

**GRANT MIDDLE SCHOOL
STUDENT HANDBOOK REVIEW**

I, _____, have reviewed the GMS
STUDENT NAME (PRINT)
Student Handbook with my first period teacher. I understand the rules and will approach the administration or the counselors if I have any additional questions.

I realize that my behavior and actions can and will affect field trips and any other activities that I will have the opportunity to participate in. This includes; sports, music trips, Ghost Ranch, Hummingbird, any field trips and end of the year activities such as graduation and Cliffs. Additionally, rules also apply to any school property that may be in my care during the school year, including library/textbooks.

Grant MS does use interventions such as parent calls, parent conferences, lunch detention, and In-School Suspension (ISS) to attempt to improve behavior which will allow us to have a safer campus and a more enjoyable year. The administration will also schedule student behavior hearings with an office if it is decided that one is needed.

We want this year to be a safe and enjoyable academic year!
