

# My Instrument Project

- Design and create a musical instrument using ordinary household items.
- Make one of the following: Idiophone, Aerophone, Membranophone, Chordophone
- Follow the guidelines below and **turn in this sheet with your project**.
- Your instruments are **DUE FRIDAY, August 29<sup>th</sup>**.

1. What is the name of your instrument? \_\_\_\_\_

2. Why did you give it this name? \_\_\_\_\_

\_\_\_\_\_

3. Into what category would you put your instrument? \_\_\_\_\_

4. What materials did you use to make your instrument? \_\_\_\_\_

\_\_\_\_\_

5. How do you play your instrument? (Describe how is the sound produced.)

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**On Friday, August 29<sup>th</sup>, students will give a short presentation on their instrument. All students will perform together on their instruments in an ensemble. The presentations and performance will be recorded for our Network and blog.**

## **GRADING**

**Completing project on time = 20%**

**Quality of Presentation** (discussing all information from this sheet) = **30%**

**Ensemble Performance = 30%**

**Creativity** (how much thought, planning, and execution went into making your instrument unique and interesting) = **20%**
