'u again. Here he gave us more instructions. To the Hopis he gave a path of life to follow. This is shown by the straight line that goes across. To the white brother he gave different instructions. The white brother went up, and the Hopis went another direction.

Now at this second meeting with Massau'u, he told us that within the life of this current world, there would be three phases of life where the whole world would be shaken up. Three nations would rise up and shake the world. This we interpret to mean world wars. Now up at the left side we see a symbol. This is what is painted on the Hopi ceremonial rattles that are given to children. The rattle symbolizes the world. The painting on the rattle shows the symbols of the countries that would shake the world three times. I think that the swastika in the middle symbolizes the German people, who had that for a symbol. They brought the United States into the First and Second World Wars. The sun symbol signifies the Japanese people who brought the United States into the Second World War. Pasivaya, an old religious leader from Shipaulovi, told me that the third nation to rise up would have its national symbols in red. The people would wear red caps or red robes. The world has been shaken up twice already. There is one more war left.

So after the second meeting with Massau'u the white brother went on his way, and we went on our way, according to instructions. But it was told that we would meet again someday, that this white brother would come back to purify us so that we would become one people again. So on the top, the line means this -- it shows the journey of this white brother. In the life of the white peoples, they would show themselves to be clever and gifted. They would invent many scientific things.

So the first three figures shown on the top line symbolize the stages of the white people, their scientific advancement, from the carriage to the automobile to the airplane. The circles right underneath the figures prophecy the three gourds of ashes that would fall on earth. The first and second circles are interpreted to mean the bombs that fell on Japan in WWII. The four headless figures on top show our Hopis who have become like the white people. These are Hopis who have forsaken their Life Plan and who have become like the Pahana [whites]. They have fallen for the white way of life -- the easy life, the modern conveniences -- and do not care for Hopi life anymore. These Hopis will say to other Hopis to follow their ways. Now if all Hopis fall for this trap, then life will be like the jagged line going up, toward the upper right corner. It will be up and down, turmoil, earthquakes, floods, drought. The old people say we are at this stage of life now.

The Prophecy Rock

But it is prophesied that a phase of life will come when those Hopis who have become like the white people will realize their wrongdoings and attempt to join again the Hopis who are holding on. This is symbolized by the line going down, back to the Life Plan of the Hopis. Now if this happens, then there will be times of unity, of all Hopis working together.

We would have then come back to this Life Plan set out by the Great Spirit for us. This is symbolized by the circle and the corn. Now it is foretold that we would meet up with Massau'u one more time as symbolized by the figure on the right. He will judge us and, if we are deserving to go with him, he will accept to be the leader of the Hopis. And thereafter we will have a happy life.

Like the Maya, Aztec, and other Native American tribal wisdom traditions, the Hopi tell of a series of 'worlds' which have existed. Each may be thought of as a cycle of civilization. A common aspect is that we are currently in the 4th world. The Hopi describe the demise of the other worlds as follows:

1st world: ended when all of the volcanoes of the world erupted and an all consuming fire engulfed and destroyed the first world.

2nd world: ended when the poles shifted and the earth was covered in ice. Mountains fell into oceans and seas.

3rd world: "The third world was very corrupt and this time it would be destroyed through water. Taiowa sent Spider Woman to talk to the people who still carried the Creator's song in their hearts. She taught them how to build large boats out of reeds. This, they did, and when their boats were sealed, the waters began to flood the world. The noise of the rushing waters was incredible. Large continents sunk and broke apart into small islands. Incredible rains fell. Then it stopped, and there was silence. The reed boats drifted the people over the silent waters for a long time. When their boats finally stopped on a new coastline, the people walked onto the dry lands for the first time. They had emerged into the fourth world. This is the world we are all living in today."

The Hopi account of the end of the previous 3rd world by a 'cleansing' by way of great flood fits in well with Cayce and others. In fact, similar traditions of a worldwide catastrophe exist among peoples of all continents including Scandinavians, Greeks, Egyptians, Hebrews, Sumerians, Babylonians, Persians, Hindus, Fiji Islanders, Eskimos, native North and South Americans and many other sources.

The Hopis mark the end of the 4th world as a purge by fire (cf. Edgar Cayce above). The end of the fourth world (called Tuwaqachi by the Hopi) is described thus (see Book Of The Hopi, by Frank Waters). Eventually a gourd full of ashes would be invented, which if dropped from the sky would boil the oceans and burn the land causing nothing to grow for many years (atomic bomb).

The Prophecy Rock

This would be the sign for a certain Hopi to bring out his teachings in order to warn the world that the third and final event would happen soon. That it could bring an end to all life unless people correct themselves and their leaders in time.

The final stage, called "The great day of Purification", has been described as a "Mystery Egg" in which the forces of the swastika and the Sun plus a third force symbolized by the color "red" culminate either in total rebirth or total annihilation, we don't know which. But the choice is yours, war and natural catastrophe may be involved.

The degree of violence will be determined by the degree of inequity caused among the peoples of the world and in the balance of nature. In this crisis rich and poor will be forced to struggle as equals in order to survive.

Some markers and signs: Before the time of the great Purification, they will make metal roads for iron horses and hang metal ropes in the air. (Pre-Colombian Hopi prophecy) First they will bring back pieces of the Moon which will upset the balance and unleash disastrous forces. (ibidem) Near the day of the Great Purification, there will be cobwebs spun back and forth in the sky through which 'people will walk'. (ibidem) The Purification will begin shortly after humans build a great house in the sky (MIR and/ or new European/US space station?). By then there will be fires everywhere and greedy, selfish, power-mad leaders, internal wars. (ibidem)

PROPHECIES OF THE MAYAN AND AZTEC INDIANS

The Mayans, a civilization of great sophistication and excellence in Astronomy, disappeared suddenly from the jungles of Central America around 830 AD. Like the Aztecs after them, the Mayan's made reference to the world being created and destroyed several times. They believed they were living in the 5th age of the sun, and that 4 previous ages had existed. The Mayans believed that there had been great death and destruction at the end of each of the previous worlds. The Aztec description of the end of the 4 suns is as follows:

PROPHECIES OF THE MAYAN AND AZTEC INDIANS

1st sun - destroyed by water

2nd sun - destroyed by wind

3rd sun - destroyed by fire

4th sun - destroyed by rain of fire and blood

The Mayans date the end of the previous world (4th sun) as 13 August 3114 BC (Long count calendar). The date for the end of the current world has been decoded as just before sunset, Central American time, 21 December 2012.

Great Pyramid at Giza's timeline for events 2000 AD

It has been long seen that the passages and chambers of the Great Pyramid appear to map human history - in terms of the passages angles, directions, sizes and shapes. A time scale seems to indicate important events, indeed sometimes accurately to the day. The Great Subterranean Chamber appears to apply to our time. It is entered around 1914. It brings humanity to the deepest part of the pit around 2003 plus or minus three years (Lemesurier, P. 'The Great Pyramid Decoded'). The first of the steps leading out of the pit do not appear till around 2055 A.D. As Mr. Lemesurier, who conducted one of the most recent analyses, describes in 'The Final Reckoning': "The crisis is essentially a material one. We should expect the basic structures that underlie our whole civilization to suffer severe damage. Our financial structures, our communications networks, our supplies of raw- materials and consequently our whole standard of living are at severe risk. For some decades we may be forced back into a much more primitive way of life characterized by self- sufficiency and closeness to the land. Especially during the change over, social unrest, conflict and disintegration may result."

Native American Prophecy of Stalking Wolf “The Grandfather”

I detail here a prophecy of an Apache wise man called Stalking Wolf. This prophecy is recounted by Tom Brown Jr. who knew this wise man in his early years as 'The Grandfather'. A brief summary follows, however I advise interested readers to investigate the full text of 'The Quest'.

The Grandfather had many personal and global prophecies which he shared with Tom Brown. However, in the 1920's he had a series of 4 prophecies concerning the destruction of man. He said that we could still change things, even after the first two prophecies came true, but there could be no turning back after the third.

A spirit warrior guided the Grandfather through a series of visions. In each, he saw the effects of each via a form of spirit (or astral) travel. The spirit warrior said: "These are the things yet to come that will mark the destruction of man. These things you may never see, but you must work to stop them and pass these warnings on to your grandchildren. They are the possible futures of what will come if man does not come back to the earth and begin to obey the laws of Creation and the Creator. These are four signs, four warnings, that only the children of earth will understand. Each warning marks the beginning of a possible future, and as each warning becomes reality, so too does the future it marks."

1st Vision

The Grandfather found himself in a dry place with little vegetation. He entered a village, from which the stench of death came forth. A horrific sight of living starvation and the bodies of the dead greeted him - the frail frames telling of death by starvation. The Grandfather was met by an man, who he felt was the spirit of an elder of these people. The elder told him "Welcome to what will be called the 'land of starvation'. The world will one day look upon this with horror and will blame the famine on the weather and the Earth. This will be the first warning to the world that man cannot live beyond the laws of Creation, nor can he fight Nature. If the world sees that it is to blame for this famine, then a great lesson will be learned... This will be the first sign. There will come starvation before and after this starvation, but none will capture the attention of the world with such impact as does this one. The children of the earth will know the lessons that are held in all of this pain and death, but the world will only see it as drought and famine, blaming nature instead of itself."

[Comment: would seem to describe the great African famine that inspired Live Aid]

Later, the spirit warrior came again to the Grandfather. Again he spoke: "It is during the years of the famine, the first sign, that man will be plagued by a disease, a disease that will sweep the land and terrorize the masses. The white coats will have no answers for the people, and a great cry will arise across the land. The disease will be born of monkeys, drugs and sex. It will destroy man from inside, making a common sickness a killing disease. [Comment: AIDS] Mankind will bring this disease upon himself as a result of his life, his worship of sex and drugs, and a life away from Nature.

Native American Prophecy of Stalking Wolf “The Grandfather”

This, too, is a part of the first warning; but, again, man will not heed this warning and he will continue to worship the false gods of sex and the unconscious spirit of drugs. The drugs will produce wars in the cities of man, and the nations will arise against those wars, arise against that killing disease. But the nations will fight in the wrong way, lashing out at the effect rather than the cause. It will never win these wars until the nation, until society, changes its values and stops chasing the gods of sex and drugs. It is then, in the years of the first sign, that man can change the course of the probable future... But once the second sign of destruction appears, the Earth can no longer be healed on a physical level. Only a spiritual healing can then change the probable futures of mankind."

2nd Vision

After a period of rest, The Grandfather is transported to another scene. A dry landscape, barren of vegetation was the scene with animals laid dying. The heat was oppressive. The Sun seemed to be larger and more intense and no birds or clouds could be seen. It was then that the sky seemed to surge and huge holes began to appear. These holes tore with a resounding, thunderous sound, and the very Earth, rocks and soil shook. Grandfather saw further visions of dying fish and dolphins, accompanied by tremendous upheavals of the Earth and violent storms. Piles of garbage reached to the skies, forests lay cut and dying, coastlines were flooded and storms grew more violent and thunderous. With each passing moment, the Earth shook with greater intensity. The spirit warrior confirmed Holes in the Sky would be the second sign. "The holes in the sky and all that you have seen could become man's reality. It is here, at the beginning of this second sign, that man can no longer heal the Earth with physical action. It is here that man must heed the warning and work harder to change the future at hand. But man must not only work physically, he must work spiritually, through prayer, for only through prayer can man now hope to heal the Earth and himself... It is the time of these holes that will mark a great transition in mankind's thinking. They will then be faced with a choice - a choice to continue following the path of destruction, or a choice to move back to the philosophy of the Earth and a simpler existence. It is here that the decision must be made, or all will be lost."

[Holes in the Sky: holes in the Ozone layer??]

3rd Vision

After a period of four days of contemplation the Grandfather received the third vision. He saw the sky turning to a liquid and then blood red. The red colour of the sky was like nothing he had seen before in a sunrise or sunset. The color was that of man, not of Nature, and it had a vile stench and texture. It seemed to burn the Earth wherever it touched. As sunset turned to night, the stars shone bright red, the color never leaving the sky, and everywhere the cries of fear and pain were heard. The spirit warrior explained: "This, then, is the third sign, the night of the bleeding stars. It will become known throughout the world, for the sky in all lands will be red with the blood of the sky, day and night. It is then, with this sign of the third probable future, that there is no longer hope.

Native American Prophecy of Stalking Wolf “The Grandfather”

Life on Earth as man has lived it will come to an end, and there can be no turning back, physically or spiritually. It is then, if things are not changed during the second sign, that man will surely know the destruction of the earth is at hand.

It is then that the children of the earth must run to the wild places and hide. For when the sky bleeds fire, there will be no safety in the world of man."

The spirit next described the time frame: "From this time, when the stars bleed, to the fourth and final sign, will be four seasons of peace [i.e. one year]. It is in these four seasons that the children of the Earth must live deep in the wild places and find a new home, close to the Earth and the Creator. It is only the children of the Earth that will survive, and they must live the philosophy of the Earth, never returning to the thinking of man. And survival will not be enough, for the children of the Earth must also live close to the Spirit. So tell them not to hesitate if and when this third sign becomes manifest in the stars, for there are but four seasons to escape."

4th Vision

Finally, the 4th vision, this time described by the voice of a young child, was given to the Grandfather. "The fourth and final sign will appear through the next ten winters [i.e. following 10 years] following the night that the stars will bleed. During this time, the Earth will heal itself and man will die. For those ten years, the children of the Earth must remain hidden in the wild places, make no permanent camps, and wander to avoid contact with the last remaining forces of man. They must remain hidden, like the ancient scouts, and fight the urge to go back to the destruction of man. Curiosity could kill many."

The Grandfather asked about what was to befall the worlds of man. The child's voice told him: "There will be a great famine throughout the world, like man cannot imagine. Waters will run vile, the poisons of man's sins running strong in the waters of soils, lakes and rivers. Crops will fail, the animals of man will die, and disease will kill the masses. The grandchildren will feed upon the remains of the dead... Roving bands of men will hunt and kill other men for food, and water will always be scarce, getting scarcer with each passing year. The land, the water, the sky will all be poisoned, and man will live in the wrath of the Creator...Man will be destroyed, his cities in ruin, and it is then that the grandchildren will pay for the sins of their grandfathers and grandmothers."

The voice reiterated that there would only hope during the 1st and 2nd signs."...Man will be given these warnings, if unheeded, there can be no hope, for only the children of the earth will purge themselves of the cancers of mankind, of mankind's destructive thinking. It will be the children of the Earth who will bring a new hope to the new society, living closer to the Earth and Spirit."

The full prophecy can be found in 'The Quest - by Tom Brown Jr. (1991).

Nostradamus

Concerning Comets in the future

Quatrain II.46

After great misery for mankind an even greater one approaches, when the great cycle of the centuries is renewed. It will rain blood, milk, famine, war and disease. In the sky will be seen a fire, dragging a tail of sparks.

Quatrain II.41

The great star for seven days will burn; the cloud will cause two suns to appear: The big mastiff all night will howl, When the great pontiff changes countries.

(Cheetham)

The great star will burn for seven days and the cloud will make the sun appear double. The large mastiff will howl all night when the great pontiff changes his abode.

Line 1 & 2: The great star is a comet, and the cloud the coma. The comet will burn so brightly in the sky it appears that we have two suns. (Alternative translation: 'The great star for September days will burn'). Since it is visible at the same time as the sun (a daylight comet such as the Great Daylight Comet of 1910) we can conclude it approaches from the sun's sector of the sky. It's brightness indicates a close approach. Line 3: Nostradamian scholars usually identify the mastiff as representing Britain - so we have a period of national distress in Britain. Line 4: Events necessitate the Papacy's relocation from Italy.

Quatrain VI.6

(Paulus)

There will appear towards the North, Not far from Cancer the bearded star: Susa, Siena, Boeotia, Eretria, The great one of Rome will die, the night over.

(Editor's Note, In May 2001 Planet X was two years away and seen approaching from Orion.)

Line 3: Seismically active areas Line 4: Pope will die, along with many.

Nostradamus Concerning Comets in the future

Quatrain I.69

The great mountain round of seven stadia, Afterwards peace, war, famine, flood, It will roll far away sinking great countries, Even antiquities, and great foundation.

Line 1: What type of mountain is round? A good reference here is to the burning mountain of Revelations which John describes as being thrown into the oceans - a clear reference to an asteroid or comet [Revelations 8:8]. So it appears we have a meteor or asteroid which AFTER (i.e. the hit) causes war, famines, floods, great countries to be sunk.

Quatrain II.43

During the bearded star's appearance, The three great princes will be made enemies: Hit from the sky, peace earth trembling, Pau, Tiber overflowing, serpent on the brink placed.

OR

During the appearance of the bearded star, the three great princes will be made enemies. The tremulous peace on earth will be struck from the skies; the Po, the winding Tiber, a serpent on the shore

Line 1: Comets were called bearded stars. Line 2: Three great nations - only 3 possible major powers are USA, China and Russia. So they are possible candidates Line 3: A strike from the sky shatters peace (asteroid in comets tail) Line 4: Earthquakes in Italy/ France resulting from impact causing flooding.

Quatrain II.70

The arrow from heaven will make it's journey. Dead while speaking; a great execution. The stone in the tree, the pond nation brought down. The rumor of a human monster, purge and expiation.

Line 1: The asteroid approaches from the heavens like an arrow. Line 2: The death toll of the impact - people die unexpectedly. Line 3: stone is the asteroid, pond nation probably England/ Britain (see next quatrain) Line 4: May possibly refer to the Anti- Christ

Nostradamus Concerning Comets in the future

Quatrain II.62

Mabus will soon die and there will happen a dreadful destruction of people and animals. Suddenly, vengeance will appear, a hundred hands, thirst and hunger, when the comet passes.

Line 1: The identity of Mabus is still unclear. He is not necessarily the Antichrist. One strong candidate is Saddam Hussein (invert his first name in a mirror, by which he is universally known). Line 2: The effects of the impact Line 3: Note the use of suddenly Line 4: The comet PASSING is the cause of the turmoil and misery.

Quatrain III.70

The whole of Great Britain, including England, will be covered by very deep floods. The new league in Ausonne will declare war so that they will ally against them. Line 1 & 2: Continuing the theme, Britain will suffer flooding from the impact. Line 2 & 4: Italy (Ausonne in south of Italy, stand for whole) involved in war.

"Then a great empire of the Antichrist will begin – where [once] Attila[‘s empire] and Xerxes descended [Central Asia and Persia] – in numbers great and countless, so many that the coming of the Holy Ghost, proceeding from the 48th degree [of latitude], will make a transmigration, driving out the abomination of the Antichrist [who is] making war against the Royal [Pope] who will be the great Vicar of Jesus Christ, and against his Church, and his reign for a time and to the end of time. And this will be preceded by a solar eclipse more obscure and more dark [and mysterious], than any since the creation of the world except for the death and passion of Jesus Christ, from that time till now, and there shall be in the month of October some great movement and transference [of the globe] and it will be such that one will think that the Earth has lost its natural [gravitational] movement, and that it will be plunged into the abyss of perpetual darkness; there will be initial omens in the spring, and extraordinary changes in rapid succession thereafter, reversals of kingdoms and mighty earthquakes, with the increase of the new Babylon, the miserable daughter, augmented by the abomination of the first Holocaust, and it will last no less than 73 years and 7 months..."

[After this a period of peace and harmony is seen – the 1000 years of peace described in the Bible]

3rd Fatima secret/ Marian apparitions

Lucía, the only survivor of the three little shepherds that saw the Virgin Mary, when interrogated about the third secret has given a few interesting clues, of which should be noted: a) She said that she would still be alive when the Great Punishment occurred. She is now a very old lady. B) Although she refused to reveal the secret, she warned: When you see a very bright light shining in the sky, it is the signal that the Great Punishment is imminent. Sr Lucia insists that, "the Virgin knew that these times of diabolical disorientation were to come." To someone who was questioning her on the content of the 3rd secret, Sr Lucia replied, "It's in the Gospel and in the Apocalypse, read them." She also confided to Fr Fuentes that the Virgin Mary made her see clearly that "we are in the last times of the world."

THE CROSS IN THE SKY

As late as 1965, the three days of darkness was spoken of again in a holy person in Europe: "The Divine fire and the fire of hell will arrive and last during the days of darkness indicated by all the saints. My luminous cross will appear in the sky, it will be the sign that the final events are close, and will remind all of My terrible passion, so that they will have time to reflect, for I shall not punish the world without previous announcement. All will have time to comprehend the significance of that cross in the sky, and everyone shall see it. All will know, even those who reject it, that this My cross will be the sign that a Redeemer came once to bring salvation and pardon. My cross will be honored as never before."

I. The Impending Signs

1. Increasing violent disturbances on land, at sea and in the air; earthquakes, hurricanes, tornadoes, windstorms, cloudbursts, breaking of dams, overflowing of streams and seas, huge tidal waves, floods, unusual accidents (accidents that are not accidents) taking many lives, famines, epidemics, destruction, destitution, failure of crops, water and crops will change, becoming more polluted and less nourishing.
2. Revolutions, downfall of governments, dissensions, wars, confusion in high places, lack of respect for authority, treachery, corruption, brutalities, atrocities.
3. Breakdown of family life, immorality, adultery, infidelity, promiscuity, perversion and violence of youth, disobedience, lack of values, indecent nakedness of dress, countless sins and iniquities, people concerned only with the body, with eating, drinking, dancing, amusement, entertainment, and pleasures.
4. Flaunting and abuse of Church laws, irreverence and immodesty in church, falling attendance at church, neglect of holy conduct on Sundays, neglect of the sacraments, sacrileges against the Body and Blood of Christ become rampant, sinful pride in sham-religious activities, general apostasy within the Church, rampant heresies, many religious will fall away and take souls with them, declining religious vocation, Christian countries become lands of pagans, enemies of religion, persecution of the true faith, suppression of the Church will increase and there will be many martyrs.
5. Lack of charity, heartlessness, indifference and lack of concern for our neighbor, people turning against each other, even in the bosom of the family, people proud in their own knowledge, and turning away from God.

II. The Immediate Signs

1. The night will be bitterly cold, the wind will howl and roar, then will come lightning, thunderbolts, earthquakes, the stars and heavenly bodies will be disturbed and restless. There will be NO light, but TOTAL BLACKNESS, utter dark will envelop the entire earth. This will come suddenly like a flash!
2. Not a single Demon will be left in Hell, hell will be emptied and every evil spirit will be released to roam over the earth and do all possible harm to souls. The evil ones will appear in the most frightening forms and will fill the air with pestilence and poisonous gases, there will be terrifying apparitions. Many will die from fear and despair, the wicked people will behold the Divine Heart of Our Lord.

3rd Fatima secret/ Marian apparitions

3. "My angels, who are to be the executioners of this work, stand ready with pointed swords and they will take special care to annihilate all those who mock Me and would not believe in My revelations."

4. Hurricanes of fires will rain forth from Heaven and spread over all the earth, fear will seize mortals at the sight of these clouds of fire, and great will be their cries of lamentation, many godless will burn in the open fields like withered grass. God's wrath will be poured out upon the whole world, the chastisement will be terrible, such as never before, and will afflict the entire earth.

5. Satan will triumph in these awful days, and hell will appear to have gained possession of the world, but God will reclaim it, for even this chastisement is an act of God's mercy. He tells us not to pray against it, as it must come, but pray to save yourself and as many others as possible, and pray that these days may be shortened.

The Lady of Akita

In 1973, the Blessed Virgin Mary gave Sister Agnes Katsuko Sasagawa in Akita, Japan three messages through a statute of Mary. Bathed in a brilliant light, the statute became alive and spoke with a voice of indescribable beauty. Her Guardian Angel also appeared and taught her to pray. The wooden statute from which the voice came wept 101 times over a course of several years. It also perspired abundantly and the perspiration sent out a sweet perfume. Its right palm bled from a wound having the form of a cross. Hundreds of people witnessed many of these events.

The Lady of Akita

Scientific analysis of blood and tears from the statue provided by Professor Sagisaka of the faculty of Legal Medicine of the University of Akita confirmed that the blood, tears, and perspiration are real human tears, sweat, and blood. They come from three blood groups: O, B, and AB. Sister Agnes also has stigmata on the right palm. A Korean woman with terminal brain cancer received immediate healing while praying before the statue in 1981. The miracle was confirmed by Dr. Tong-Woo-Kim of the St. Paul Hospital in Seoul and Fr. Theisen, President of the Ecclesiastical Tribunal of the Archdiocese of Seoul. The second miracle was the complete cure of total deafness of Sister Agnes. • April, 1984 - Most Rev. John Shojiro Ito, Bishop of Niigata, Japan, after years of extensive investigation, declares the events of Akita, Japan, to be of supernatural origin, and authorizes throughout the entire diocese the veneration of the Holy Mother of Akita. He said: "The message of Akita is the message of Fatima." June, 1988 - Vatican City - Joseph Cardinal Ratzinger, Prefect, Congregation for the Doctrine of the Faith, gives definitive judgment on the Akita events and messages as reliable and worthy of belief.

The Third and the Last message on October 13, 1973: "If men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity. It will be a punishment greater than the deluge, such as one will never have seen before. Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful. The survivors will find themselves so desolate that they will envy the dead. The only arms which will remain for you will be the Rosary and the Sign left by my Son. Each day recite the prayers of the Rosary. With the Rosary, pray for the Pope, the bishops and the priests." "The work of the devil will infiltrate even into the Church in such a way that one will see cardinals opposing cardinals, bishops against other bishops. The priests who venerate me will be scorned and opposed by their confreres (other priests). Churches and altars will be sacked. The Church will be full of those who accept compromises and the demon will press many priests and consecrated souls to leave the service of the Lord." "The demon will be especially implacable against the souls consecrated to God. The thought of the loss of so many souls is the cause of my sadness. If sins increase in number and gravity, there will be no longer pardon for them." "Pray very much the prayers of the Rosary. I alone am able still to save you from the calamities which approach. Those who place their confidence in me will be saved."

PROPHECIES of Veronica Lueken

Background

For 25 years, the Virgin Mary and Her Divine Son appeared to the late Veronica Lueken, mother of five children, during Rosary Vigils at the Vatican Pavilion Site in Flushing Meadows Park, New York.

The Blessed Virgin tearfully warns that World War III and a massive fiery comet will exterminate billions of people "within this century, if not sooner," unless there is a sweeping return to traditional values. Our Lady requested that a Shrine and Basilica be erected on Her chosen Sacred Site where She first appeared (on the spot at the old St. Robert Bellarmine Church in Bayside), which is to be named "Our Lady of the Roses, Mary Help of Mothers." She promised to come on the eve of the great feast days of the Church. Our Lady has requested that the Rosary be recited aloud by the crowd during the whole of the Vigil. All are requested to kneel in the presence of Jesus. The Message is repeated word for word by Veronica. Veronica also describes what she sees. All is recorded by tape. The Blessed Mother also instructed Veronica to disseminate the messages given to her throughout the whole world. She was named by Heaven as "Veronica of the Cross." Numerous cures and conversions have been wrought, some of them massive, with doctors' statements and medical documentation providing authentication.

The Great Chastisement

The Chastisement consists of two parts: the first part is man-made War; the second part is the God-sent Ball of Redemption (a great comet). World War III

The Great Chastisement

1. On March 29, 1975, Our Lady showed Veronica in vision a map. Veronica saw Jerusalem, Egypt, Arabia, French Morocco, and Africa.

2. Our Lady - "The start of the Third World War, My child... "

3. Jesus: "Many mothers shall face, in the world calamity, the loss of their sons. Many shall truly join Me upon the cross." - March 29, 1975

4. Veronica... "I see, it looks like a large field. Oh, it's like a countryside, because there are mountains, and I am looking down now upon a river. Oh no, it's more like a lake, because I can see all the foliage and the trees around it."

5 "But down now over in the woods, there are many, many crosses -- crosses white-washed, painted white. Now I'm looking down, and now I'm walking among these crosses, and they do not have names upon the crosses."

6 Our Lady - "My child, look and weep with Me, for you are witnessing the total destruction that will come upon mankind in the Great War, your Third World War. So many will die, My child, that there will be no time to mark the graves."

7 "Mothers shall long to see and know where their sons lie, but to no avail. This comfort will not be given to them, so great will be the loss of life. Can you not turn back now and beg the forgiveness of the Eternal Father before it is too late?"

8 "Are you so blind to the truth, My children, that you do not see the road you are travelling on?"

9 Our Lady - "I repeat: The Chastisement will be great, but man must understand: there is another chastisement. One will come from man, through the hands of man, a war so great that it will almost exterminate the earth, but for the merciful heart of the Eternal Father; and the Chastisement of the Ball of Redemption." - November 20, 1978

10 On September 7, 1974 Veronica described what she saw: Letters are coming out in the sky now. They are large letters: PERSECUTION OF THE MYSTICAL BODY. It is written -- PERSECUTION OF THE MYSTICAL BODY OF CHRIST DEMON 6 IS BEING RELEASED!

11 Our Lady - "There will be many among you who will claim to be the Christ. Remember, My children, My Son shall return only the way He left, as He ascended into the Heavens. He will come down, return, descend from the Heavens with the armies of Heaven behind Him. Accept none who will pass themselves off to you as the Christ, the living God! Reject those creatures of hell in human form! Reject them though they may come to you with great powers of satan. Number 6 - Beware of the anti-christ among you. Number 6 He will promote now the Third World War, the great war of destruction to mankind.

The Great Chastisement

A war that has never been met with a sequel upon mankind! A war of destruction so great that countries SHALL DISAPPEAR IN A FRACTION OF A SECOND! So great will be the power of 6 that HE SHALL START THIS WAR!"

12 Our Lady - "While your leaders throughout your world are crying for peace and do they present in the news medias as they prepare for war. O My children, wars are a punishment for man's sins." - July 14, 1979.

The Ball of Redemption

1. On October 2, 1979, Our Lady said... "My child and My children, do not be affrighted by My words. The world shall not come to an end. The Eternal Father has given His promise to mankind, that the world shall never be made extinct again, as in the past with the time of the floods. However, your world shall be cleansed with a 'baptism of fire'. Only a few, in the multitudes upon earth, shall be saved. You have been asked to make a choice between the Cross and the Serpent. And this choice has also been asked of the clergy in My Son's House, His Church upon earth."

2. Our Lady - "I have spoken to you of the BALL OF REDEMPTION to meet with much speculation from souls, I shall explain now, how this will come about:"

3. "The ball will descend from the atmosphere of your earth: it will be from the heavens; it will not be man-made; it will be part of the universe."

4. "YOU WILL BE PLANET STRUCK!" - March 24, 1972.

5. Our Lady - "In this chastisement, My children, billions will be lost. Many lives will be lost." - October 6, 1973.

6. Our Lady - "Your earth, in due time, will be planet struck." - October 6, 1973.

7. Veronica - my goodness! Oh, there's - up in the sky - there's that tremendous thing, a ball of fire. It looks like another giant sun. Oh, my! It looks like a giant sun - it's so big! And it's spinning! There are two suns! It looks just like two suns! They are almost the same size. Oh! The one on the left is spinning, though it's heading towards the other one. Oh! My! Oh! It's like two suns in the sky. They're tremendous! The ball on the left, it's coming in very fast. It's an volute ball of fire and it's giving out like trails of gases, I guess, vapors, because they're not solid. It's like flames and smokes vapors. Oh! Oh! My! - September 7, 1974.

The Ball of Redemption

8. Veronica - Now I see coming through the sky a tremendous huge ball. Oh! It's like a giant sun. But as it is travelling through the sky now it seems to be turning colours, white and orange, and spinning so fast, that it's like it's hurling through space. Aaah! It has tremendous heat! It feels like I am watching it standing so close to it, it's awfully hot....Ohooo! Now as it's going through space -- I see now -- it's going towards a very large ball. But now I'm looking at it, the other ball is coming close to a --- it's like --- it's a globe of the world!- April 13, 1974

9. Jesus..."My children, I hear voices of disdain shouting, sadism! Is this a sadist God who promises such destruction upon His creation?"

10. "I say unto you ,as your God, I bring not your destruction. You will bring about your own destruction, for I leave you, as your God, to the exercise of your free will. In your free will, if you reject your God and the plan for man's redemption as given from the beginning of time, I say unto you -- you will destroy yourselves!!" -- May 18, 1977.

11. Our Lady..."You only bring upon yourself a punishment far greater than ever has been seen upon earth and never shall be seen again, for when you go through this chastisement, there will be few creatures left upon earth." -- April 13, 1974.

12. Our Lady - "Can you not understand that when the Ball of Redemption is sent upon you three-quarters of your world shall be gone?" - November 1, 1977.

Timing of the Great Chastisement

1. Our Lady - "They are now planning for the entrance of the evil one, the man of dark secrets onto the seat of Peter!" September 14, 1072.

2. On November 1, 1972, Veronica described what she saw: Now there are four men who have come forward and are standing next to Our Lady. Jesus came through the sky -- down to join Our Lady at the right side of the flagpole. He was dressed in a long burgundy red gown - the red was in the cloak - His undergarment was a cream color. His feet were in sandals - brown leather like sandals. Jesus raised his hand and pointed over to the three men, saying:"

3. "Doctors of the House of God." (Over the men's heads names appeared. St. Thomas Aquinas, St. Robert Bellarmine...and the other man is faceless, but there is a large question mark over his head.)

4. Jesus then said: "This is the MAN OF MANY FACES WHO WALKS NOW IN THE HOLY HOUSE OF GOD - only you hold the decision to his fate!"

Timing of the Great Chastisement

5. Our Lady turned and motioned to this man who has no face - saying: "He is being developed to enter upon THE SEAT OF PETER. All trials coming from the abyss can enter into this Man of Perdition! A CONSTANT VIGILANCE OF PRAYER MUST NOW BE KEPT THROUGHOUT YOUR EARTH! The time for your Vicar has been extended but only for a short time. When he is removed from the seat of Peter THE MAN OF DARK SECRETS IS WAITING!"

6. On March 18, 1974, Veronica: I see, there is a man coming, now forward. He is dressed all in white. He has on a little hat like a calotte, sort of hat on his head, and he has a rosary at his side. There is a band about his waist. His hair looks very white. He is carrying a Bible in his hand, his left hand, and the cross in his right hand. Now, he is smiling : "Do you know who I am, my child?..

7. " -- Oh! it is St. Pius ... St. Pius X.

8. "Yes,..my child,... one will be entered into the House of God, and woe to man when he places him upon the seat of Peter, for then the great day of the Lord shall be at hand."

9. Our Lady - "The sign of the Son of Man will appear before the great Chastisement." - April 14, 1974.

10. Our Lady - "Man has only one means now to avert the planned Chastisement and Warning. The Warning and the Chastisement will follow soon upon each other if man continues on his present course. He must now humble himself before the world. He must do much penance, sacrifices, and make atonement for the many offenses against his God. Only in this manner will I, as a Mediatrix between man and God, be able to hold back the destruction which is fast heading towards earth." - September 28, 1973.

The Prophecy of the Antichrist from the words of God

Because the current time we live in is considered the generation of the fig tree which began with the Israeli Declaration of Independence on May 15 1948 and Jesus had taught his disciples that all the events of the end-times would take place before the generation of the fig tree would end quoting from Jesus here "Now learn this lesson from the fig tree: As soon as its twigs get tender and its leaves come out, you know that summer is near. Even so, when you see all these things, you know that it is near, right at the door. I tell you the truth, this generation will certainly not pass away until all these things have happened. Heaven and earth will pass away, but my words will never pass away." (Matthew 24:32-35)

It is therefore important to pay close attention to the following prophecy as it will likely take place within the next couple of years.

The prophecy in stages

Stage 1 The Falling Away

As many believers might understand there has in the past several years (even hundreds of years) been an on-going dilution of Christianity. What it is to be a Christian is much different today than it was in the time of the early church fathers like the Apostle Paul the writer of so many books we find in the New Testament. In many instances the religion of Christianity has been demonized by our modern culture and even by many who call themselves Christian theologians or scholars. This dilution or watering-down of Christianity will continue to worsen becoming more prolific as our modern culture embraces political correctness and the new ideals which suggest that the words of the Holy Bible in terms of those scriptures speaking against such things as homosexuality are considered hate speech. The following is what the Apostle Paul wrote in his epistle to the Thessalonians concerning the condition of Christianity that we will witness in the end times.

Stage 1 The Falling Away

“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.” (2nd Thessalonians 2:3-4) The falling away sets the stage for the antichrist by making it possible for him to deceive millions of people including many who claim to be Christians into believing that he is Jesus Christ returned. Furthermore the antichrist will have his prophet who will spread the false message to the world that all should follow the antichrist.

Stage 2 The new Temple

This charismatic ruler (the antichrist) gifted with the most persuasive oratorical ability will also possess his own army and he will wage a war against Egypt, Libya and Ethiopia resulting in the destruction and subjugation of these three countries placing all their combined resources into his possession. The antichrist will dominate the middle-east taking control of the vast reserves of oil under its soil, he will use this resource to dominate the governments of the remaining countries and he will begin the construction of the new temple of Solomon in Jerusalem.

The new temple will be constructed on its original location known as the temple mount where the Dome of the Rock is currently situated. This is to fulfill another part of the prophecy that Jesus taught his disciples when he said this;

“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, [Daniel chap 8] (whoso readeth, let him understand:) Then let them which be in Judaea flee into the mountains: Let him which is on the housetop not come down to take anything out of his house: Neither let him which is in the field return back to take his clothes. And woe unto them that are with child, and to them that give suck in those days! But pray ye that your flight be not in the winter, neither on the sabbath day: For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.” (Matthew 24:15-21)

As the antichrist wages his political and military conquest against the world and strives toward completing the construction of the temple two witnesses will begin to proclaim the true identity of the antichrist to the populations of the earth providing people a final chance to repent, deny allegiance to the antichrist and proclaim (live by) their loyalty to Jesus Christ. These witnesses will be given powers from God to perform miracles in the sight of men and women and anyone who attempts to hurt them will lose his or her life.

Stage 3 Tribulations

After the antichrist completes the new temple and is declared by his followers to be the true messiah he will kill the two witnesses and he will wage war against all of those who refuse to follow him and worship him. We will see the son of perdition stand in the newly built temple proclaiming himself to be the Messiah and god of all.

He will restore the world’s many cities and population centers that had been destroyed during his first conquest and he will institute laws that will mandate his worship as god.

Stage 3 Tribulations

Many people who once called themselves Christians will pledge allegiance to this false messiah because of one or more of these following reasons. Reason number 1; the rapture that they had been deceived into believing would happen before the beginning of tribulations does not happen and this will shake the foundations of their faith and harden their hearts toward the truth. Jesus makes it very clear when he said that he will return only after the tribulations. Speaking these words Jesus proclaims the following.

”Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.” (Matthew 24:29-30)

Reason number 2; this new ruler will have great power over all nations on earth and he will enforce the worship of himself on others by means of threatening their lives. Revelations 13:7-8

”And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.”

And Revelations 13:13-14

"And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, and deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live."

Reason number 3; this ruler will have the power to control our income (if we choose to remain employed or place our faith in money at this time) through a one-world economic system. Revelations 13:16-17

”And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

Reason number 4; Many people will believe this ruler to be the messiah because they have held fast to the belief that the messiah has not come yet and when he does he will setup his new temple on the foundation of his former one on the Temple of the Mount in Jerusalem. Many Jews do not believe that Jesus Christ was the Messiah when He was on Earth two thousand years ago so they continue to wait for the messiah to come.

Stage 3 Tribulations

According to literature written at the Temple Institute's official website we can see that the plan for rebuilding the temple has been made and awaits the messiah's appearance. "The Temple Institute's ultimate goal is to see Israel rebuild the Holy Temple on Mount Moriah in Jerusalem, in accord with the Biblical commandments." (Richman, 1991 - 2009) Jesus predicted that Israel will worship and accept the false messiah because they rejected Him. "I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive." (John 5:43)

Stage 4 The Conclusion

The events that I have spoken of thus far will occur in the space of 7 years and will be preceded by an outpouring of God's wrath upon the earth and the ultimate defeat of the antichrist by the returning Son of God the true Jesus Christ. During this seven year duration a third of the earth's population will be killed along with a third of the animals and a third of the earth's vegetation. Written by George R Roesler August 2, 2009
