

LODGING

We are assuming that most people still have family and friends in and around Queensbury to stay with. If not, here are some other options:

1.) The Great Escape Lodge has blocked off 10 rooms for our group at a discounted rate of \$189 for four person occupancy. This includes 4 passes to the indoor water park during your stay. If interested in this option, please don't make reservations from the website, instead contact the Lodge and tell them you are with the Queensbury Class of 1993 Reunion.

2.) Another brand new, but less expensive hotel is available across the street, and the Lodge will provide a shuttle if enough people book rooms there. It looks like rooms will be approximately \$109 a night, and their information is as follows:

Country Inn and Suites

1130 Route 9
Queensbury, NY 12804

3.) Stephanie Bonhote Frost lives in and owns a former hotel in Argyle and has generously offered to let people stay there. You can contact her at littlebit19808@yahoo.com for more information. Thank you, Stephanie!
