4/4

Fa - ther,                      are you lis - ten - ing?                      You can hear my                      heart.

Fa - ther,                      it's a - ma - ing.                      I can't un - der - stand.

Fa - ther,                      can - you tell me                      What I said could                      say,

Fa - ther,                      I can't im - a - gine,                      but you said it                      so,

2                      0                      0                      3                      2                      3                      0                      0                      3                      3                      0
