"Where two or three come together in my name, there am I with them"

(Matthew 18:20)

As I sit here in front of the PC to write this month's report I can't help listening to the 11 o'clock news. What a mess! Missiles and rockets are falling over Galilee. A bomb even hit Nazareth, and killed two small children. Iran and North Korea are climbing through the ropes of the nuclear arena. Things couldn't be worse in Iraq where evil seems to sense good's vulnerability, rising up worse than ever. The severe and unpredictable weather around the world and I don't even want to mention ex Vice President Gore's movie on global warming. That in and of itself is enough to make you want to actually take one of those leaflets handed out on every street corner in Manhattan warning of the End of Days. I'm hearing things I haven't heard since the 60's about having a place in the hills to head for and you know its just a matter of time before Costco has a do it yourself, snap together plastic bomb shelter made by a company named DoomsCo. All of the above can create a tremendous amount of anxiety in people, especially those who like to feel they are in total control.

So what does that mean for us here at King of Kings Church? Well I think it means that we need our God, our church, our pastor and one another more than ever. A place to hang with others who truly believe that it's the Lord who controls it all . . . not Israel, Palestine, Hamas or Hezbollah . . . not even Vice President Cheney! God Almighty who makes the call and asks us only to be ready. To "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength" (Mark 12:30) and to "Love your neighbor as yourself" (Mark 12:31).

That's what we do here at 250 Harmony Road. Like it says on top of this page it's the perfect spot for it. Oh I know God is everywhere, I would use that as an excuse not to go to church. But I gotta tell ya, during all of my years of being unchurched, I never heard a hymn being sung, the gospel read or Holy Communion be served at the bowling alley.

With the persistence and determination of those who want to destroy our world lets keep on pluggin. Our worship services, schools, outreach programs, small group ministries, welcoming of self-help organizations and special programs like Vacation Bible School and Kings Kamp can make a difference. We can only get through these troubling times with the help of God and each other.

Please pray this prayer along with me every day. It couldn't hurt!

Lord please be with our world leaders help them to figure out a way to work together as earthlings, to accomplish what we all have been praying for the longest time, that we can see peace and tranquility throughout the earth in our lifetime.

Amen

Yours in Christ,

Frank Gaetano

You Can Help – Remember you don't have to be a professional to volunteer. There are many types of people doing an array of things here at King of Kings. We hope you would consider looking at your schedule and fitting us into it. Call Pastor at 732-671-3348.

Perhaps these opportunities are not for you. Maybe you know someone who might be looking for exactly what we need. Get the word out. The right person may be right under your nose.

Hey did you know that we love to print news about our church family. Maybe there was a birth, a graduation, wedding or anniversary? Call the church office at 732-671-3348, or drop us a note, we have a mailbox. We would love to hear about you!

Ooops! I like that so much better then retraction.

COUNCIL MINUTES CONTINUED FROM PAGE 3

Old Business:

It is written: "Nancy Scharff refused to change time"

That should have read "Nancy Scharff expressed difficulty with the time change"

There were others who had problems with the change (myself included), however the fact of having to be without her presence at that service weighed heavily on **council's decision** to change it.

Sometimes in an effort (and only someone who has done the job of council secretary knows what an **extraordinary** effort it is) to abbreviate . . . the theme or tone of an event, opinion or conversation can get skewed. I am extremely encouraged by the overwhelming response to this one line in the council minutes as it lets me know you are reading them.

I would like to close by thanking all of the people involved in the entire Kable process for their efforts. It takes something like this to prove just how much your work is acknowledged and appreciated.

Thank you in advance for understanding.

Anyone who requires any further clarification on this matter please contact me at fgaet93251@aol.com

Yours in Christ,

Frank Gaetano

Kings Kamp Update

As I write this article we have just completed our 1st week of the 2nd session. (yes, it's been HOT!) I am thrilled to report Kamp has been a big success! The children had a great time and the parents were very pleased with our program.

After all of our expenses, we will be able to give the church over \$6,000.00! This has far exceeded my expectations. I want to thank Pastor Greg for all of his help and trust in me to get this program off the ground. The staff worked very hard in the heat and humidly and still managed to keep a smile on their face! I want to thank the Carroll family, Ken, Sarah, Katie and Robyn, Joanne "T", Janet Laus, Trish Messa, Lori Crandall, Erin McKenna, and James Scully for all their hard work and dedication.

The Kings Kamp Krew is already looking forward to next summer!

I would like to thank Pastor Greg, the congregation, and our choir for your loving support of my annual God & Country Concert here at King of Kings. We raised \$1,133.00 for The Emmanuel Cancer Foundation. Special thanks to all of you who donated baked goods for the refreshments after the concert - - people were raving about them!

Please continue to pray for Tony Salerno, the grandson of Linda and Warren Scheuler's neighbors, a baby, diagnosed with cancer. This is what The Emmanuel Cancer Foundation is all about -- helping children who have cancer, and their families. Thank you all again!

Nancy Scharff

Thank You!

I would like to take a moment to Thank Pat Tobin and Joe Deeves for getting the new desks for the church office. Pat saw that these two desks (that were going to be trashed) still had life in them. Although they were dead weight!! Joe Deeves came to the rescue by helping to move them to King of Kings. Thank You both!

Joan Doyle

I hope that you are all having a wonderful summer. Summer always seems to roll by faster than any other time of the year, but something about September has always excited me. Maybe it's the smell of the new crayon box for back to school or the prospect of new beginnings that occurs after the respite of summer time beaches and cooling lemonade. We are very excited about Women's Ministry this upcoming year. Our schedule is made and we will be busy we do hope that YOU will be joining us whenever you can. This year we will be meeting the 1 st and 3rd Wednesday evenings of every month at 7pm in the overflow room. Our first meeting will be, Wednesday, September 20th. You don't need to make every meeting just come when you can. On the FIRST Wednesday's of the month we will be studying a book called Lost Women of the Bible by Carolyn Custis James. We will be covering one chapter each month. Every chapter highlight's a different Biblical woman from Eve to Mary Magdalene and beyond. On the THIRD Wednesday's of the month we will be doing something social, like scrap booking, crafts, movie watching, drinking coffee or tea and just being women. Come draw closer to God, make new friends, grow in our church community! We look forward to seeing you!!

SAVE THE DATE: March 9,10, and11 th 2007 We will be having a Women's Retreat at Grove Hall, Ocean Grove!!
