Changing
the world for
homeless & at-risk
cats in Central New
York—four paws
at a time.

A kitten field trip leads to a TNR/rescue campaign

The residents at Parkrose Estates in Liverpool are long-time cat lovers. Unlike many retirement communities, Parkrose allows residents to have pets—something we wish every facility would recognize the value of! Every year they hold a “cat show” for residents’ cats and this year they invited Cat Coalition to bring some of our adoptable foster cats, and also held a fundraiser for supplies for us. The residents loved petting and holding the tiny rescued kittens who came for a visit!

As a result of this event, CNYCC also partnered with Parkrose to run a trap-neuter-return (TNR) campaign for feral cats living behind the building. A resident was already feeding the cats and CNYCC was able to provide shelters, but it was important to get them fixed and vaccinated so they stopped producing kittens. Five adults and ten kittens were caught, with all of the kittens going into foster care for adoption.

► *Tiny Sinclair was born to a cat trapped at Parkrose.*

It costs \$100–\$175 for a high-quality humane trap. Consider being a “Trap Sponsor” if you donate to CNYCC!

So special, they're priceless!

Fees for all CNYCC special needs cats are waived

Looking for an extra special cat adoption story? Consider adopting a special needs cat from CNYCC for free! We want these special cats to find their loving forever homes, so we are giving them all the help they can get. Special needs cats are those with a veterinarian-diagnosed condition that could require some extra care, such as:

- Feline immunodeficiency virus (FIV)
- Feline leukemia (FeLV)
- Diabetes
- Prescription medication or diets
- Chronic medical conditions

Find these cats and more online at cnycatcoalition.org.

Don't be negative about our positive diagnoses! We are great cats!

▲ **Memphis** is a beautiful orange boy who is a hearty 14+ pounds! He is positive for FIV, but is in excellent health and expected to do great.

▲ **Tasha** is 2 years old and has beautiful caramel-colored fur like an Abyssinian. She was abandoned at an apartment complex and was rescued from under a dumpster with her litter of kittens. She has FIV but doesn't let that stop her winning personality from shining through.

▲ **Misty** is a sweet and dainty 2-year-old girl who is on a special diet for a sensitive stomach. She was abandoned in the winter and left to freeze, but was thankfully rescued!

Be a summer foster!

Looking for a fun and rewarding summer project for your family? Consider fostering kittens or an adult cat! We need all the help we can get saving abandoned and homeless animals this time of year. Many families and individuals like to pay it forward once a year by taking in cats in need when they have time. It's a great way to keep kids busy and entertained and also teach them responsibility!

**Interested in fostering?
Email cnycc@outlook.com.**

Return Service Requested

Cats can't drive themselves to spay/neuter clinics, but you can!

Email cnycc@outlook.com if you can help!

Every Monday, CNYCC takes around 20 cats to a low-cost spay/neuter clinic in Cortland called the Spay and Neuter Assistance Program (SNAP). That's more than a thousand cats a year who won't be contributing to overpopulation!

We need volunteer drivers to transport the cats between Liverpool and SNAP in Cortland. Morning drivers leave with the cats around 7:30 am. Night drivers pick up the cats at the clinic around 6:30-7 pm to drive them back for pickup by owners/rescuers.

Drivers do not need large vehicles. We often pair up drivers so the carriers can be split between them. All mileage is tax deductible.

The SNAP clinic also needs volunteers if you want to help out during the day on Monday!

Volunteer drivers:

- Drive about once a month
- Choose to drive in the morning OR at night
- Can have almost any size vehicle
- Can deduct mileage from their taxes
- **Make a huge impact!!**

**Spay/
Neuter!**

In 2017, we have fixed more than 930 cats!

For low-cost spay/neuter, call (315) 420-SPAY!

Adoptions!

We have found homes for more than 220 cats in 2017!

Thank you to our corporate sponsors, Kirnan Real Estate and C&S Companies!

Email CNYCC@Outlook.com to become a sponsor.
