

IMPORTANT!!!

With the current price of fuel, we need to know if you are planning on attending the family reunion. Give Joan Willoughby a call at 541-963-9681 or e-mail at tjwillough@eoni.com, or Dee Zimmerlee at 541-504-8332, dzimmerlee@aol.com. **Unless we have a good response before June 10, we may cancel for this year and plan on meeting in Canada next year.**

Union Creek campground at Phillips Reservoir is a first come, first served campground. It is a developed campground with RV sites with drinking water and electric at each campsite. There is a dump station in the campground. "A" section has full hookups but those are hard to find empty this time of year.

There 58 campsites in the conifer forest around Phillips Lake include 12 tent-only sites. Phillips Lake is popular for fishing, motor boating, water-skiing & canoeing. Day use picnic areas, fishing areas & boat ramps are scattered along the north shore.
