You must send in payment. We will purchase supplies and food based on the number of registrations that have paid before the event. We can accept only a couple late registrations at the event.

The event will run rain or shine. Bring a poncho or rain coat if we are expecting rain.

BB is in a shelter. Crafts are in a shelter. Dinner is in a shelter.

Watch for information in Aug and Sept. We will know then if we will be having the Climbing Wall.

Should we be able to have the climbing wall, we must have signed releases for everyone for the climbing wall and children must weigh at least 40# to be permitted to use the wall. We will have forms there but if a Cub Scout is coming without his parent/guardian, he must bring a signed form with him.

(get the form from the www.gpc-bsa.org site. On the left side under camping → climbing and repelling → climbing and cope forms → parental informed consent and hold harmless release agreement).
