

***NC ICES Day of Sharing
Sunday August 23, 2009
10 am – 4 pm***

**Bethesda Ruritan Club
1714 S. Miami Blvd., Durham, NC, 27703**

Join us for a fun-filled day of **member appreciation** in August – we have 4 wonderful demonstrations planned to show you some new cupcake and cookie ideas.

Ann Cole – 3D cookies. You will learn to bake a cookie that looks like a cupcake with a candle . The cupcake has space for surprises.

Leah Cole – Salad bowl cookies. These cookies won best of division at the Great American cake Show in Virginia.

Elaine Robbins – Demonstrating Sugarveil, makes bows, ribbon flowers, monograms, lacework, stencil designs, flexible edible images, and more to create an awesome cake

Jo Drummond - Cookie Dips.

We will also be continuing this exciting format for the meeting where everyone will gather in small groups to participate in hands-on sugar art or view a demo. We will be dividing into 5 groups and move from demonstrator to demonstrator during the day, so that everyone gets to see and participate in an up-close way that our usual demonstrations don't allow.

Two of the demos will be hands on and two will be close-up demonstrations.

Of course, you don't have to do hands-on if you would prefer to just observe; however, this will be a great way to try your hand at some new ideas in cake decorating! The instructors will be providing much of the materials needed but you'll need to bring a few things from home; a master supply list will be provided a couple weeks before the meeting.

VENDORS! We will also have vendor tables at this meeting, where there will be various items for sale, so plan to take home some new cake toys too!
