Scammers

Criteria for Rejecting Scammers:

Because the dating site is free to join and members can send emails on the site as soon as they register; even if they are 'UNCONFIRMED', it is open to abuse from people who put up fake profiles and send 'SCAM' mails to other members.

When reviewing 'UNCONFIRMED' profiles and when possessing profiles 'WAITING FOR APPROVAL' you need to watch out for a combination of factors that will make you suspicious about a profile: Please remember it is not any one item in isolation that can lead you to this conclusion. It will usually be a combination of the following.

1. **Ethnicity:** anything other than 4 (Caucasian) you need to be cautious about. 1 (African) or 2 (African American) and Russian profiles should carefully read and rejected if it seems like a possible scammer.
2. **If the email address is .fr or .ru and looks like part of a bank email addresses e.g. malinochaka_555@yahoo.com**
3. **The username will sometimes look suspicious e.g. tyrkeysnothm**
4. If the country is any African or Russian then reject the profile
5. If the country is USA and ethnicity of 1 or 2. Sometimes they select Ireland and other European countries, you will have to watch out for other indicators.
6. Female profiles with 1 or 2 ethnicity and Russian are the main scammers.
7. If the language used is broken/poor English, very formal or grammatical errors e.g. I very gentle, kind....
8. If contents used is repetitive, sound very 'submissive' and 'begging', looking for marriage or don't make sense.
9. If they haven't filled out any occupation, books, movies, pubs, music. Or state 'Ask me in a letter'
10. Occupation is student, but the information makes not sense.
11. 'UNCONFIRMED' if they have no headline or description but their country is one other than Ireland, email address/username seems suspicious, they may be a scammer.

ACTION TO TAKE: reject profile and contact iTouch Ireland – M-F 9am-5.30pm Clive Dunne 4112687. Out of Office hours before 10pm contact Gillian Taylor 086-2739391.
